Redefining Remote Work Travel

WHY PARTNER WITH US?

YOUR VILLA DESERVES MORE THAN SEASONAL BOOKINGS.

We help you unlock a new kind of guest: remote workers who stay longer, spend more, and value peace and purpose.

What Makes Feel.Travel Different?

✅ **Longer Stays, Even Off-Season**
Guests stay 2–4 weeks or more — often during low season — giving you stability when you need it the most

✅ **Respectful, Independent Guests**
Our guests are professionals workers who value quiet, comfort, and treat your villa with care.

✅ **No Commission Fees**
You set your daily rate — we pay it. The better the rate, the higher your booking chances.

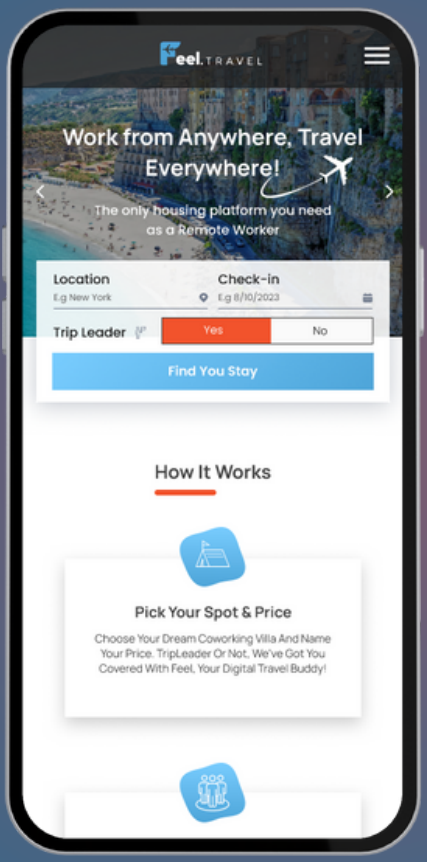
Co-Working in Marrakech
February 2023

" I spent two amazing weeks in Marrakech with Nico.
This trip was really special because of the people I've met. From the first moment on we were a group that grew closer and closer together thanks to Nico. He created a supportive, funny and thoughtful environment. It was a great mixture of working next to each other, going out for food and drinks, having cosy nights at the roof top and road trips at the weekend.
Thank you so much! "

WHY PARTNER WITH US?

At Feel.Travel, we turn beautiful villas into remote work paradises — offering you a future-proof way to host respectful, long-staying guests without the platform headaches.



YOUR BENEFITS

✅ **Non-Exclusive Collaboration:** Stay on Airbnb, Booking.com, or direct. We bring extra bookings, not rules.

✅ **Smart Calendar Sync:** We connect with your existing calendar for seamless availability updates.

✅ **Off-Season Bookings:** Most of our trips happen outside peak months — bringing you stability all year round.

✅ **Hassle-Free Hosting:** We handle all onboarding, group dynamics, and communication through our TripLeaders.

✅ **Trusted Community:** Guests are handpicked: remote professionals, creatives, and entrepreneurs — here to focus, not party.

BUSINESS OVERVIEW

COMPANY DESCRIPTION

FEEL.Travel is an innovative platform offering unique travel experiences tailored to **remote workers.** We specialize in verified **co-working villas** and immersive **co-working trips** that foster community, enhance productivity, and balance work with exploration.

Unlike traditional travel platforms, FEEl.Travel is built **from the community for the community**, providing a unique blend of community engagement, flexible pricing, and unique workspaces. Our platform bridges the gap between work and leisure, offering remote workers the **ideal environment** and **lifestyle** to thrive both professionally and personally.

MISSION

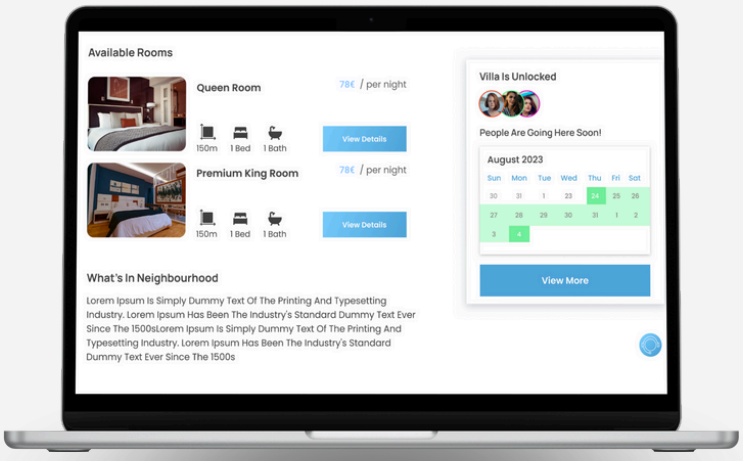
To redefine remote work travel by offering verified co-working villas and immersive co-working experiences, fostering connections, and personal growth among remote workers, promoting a **balanced** and **sustainable lifestyle.**

FEEl.Travel aims to be the only housing platform that a remote worker will ever need

VISION

To become the **central platform for remote workers**, facilitating a new growing lifestyle that seamlessly blends unique accommodation and co-working experiences worldwide.

We aim to be known for our unique blend of community engagement, flexibility, and reliable workspaces in unique settings, ultimately **leading the global movement** towards innovative and sustainable remote work living. This vision will be facilitated through our unique payment model where users can **select their best price**, making high-quality remote work accommodations accessible and affordable for all.



JOIN THE MOVEMENT

We're happy to answer any questions and explore how your villa can become part of something bigger. Let's connect and discover what's possible — together.

The future of remote work travel is already unfolding

BUT TOGETHER, WE CAN DO IT FASTER AND BETTER.

Thank you for taking the time to review this document.
We look forward to the possibility of working together to revolutionize the remote work travel experience.
