SPIRITUALITY AND TOTEM ANIMALS 136
CHRISTIAN FAITH: WHY JESUS 150
Embracing Enlightenment: Walking in Spirit and Truth 182

Opening the Door to Christian Spirituality and Apologetics

OPENING THE DOOR TO CHRISTIAN SPIRITUALITY AND APOLOGETICS

INTRODUCTION

This book will uncover the topic of spirituality with Christian apologetics. If you are a Christian and affected by spirituality or have been looking for answers about spirituality or need to strengthen your knowledge as a Christian about spirituality, or are just a curious mind, this is undoubtedly the answer to your questions. It will uncover

the truth about medium: the spirit of the dead, the five elements in spirituality and the totem animals. You will then get an antidote to all things spiritual. Once you get acquainted with this enlightenment and dare to finish this book, I promise you will never be the same again.

Please bear in mind this book is bursting with scriptures for a good reason: all Scripture is given by the inspiration of God, and is profitable for doctrine through God's principles, for reproof to discover what we did wrong, for correction to discover how to do it right, for instruction in righteousness as a Christian lifestyle. I have also quoted three chapters and short verses from the Book of the Watchers by Enoch for a detailed expansion of Genesis 6.

At this point I believe you are more than ready so buckle up, you are about to get revelations that will blow your mind, and I pray that God will extend to you your own personal revelations and encounters.

SPIRITUALITY THROUGH MEDIUM

Spirituality

Spirituality is the quality or state of being spiritual. Concern for that which is unseen and intangible, as opposed to physical or mundane (ref: definitions.net).

Spirituality is a worldview that suggests a dimension to life beyond what we experience on the sensory and physical levels. In practice, this might entail religious or cultural practices and beliefs surrounding a higher being/s, connection with others and the world, and/or the pursuit of self-improvement**.**

- **Genesis 1:1-2 In the beginning God created the heavens and the earth. 2 The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.**

God is “spirit”, the Creator of heaven and earth and everything that is in it. Through Jesus Christ, who was the Word of God that created all things, his Holy Spirit, when received, transforms the believer’s mind, heart, and spirit so that life mirrors God’s purposes, the destiny that God has for each of us.

Spirituality through medium

A spiritual bypass to God, which may seem to lift spiritual hindrances to make the physical life or the earthly life more bearable or with less suffering to attain material things to please the fleshly life or fill the void of emptiness spiritually for those who don’t have a relationship with God.

God made us both in flesh and in spirit or better yet, we are made in his image, meaning

we are three in one: God the Father (human soul), God the Son (human body), God the Holy Spirit (human spirit – God's breath).

- **Colossians 1:15 He is the image of the invisible God, the firstborn over all creation.**

He says we are like grass: as the grass withers, so does the human flesh. But he also made us in spirit, meaning his breath that was breathed into us is his, and that breath is meant to worship God for as long as it is intact with the flesh to be worthy of the eternal life which is spiritual.

Spirituality through medium is also a form of misdirecting worship from the true and living God, so it opens doors to self-worship, worshipping other gods, worshipping creation, ancestral worship, even worshipping the devil knowingly. Spirituality can accommodate any kind of spiritual practice or religion that will take away the divine worship from God (meaning that it may encompass mixing Godly worship and worship to other deities).

Spirituality

- **Colossians 2:8 Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ.**
- **Isaiah 8:19-20 And when they say to you "seek those who are mediums and wizards who whisper and mutter" Should they seek the dead on behalf of the living? 20 To the law and to the testimony, If they do not speak according to this word, it is because there is no light in them…**

God is Spirit (the birth of a man)

- **Genesis 2:7 And the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life; and man became a living being.**
- **John 4:24 God is Spirit, and those who worship Him must worship in spirit and truth."**

Note: God created man in his image, and his spirit lives in him, for God gave him the breath of life. Every living being must worship the God that not only created them but gave them the breath of life through his very own SPIRIT (likeness).

God is Spirit (the death of a man)

- **Ecclesiastes 12:7 Then the dust will return to the earth as it was, And the spirit will return to God who gave it**.

Note: When a man dies, the spirit goes back to God. That is why he says whoever is born is born to him and whoever dies, dies belonging to him, for he gave men the breath of life.

What is God saying about medium?

- **Leviticus 19:31 'Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the Lord your God.**

Note: When a man pays a bride price for his wife, that bride belongs to that man and he

wouldn’t want his wife to be defiled by other men, otherwise he would be jealous because his wife should be his and his alone. God gave us a breath of life, his spirit lives in us and he doesn’t want other spirits to pollute our spirit. That is how we are his bride; he paid the price with his blood.

- What is God saying about medium?

Exodus 20:5 You shall not bow down to them, nor serve them, for I the Lord God am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generation of those who hate me.

Note: The reason God is jealous is that it is his spirit that is being mingled with other spirits which are not of him. What is holy is holy and what is evil is evil; there is nothing in between unfortunately.

- Spirituality

Leviticus 20:6 ‘And the person who turns to mediums and familiar spirits, to prostitute himself with them, I will set My face against that person and cut him off from his people.

Note: When Jesus Christ resurrected on the third day, it was the power of the Holy Spirit that raised him up from the dead and it is the same power of the Holy Spirit that he left with us as a gift, as a helper to fight evil spirits. The only spirit we must invite into our temples is the Holy Spirit.

- Spirituality
- **John 4:24 states, "God is Spirit, and His worshipers must worship Him in spirit and in truth," emphasizing authentic, heartfelt worship guided by the Holy Spirit and grounded in God’s truth.**

Note: God is spirit; therefore spirituality exists because of him. We are physical

evidence of a spiritual God. We can have a deep relationship with God which is spiritual, but God never forces himself on anyone; he gives us free will. That is why he says, seek him and you will find him.

- **2 Corinthians 11:2-3 For I am jealous of you with godly jealousy. For I have betrothed you to one husband, that I may present you as a chaste virgin to Christ. 3 But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ.**

Note: The spirit that comes from God is the Holy Spirit and any spirit that is not of God is an evil spirit and the evil spirit is of the devil and the devil is Satan, who is an enemy of God. The fact that you are made in God's image means that he is your enemy too. The same serpent that deceived Eve now comes as a spirit guide to humans; some parts of Africa call certain kinds of snakes their family members e.g. green or yellow snakes for some. This is a lie from the pit of hell because

God caused enmity between man and the snake; no serpent will ever bring good in our lives, that's pure deceit meant to keep you bound and defiled.

Can spirituality co-exist with religion?

Note: There is a reason why, in African spirituality, you are asked to agree with African spiritualists: "Vumani bo siyavuma" meaning "Agree with me and say yes" because you must declare with your mouth to show that you believe in that spirit in charge and you are opening that door: "the power of the tongue", which gives legal rights to these spirits.

My story: I remember going to consult a spiritualist. I had bad dreams about someone attacking me, they told me things about my past, like that I had had a car accident, which were true, and there was an enemy at work that apparently bewitched me to leave work without any backup. This spirit tells the truth, through monitoring spirits (familiar spirits). They call on your ancestors and their

ancestors to connect because their spirit must connect with the monitoring spirits in your bloodline, those familiar spirits who have your history and your current data. I was cut with the razor on my head, hands, shoulder and feet, I didn't even know that meant a blood covenant between me and the spiritist and her demons. I gave them full access in my life to oppress, cause destruction and steal from me without knowing. After that consultation, I started losing money, my health was attacked and I had an operation, we started having gripes at home, and at work the environment became toxic. That traditional healer said that the person who wants you to leave will be the one leaving (all lies, saints; I left them there instead). The enemy came to kill, steal and destroy but Jesus came that he may give us life and life in abundance. (These practices may differ from region to region but best believe it is the same spirit). Jesus came to correct this because spirits were getting legal rights to people's lives to oppress them and keep them under bondage. Fortunately for us, we don't have to carry sin the whole year, but

we can repent and be forgiven through Jesus Christ and his blood that atones for our sins and through his grace and mercies that are renewed every morning.

- **Romans 10:10 For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.**

Can spirituality co-exist with religion?

Note: Who do we call when things go wrong, when we can't have children, when we can't get jobs, when our businesses are not doing well, when we are sick, who do we call?

- **Romans 10:13 For "whoever calls on the name of the Lord shall be saved."**

Jesus Christ is enough; you don't need any other God.

Note: The enemy wants us to be anxious then put fear in us to sacrifice, then another sacrifice and do more sacrifices, give thanks by sacrificing some more to keep us bound, that way we become powerless and scared to escape. Never ever feel like any situation is

beyond God, we will never find true relief from these spirits; they are built to keep us enslaved to provide blood whether animal or human, for blood is a currency in the spiritual realm. God will never allow affliction that he cannot give you power to overcome.

- **1 Thessalonians 5:16-18 Rejoice always, 17 pray without ceasing, 18 in everything give thanks; for this is the will of God in Christ Jesus for you.**

Can spirituality co-exist with religion?

Note: If the religion referred to is God who is a creator of all things and who created men and gave them life, then NO.

- **1 Corinthians 10:21 You cannot drink the cup of the Lord and the cup of demons; you cannot partake of the Lord's table and of the table of demons.**

And by this I'm not calling your ancestors or spirit guides demons, but there is an identity stealer here. I will expand on this in the spirit of the dead chapter; it will make more sense.

What is a medium according to God?

- Introduction Note:

It is the spirit that helps people see the past, present and the potential future through divination, such as the spirits of the dead, stars, moon and sun, marine spirits e.g. traditional doctors, shamans, soothsayers, tarot card readers, palm readers, psychics, astrology, horoscopes, sorcerers, Santeria and all other demigods in different regions etc.

- **Isaiah 29:18 In that day the deaf shall hear the words of the book, And the eyes of the blind shall see out of obscurity and out of darkness.**

Consulting using divination and familiar spirits

- **Exodus 20:4 "You shall not make for yourself a carved image—any likeness of anything that is in heaven above (sun, moon, stars), or that is in the earth beneath (spirit of the dead, graves, trees, plants), or that is in the water (marine spirits) under the earth;**

- **Genesis 6:1-2 Now it came to pass, when men began to multiply on the face of the earth, and daughters were born to them, 2 that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose.**

BOE Ch. 8: Samyaza is a fallen angel (demon) who led his prefects in defiling the daughters of men.

THE ORIGIN OF THE NEPHILIM

- **Genesis 6:1-5 Now it came to pass, when men began to multiply on the face of the earth, and daughters were born to them, 2 that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose. 4 There were giants on the earth in those days, and also afterward, when the sons of God came into the daughters of men and they bore children to them. Those were the mighty men who were of old (abantu abadala), men of renown. 5 Then**

the Lord saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually.

Note: These were hybrid creatures that had human genes and demonic genes, that hungered for flesh and blood. Note this because, before these creatures, men only sacrificed to God.

DESCRIPTION OF THE NEPHILIM

- BOE Ch. 7:11-15 And the women conceiving brought forth giants. 12 Whose stature was each 300 cubits (around 137 m / 449 feet tall). These devoured all which the labour of men produced, until it became impossible to feed them. 13 When they turned themselves against men, to devour them, 14 And began to injure birds, beast, reptiles and fishes, to eat their flesh one after another and to drink their blood.

Note: These are the diabolical creatures who started small from birds to livestock, to wild animals, then eventually humans. As they grew, they became increasingly demonic. (They ate raw meat and drank blood.)

- **Numbers 13:28 Nevertheless the people who dwell in the land are strong; the cities are fortified and very large; moreover, we saw the descendants of Anak there. 29 The Amalekites dwell in the land of the South; the Hittites, the Jebusites, and the Amorites dwell in the mountains; and the Canaanites dwell by the sea and along the banks of the Jordan."**

Note: There is always this question that if God is so good, why did he order the killing? First, we must keep in mind that the fight was more physical than spiritual in the Old Testament. These were the evil spirits who were walking amongst humans as terrestrial

beings who were not fully human but evil, and who had spiritual knowledge given by the fallen Watchers. These are the defiled genetics in Genesis 6; they continually defiled humans by lying and procreating with them. That is the reason God instructed the Israelites never to marry those nations, since their primary purpose was to create more defiled humans to thwart the creation of God. They introduced cannibalism to humans, their genetics destroying the human beings with clean genes that are made in the image of God.

These creatures knew/knows their ending will be eternal damnation, the lake of fire. The mission was and still is to defile humans so that they are also judged to eternal torment like them. They get to fool them to give them blood and flesh through ritual sacrifices and by spiritually possessing them. When God ordered them to be killed, even babies, it was because every seed coming from them was/is

defiled and demonic threatening the very existence of humans.

THE ORIGIN OF MEDIUM

BOE Ch. 8

Below are the principalities of different dimensions of spirituality.

1) Azazyel taught men to make swords, knives, shields, breastplates, the fabrication of mirrors, and workmanship of bracelets and ornaments, the use of paint for beautifying the eyebrows, the use of stones of every valuable and select kind (gold, silver, crystals etc.), and all sorts of dyes so that the world became altered.

2) Impiety increased, fornication multiplied, and they transgressed and corrupted all their ways. Leviticus 18

3) Amazarak and Samyaza taught all sorcerers and dividers of roots (witchcraft) Isaiah 47:9 (they created problems under the four elements)

4) Armers taught the solution of sorcery Isaiah 47:12 (then they provide solutions all under the same source using the four elements)

5) Barkayal taught the observers of the stars (astrologers, card and palm readers), Isaiah 47:13 stargazers

6) Akibeel taught signs (zodiac signs, astrology) Isaiah 47:13 astrologers

7) Tamiel taught astronomy – observation of celestial motion (taught astral projection) Isaiah 47:13

8) Asaradel taught the motion of the moon – horoscopes Isaiah 47:13 monthly prognosis

In spirituality they separate themselves as light workers and dark workers. The above departments clarify that this is the same house, just the east wing and the west wing, but all belonging to the same principalities reporting to the same dark rulers, principalities in high places.

THE ORIGIN OF MEDIUM

- Isaiah 47:9-13 But these two things shall come to you In a moment, in one day: The loss of children, and widowhood. They shall come upon you in their fullness Because of the multitude of your sorceries, For the great abundance of your enchantments. **10** “For you have trusted in your wickedness; You have said, ‘No one sees me’; Your wisdom and your knowledge have warped you; And you have said in your heart, ‘I am, and there is no one else besides me.’ **11** Therefore evil shall come upon you; You shall not know from where it arises. And trouble shall fall upon you; You will not be able to put it off. And desolation shall come upon you suddenly, which you shall not know. **12** “Stand now with your enchantments and the multitude of your sorceries, in which you have laboured from your youth—Perhaps you will be able to profit, perhaps you will prevail. **13** You are wearied in the multitude of your counsels; Let now the astrologers, the stargazers, And the monthly prognosticators Stand up and save you From what shall come upon you.

The judgement of the Nephilim

Genesis 6:7 So the Lord said, “I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them.”

Note:

God decided to destroy the earth with water. Let’s look at the detailed judgement of the diabolical creatures, remember, they are also born of spirit beings who possess eternal life.

The judgement of the Nephilim

- **2 Peter 2:4 For if God did not spare the angels who sinned, but cast them down to hell and delivered them into chains of darkness, to be reserved for judgment;**

- **Jude 1:6 and the angels who did not keep their proper domain, but left their own abode, He has reserved in everlasting chains under darkness for the judgment of the great day;**

The dwelling of the Nephilim

- BOE Ch. 15:8 Now the giants, who have been born of spirit and of flesh, shall be called upon the earth evil spirits, and on earth shall be their habitation (earthly spirits). Evil spirits shall proceed from their flesh because they were created from above and from the holy watchers was their beginning and primary foundation. Evil spirits shall they be upon the earth and spirits of the wicked shall they be called. The habitation of the spirit of heaven shall be in heaven but upon the earth shall be the habitation of terrestrial spirits, who are born on earth.

The dwelling of the Nephilim

Note: These are the spirits that are roaming around the earth seeking whom they may devour, these are also the water spirits in the marine kingdom. These spirits operate in the water (marine kingdom) and earth (cemetery) elements giving medium and spiritual powers from the source of darkness.

The evil spirits, who once had terrestrial bodies like humans do, live among us to cause destruction, devour humans and also monitor our lives. They take the form of our ancestors to give medium in exchange for blood (check their judgement). They also possess humans who open a legal door in different ways.

The dwelling of the Nephilim

- BOE Ch. 15:9 The spirit of the giants shall be like clouds which shall oppress, corrupt, fall, contend and bruise upon the earth.

- Testament of Solomon 70 And there came another enslaved spirit, having obscurely the form of a man, with gleaming eyes and bearing in his hand a blade and asked “Who art thou” but he answered “I am a lascivious (lustful) spirit engendered (caused) of a giant man who died in the massacre (brutal slaughter) in the time of giants” I said to him “Tell me what thou art employed on upon the earth and where thou hast thy dwelling.” 71 And he said “My

dwelling is in fruitful places, but my procedure is this: I seat myself beside the men who pass along among the tombs, and in untimely season I assume the form of the dead and if I catch anyone I at once destroy him with my sword, but if I can't destroy him, I cause him to be possessed and to devour his own flesh and the hair to fall off his chin. But I said to him "Do thou then be in fear of the God of heaven and of earth and tell me by what angel thou art frustrated and he answered "He destroys me who is to become Saviour" – he meant the Messiah, Jesus Christ.

The WICKEDNESS of the Nephilim

- BOE Ch. 15:10 They shall cause lamentation (complain and cry), no food shall they eat (hungry) and they shall be thirsty (sounds familiar). They shall be concealed (hidden from mankind) and shall not come against the sons of men and against women, for they shall come forth during the days of slaughter (blood covenants and sacrificial

blood) and destruction (forced initiations and premature deaths that involve bloodshed, e.g. accidents).

Note: This is the reason they create contracts (blood covenants) that would be passed down from generation to generation to secure the blood required when the season comes for “slaughter” and destruction and secure spirits of the dead to possess through transferral of spirit in the lineage and/or through family rituals that will be demanded in the future generations. That is why some would call themselves by the names of the ancestor who was possessed by the spirit and it must possess another body before the contract of four generations ends.

The dead

- BOE Ch. 19:2 And being numerous in appearance made men profane (blasphemy), and caused them to err, so that they sacrificed to devils as to gods, For in the great day they shall be a judgement, with which they shall be judged, until they are consumed

and their wives also be judged, who led astray the angels of heaven that they might salute them.

- **Deuteronomy 32:17 They sacrificed to false gods, which are not God—gods they had not known, gods that recently appeared, gods your ancestors did not fear.**

The dead

- Note: The first time humans did blood sacrifices other than to God, it was during Noah’s time, these spirits were truly those people's family members in those days and they lived amongst these creatures and they were scared of them. The only way to keep them peaceful was to appease them through blood sacrifice but remember, they were demonic; all they did was cause all kinds of destruction. They defiled everything, even animals, different species were set up against each other to create mixed breeds.

God saved only the clean species and righteous human beings who were eight:

Noah, his wife, his three sons and their wives. Those are our ancestors; every complete human being comes from those 8 people, and these Nephilim steal our ancestors' identity by taking their form to appear to us as them. The Canaanites did rituals that brought up the dead and created the Anakim genetics, which defiled their bloodline.

The dead

- **Jeremiah 29:8-9 For thus says the Lord of hosts, the God of Israel: Do not let your prophets and your diviners who are in your midst deceive you, nor listen to your dreams which you cause to be dreamed. 9 For they prophesy falsely to you in My name; I have not sent them, says the Lord.**

Note: These Nephilim spirits have access to your dreams, either appearing as ancestors to convey deceiving messages or strange flesh posing as lovers to sleep with humans and so on.

The dead

- Revelation 20:12-14 And I saw the dead, small and great, standing before God, and books were opened. And another book was opened, which is the Book of Life. And the dead were judged according to their works, by the things which were written in the books. **13** The sea gave up the dead who were in it, and Death and Hades delivered up the dead who were in them. And they were judged, each one according to his works. **14** Then Death and Hades were cast into the lake of fire. This is the second death.

The dead

Note: There are souls trapped in the sea and the land (dead) that are being used as relatives to manipulate the ones under the sun in the form of possessing humankind. Not all souls of sinners are in Hades.

The reason is that those who get initiated see their ancestors in the rivers or sea: their ancestors' souls are kept in the sea, and those spirits use their soul to operate in their

deceit. Maybe I must remind you that the NEPHILIM were killed by water, but they are eternal beings, meaning their spirits live forever, and in water because of their judgement.

Jesus CASTING OUT the Nephilim

- **Matthew 8:29-31 29 And suddenly they cried out, saying, “What have we to do with You, Jesus, You Son of God? Have You come here to torment us before the time?” 31 So the demons begged Him, saying, “If You cast us out, permit us to go away into the herd of swine.”**

- **Acts 16:16-19 Now it happened, as we went to prayer, that a certain slave girl possessed with a spirit of divination met us, who brought her masters much profit by fortune-telling. 17 This girl followed Paul and us, and cried out, saying, “These men are the servants of the Most High God, who proclaim to us the way of salvation.” 18 And this she did for many days. But Paul, greatly annoyed,**

turned and said to the spirit, “I command you in the name of Jesus Christ to come out of her.” And he came out at that very hour.

- BOE Ch. 16:1 And as to the death of the giants, wheresoever their spirits depart from their bodies, let their flesh, that which is perishable, be without judgement. Thus shall they perish until the day of the great consummation of the great world (the judgement day of the Lord).

Note: Jesus was casting out all kinds of NEPHILIM demons, their judgement was to roam around the earth until the great judgement, the lake of fire.

Consulting medium

- **Isaiah 8:19 And when they say to you, “Seek those who are mediums and wizards, who whisper and mutter,” should not a people seek their God? Should they seek the dead on behalf of the living?**

- **Ecclesiastes 9:5-6 For the living know that they will die; But the dead know nothing, And they have no more reward, For the memory of them is forgotten. 6 Also their love, their hatred, and their envy have now perished; Nevermore will they have a share In anything done under the sun.**

Note: God says the dead have no more influence under the sun, they are either sleeping in Jesus or burning in Hades or kept under the sea or earth (premature death).

Concluding note:

- **Matthew 4:16 The people who sat in darkness have seen a great light, And upon those who sat in the region and shadow of death Light has dawned."**

We are redeemed by the blood of the Lamb; nothing is too hard for our Lord Christ Jesus. May we not be slaves to spirits who have no business following us, as we are saved by the blood of the Lamb and empowered by the

Holy Spirit. Spirituality begins and ends with God!

Prayer:

God the Father, God the Son, God the Holy Spirit, in the mighty name of Jesus Christ, Lord you are the first and the last, the beginning and the end, kindly deliver us from generational covenants, blood covenants, dedications in the spiritual realm, known and unknown, kindly forgive us for every time we have consulted medium due to ignorance or lack of knowledge. Dear Lord we surrender ourselves to you, spirit, body, soul, mind and heart may you purify us with your blood that speaks better things than the blood of Abel. We accept you as our Lord and Saviour who died on the cross for our sins. Holy Spirit, kindly guide us into all truth and reveal more to us as you remove the deceit of the enemy. Thank you, Lord, for your grace and mercy that is renewed every day. In Jesus Christ's name we pray AMEN.

SPIRIT GUIDES IN MEDIUM

Spirit of the dead

- Romans 14:8 For if we live, we live to the Lord; and if we die, we die to the Lord. Therefore, whether we live or die, we are the Lord’s.

God’s wish is that not even one of us would go to hell; that’s how much he loves us. Our ancestors/family members died belonging to God regardless of their judgement. This is to clarify that we casually use the words

“ancestors are demons”, which is rather careless. I’m on to something here, stay with me.

- Ecclesiastes 9:5-6 For the living know that they will die; But the dead know nothing, and they have no more reward, For the memory of them is forgotten. **6** Also their love, their hatred, and their envy have now perished; Nevermore will they have a share In anything done under the sun.
- Ecclesiastes 12:7 Then the dust will return to the earth as it was, And the spirit will return to God who gave it.

Note: The one who gave the spirit takes it back and decides/judges where the soul should go. It is important to note that they no longer have any influence in the land of the living.

WHERE DO SOULS GO AFTER DEATH?

- Revelation 6:9-11 When He opened the fifth seal, I saw under the altar the souls of

those who had been slain for the word of God and for the testimony which they held. **10** And they cried with a loud voice, saying, “How long, O Lord, holy and true, until You judge and avenge our blood on those who dwell on the earth?” **11** Then a white robe was given to each of them; and it was said to them that they should rest a little while longer, until both the number of their fellow servants and their brethren, who would be killed as they were, was completed.

- BOE Ch. 22:7 He answered, saying, this is the spirit/soul of Abel, who was slain by Cain his brother and who will accuse that brother until his seed of the human race be destroyed.

- 2 Corinthians 5:10 For we must all appear before the judgment seat of Christ, that each one may receive the things done in the body, according to what he has done, whether good or bad.

- Luke 16:22-25 So it was that the beggar died and was carried by the angels to

Abraham’s bosom. The rich man also died and was buried. **23** And being in torments in Hades, he lifted up his eyes and saw Abraham afar off, and Lazarus in his bosom (resting). **24** “Then he cried and said, ‘Father Abraham, have mercy on me, and send Lazarus that he may dip the tip of his finger in water and cool my tongue; for I am tormented in this flame.’ **25** But Abraham said, ‘Son, remember that in your lifetime you received your good things, and likewise Lazarus evil things; but now he is comforted, and you are tormented.

Note: Note that between death and resurrection the souls wait between two places according to the judgement of the Lord, whether they are in Hades or Abraham’s bosom (now sleeping in Christ). In premature deaths, the souls are kept in the sea, or as ghosts in the land. These spirits can use the identity of any of the dead, especially those who sold their souls, those who died prematurely (in the sea, or ghosts in the land) and those in Hades. They do this well through dreams and medium consultations.

- Luke 16:27-31 “Then the rich man said, ‘Please, Father Abraham, at least send him to my father’s home. 28 For I have five brothers, and I want him to warn them, so they don’t end up in this place of torment.’ 29 “But Abraham said, ‘Moses and the prophets have warned them. Your brothers can read what they wrote.’ 30 “The rich man replied, ‘No, Father Abraham! But if someone is sent to them from the dead, then they will repent of their sins and turn to God.’ 31 “But Abraham said, ‘If they won’t listen to Moses and the prophets, they won’t be persuaded even if someone rises from the dead.’”

Note: I needed to finish this parable to note that firstly, the rich man who is tormented in Hades is unable to go to his brothers through dreams or spiritually to warn them about the place of torment. Secondly, we also note that Lazarus, in the place of comfort, now sleeping in Christ, knows nothing. Thirdly, it is noted that for Lazarus to have access to the living, it would take God to raise him from the dead; he can’t go in spirit to them.

WHERE DO SOULS GO AFTER DEATH?

• 1 Thessalonians 4:13-17 But I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope. **14** For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus. **15** For this we say to you by the word of the Lord, that we who are alive and remain until the coming of the Lord will by no means precede those who are asleep. **16** For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the trumpet of God. And the dead in Christ will rise first. **17** Then we who are alive and remain shall be caught up with them in the clouds to meet the Lord in the air. And thus, we shall always be with the Lord.

Note: This also confirms that, when it is decided, the soul in a new body will wait either in Hades or in heaven for judgement. These scriptures seem to further reveal that the souls that are in the presence of God are resting (Abraham's bosom now sleeping in

Jesus) but the ones in Hades (pre-lake of fire) are being tormented or trapped in the sea (water element) or the dead in the earth (earth element).

- 1 Samuel 28:12-15 When the woman saw Samuel, she screamed, “You’ve deceived me! You are Saul!”**13** “Don’t be afraid!” the king told her. “What do you see?” “I see a god coming up out of the earth,” she said. **14** “What does he look like?” Saul asked. “He is an old man wrapped in a robe,” she replied. Saul realized it was Samuel, and he fell to the ground before him. **15** “Why have you disturbed me by calling me back?” Samuel asked Saul. “Because I am in deep trouble,” Saul replied. “The Philistines are at war with me, and God has left me and won’t reply by prophets or dreams. So I have called for you to tell me what to do.”
- Ezekiel 14:4-5 “Therefore speak to them, and say to them, ‘Thus says the Lord God: “Every one of the house of Israel who sets up his idols in his heart, and puts before him

what causes him to stumble into iniquity, and then comes to the prophet, I the Lord will answer him who comes, according to the multitude of his idols, **5** that I may seize the house of Israel by their heart, because they are all estranged from Me by their idols.” ’

Note: Others would ask: how could God allow his great prophet to be raised? First, by now we know that it was a demon that took his form. This demon knew he was sleeping in Abraham’s bosom in heaven, but this spirit came up from the earth, from the tomb. Below is a reminder of how they take the form of a dead person.

- Testament of Solomon 70 And there came another enslaved spirit, having obscurely the form of a man, with gleaming eyes and bearing in his hand a blade and asked “Who art thou” but he answered “I am a lascivious (lustful) spirit engendered (caused) of a giant man who died in the massacre (brutal slaughter) in the time of

giants” I said to him “Tell me what thou art employed on upon the earth and where thou hast thy dwelling.” 71 And he said “My dwelling is in fruitful places, but my procedure is this: I seat myself beside the men who pass along among the tombs, and in untimely season I assume the form of the dead and if I catch anyone I at once destroy him with my sword, but if I can’t destroy him, I cause him to be possessed and to devour his own flesh and the hair to fall off his chin. But I said to him “Do thou then be in fear of the God of heaven and of earth and tell me by what angel thou art frustrated and he answered “He destroys me who is to become Saviour” – he meant the Messiah, Jesus Christ.

- **1 Chronicles 10:13-14 Saul died because he was unfaithful to the Lord; he did not keep the word of the Lord and even consulted a medium for guidance.**
- **Revelation 20:13-15 The sea gave up the dead that were in it, and death and**

Hades gave up the dead that were in them, and each person was judged according to what they had done. 14 Then death and Hades were thrown into the lake of fire. The lake of fire is the second death. 15 Anyone whose name was not found written in the book of life was thrown into the lake of fire.

Note:

The souls of those who did well in the land of the living sleep in Christ; those who didn't do so well are being tormented in Hades (some trapped in the sea and earth) until the great judgement of the lake of fire.

Check the difference between a human and a Nephilim.

Human	**Nephilim**
1) Flesh, spirit of God, Soul	1) Flesh, spirit of God, spirit of fallen angels
2) Death: Flesh goes back to earth	2) Death: Flesh goes back to earth

Human	Nephilim
3) Death: God takes his spirit	3) Death: God takes his spirit
4) Soul sleeps in Jesus or waits in Hades	4) Fallen spirits oppress on earth
5) Soul captured in sea/earth	5) Fallen spirits take the form of a human soul (identity)

Human spirit

- **Ecclesiastes 9:5 For the living know that they will die; But the dead know nothing, and they have no more reward, For the memory of them is forgotten.**

Nephilim spirit

- BOE Ch. 15:9 The spirit of the giants shall be like clouds which shall oppress, corrupt, fall, contend and bruise upon the earth.

Human spirit

- **Ecclesiastes 12:7 Then the dust will return to the earth as it was, And the spirit will return to God who gave it.**

Nephilim spirit

- BOE Ch. 15:8 Now the giants, who have been born of spirit and of flesh, shall be called upon the earth evil spirits, and on earth shall be their habitation (earthly spirits). Evil spirits shall proceed from their flesh because they were created from above and from the holy watchers was their beginning and primary foundation. Evil spirits shall they be upon the earth and spirits of the wicked shall they be called. The habitation of the spirit of heaven shall be in heaven but upon the earth shall be the habitation of terrestrial spirits, who are born on earth.

Human spirit

- **Ecclesiastes 9:6 Also their love, their hatred, and their envy have now perished; Nevermore will they have a share In anything done under the sun.**

Nephilim spirit

- BOE Ch. 15:10 They shall cause lamentation (complain and cry), no food shall they eat (hungry) and they shall be thirsty (sounds familiar). They shall be concealed

(hidden from mankind) and shall not come against the sons of men and against women, for they shall come forth during the days of slaughter (blood covenants and sacrificial blood) and destruction (forced initiations and premature deaths that involve bloodshed, e.g. accidents).

Human spirit

- **Genesis 9:4 “But you must not eat meat that has its lifeblood still in it.**

“I’m a human; I don’t drink blood or eat raw meat.”

Nephilim spirit

- BOE Ch. 7:11-15 11 And the women conceiving brought forth giants. 12 Whose stature was each 300 cubits. These devoured all which the labour of men produced, until it became impossible to feed them. 13 When they turned themselves against men, in order to devour them, 14 And began to injure birds, beast, reptiles and fishes, to eat their flesh one after another and to drink their blood.

- BOE Ch. 19:2 And being numerous in appearance made men profane (blasphemy), and caused them to err, so that they sacrificed to devils as to gods, For in the great day they shall be a judgement, with which they shall be judged, until they are consumed and their wives also be judged, who led astray the angels of heaven that they might salute them.

- **Deuteronomy 32:17 They sacrificed to false gods, which are not God—gods they had not known, gods that recently appeared, gods your ancestors did not fear.**

Note: Humans only sacrificed to God until the Nephilim started dying before the flood. They were killing each other and would come back in dreams as those people's ancestors (and they were their ancestors in those days), but that practice was still abominable because their judgement was for them to stay hungry and thirsty and cry till the great judgement.

My story: I was only eight years old when I had a traumatic experience. I was raised by

my grandparents; they didn’t have much but we had the basics and were grateful. Now years earlier my grandfather had a brother who was staying in his house, but in an outbuilding. He stayed there with his wife and daughter until they both passed away. Now when I was eight years old, I was the eldest grandchild; I had two cousins (sisters) and my brother, who were five or six years younger than me. In the evening we used to sit on the bench next to the coal stove after they had made the fire. In that year, there was a day my grandfather had a dream: he dreamt of his late brother who used to stay in his house. The late brother said, “I am thirsty; I need you to slaughter a goat for me.” Then my grandfather answered, “You know very well that we don’t have the money for that; why demand such?” Then his late brother said, “OK, if you don’t want to, see your grandchildren? I will take the boiling water from the boiler and kill them.” (He gave my grandfather a vision of us sitting on the bench next to the coal stove.) My grandfather then said, “Please don’t kill my grandchildren; I

will make a plan to slaughter a goat for you." Then he woke up in distress, telling that story. Me being the oldest at the time, thoughts came rushing in: "I could have been dead by now. So my dead family member can just kill us, just like that? What if my grandfather didn't agree? He could have killed us?" (My grandfather did the slaughter and appeased the dead to save us.) More and more questions kept pouring into my head even as I grew. I knew that I needed answers but never got any, at some point I even wondered if it meant that late grandfather of mine wanted blood, even if it was human blood? Even if it was family blood? Did he just not care about us at all, or about his brother for that matter? Fortunately, now I know it was not my late elder grandfather who was demanding so much but it was a spirit that stole his identity that demanded flesh to eat and blood to drink.

- **Leviticus 17:10 'I will set my face against any Israelite or any foreigner residing among them who eats blood, and I will cut them off from the people.**

Note: Humans are not supposed to eat blood because the spirit of the Nephilim attaches itself to that person (possession); they drink and eat through them. Hence it is an abominable thing according to God, because that person is then ruled by the spirit they are clothed with. For example, traditional doctors are made to drink blood so that the spirit can possess them, and once they are possessed, unfortunately, it hardens their hearts, making it hard to accept redemption through Jesus Christ but all things are possible through Christ who strengthens us.

- **Revelation 20:13-15 The sea gave up the dead that were in it, and death and Hades gave up the dead that were in them, and each person was judged according to what they had done. 14 Then death and Hades were thrown into the lake of fire. The lake of fire is the second death. 15 Anyone whose name was not found written in the book of life was thrown into the lake of fire**.

Humans – If they die prematurely their souls (not spirits) are captured in the sea or on earth (dead) as ghosts or zombies and the Nephilim spirits take the form of their souls (glorified bodies). Ask yourselves why ancestors are found in the sea (water): because they were killed by water. The majority of the Nephilim were killed during the flood (water).

STRANGE FLESH

- **Genesis 6:7,12 7 So the Lord said, "I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them." 12 So God looked upon the earth, and indeed it was corrupt; for all flesh had corrupted their way on the earth.**

- **Leviticus 18:23 Nor shall you mate with any animal, to defile yourself with it. Nor shall any woman stand before an animal to mate with it. It is perversion.**

In those days the Nephilim and humans also procreated through animals, especially in the

sea, e.g. mermaids and mermen half fish and half human, Naga half human and half snake, Jake half human and half crocodile, Centaur half human and half horse, harpy half human and half bird. These are some of the hybrid animals created by the Nephilim or humans through perversion. They initiate people in the sea, imparting corrupt knowledge and wisdom to their students.

- Isaiah 11:1-5 1 There shall come forth a Rod from the stem of Jesse, And a Branch shall grow out of his roots. 2 The Spirit of the Lord shall rest upon Him, The Spirit of wisdom and understanding, The Spirit of counsel and might, The Spirit of knowledge and of the fear of the Lord. 3 His delight is in the fear of the Lord, And He shall not judge by the sight of His eyes, Nor decide by the hearing of His ears; 4 But with righteousness He shall judge the poor, And decide with equity for the meek of the earth; He shall strike the earth with the rod of His mouth, And with the breath of His lips He shall slay the wicked. 5 Righteousness shall be the belt

of His loins, And faithfulness the belt of His waist.

- **Revelation 5:5 But one of the elders said to me, “Do not weep. Behold, the Lion of the tribe of Judah, the Root of David, has prevailed to open the scroll and to loose its seven seals.”**

Jesus or the Nephilim

- **Galatians 3:27-28 for all of you who were baptized into Christ have clothed yourselves with Christ. 28 There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus.**

Note: Humans, who are made in the likeness of God, have a choice to be clothed with Christ by being baptised (immersed in water), taking his Holy Spirit through Jesus Christ’s blood. As God gives us free will, humans can also be clothed with the Nephilim by being initiated in water, taking their spirits, through the animal blood sacrifice or

even human blood and be defiled to eternal condemnation.

SALVATION

- **John 8:36 Therefore if the Son makes you free, you shall be free indeed.**

Jesus came to save us from that oppressive spirit. If you can relate to this, it's never too late to go back to him and say, "Lord Jesus, I now understand why you died and your blood was shed on the cross. It was not only for my sins but for so much more, even for me to be saved from oppressive spirits too, to set me free from their bondage and to be reconciled back to God, with you as our mediator between God and men." Jesus is always waiting for us with loving arms.

Prayer:

In the mighty and precious name of our Lord Jesus Christ, Lord we come to you with thanksgiving in our hearts that you, Lord, came as High Priest to guide us in the ways of

the Lord God our Father. You not only became the sacrificial Lamb to die for our sins, but you also became the Holy Ghost above all other ghosts, more powerful than any other ghost, giving us victory that overcomes the world to the ends of the earth of those oppressive spirits, defeating death that we may be free from deceit and destruction of the spirit of the dead, that we are made pure again and righteous in the likeness of Christ Jesus through your grace and your everlasting love that is unconditional Lord. Thank you, Lord Jesus, for being our Saviour; both honour and glory belong to you. In Jesus Christ's name we pray, AMEN.

THE BLOOD AND SPIRITUALITY

THE BLOOD AND SPIRITUALITY

Introduction Note:

Blood seems to be the most critical part in our lives as the life of the flesh is in the blood; if someone loses too much blood, they unfortunately die. Now there is something about blood that can either purify your soul or defile it.

- **Leviticus 17:7 They shall no more offer their sacrifices to demons, after whom they have played the harlot. This**

shall be a statute forever for them throughout their generations."

- **Leviticus 17:10-11 'And whatever man of the house of Israel, or of the strangers who dwell among you, who eats any blood, I will set My face against that person who eats blood and will cut him off from among his people. 11 For the life of the flesh is in the blood, and I have given it to you upon the altar to make atonement for your souls; for it is the blood that makes atonement for the soul.'**

Note: I have mentioned before that the Nephilim don't have souls, and their being hungry and thirsty is because they used to eat raw meat and drink the blood in the flesh, unfortunately also in the spirit. These demons possess the souls of man by making them drink the blood of animals or men to defile them; that's how devil worshippers, Satanists and cannibals are created. They make that body a home for their spirit to dwell in, and that person will live according to that spirit, that's how bondages are created and their

spirit defiled in the process, leading to the soul's eternal condemnation.

- **John 6:53 Then Jesus said to them, "Most assuredly, I say to you, unless you eat the flesh of the Son of Man and drink His blood, you have no life in you.**

Note: The blood of Jesus Christ was shed on the cross as a lamb without blemish; he knew no sin, yet he died for our sins, but if we eat the body and drink the blood of Jesus Christ we allow the Holy Spirit to rule in us and purify our soul as an atonement for our sins so that we may be righteous before God and be worthy of eternal life in his kingdom.

- **Leviticus 17:13-14 "Whatever man of the children of Israel, or of the strangers who dwell among you, who hunts and catches any animal or bird that may be eaten, he shall pour out its blood and cover it with dust; 14 for it is the life of all flesh. Its blood sustains its life. Therefore, I said to the children of Israel, 'You shall not eat the blood of any flesh,**

for the life of all flesh is its blood. Whoever eats it shall be cut off.'

Note: We should understand that there is a season when these demons need blood for strength, for the blood gives life to them, and even when they encounter defeat from the Christians they lose their power and there is no life in that demon or satanist until the blood is shed which then strengthens them. So if you are covered by the blood of Jesus Christ, they can't use your blood because it washes away sins, purifies all that is defiled, it nullifies all evil meaning it destroys all darkness and because they are evil in nature, the blood of Jesus Christ becomes a weapon against them.

- **1 Corinthians 6:11 And such were some of you. But you were washed (purified), but you were sanctified (set apart), but you were justified (state of grace) in the name of the Lord Jesus and by the Spirit of our God.**

Note: The blood of Jesus sets us apart; we are empowered in the spiritual realm, no

demon can strike dead a born-again Christian for it is the blood that overcomes them. We don’t have to carry our sins for a year like in the Old Testament. The ultimate sacrifice, who is Jesus Christ, gave us grace; we can ask for forgiveness of sins as often as we need to with a repentant heart. We are the ones that decide for how long we want to carry that sin by not repenting.

- **1 John 5:6-8 This is He who came by water and blood—Jesus Christ; not only by water, but by water and blood. And it is the Spirit who bears witness, because the Spirit is truth. 7 For there are three that bear witness in heaven: the Father, the Word, and the Holy Spirit; and these three are one. 8 And there are three that bear witness on earth: the Spirit, the water, and the blood; and these three agree as one**.

Note: There is no spirituality without water and blood. Those diabolical spirits are overcome by the blood of Jesus and were killed in water, but because they inherit the

spirit of the eternal beings (fallen angels), their spirit never dies. These spirits force people to spill the blood of animals or humans; that's how blood is currency in the spiritual realm. We must understand the blood of Jesus was meant to free us from their oppression. Jesus Christ is the spirit of truth, but those spirits are only there to deceive us. Spirit (Holy Spirit), water (dying with Christ through baptism) and blood (of Jesus) are empowering us to overcome these spirits, but unfortunately there are people who reject Christ who brought us the power of heaven here on earth.

- **Ephesians 2:13 But now in Christ Jesus you who once were far off have been brought near by the blood of Christ.**

- **John 19:34-35 But one of the soldiers pierced His side with a spear, and immediately blood and water came out. 35 And he who has seen has testified, and his testimony is true; and he knows that he is telling the truth, so that you may believe.**

Note: After the spirit of Jesus came out of his body, then blood and water came out (ref. above: 1 John 5:8). We are meant to eat Jesus' body and drink his blood to remember that he was the ultimate sacrifice and for his blood to purify us to do good works. We do not need to sacrifice to appease spirits, make requests or give thanks to the Nephilim, for they feed from the body and blood of animals and humans and they will still oppress people to feed them the flesh and blood, but we are free from that bondage that has been broken by Jesus Christ's body through his death and his blood as we accept him as our Lord and Saviour (the only Lord and Saviour).

- **John 19:36 For these things were done that the Scripture should be fulfilled, "Not one of His bones shall be broken."**

Note: Why did Jesus disappear in his teenage years and twenties? This was not just a normal man; this was God himself who was to be a sacrifice and was supposed to be

without blemish, without sin, and be pure while walking here on earth, and that's how we find righteousness through abiding in Jesus Christ. If this was not fulfilled, then the power of his blood wouldn't have been this powerful over the enemy. *Don't listen to satanic New Age doctrines about Jesus having a girlfriend or a baby; his blood wouldn't have been this powerful against the enemy. Remember, in the Old Testament the sin offering had to be without blemish (pure), and because he died without sin that gives us victory that overcomes the world, the enemy's lies will not stand against the spirit of truth.

My story and testimony: I had two encounters with the blood of Jesus. Before I tell this story I would like to cover you with the blood of Jesus Christ and thank God that he has not given us a spirit of fear but of love, power and a sound mind. I was in a period of renouncing ancestral spirits and breaking generational curses, dedications and bloodline curses, the curtain had been lifted, the deceit exposed and I knew it was the beginning of my freedom. I remember in that

period I hardly slept because of warfare; I was fortunately saturated in the presence of God. One day, as I was praying in my bedroom, I lay down. I believe this was a dream vision, because as soon as I closed my eyes I saw a demon walking in through the kitchen door, and it was talking with pride, but there was a sound like a radio edit, so I couldn't quite hear what it was saying. This thing was very big, almost touching the ceiling, full of fat and disgusting, coming boldly to my bedroom. Then it lay next to my daughter who was now between me and this demon. It then mentioned the name of my son, pointed at my daughter and said, "What about them?" Then I boldly said, "They are covered by the blood…" Before I could even finish "of Jesus Christ", it immediately got scared and poof, it was gone with immediate effect IT WAS GONE! I must tell you from that day on I became intentional about pleading the blood of Jesus over everyone and everything that concerns me because now I knew what the blood of Jesus Christ was doing in the spiritual realm which we can't see, but I can

assure you it causes havoc in the dark kingdom. That's the power that's in the blood of Jesus: it makes the demons flee, because if they don't, in that moment they perish.

The second vision was about secular music, I used to love soul and R&B; in fact, I used to post my favourite songs every Saturday morning and I remember a friend said "I see you like soul and R&B, but do you know some of these songs are recorded with an influence of demons and every time the original plays it unleashes those evil spirits." I honestly ignored that because this music is about love surely it must be harmless. Weeks after this talk, I prayed as usual before I went to bed. As soon as I closed my eyes, I saw my bedroom as it is and a screen dropped on my wall, then I started seeing some of my playlist one after the other. I remember Luther Vandross then Teddy Pendergrass then Commodores then the last was Barry White. As these songs were playing, there was a disc in the air close to the ceiling; the disc was releasing black bubbles into the air that kept on filling up the ceiling as the music played. I

was in shock and uncomfortable with the darkness that was filling up my room, that is when I started pleading the blood of Jesus, I saw the blood of Jesus purifying the black bubbles on the ceiling; they were getting colourless like glass, and some of them now even had green grapes inside. It was beautiful to see the transformation of how the blood of Jesus purifies. I had to get rid of more than 300 songs on my phone. Yes, it was sore, but I had to be obedient after that revelation. Rest assured, there is nothing the blood of Jesus cannot wash clean from our sins to our surroundings and everything concerning us.

- **Isaiah 1:18 "Come now, and let us reason together," Says the Lord, "Though your sins are like scarlet, they shall be as white as snow; Though they are red like crimson, they shall be as wool.**

- **Deuteronomy 32:17 They sacrificed to demons, not to God, To gods they did not know, to new gods, new arrivals That your fathers did not fear.**

We have been feeding blood and flesh to the Nephilim without knowing; our relatives never ate raw meat nor drank blood. I always say to my son, “I love lamb chops, but I love them cooked. So if I come in your dreams after I have passed and ask you to slaughter a sheep, with instructions for the blood to gush out and that it must not be eaten overnight so that I eat it first, make it make sense: if I’m still the same person, why demand what I never used to do? Why does my personality change? I love you now and pray for your success but suddenly I threaten to block your finances or marriage if you don’t spill the blood for me, identify deceit my son”. The spirit that lives in men never thirsts after death, because God, who gave it, takes it back to heaven. The soul never eats or drinks; it is either tormented or sleeping in Christ and that’s what the word of God says.

- **Jeremiah 27:9-10 Therefore do not listen to your prophets, your diviners, your dreamers, your soothsayers, or your sorcerers, who speak to you, saying, “You shall not serve the king of Babylon.” 10**

For they prophesy a lie to you, to remove you far from your land; and I will drive you out, and you will perish.

Note: This scripture reminds me about the lies that we always hear that you can be a child of God (those who accepted Jesus Christ as their Lord and Saviour are given the right to be called the children of God) and still appease gods or ancestors, whatever you call them, to fix your life. All blessings come from God, without variation or shadow of turning, but all curses are from the devil and his demons. Never ever accept that it is our family that would cause destruction; they don't have that kind of power, nor do they have the power to bless, as they struggled here on earth just like you and me right now.

- **1 Corinthians 10:20-22 Rather, that the things which the Gentiles sacrifice they sacrifice to demons and not to God, and I do not want you to have fellowship with demons. 21 You cannot drink the cup of the Lord and the cup of demons; you cannot partake of the Lord's table**

and of the table of demons. 22 Or do we provoke the Lord to jealousy? Are we stronger than He?

Jesus' blood cannot mix with what is defiled by demons. If we eat at the Lord's table, we are taking on his holiness, so we can't go and sacrifice to idols that intentionally defile us and lead us to eternal condemnation.

- **Leviticus 8:6-33 6 Then Moses brought Aaron and his sons and washed them with water. 11 He sprinkled some of it on the altar seven times, anointed the altar and all its utensils, and the laver and its base, to consecrate them. 14 And he brought the bull for the sin offering. Then Aaron and his sons laid their hands on the head of the bull for the sin offering, 15 and Moses killed it. Then he took the blood and put some on the horns of the altar all around with his finger, and purified the altar. And he poured the blood at the base of the altar, and consecrated it, to make atonement for it. 18 Then he brought the ram as the burnt**

offering. And Aaron and his sons laid their hands on the head of the ram, 19 and Moses killed it. Then he sprinkled the blood all around on the altar. 22 And he brought the second ram, the ram of consecration. Then Aaron and his sons laid their hands on the head of the ram, 23 and Moses killed it. Also, he took some of its blood and put it on the tip of Aaron's right ear, on the thumb of his right hand, and on the big toe of his right foot. 30 Then Moses took some of the anointing oil and some of the blood which was on the altar, and sprinkled it on Aaron, on his garments, on his sons, and on the garments of his sons with him; and he consecrated Aaron, his garments, his sons, and the garments of his sons with him. 33 And you shall not go outside the door of the tabernacle of meeting for seven days, until the days of your consecration are ended. For seven days he shall consecrate you.

Note: Please read the whole chapter or even book if you can. This was a ritual done to

cleanse them from sin and make them holy and consecrated, to be able to stand in the presence of God and to be able to hear from God: killing a bull, a burnt offering by killing a ram, and killing a ram for consecration. There is a copycat here: these rituals are done all over the world now to appease the gods and initiate the chosen in their language to empower them to be enlightened, necromancy through ancestral wisdom, tarot card reading, palm reading, bone reading, symbols reading etc, all of this to get knowledge and wisdom, the gift of prophecy, healing and guidance from the spirit of the dead. It's the same spirit that involves blood and these practices were first directed to the dead during Genesis 6, when the giants (Nephilim) touched the earth. These practices were now done for them, as they ate flesh and drank blood while alive, and after death they used these rituals to be appeased in exchange for the knowledge of magic which they inherited from the fallen angels or threatening to cause destruction in order to get blood.

- **Deuteronomy 32:16-17 They provoked Him to jealousy with foreign gods; With abominations they provoked Him to anger. 17 They sacrificed to demons, not to God, To gods they did not know, To new gods, new arrivals That your fathers did not fear.**

They pass that knowledge mostly through generations to bind people with covenants (contracts) to secure blood to the third and fourth generation. Remember Jesus became a curse so that we can be free from curses through his blood. They enforce the curse as a legal right to demand blood and because they are evil spirits, they can cause destruction with that kind of legal door, and the more the blood rituals are done the more ground they get.

- **John 10:10 The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.**

To those who believe that they get blessings from these spirits, let me tell you the deceit, my friend. Every human born into this earth comes with ordained blessings from God, his desire is to give us life in abundance. Now because of witchcraft and the legal right that these spirits have, they can cause destruction, pain and build strongholds to block us from receiving some of our blessings or delay them. Then we notice that when others do blood rituals, they seem to prosper. No, brethren, these spirits don't have blessings; they release a stronghold that is blocking them, maybe a job, and then the person gets a job – not a gift from them, but an ordained gift from God that already belongs to them. Often they then require a blood ritual for thanksgiving to continue to open a legal door for control. Do not envy or believe that they prosper because of these practices, God can do all things and his purposes for your life will not be thwarted. Try not to open doors in other ways that the enemy can use over your life, our blessings are a warfare, but God strengthens us.

I would advise anyone to read the book of Leviticus – we were under the law, but we are now redeemed from those practices through the blood of Jesus that speaks better things than the blood of Abel.

We must acknowledge the original practice of the blood sacrifice, this was used to ask God for, e.g., forgiveness of sin, or to thank God (burnt offering) for all the blessings he has given, for peace, or for consecration. Look at Cain and Abel's case: this was a form of worship and praise. There are families that ask to thank these spirits through blood sacrifice for blessings of any kind. (We must appreciate that this is a form of worship.)

- **Hebrews 9:14-15 how much more shall the blood of Christ, who through the eternal Spirit offered Himself without spot to God, cleanse your conscience from dead works to serve the living God? 15 And for this reason He is the Mediator of the new covenant, by means of death, for the redemption of the transgressions under the first covenant, that those who**

are called may receive the promise of the eternal inheritance.

Jesus Christ was the ultimate blood sacrifice; there is no more powerful blood than the blood of Jesus Christ and we are redeemed by the blood of the Lamb. But the demons feed people blood through ritual ceremonies so that they can do the dead works of those demons, e.g. cause car accidents, do witchcraft, initiate others to demonic covenants.

- **2 Chronicles 30:8 Now do not be stiff-necked, as your fathers were, but yield yourselves to the Lord; and enter His sanctuary, which He has sanctified forever, and serve the Lord your God, that the fierceness of His wrath may turn away from you.**

We are now fortunate that we no longer need the blood of animals, the power we have now is the power through the blood of Jesus, the power of our Creator that cleanses us from sins by repentance, and we are made

free by his covenant of the cross of Calvary to cancel all covenants and curses from generation to generation. We can access this freedom by accepting Jesus Christ as our Lord and our Saviour. We can do all things through Christ who strengthens us because whom the Son sets free is free indeed.

Prayer:

Dear Lord, our God, who died on the cross for our sins that we may be reconciled with God the Father and left us with the Holy Spirit to guide us into all truth. We come to you repenting of every sin, especially sins of blood covenants. We thank you Lord Jesus for dying on the cross of Calvary that we may be redeemed by the blood of the Lamb, that through your blood we are redeemed from the curse of the law, from sickness and disease, poverty and spiritual death. We are thankful that your blood purifies all things, that your blood sanctifies us Lord, that your blood redeems us and that your blood speaks better

things than the blood of Abel. We thank you that we shall overcome by the blood of the Lamb and the word of our testimony, indeed Lord you are full of love and grace for those you have created in your image. We give honour and glory and all the praise with thanksgiving in our hearts, AMEN.

THE WATER ELEMENT AND BAPTISM

What is a medium according to God?

- Introduction Note:

It is the spirit that helps people see the past, present and the potential future through divination, such as the spirits of the dead, stars, moon and sun, marine spirits e.g. traditional doctors, soothsayers, tarot card readers, palm readers, psychics, astrology, horoscopes and sorcerers.

- **Genesis 6:5 Then the Lord saw that the wickedness of man was great in the**

earth, and that every intent of the thoughts of his heart was only evil continually.

Note: The earth was filled with so much evil because of sin that was brought into the earth by fallen angels.

- **Genesis 6:17 And behold, I Myself am bringing floodwater on the earth, to destroy from under heaven all flesh in which is the breath of life; everything that is on the earth shall die.**

Note: Then God decided to wash away the evil that had covered the earth by water, destroying the old earth by cleansing the sins of the earth through water.

- BOE Ch. 15:8 Now the giants, who have been born of spirit and of flesh, shall be called upon the earth evil spirits, and on earth shall be their habitation (earthly spirits). Evil spirits shall proceed from their flesh because

they were created from above and from the holy watchers was their beginning and primary foundation. Evil spirits shall they be upon the earth and spirits of the wicked shall they be called. The habitation of the spirit of heaven shall be in heaven but upon the earth shall be the habitation of terrestrial spirits, who are born on earth.

- BOE Ch. 15:9 The spirit of the giants shall be like clouds which shall oppress, corrupt, fall, contend and bruise upon the earth.

Note: These spirits operate in the water (marine kingdom) and earth (cemetery) elements giving medium and spiritual powers from the source of darkness. These are the spirits that take the form of our relatives since their spirit is taken by God but their spirit which is evil proceeded from their flesh when they were killed by water. They oppress people by initiating them through water; even the earth initiations eventually finish the process through water. People are possessed

by this spirit and demand that a person be cleansed in the rivers where they dwell then they take the form of our relatives.

- **A normal human** being is made of flesh which goes back to earth when they die and made of a spirit of God which God then takes back after the person dies. The soul is then taken to either rest in heaven or get tormented in hell; however, there are souls which are trapped in the sea and the earth which are being used by the Nephilim for their spirit to operate in those souls by taking their soul image.

- **The Nephilim were** created by fallen angels through human beings, meaning their flesh will go back to earth like humans do; they also carried the spirit of God through humans, which God took back like he does with humans, but because they have a spirit of the fallen angels which is demonic and eternal, that is the spirit (ghost) that roams around the earth as per their judgement, so they are the spirits that oppress humans in

many forms like taking the form of the dead and initiating people through water to defile their spirit.

- Hebrews 4:12 For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.

Note: What sleeps in Jesus, or is tormented in Hades, is the soul.

WATER-RIVER JORDAN

- Joshua 1:5 No man shall be able to stand before you all the days of your life; as I was with Moses, so I will be with you. I will not leave you nor forsake you.

- Joshua 1:11 “Pass through the camp and command the people, saying, ‘Prepare provisions for yourselves, for within three days you will cross over this Jordan, to go in

to possess the land which the Lord your God is giving you to possess."

Note: They got authority to stand against any enemy before them, take note of the 3 days they had to prepare themselves to cross over, remember these Anakim were fortified, and the Israelites were like grasshoppers around them; these were the same oppressing creatures. Remember the crucifixion of Christ: it took him three days to cross over from death to life. That's how the people of Israel possessed their land, that's not only authority, but that's also victory over the water spirits, that's victory over witchcraft, that's victory over destiny stealers, that's victory over all the destruction of those oppressive spirits.

- **Matthew 3:13 Then Jesus came from Galilee to John at the Jordan to be baptized by him.**

Note: We must note the river Jordan is symbolic of victory over the water spirits, authority over the enemy as that was the

beginning of Jesus' ministry. No evil shall stand in our way if we pursue righteousness.

- 1 Peter 3:18-20 For Christ also suffered once for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh but made alive by the Spirit, **19** by whom also He went and preached to the spirits in prison. **20** who formerly were disobedient, when once the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water.

Note: When Jesus died for us for our sins, he was made alive in the spirit, which is the Holy Spirit, contrary to the Nephilim's evil spirit (which was alive after the flesh died). We are given grace to also be filled with the Holy Spirit through water baptism by being crucified with Christ, being buried with Christ and being resurrected by the power of the Holy Spirit as Christ was.

- 1 Peter 4:4-6 In regard to these, they think it strange that you do not run with them in the same flood of dissipation, speaking evil of you. **5** They will give an account to Him who is ready to judge the living and the dead. **6** For this reason the gospel was preached also to those who are dead, that they might be judged according to men in the flesh, but live according to God in the spirit.

Note: This is symbolic of the gospel that was preached by Noah in the spirit of Christ who existed outside time. The men and women who were defiled by these giants' spirits will be judged in the great judgement of the lake of fire for what they did in the flesh.

- 1 Peter 3:20-21 who formerly were disobedient, when once the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water. **21** There is also an antitype which now saves us—baptism (not the removal of the filth

of the flesh, but the answer of a good conscience toward God), through the resurrection of Jesus Christ.

Note: This is the spirituality acceptable by God through Jesus Christ that we allow the Holy Spirit (Holy Ghost) to dwell in us with a good conscience, not opposing spirits. The antitype is the type that opposes the spirits of the evil ghosts, which you only attain through baptism.

My story and testimony: I started having dreams at a very young age where I would see things and they would happen, even things I didn't share. In the worst dreams, I would see myself in water with a snake, sometimes even coming out of the river holding a snake in my hand. The interpretation used to be "You have a calling; you need to go for initiation to be a shaman/traditional healer." There was something diabolical about those dreams; I couldn't embrace existing in water with the snake and being comfortable about it and

ignore that it is meant to be a human enemy, but now I must embrace it as a spirit guide.

I did the research: a goat would be slaughtered, and I must drink its blood for the spirit to live inside (the Bible calls these dead works) and be covered in it to attract their presence. Those with the warrior spirits would finish the process by going inside the river with the goat and the spirits will devour the goat; the cow must be slaughtered to be able to hear the spirit when they give knowledge, guidance and prophecies. These people, when they are inside water, “they apparently see their ancestors or the spirit guides”. By now we know who those spirits are: the ones that died by water and still live in spirit. That’s the main process by which spirituality outside God exists (spirit, water and blood). They are not humans; their spirits live forever like that of the fallen angels but humans are better as they also have a soul that lives forever after death. That’s what they are after; that’s where the jealousy

began. In a hierarchy, the soul is more powerful than the body and spirit (humans). That's why there is order in the Trinity: God the Father, God the Son and God the Holy Spirit, one being but in order. We are made in the image of God (Soul, Body and Spirit). We are an incorruptible seed through Jesus Christ's blood and dying with Christ in water and taking his Holy Spirit to live in us. I thank Jesus Christ my Redeemer. Where would I be without my Saviour? Indeed, it is truly by his grace that I'm complete in him, and he is totally enough for me.

- Colossians 2:12-13 buried with Him in baptism, in which you also were raised with Him through faith in the working of God, who raised Him from the dead. **13** And you, being dead in your trespasses and the uncircumcision of your flesh, He has made alive together with Him, having forgiven you all trespasses,
- Acts 2:38 Then Peter said to them, "Repent, and let every one of you be baptized

in the name of Jesus Christ for the remission of sins; and you shall receive the gift of the Holy Spirit.

When we are baptised by being immersed in water in the name of the Father, the Son and the Holy Spirit, our sins are washed away, just as Jesus did with the flood in Noah's days. Then we receive the gift of the Holy Spirit that resurrected Christ from the dead. The gift of the Holy Spirit becomes your present help, your teacher, your guide; there is safety in the purity of Christ.

Initiation through water by Nephilim/giants

Now it is important to note that the evil spirits which were killed by water, first dwelt on the land like us and some died fighting each other before the flood. Then most of these giants died, so their ultimate habitat became earth and water; that is why they initiate people in water, deceiving them into thinking it's their ancestors/spirit guides/gods/ascended masters for them to be

given divination and other powers which originate in the kingdom of darkness.

BOE Ch. 10:13 To Gabriel also the Lord said, go to the biters to the reprobation, destroy the offspring of the watchers and excite them one against the other. (Ref: Portia Mohau, From Darkness to Light YouTube channel.)

Deuteronomy 32:17 They sacrificed to demons, not to God, to gods they did not know, to new gods, new arrivals That your fathers did not fear.

Note: Beloved, our forefathers didn't fear the giants but feared God. Every initiation requires a slaughter, usually of a cow, goats and chickens, to feed them. Jesus Christ became the ultimate sacrifice. When the spear went into his heart, water and blood came out. We overcome the giants through water baptism by dying with Jesus; we have power over these evil spirits through Jesus who was the ultimate sacrifice.

- Matthew 3:11 "I baptize you with water for repentance. But after me comes one who

is more powerful than I, whose sandals I am not worthy to carry. He will baptize you with the Holy Spirit and fire.

- Ezekiel 20:26 and I pronounced them unclean because of their ritual gifts, in that they caused all their firstborn to pass through the fire, that I might make them desolate and that they might know that I am the Lord."

My story and being a new creature: This was the hardest part of this book to write; this was the biggest test of obedience for me, but where you lead Lord Jesus, I will follow. When I got to varsity, I was fortunate enough to have roommates who kept their purity like I did. We were proud even though other peers judged us or accused us of lying, but nonetheless that was our treasure. My roommates were both born-again Christians, while I was a Christian from the mainstream church but not born again. God paired us for a reason; for the first time in my life, I heard people pray in tongues. That was new to me. Fast forward: in the years that followed, each year we would get different roommates for

different reasons so that's how we got separated. There was a particular day with a different group of friends. Someone suggested we go to another town for someone's birthday party. I am not very outgoing, but I made a choice to go that day. It was that moment that would redefine my whole life, which I still wish I could reverse. For the sake of my family I won't go into details, but later that month I was faced with a test that led to advice on the termination process I could follow. The verse above, Ezekiel 20:26, came to pass: I had made a sacrifice of my first gift, no matter the situation it was the diabolical blood sacrifice to some demon that created a covenant and opened a legal door that I wasn't aware of. My purity both physically and spiritually was taken in that instant.

I would like to urge the young generation that every choice you make, be it friends or what you do, may have a great impact that would affect your whole life. I had given my life to Christ then but still went back to my church without understanding the meaning of

being born again. I went on with my life with no purpose of seeking God and his righteousness. That's a dangerous place to be as a born again Christian because the enemy will fight your destiny since you have instantly become a weapon against his kingdom. Many years later I started having a relationship with Jesus through the care of a colleague who is still my sister in Christ, that's when I bought my first Bible, then later got baptised properly; that's when I became a new creation, the old me died with Christ who forgave me all my sins. Therefore, there is no condemnation for those who are in Christ Jesus. God restored me back to himself; Jesus left the ninety-nine and came back for this one sheep. Having a relationship with God with the help of the Holy Spirit, God started exposing covenants I needed to renounce and cancel from bloodline covenants to my two personal encounters which opened legal doors that God wanted to shut, so that no man could open them. I am washed by Jesus' blood and redeemed by his blood and sanctified by his blood. I thank God for his grace and

mercies, I love Jesus, he has never left me nor forsaken me, I am his: spirit, soul, body, mind and heart, I belong to him. I'm walking in newness of life.

GIFTS OF THE HOLY SPIRIT

- 1 Corinthians 12:8-10 for to one is given the word of wisdom through the Spirit, to another the word of knowledge through the same Spirit, **9** to another faith by the same Spirit, to another gifts of healings by the same Spirit, **10** to another the working of miracles, to another prophecy, to another discerning of spirits, to another different kinds of tongues, to another the interpretation of tongues.

Note: We must understand the copycat, which is the devil the father of all lies. All these gifts come from God, don't seek to be defiled by the diviners (spirit guides).

- Romans 6:4 Therefore we were buried with Him through baptism into death, that just as Christ was raised from the dead by the glory of the Father, even so we also should walk in newness of life.

Note: When Noah and the other 7 people walked on the new dry ground, it was the new earth free from the Nephilim in the flesh when they were saved through water. When we are baptised by water, we become new creatures, all things pass away just like in the days of Noah and we get to embrace the gift of the Holy Spirit living in us, which frees us from the bondage of the evil spirit.

SACRIFICIAL LAMB

- 1 Corinthians 11:24-26 and when He had given thanks, He broke it and said, “Take, eat; this is My body which is broken for you; do this in remembrance of Me.” **25** In the same manner He also took the cup after supper, saying, “This cup is the new covenant in My blood. This do, as often as you drink it, in remembrance of Me.”**26** For as often as you eat this bread and drink this cup, you proclaim the Lord’s death till He comes.

Note: Remember the church is the body of Christ; we are here to serve in different ways. With Holy Communion we are united into one

body of Christ and equipped by Jesus Christ's Holy Spirit to serve. Those who are initiated with demons through water, blood and the spirit of the dead giants serve in the dark kingdom knowingly (dark workers) or unknowingly (light workers). The ultimate sacrifice is Jesus Christ who saves us from all these diabolical works and deceits.

END TIMES

- **1 Peter 3:20 who formerly were disobedient, when once the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water.**
- **Matthew 24:37 But as the days of Noah were, so also will the coming of the Son of Man be.**
- BOE Ch. 19:2 And being numerous in appearance made men profane (blasphemy), and caused them to err, so that they sacrificed to devils as to gods, For in the great day they shall be a judgement, with which

they shall be judged, until they are consumed and their wives also be judged, who led astray the angels of heaven that they might salute them.

Note: Unfortunately, we have seen that through spirituality it is predicted that the gods or the aliens will live among us claiming that we originate from them and those in spirituality (African spirituality, Native American spirituality, those with gods in their religions and the rest of the New Age buffet of spirituality) will believe the lie. They would have been defiled by these spirits already and that is meant to lead them to eternal condemnation.

Unfortunately, even during Noah's days, people's hearts were hardened by this spirit; even in these days people's hearts are hardened by spirituality which is the same spirit as in Noah's days.

- **Galatians 3:27 For as many of you as were baptized into Christ have put on Christ.**

Note: When we are properly baptised, it means we have clothed ourselves with Christ. He is the one that dwells in us together with the spirit of God which was breathed into us. There are many religions which don't do baptism properly as Jesus did (Jesus was immersed in water, not sprinkled with water) and that deceit is meant to keep people away from being truly born-again, keeping them away from the power that is in dying with Christ and being resurrected with him as a new creation. Humbly review your religions!

- **2 Chronicles 30:8 Now do not be stiff-necked, as your fathers were, but yield yourselves to the Lord; and enter His sanctuary, which He has sanctified forever, and serve the Lord your God, that the fierceness of His wrath may turn away from you.**

Note: May the truth set you free from the bondages created by our forefathers who never understood the true meaning of spirituality, nor had enough knowledge to

understand the extent of evil in these practices.

WATER ELEMENT VERSES

- 1 John 5:6 This is He who came by water and blood—Jesus Christ; not only by water, but by water and blood. And it is the Spirit who bears witness, because the Spirit is truth.

- Matthew 14:26-27 And when the disciples saw Him walking on the sea, they were troubled, saying, “It is a ghost!” And they cried out for fear. 27 But immediately Jesus spoke to them, saying, “Be of good cheer! It is I; do not be afraid.”

- Acts 8:35-36 Then Philip opened his mouth, and beginning at this Scripture, preached Jesus to him. 36 Now as they went down the road, they came to some water. And the eunuch said, “See, here is water. What hinders me from being baptized?”

As Christians, we have the antitype (baptism) that empowers us to be able to stand firm against the lies of the marine kingdom, knowing Christ already defeated all the plans of the enemy, that no dark kingdom

shall prevail over the Holy Spirit of God operating in us.

Prayer:

Dear Father, in the mighty and perfect name of our Lord Jesus Christ. Lord, we thank you for the revelation of your word; your word is indeed a lamp unto our feet that lights up our pathway. We repent for all the times when we didn't understand or were ignorant of the waters and their spiritual meaning. God, you are still God who redeems us and sanctifies us to yourself. Lord Jesus, you walked on water, we worship the God that walks on water that has the authority over the water elements and water spirits for it is your creation. God, you called on east winds and west winds and opened the Red Sea. Father, there is no power that is mightier than your power, there is no kingdom that comes close to your power. You reign supreme over all things Lord, even the strange flesh in the waters and on the land are subject to you. At your name Lord

Jesus, the name that is above all names, every knee shall bow in heaven and earth and under the earth, and every tongue shall confess that Jesus Christ is Lord for the glory of God the Father. In the name of Jesus Christ we pray, AMEN.

THE EARTH, FIRE AND AIR ELEMENTS

The Elements

In spirituality, it is known that there are five elements that are used. Element control is to manipulate these elements and their properties by using a wide range of spells to allow the user to have power over the natural elements through rituals, incantations and spirits of the dead; this is to harness their power for their intended outcomes. Again, it is a spiritual bypass instead of seeking God and his righteousness for he is the Creator of all things.

In this chapter I will uncover the use of air, earth and fire elements as I have covered the spirit in the first and second chapters and water in the fourth chapter.

- **Exodus 20:4 "You shall not make for yourself a carved image—any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.**

- Spirit – (carved image) a symbol of a spirit that operates in different ways
- Water – (the water) marine powers with moon mystical powers
- Earth – (earth beneath) removing roots from trees (plants, bones etc.)
- Fire – (heaven above) sun and the moon powers
- Air – (heaven above) sun, moon, stars, celestial powers

Note: They would normally say it starts with a human made of Spirit, Water, Earth,

Air and Fire. Then they will go a notch further and group people according to their birthdays by allocating astrological signs to fit that sign in one of the bottom four elements, defining their personalities under these signs. They will go further by fitting which planets rule these star signs. All of this may seem harmless, but it is corrupt knowledge with the aim to manipulate events so that men don't rely on their creator God for solutions but instead manipulate his creation for their benefit.

My story: I started being interested in astrology when I was in high school. While reading magazines, there would always be a section on astrology and zodiac signs used as a medium to predict what will happen in that month for all the people categorised in 12 different star signs. I started reading a lot about these star signs' personalities; I was told which star signs I would click with or clash with and signs that would bore me, meaning I made friends according to their

personality descriptions. I remember when I met new people in varsity I would ask them their birthdates then I would decide if I should tread carefully around them or I become myself or limit contact with them.

During my first year in varsity, we had to do a speech in communications. I decided to make one on this topic: “Match made in heaven”. My lecturer was single and the students were obviously interested in relationships, so I first introduced the personalities under the 12 star signs and introduced these elements, then from there I practically gave them a guide on how to choose the best partners using these elements. This was corrupt wisdom I got from magazines, then the internet, which might have impacted their lives negatively, dear Lord please forgive me for this ignorance. I got an A for this speech, maybe because it captured everyone’s attention or maybe because it was well researched, but the truth is I was doing the works of the devil unknowingly. I was the weapon used to corrupt the simplicity that is in Christ when

choosing a partner; God’s plan is totally different from that of the enemy. When Christ came into my life, he made me realise that all this corrupt knowledge I had was empty deceit, but he is the spirit of truth. I thank God for his grace to be saved by him and pray that group is also saved from that deceit or better yet, by God’s grace they find this book.

- **Colossians 2:8 See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the elemental spiritual forces of this world rather than on Christ.**

There is no spirituality without these elements; all of them are corrupt wisdom given by the fallen angels in Genesis 6. Essentially, all that there is in spirituality is described under these elements, and Exodus 20:4 is warning us about all of them in one verse. There is simplicity in Christ, everything leads back to him, and he is enough.

EARTH ELEMENT

BOE Ch. 8

3) Amazarak and Samyaza taught all sorcerers and dividers of roots (witchcraft) Isaiah 47:9 (they created problems under the four elements)

- **Isaiah 47:9 But these two things shall come to you In a moment, in one day: The loss of children, and widowhood. They shall come upon you in their fullness Because of the multitude of your sorceries, For the great abundance of your enchantments.**

- **Deuteronomy 18:10-12 There shall not be found among you anyone who makes his son or his daughter pass through the fire, or one who practices witchcraft, or a soothsayer, or one who interprets omens, or a sorcerer, 11 or one who conjures spells, or a medium, or a spiritist, or one who calls up the dead. 12 For all who do these things are an abomination to the Lord, and because of**

these abominations the Lord your God drives them out from before you.

Note: They use all kinds of earthly materials you can imagine from the varieties of plants to animals/human body parts to crystal stones to invoke the spirits and conjure spells and mix dangerous herbal potions dedicated to the moon/sun. These are dark workers (witches, wizards, Satanists, sorcerers etc.). They cause all kinds of harm from the spells they create from these potions, all of it using God's creation to steal, kill and destroy with the corrupted wisdom and knowledge of the fallen angels, the principality of these practices (see above, BOE Ch. 8:3). We must be reminded that Jesus came that he may give us life and life in abundance.

BOE Ch. 8

4) Armers taught the solution of sorcery Isaiah 47:12 (then they provide solutions all under the same source using the four elements)

- **Isaiah 47:12 “Stand now with your enchantments and the multitude of your sorceries, In which you have laboured from your youth—Perhaps you will be able to profit, perhaps you will prevail**.

- **Leviticus 19:31 ‘Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the Lord your God**.

Note: The same source of all the earthly material, the conjuring of the spirits and creating potions dedicated to the moon to influence wellness. This is to destroy hexes or curses and bring prosperity, abundance, money, power, fertility, healing, jobs, businesses using magic to conjure spells through incantations and potions. They also use it as divination, calling the spirit of the dead through bones, shells, symbols, tarot cards and/or stones for information to diagnose your problem.

They are known as light workers who are gifted to save the oppressed (psychics, shamans, traditional healers, palm readers,

spiritists etc.) working under the same source but a different principality (see above, BOE Ch. 8:4). Unfortunately, this is another wing of the same house that deceives most people; even Christians fall for this as it is perceived as “good”. These fallen watchers work with these spirits that are peaceful, they occupy the space by chasing away the angry and destructive spirits (that is why you will hear others say, “My gods don’t do witchcraft; they reverse witchcraft instead”). Please check BOE Ch. 8:4 again and see the root of their existence; a win is a win for the enemy. The word of God is very clear, we do not need all these elements because we become slaves to them. They defile us to the point of hardening our hearts. You know your heart is hardened when correction makes you angry, but if you are a child of God, at least listen to his word, not me; let it saturate your heart. Remember, the people who are recruited to operate in these gifts outside the kingdom of God are usually gifted by God. Every good and perfect gift comes from God, without shadow of turning, meaning God will not take away the

gift, but the enemy only wants to defile that gift to make it seem like it's for good and not for evil. Beloved, may God's truth set us free.

- **Colossians 1:24 I now rejoice in my sufferings for you, and fill up in my flesh what is lacking in the afflictions of Christ, for the sake of His body, which is the church,**

- **Ephesians 1:22 And He put all things under His feet, and gave Him to be head over all things to the church**,

Note: We have the body of Jesus Christ which was crucified for any kind of healing in our bodies and mind and the power of the Holy Spirit which raised Jesus Christ from the dead; that is the deliverance we need. God's word gives us power to face battles because we can do all things through Christ who strengthens us.

My testimony relating to the word of God: it was one of those moments when I was praying before my sleep around 2 a.m. When I was about to fall asleep, a screen dropped in

my room. I saw a lot of people and short creatures wearing torn clothes. They came walking together, the creatures and the humans (I think maybe their owners); it was a united mob coming for me. I said this word: Deuteronomy 28:7 “The Lord will cause your enemies who rise against you to be defeated before your face; they shall come out against you one way and flee before you seven ways.” Immediately after I said that word, they were indeed running in different directions, it was so humbling to see how God stays true to his word, the word of God never comes back void. He is full of grace but in due time his word goes and fulfils his will. Vukosi from the YouTube channel “Beyond Reality” once said, the enemy is afraid of people filled with the word of God, because it is a weapon against the enemy.

EARTH ELEMENT VERSES

- Acts 7:49 ‘Heaven is my throne, and **the earth is my footstool**. What kind of house

will you build for me? says the Lord. Or where will my resting place be?

- Genesis 1:1-2 In the beginning **God created the heavens and the earth**. 2 Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters.

- Psalm 24:1 **The earth is the Lord's**, and everything in it, the world, and all who live in it;

As Christians, we worship God, who rules over all and created all things. We don't use his creations to manipulate outcomes; we rely on the Creator to change our story as his creations through prayer and supplication. Believe me, this comes from the heart of God, who loves us and wants us pure for himself and not to be defiled by practices we are too innocent to understand. We are too young to understand, remember God said "That serpent of old, that deceived the whole world."

FIRE ELEMENT

They use specific material sources that communicate with the sun and energy to invoke the spirits and conjure spells.

This is to attain power, money, attraction, destruction, storm and lightning magic – all the spells associated with fire and energy. They also use it for divination, calling the spirits of the dead in the fire (fire scrying) for information.

- **1 Corinthians 3:13 each one's work will become clear; for the Day will declare it, because it will be revealed by fire; and the fire will test each one's work, of what sort it is.**

In the spiritual realm, people (victims) appear in fires as another form of divination, and they plan harm, as it is a form of monitoring spirit. God knows all the works of evil, and all of it, its properties and its doers will be cast into the lake of fire, nothing is hidden before God.

- **Daniel 3:24 Then King Nebuchadnezzar leaped to his feet in amazement and asked his advisers, “Weren’t there three men that we tied up and threw into the fire?” They replied, “Certainly, Your Majesty.” 25 He said, “Look! I see four men walking around in the fire, unbound and unharmed, and the fourth looks like a son of the gods.”**

Note: When the enemy is seriously after a life, they will cause lightning during the day using the sun or even send fire to burn your house or just your clothing and this is not a fairy tale; these are the realities of spirituality. Jesus was the fourth man in the fire; they came out unharmed. Even to us he is still the same God. He is the all-consuming fire that protects and that is for us, his righteousness.

- **Hebrews 12:29 for our “God is a consuming fire.”**
- **2 Kings 1:12 “If I am a man of God,” Elijah replied, “may fire come down from**

heaven and consume you and your fifty men!" Then the fire of God fell from heaven and consumed him and his fifty men.

Note: No matter what kind of attacks we may be going through, just remember the same God who created the fire element can answer by fire for our sake and destroy demons and their works of evil, remember he says the battle is not ours but his. Remember, we are not fighting flesh and blood but principalities, powers and rulers of darkness.

My testimony relating to the fire element: God dropped a new word in my spirit, and I was using that word that week while I was fasting, but little did I know there was an attack that was brewing. That night I prayed as normal and immediately slept, then around 2 a.m. the Holy Spirit woke me up. Those who deal with warfare would know that usually, if we are woken up at that time, we need to pray. I prayed quickly then went back to sleep, suddenly I saw two creatures in my

room. They were tall, masculine, grey, with dark black eyes; they were on the side of the wardrobe by the window opposite the bed. These things were angry, looked hungry to rip me apart, teeth like wild animals. I remembered the word: Jeremiah 5:14 “Therefore thus says the Lord God of hosts: “Because you speak this word, Behold, I will make My words in your mouth fire, and this people wood, and it shall devour them.” I started saying the word as they were trying to get to me, it was like there was an invisible figure stopping them. As I continued repeating the word, the fire started burning them. They turned from grey to flaming blue, and the one that was facing the side started crumbling into pieces, dissolving on the ground. The other one got angrier while burning, but then I stopped because I could see they were perishing. This thing took one step, trying to get to me while in that torment; then I realised that for this invisible figure to continue to block it, I needed to continue to say the word. When I continued, its other foot was in the air but it couldn’t make a move. I

continued until it also crumbled into pieces like the other one. That experience was real; I was supposed to die that day. God showed me that even the angels, when they fight for us, respond to the word of God. The word is indeed sharper than any two-edged sword. The battle belongs to God who gives us victory. All glory to our Lord and King Jesus Christ!

FIRE ELEMENT VERSES

- Matthew 3:11-12 I indeed baptize you with water unto repentance, but He who is coming after me is mightier than I, whose sandals I am not worthy to carry. He will baptize you with the Holy Spirit and **fire**. **12** His winnowing fan is in His hand, and He will thoroughly clean out His threshing floor, and gather His wheat into the barn; but **He will burn up the chaff with unquenchable fire."**

- Acts 2:3-4 Then there appeared to them divided tongues, as of **fire**, and one sat upon each of them. **4** And they were all filled with

the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.

- 2 Peter 3:10 But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be **burned up**.

As Christians, we have the fire of the Holy Spirit against this element too. The Lion of Judah roars with fire, and the seraphim (the burning ones) are a description and evidence of the power of God’s Spirit, who is the devouring fire.

AIR ELEMENT

The conjuring of the air element is influenced by spirits and sources in heavenly places.

BOE Ch. 8

6) Akibeel taught signs (zodiac signs, astrology) Isaiah 47:13 horoscopes

7) Tamiel taught astronomy – observation of celestial motion (taught astral projection) Isaiah 47:13

8) Asaradel taught the motion of the moon – Isaiah 47:13 for rituals on all the earth elements

- Isaiah 47:13 All the counsel you have received has only worn you out! Let your astrologers come forward, those stargazers who make predictions month by month, let them save you from what is coming upon you.

Remember my story earlier on, I used to read monthly star sign predictions in a magazine. These existed a long time ago; it's not a new enlightenment. God was against it then, and he is still against it now. If we think it's harmless, notice the anger of God above;

it tells it all. Please see BOE Ch. 8:6 & 8 above.

BOE Ch. 8

7) Tamiel taught astronomy – observation of celestial motion (taught astral projection) Isaiah 47:13

- Psalm 91:11-12 For He shall give His angels charge over you, To keep you in all your ways. **12** In their hands they shall bear you up, Lest you dash your foot against a stone.
- Luke 24:51 Now it came to pass, while He blessed them, that He was parted from them and carried up into heaven.

Note: They astral project to allow spirits to enter them for enlightenment, the removal of the spiritual veil, to uncover the secrets of the universe, create whirlwinds, storms, being one with the universe, they create spiritual transport and conjure spells. They astral

project by soul travel to cast spells by making incantations, some to cause destruction in the unseen realm, they call people to the spiritual realm to enslave them. God's word says he will send his angels to carry us, so that we don't get hurt. God is the one that decides to astral project us for his purposes of enlightenment or the benefit of the church, usually through near-death experiences without conjuring of any spirit.

- **Exodus 30:8 He must burn incense again when he lights the lamps at twilight so incense will burn regularly before the Lord for the generations to come**.
- **Psalm 141:2 May my prayer be set before you like incense; may the lifting up of my hands be like the evening sacrifice**.
- **Revelation 5:8 And when he had taken it, the four living creatures and the twenty-four elders fell down before the Lamb. Each one had a harp, and they**

were holding golden bowls full of incense, which are the prayers of God's people.

Note: There is the practice of smoke cleansing to invite peaceful spirits and dispel angry spirits; they do shadow work to bring to the light your dark side. They blow into potions and jars to cast spells, and conjure spells to take lives through the manipulation of winds to get the life force of blood (as Erica Mukisa Kimani would say in LIS), e.g. car accidents and plane crashes. In the days of Moses they practised the burning of incense, but now our prayers ascend to heaven as incense and our worship is a sweet aroma to the Lord. We don't need to burn incense anymore; through Jesus Christ we are redeemed from this too.

My testimony related to the air element: I believe I had fasted for almost three months; I couldn't stop. This one night I prayed from around 12 a.m. until after 1 a.m. I couldn't sleep, so I read the word so that I could catch sleep. Then suddenly I was in some dry land

in the wilderness, the soil was white. A group of people I didn't even know were all coming to me to attack me, As far as I could see, there were around fifty of them running at me. Then suddenly, as I stood by, the invisible figure next to me just lifted those people up into the air – that incredible power subdued them in the air, then pulled them down. Immediately a lot of them ran away from the scene but about twenty or so were left. I had been saying this word that week during the fast: Philippians 2:10-11 "that at the name of Jesus every knee should bow, of those in heaven, and of those on earth, and of those under the earth, **11** and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." Those people who were left started bowing down, all of them. In that vision God showed me exactly what happens in the spiritual realm when we use his word and his name. We are empowered to fight a good fight of faith and God fights our battles.

AIR ELEMENT VERSES

- Hebrews 1:14 Are they not all **ministering spirits** sent forth to minister for those who will inherit salvation?
- Psalm 35:5-6 Let them be like chaff before the wind and let the **angel of the Lord chase them**. **6** Let their way be dark and slippery. And let the angel of the Lord pursue them.
- 2 Peter 3:10-12 But the day of the Lord will come as a thief in the night, in which **the heavens will pass** away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up.

As Christians, we have the holy angels of the living God, the winds of heaven. God commands the angels through his powerful word to fight battles for us, and they respond to the use of God’s word. It will command the holy angels to respond to the word and will of God, to destroy all the weapons of the enemy and to bind demons through the word of God

that is sharper than any two-edged sword. Please keep in mind that fallen angels will not introduce themselves to us as fallen; they will call themselves angels. Apply the word of God; it will test the spirits.

Concluding note on all elements:

Jesus Christ is the Godhead over all principalities and elements of this world because he created the heavens and the earth and all that is in it. In Exodus 14 God commanded all four elements “spiritually”. God said to Moses he must stretch his hand over the sea (water element); the strong east wind (air element) caused the water to go back, so that the children of Israel could walk on dry land (earth element). In my view it can only be fire that dried up the land; remember, they were led by a cloud by day and fire (fire element) by night. This is a working miracle that may seem unreal to a normal human being like me with five senses, but the truth is, it happened, even in this day there is evidence it happened and that can only be

God himself, who is the Creator of all things and who can do all things.

- Colossians 2:8 (NIV) See to it that no one takes you captive through hollow and **deceptive philosophy, which depends on human tradition and the elemental spiritual forces of this world rather than on Christ**.

- Galatians 4:3 Even so we, when we were children, w**ere in bondage under the elements of the world**.

- Galatians 4:9 But now after you have known God, or rather are known by God, **how is it that you turn again to the weak and beggarly (pitiful) elements**, to which you desire again to be in bondage?

This is one of the biggest deceits in spirituality; many Christians fall for this without knowing they are opening legal doors in their lives because this is the same medium that God is warning us about in his word. Please check above scriptures again with a repentant heart, God himself reveals the deceit; we just don’t pay enough attention.

The word of God is indeed a lamp unto our feet lighting up our pathway.

Prayer:

In the name of Jesus Christ of Nazareth, Lord, we exalt you for you are the Creator of all things and you reign supreme in our lives King of Glory. Lord we are thankful for your word that lights up our way, Lord, we thank you that your Holy Spirit guides us into all truth, indeed Lord you are a loving God and a gracious God allowing us to saturate ourselves in your truth to transform us. We repent for every time we were a part of a movement or practice that is abominable to you, we are thankful for your blood that washes away our sin; even now, Lord, we are redeemed by your blood. We thank you that the cross of Calvary cancelled all curses and restored our stars, our destinies, Lord. You are indeed our God who is above all other gods, who is above all elements of this world for they are your creation and they shall

respond to your will for our lives, the sun will not smite us by day nor the moon by night. We rededicate ourselves back to you, spirit, body and soul, mind and heart, we surrender ourselves to you and we are one with your Holy Spirit. We glorify your name, Lord; you alone are worthy of our praise, take the glory Lord in our lives, in Jesus Christ’s name we pray, AMEN.

SPIRITUALITY AND TOTEM ANIMALS

What are totem animals?

- Introduction Note:

These are animals that can live inside a person or operate through that person by taking over their consciousness through initiation and can be invoked to operate in certain situations like healing, acting as spirit guides, teaching wisdom and fighting opposing spirits (e.g. snakes, bears, crocodiles).

Then there are spirit animals that are used to connect spiritual realms through the blood. These animals' blood, through a human with a soul, opens spiritual portals that are evil. Whether human blood or animal blood is used, this is not pure. Unfortunately, there is no grey area; it's either holy or evil.

The Lamb of God

- John 1:29 The next day John saw Jesus coming toward him, and said, "Behold! The Lamb of God who takes away the sin of the world.

Note: In African spirituality there are animals assigned for sacrifices; the popular ones are goats, lambs, cows and chickens. They are used to appease the ancestors/spirit guides to connect the physical realm with the spiritual realm. Jesus was the Lamb of God, a sacrifice without blemish, as a spirit animal: our mediator to atone for our sins. They also consider a certain animal their totem, which connects their spirit with the spiritual realm. They believe it protects them and brings

comfort and wellness; their spirit becomes one with that of that animal.

The Lamb of God

- **Isaiah 53:7"He was oppressed and afflicted, yet he did not open his mouth; he was led like a lamb to the slaughter, and as a sheep before its shearers is silent, so he did not open his mouth."**

Note: This Lamb of God, Jesus Christ, was without blemish; he was without sin, yet he was crucified as a sinner, only for our sins. Otherwise his blood would not have as much power as it has now, as those who are saved can testify of the power of the blood of the Lamb. This is the Lamb that connects us to the spiritual realm with GOD. The word says there is only one mediator between God and men, the man Christ Jesus.

The Lamb of God

- **Leviticus 17:11 For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood that maketh an atonement for the soul.**

Note: Blood is currency in the spiritual realm. Remember that the Old Testament is where the devil copied God; he had to deceive us through culture to defile us, and he defiles the souls so that later he can steal that soul and use it to deceive those who do not have the knowledge. He also feeds the giants, the demons, to gain strength to continue his mandate to kill, steal and destroy (refer to Chapter 3).

The Lamb of God

- **Romans 3:25 Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God.**

Note: Jesus Christ, the Lamb of God, is the ultimate sacrifice; after the Lamb of God there was no longer a need for the blood of goats. So who are we sacrificing these animals for? God no longer uses them as mediators; Jesus Christ is our mediator.

The Lamb of God

- **Revelation 5:12**: "**In a loud voice they were saying: 'Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and honor and glory and praise!'**"

Note: This Lamb of God, Jesus Christ, was without blemish; he was without sin, yet he was crucified as a sinner, only for our sins. Otherwise his blood would not have as much power as it has now, as those who are saved can testify of the power of the blood of the Lamb. He is the sacrifice that redeems those who accept him as their Lord and Saviour, those who acknowledge him as the mediator to God the Father.

Note: The power to kill the poison of a snake is in the blood of the Lamb. Farmers who keep livestock will confirm this practically because as an emergency if a person is bitten by a snake, they get the blood of a sheep to kill the poison, so that they may live and not die. You will understand that God's ways are higher than our ways, and

God’s thoughts are higher than our thoughts. The blood of his lamb destroys the poison of the serpent of old that deceived the whole world.

The Lamb of God

- **Revelation 12:9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.**
- **Revelation 12:11 And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.**

Note: We are against the enemy of God who is a serpent, who was cursed in Genesis, but the Lamb of God defeated this serpent through his blood, the precious blood of Jesus Christ. See our God’s antidote to the poison.

Holy Ghost

- Mark 13:11 But when they arrest you and deliver you up, do not worry beforehand, or premeditate what you will speak. But whatever is given you in that hour, speak that; for it is not you who speak, but the Holy Spirit.

Note: We have our greatest spirit guide; he lives in us: the Holy Ghost, the one who speaks on our behalf…

Holy Ghost

- Jeremiah 33:3 ‘Call to Me, and I will answer you, and show you great and mighty things, which you do not know.’

Note: Our greatest spirit guide (the Holy Ghost), the Holy Spirit, guides us in all that we do and shows us great and mighty things we did not know. Imagine that! I am a testimony of that.

Holy Ghost

- John 14:26 But the Helper, the Holy Spirit, whom the Father will send in My name,

He will teach you all things, and bring to your remembrance all things that I said to you.

Note: The spirit guides/ancestors (others call them ascended masters) are used for teaching defiled wisdom; they give guidance through dreams and visions which are made to be dreamt. But we have the Holy Ghost, who is the Holy Spirit, who teaches us all things, who gives us the word of wisdom as the one who guides us into all truth and brings to remembrance all that he has taught.

Holy Ghost

- 1 John 2:27 But the anointing which you have received from Him abides in you, and you do not need that anyone teach you; but as the same anointing teaches you concerning all things, and is true, and is not a lie, and just as it has taught you, you will abide in Him.

Only a few will get this: the Holy Spirit teaches us all things, and he teaches according to God’s word, because he is one

with God. We must appreciate that God is too big to be known by one man, we all get distinct but crucial revelations from God. That's why we have the body of Christ, because every body part is valuable and beneficial to his church.

The Lion of Judah

- Genesis 49:8-9 "Judah, you are he whom your brothers shall praise; Your hand shall be on the neck of your enemies; Your father's children shall bow down before you. **9** Judah is a lion's whelp; From the prey, my son, you have gone up. He bows down, he lies down as a lion and as a lion, who shall rouse him?

Note: It was the seed of Abraham, of Jacob, of Judah, then of David. The enemy had operated through spirit animals, but God had us covered once again: the spirit animal that we invoke is the Lion of Judah; the spirit animal that lives in us is that of the Lion of Judah. Jesus died as a Lamb full of grace and mercy (the mediator) and rose as the Lion (the warrior, the protector); the enemy was

never ready for this, may this truth set us free.

The Lion of Judah

- Revelation 5:5 But one of the elders said to me, “Do not weep. Behold, the Lion of the tribe of Judah, the Root of David, has prevailed to open the scroll and to loose its seven seals.”

Note: Jesus Christ was the Lamb of God for the purpose of being a sacrifice. Then Jesus died; spirit, water and blood became one. Then the power of the Holy Spirit that raised Jesus from the dead produced the Lion of Judah, with the victory that overcame the world.

- Romans 8:11 But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you.

My story, part 2 (from the water element chapter): I told you briefly about my dream of being in water with a snake, coming out of the water holding it in my hand. As I explained earlier, the dream represented initiation, to be covenanted to this dark spirit.

When those people live in water they die to self and surrender their will to these spirits for dead works because that spirit then lives in them. When we are baptised in water, we die to our old self and are raised with the power that raised Jesus from the dead and we are clothed with Christ, the Holy Spirit; Christ lives in us: “the antidote from God”. For the goat that was sacrificed to connect the physical realm to the spiritual realm, we have a solution: the Lamb of God, who was the ultimate sacrifice to connect men (physical realm) with the most high God (spiritual realm) “the antidote from God”. After they are initiated, they get to be in the presence of spirit animals at their altars; it may be strange flesh or a snake for protection. We have the Lion of the Tribe of Judah, our protector, the one who fights our battles:

again, “the antidote from God”. Truly it is by God’s grace that we are saved by him, it is not by intelligence or education, it is purely the grace of God that we are free from the deceitful ways of the enemy.

- Psalm 35:5-7 Let them be like chaff before the wind, And let the angel of the Lord chase them. **6** Let their way be dark and slippery, And let the angel of the Lord pursue them. **7** For without cause they have hidden their net for me in a pit, Which they have dug without cause for my life.

My story and testimony: There was a period when I was dealing with depression, and I decided to do yoga. It started innocently with a few stretches here and there; then I went deeper into chakra yoga, which just means you open portals in your body for spirits to manipulate you through those open portals. It was not immediately that I felt like there were things crawling in my body; it was over time that I started noticing. In the spiritual realm the workers of darkness can see these portals,

and they use them to attack. I remember one day I decided to pray with Psalm 35:6 after I had felt the presence, and that day I saw a creature running away, and I never felt its presence ever again. The word of God never comes back void, but it goes and accomplishes what God intends for it. Remember, we are not fighting flesh and blood, but God's judgement prevails. We must never go to the battles without the full armour of God (Ephesians 6:10-17), and remember the fruit of the Spirit in Galatians 5:22-26 before the battle.

Concluding note:

- Matthew 4:16 The people who sat in darkness have seen a great light, And upon those who sat in the region and shadow of death Light has dawned."

We are redeemed by the blood of the Lamb, and the Lion of Judah fights our battles, nothing is too hard for Christ Jesus, for all creation bows down and worship him.

Prayer:

Dear Father, in the name of Jesus Christ of Nazareth, thank you God that you have once again shown your loving kindness towards your children through your only Son Jesus Christ of Nazareth, you have made him our mediator between us and you Lord, reconciling us back to you as we are sinful in nature and you are holy and are King of Glory. We thank you for your grace and your mercy through your Lamb, Lord God. We repent for all the times we embraced spirit animals without a deep understanding of the greatest God that you are, who reigns over all things. Mighty warrior, the great one in battle, the Lion of the Tribe of Judah, who gives us victory over our enemies, our deliverance comes from you, and our protection comes from you, we thank you Lord for your loving kindness. We worship and praise you Lord, we exalt you Lord in the name of Jesus Christ, our Saviour and Redeemer, AMEN.

CHRISTIAN FAITH: WHY JESUS

Who is Jesus?

Here we are at the last chapter, where everything actually begins and ends. It’s impossible to have just one chapter about who Jesus Christ is. We have the whole Bible for that, and even the Bible says that if all things were written about Jesus, the world could not contain the books that would be written.

See below a small dose relevant to this topic, though it is not limited to this. Here it goes…

- Revelation 1:8 “I am the Alpha and the Omega, the Beginning and the End,” says the Lord, “who is and who was and who is to come, the Almighty.”

- Isaiah 44:6 “Thus says the Lord, the King of Israel, And his Redeemer, the Lord of hosts: ‘I am the First and I am the Last, Besides Me there is no God.

Why Christianity, if there are so many other religions?

- John 1:14 And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.

- Matthew 28:19 Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,

- John 1:9 That was the true Light which gives light to every man coming into the world. (my encounter with the light)

My story and testimony: It was at the beginning of 2010, one Sunday evening, when

we were watching TV with my cousins. A religious programme came on; they were covering a traditional church of my clan, and they were talking about the ways of their religion. I remember when they specifically said, “We have our mediator; those people who are using other people’s mediator are lost and should revisit their beliefs.” I was a baby Christian who didn’t spend time with God and his word which made me an easy target of deceit. I really loved God, though I was far from him in deeds; I was an imperfect being who wanted the truth. That night I prayed to God, the Creator of all things, for guidance and for the truth about who my mediator is. It was a sincere prayer, though I didn’t know how I was going to get the answer, but I anticipated an answer from God. Days passed, still nothing. Then a week later, if I remember correctly, that night I was asleep with my two-year-old son next to me; the time, I believe, was around 2 a.m. Suddenly I was awake. I opened my eyes; I could see the room and everything in that room because I slept with the lights on, but I

was not in control of my body. Suddenly I saw a great light so powerful that my body was moved into that light, I was now inside that light all around me; it felt like a pure white cloud that I was inside of, and this great light. I remember as I moved in that light I was saying “Oooh Lord, I hope I’m not dying; in the movies, when people see the light, it usually means they are dying.” There was no voice, but the moving of this light was power, yet in a peaceful and the purest form, which I can’t put into words. Then it appeared I was at the destination, and suddenly I saw three crosses from afar. As I got closer, the two crosses on the sides were dropping down until they disappeared; one cross was left and there was a man on the cross. I saw the side of his face; that man was Jesus. At that very moment I knew this was the answer I had been waiting on God for. My spirit was crushed as I saw Jesus Christ on the cross; I felt the guilt, the pain, the shame. How could I doubt my Saviour? How could I doubt Jesus, whom I have known all my life? I was suddenly on the ground; the place was in the

village. I saw green grass and a few trees, and from afar I faintly saw a house. I was now walking away from the cross with regrets. As I kept walking, my feet felt too big as I stepped; they felt like they were huge. But there was a boy walking towards me from the opposite direction. I told myself that if this was real, then I would compare my footprints with the boy's; if they were the same size, then I would be certain that this moment was real and I was really at that place at that exact time. When he walked past me, I compared my footprints and his and indeed, they were the same size. My Lord Jesus Christ, this moment was real! Then the light took me again, travelling back to my room. This time the travelling was faster, I was now back in my room, I could see everything in my room, but my body couldn't move, my eyes were opened but my body was completely paralysed. I couldn't move my finger or even my toe. I then waited for my body to settle in, then maybe about 10 minutes later I started feeling my toes, then my fingers, slowly, gradually, I could feel all parts of my body.

Then, when I felt I could move, I went straight to the Bible; I just opened it and it went straight to John 1:9: That was the true Light which gives light to every man coming into the world. I started repenting and praying, and that moment saved me. I was free indeed, because there was nothing and no one that could convince me otherwise about Jesus Christ. Jesus answered and removed all the deceit, and I will always be grateful for that encounter because it led me to this point in my life. I sought God and I found him through Jesus Christ, my Messiah.

Note: Jesus Christ was not one of the prophets; he is God himself, and there was no sin in him. He is the Lamb without blemish that died for us on the cross for our sins so that we may have everlasting life and be reconciled with God the Father, to whom we cannot go except through him.

Who is Jesus?

THE SON

- **Colossians 1:15-16 He is the image of the invisible God, the firstborn over all creation. 16 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.**
- **John 1:14 And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.**
- **Hebrews 1:1-2 1 God, who at various times and in various ways spoke in time past to the fathers by the prophets, 2 has in these last days spoken to us by His Son, whom He has appointed heir of all things, through whom also He made the worlds;**

Note 1: Jesus is the Son of God, the firstborn over all creation. God first created Jesus to be inside of him (his Son).

The deceit: Christ consciousness. The belief in awakening the Christ enlightenment to the divine self ("spiritual elevation that Jesus achieved" – they separate Jesus from Christ). They believe they can attain this higher power by being one with God like Jesus was, by being open and dedicating themselves to spiritual practices like meditation, yoga, the power of attraction and manifestation, soul travel, and rituals that channel different sources (spirit guides) to attain Christ consciousness.

We can only become Christlike by allowing the Holy Spirit to live in us and teach us all things (the spirit of truth). We have to be aware that no one goes to the Father except through Jesus. Jesus Christ is the Son of God, who was the Word and became flesh.

THE WORD

- **John 1:1-3 In the beginning was the Word, and the Word was with God, and**

the Word was God. 2 He was in the beginning with God. 3 All things were made through Him, and without Him nothing was made that was made.

- **Proverbs 8:22-23 22 "The Lord possessed me at the beginning of His way, Before His works of old. 23 I have been established from everlasting, From the beginning, before there was ever an earth.**

- **Genesis 1:26 Then God said, "Let Us make man in Our image, according to Our likeness; let them have dominion over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth."**

Note 2: Jesus is the Word of God; it is difficult to separate the Son from the Word. His word was said by the high priest in the Old Testament asking God for forgiveness of sin and so on; in that atonement they used God's word. We were made in the image of

God; he is a triune God. He is God the Father (our soul), God the Son (our body, the flesh) and God the Holy Spirit (our breath, the spirit of God). That is why we are so precious to God, to the point of him sending his Son to save us from sins.

The deceit: divine self (you are god). Self-exaltation, or the divine self, is channelled through spiritual practices like meditation, yoga, the power of attraction and manifestation, soul travel, and rituals that channel different sources (spirit guides) to discover your divine self. We are made in the image of God, but we are not gods; that is self-idolisation, which is a Luciferian spirit – it got him expelled from heaven. We can do all things through Christ who gives us strength, meaning we are not Jesus Christ. God is the only source of all good things, as he is the Creator of all things after all.

THE HIGH PRIEST

- **Hebrews 4:14-15 Seeing then that we have a great High Priest who has**

passed through the heavens, Jesus the Son of God, let us hold fast our confession. 15 For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin.

- **Hebrews 5:9-10 And having been perfected, He became the author of eternal salvation to all who obey Him, 10 called by God as High Priest "according to the order of Melchizedek,"**

- **1 Timothy 2:5 For there is one God and one Mediator between God and men, the Man Christ Jesus,**

Note 3: Jesus is our High Priest, who is the mediator between God and man, just as in the Old Testament a high priest was chosen and consecrated to be a mediator, using God's word with the sacrificial animal to plead with God in the holy of holies.

The deceit: transformation and enlightenment. The belief that the universe is evolving, that human consciousness will be awakened and more people will be enlightened, and then this world will experience a total transformation. The deceit comes from the high priests of the dark kingdom (knowingly or unknowingly), ushering in all other religions and practices that are used as a way to God the divine, except for Christ Jesus our Redeemer. They call the gods that are worshipped in other religions and practices the ascended masters, spirit guides, ancestors, god of money, god of peace etc.

The word says that in the last days, more and more antichrists will rise up, and we were warned about religions endorsed by demons to deceive the people. Unfortunately, in these last days people's hearts will be hardened. May we be reminded that Jesus is the way, the truth, and the life; no one goes to the Father except through him. He is coming soon like a thief, let’s go back to him with full

repentance in our hearts and not be deceived by the enemy that hates us.

THE LAMB

- **Isaiah 53:7 He was oppressed and He was afflicted, Yet He opened not His mouth; He was led as a lamb to the slaughter, And as a sheep before its shearers is silent, So He opened not His mouth.**

- **John 1:29 The next day John saw Jesus coming toward him, and said, "Behold! The Lamb of God who takes away the sin of the world!**

- **1 Peter 1:18-19 knowing that you were not redeemed with corruptible things, like silver or gold, from your aimless conduct received by tradition from your fathers, 19 but with the precious blood of Christ, as of a lamb without blemish and without spot.**

Note 4: Jesus is the Lamb of God. He is also that sacrificial lamb in the Old Testament that was to be without blemish to atone for men's sins through a mediator, the high priest, using

the word of God in the Holy of Holies. He himself is the Holy of Holies, as the curtain that enclosed the dwelling place of God was torn, for he is God. He was the ultimate sacrifice; there is no need for the blood of animals, as his blood is more than enough. He never made a sound, like a lamb to the slaughter, representing his grace and his mercies that are sufficient for all and that are renewed every morning.

The deceit: blood sacrifices. This practice of slaughtering was abolished by Christ, for he became the ultimate sacrifice. There is no longer a need for the blood of the rams or goats or even humans because that sacrifice is only meant to give life to powerless demons, hungry and thirsty demons who use this to defile men so that their spirit may be polluted and they are given hearts of stone, so that anything that has to do with Jesus Christ infuriates them. But the same Jesus came so that his blood may protect us, cleanse us from all sins and sanctify us, setting us apart because of the everlasting love that he has for us: LOVE. As for the people who go and

sacrifice their souls for riches, they will be told to sacrifice the person they love the most first, because the mission of the enemy is to kill love, beware of the deceit.

THE HOLY GHOST

- **Acts 1:8 But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth."**

- **John 14:15-17 "If you love Me, keep My commandments. 16 And I will pray the Father, and He will give you another Helper, that He may abide with you forever— 17 the Spirit of truth, whom the world cannot receive, because it neither sees Him nor knows Him; but you know Him, for He dwells with you and will be in you.**

- **1 Corinthians 12:7-11 But the manifestation of the Spirit is given to**

each one for the profit of all: 8 for to one is given the word of wisdom through the Spirit, to another the word of knowledge through the same Spirit, 9 to another faith by the same Spirit, to another gifts of healings by the same Spirit, 10 to another the working of miracles, to another prophecy, to another discerning of spirits, to another different kinds of tongues, to another the interpretation of tongues. 11 But one and the same Spirit works all these things, distributing to each one individually as He wills.

Note 5: Jesus is the Holy Ghost; he also left us with that Holy Spirit to live in those who accept him and love him as their Lord and Saviour, but in the old days it was entrusted to priests, kings and prophets. The Holy Spirit guides us and empowers us, it is truly by the help of the Holy Spirit that this book came into being. He guides us into all truth and teaches us all things. The same Holy Spirit gives us these gifts of knowledge and wisdom, prophecy and so forth; these gifts, through

the influence of the Holy Spirit, operate for the good of others and God's church.

Still on the Holy Ghost

I have to address this question: "But Jesus went to Hades and met the dead."

- **Ephesians 4:9-10 (Now this, "He ascended"—what does it mean but that He also first descended into the lower parts of the earth? 10 He who descended is also the One who ascended far above all the heavens, that He might fill all things.)**

- **Psalm 139:8 If I ascend into heaven, You are there; If I make my bed in hell, behold, You are there.**

- **1 Peter 3:18-22 For Christ also suffered once for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh but made alive by the Spirit, 19 by whom also He went and preached to the spirits in prison, 20 who formerly were disobedient, when once the Divine longsuffering waited in the days of Noah,**

while the ark was being prepared, in which a few, that is, eight souls, were saved through water. 21 There is also an antitype which now saves us— baptism (not the removal of the filth of the flesh, but the answer of a good conscience toward God), through the resurrection of Jesus Christ, 22 who has gone into heaven and is at the right hand of God, angels and authorities and powers having been made subject to Him.

Jesus Christ went to Hades; he was not scorched but was there to declare power over the underworld. I mean, he is the all-consuming fire. His power as the Holy Ghost is over the spirits of the dead, the evil ghosts, the giants that oppress men. He gave us that power to be free from the oppression, giving us that authority through him who has authority over all things.

The deceit: spirit guides. Those who represent the high priest in families of religion will conjure spirits (necromancy),

whether ascended masters, the god of a million things (e.g. money, power), ancestral spirits or dead saints. All these spirits are Nephilim created from disobedience; they have the ability to give corrupt wisdom, knowledge of past events through familiar spirits, healing and miracles through necromancy, prophecies through monitoring spirits, and evil tongues to hide in churches, cursing instead of edifying the church (1 Corinthians 12:7-11 above). These are beings that guide them on how to do rituals using all the creation of God, including human body parts, stealing the gifts of God from men that are meant to operate for the benefit of his church, misdirecting those gifts by defiling the chosen to produce dead works. We have the Holy Ghost, more powerful than those evil ghosts; we are more than conquerors because Jesus defeated death and has victory that overcame the world.

THE LION OF JUDAH

- **Genesis 49:9-10 Judah is a lion's whelp; From the prey, my son, you have**

gone up. He bows down, he lies down as a lion; And as a lion, who shall rouse him? 10 The scepter shall not depart from Judah, Nor a lawgiver from between his feet, Until Shiloh comes; And to Him shall be the obedience of the people.

- **Micah 5:2 "But you, Bethlehem Ephrathah, Though you are little among the thousands of Judah, Yet out of you shall come forth to Me The One to be Ruler in Israel, Whose goings forth are from of old, From everlasting."**

- **Revelation 5:5 But one of the elders said to me, "Do not weep. Behold, the Lion of the tribe of Judah, the Root of David, has prevailed to open the scroll and to loose its seven seals."**

Note 6: Jesus is the Lion of the Tribe of Judah. Though he died as the Lamb, the resurrection power that raised Jesus from the dead woke him as the Lion of Judah, ready to fight for us as our spirit animal, representing power and might, so that the wicked who stir up his anger will not be able to escape from

between his feet as he fights for his righteousness. I was amazed when I realised that Jesus is a seed of David. David was a shepherd guarding his sheep and Jesus regarded himself a shepherd guarding us as his sheep. David killed the lion that wanted to devour his sheep (looks like the lion met his match); Jesus Christ is the Lion of Judah that defeats the enemy who is roaring like a lion seeking whom he may devour. God has us covered, guys.

The deceit: spirit animals. It is a known thing in African spirituality that, e.g., serpents and mermaids and so on are regarded as spirit guides. These are diabolical in every way only there to oppress humans through initiations and covenants. In other regions, like among Native Americans, their shamans also experience the same. There are diverse types of animals who are also considered spirit animals, as protectors or as guides or even family members of that clan. We are freed from that deceit; we have the Lion of Judah, who is holy, and ready to fight for us.

Jesus Christ is the all-powerful God, the all-knowing God and the ever-present God

- **Romans 8:31 What then shall we say to these things? If God is for us, who can be against us? OMNIPOTENT**
- **Hebrews 4:13 And there is no creature hidden from His sight, but all things are naked and open to the eyes of Him to whom we must give account. OMNISCIENT**
- **Matthew 28:20 teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen. OMNIPRESENT**

My story and testimony: When I had the privilege of spending a year with God, I started researching spirituality and different religions (be on the lookout for the sequel on religion). The intention was to document these things to start a podcast at that time. I needed to find out more about the ancestors, and I came across a self-proclaimed Satanist,

who gives out information openly with the intention to recruit people to his covenant by getting them to sacrifice their souls for riches through different networks. This is a very cultured clan in South Africa that believes in culture and embraces ancestral worship. The first day on his channel he was explaining another known process of how people can sell their souls for riches. What got my interest in the subject was that he mentioned that two ancestors in that person's family will choose whose life to take first. At that very moment he was confirming that, honestly and truly, it can't be a family member that instructs whose blood it wants; it can only be a demon. By now you know their description. That very first night, I had a bad dream: I was in some strange place where people were chasing after me, I suppose this was a warning.

On the second day I still went back to the channel to get more, this one shocked me to the core. He was explaining another way which was creating your own twin. He explained that it is a spirit, not a human, but would look exactly like that person in the

flesh and bring money for them. That person will no longer be an ancestor after this ritual. Dear Lord, that gave me the chills, but even more clarity about the deceit in the spirit of the dead (when God spoke of those who call up the dead, both spiritually and physically, in Deuteronomy 18:11). My God, the deceit that hides behind culture! I would always say God is not against culture, he is only against the spirits that are introduced to different cultures as part of traditions of men.

On that second night (fortunately I was fasting that week; I knew I was going into dangerous territory), I couldn't sleep. I started praying again at 12 a.m. and thereafter read the word; usually that's the easiest way to catch sleep for me, but that day I couldn't. I ended up praying again then read the word then prayed again then read the word. I just knew that something was coming but I didn't know what exactly. Just before 3 a.m., while I was reading the Bible, the silence was so loud at that moment, and I started hearing voices speaking: two people having a conversation, talking about me, the

invader. Then it became an open vision of a man who was in an office. While talking to the other person, he opened a drawer and took a knife, then he said to that other person, “Let me go and visit her; I will be back.” Immediately after that vision I felt a strong presence in my room, I knew that person was next to my bedroom couch, but more than anything, God knew the plot (omniscient); hence he didn’t allow me to sleep. That day I could have died in my sleep, but mercy said no. I was still lying down; I had to get up. I mean, I saw this person come with a knife. I have never been that scared in my life, but I also knew it was not my day to die, I started imagining Jesus Christ in between us. My boldness came back at that very moment; I started preaching to him as if I could still see him, telling him that I’m not alone; I am with my Saviour Jesus Christ, the very present help in times of trouble (omnipresent). He will fight for me because I am his, he is my father who will never leave me nor forsake me, what can mere men do to me! (omnipotent). The more I said these scriptures, the more my

faith was heightened and the bolder I got. He left, saints, he left! I immediately felt so much peace that I couldn’t explain, I thanked God, read the word and slept after that; my sleep was sweet to the glory of God. This brings me to tears as I reflect on the journey I have been on with my faithful God; even if I had died, it would have been worth it, because the word says blessed are those who die in the Lord. Getting all this information and getting God to confirm it through his word took much; I lost much and I suffered much, brethren, but I know it was all worth it because someone will be freed from the deceit, another will be grounded in Christ, and another will be bolder to defend the Christian Faith.

Jesus Christ is Lord and King!

What Jesus conquered for us

1 Freed from spiritual death – Jesus Christ died on the cross; on the third day he was raised up, both in body and spirit, defeating death, and ascended to heaven in body and

spirit, giving us victory, that we may not perish but have everlasting life.

2 Freed from the evil tongue – Jesus Christ is the Word that was spoken in the Bible (God's word), which empowers us: when we say Scripture, it fights against the evil tongue. Because Jesus Christ is the Son of God, who is the Word, his name became above all names, that at his name every knee bows and every tongue confesses that he is Lord.

3 Freed from carrying sin – repentance and salvation brought grace and mercy, with him being our High Priest and our sacrificial Lamb, that through him as our mediator we may be righteous and fight a good fight of faith.

4 Freed from the curse of the law– Christ has redeemed us from the curse of the law, having become a curse for us (for it is written, "Cursed is everyone who hangs on a tree") that the blessing of Abraham might come upon the Gentiles in Christ Jesus, that we might receive the promise of the Spirit through faith.

5 Freed from the possession of the terrestrial spirits – the Genesis 6 spirits that were killed by water but were alive in spirit because of the spirit of the fallen angels that lives forever; these so-called evil spirits are powerless before our Lord Jesus Christ.

By being baptised, dying with Christ in the flesh and being alive in spirit through the Holy Spirit of Jesus Christ that lives in us, we are more than conquerors and clothed with Christ.

6 Freed from sacrifice – Jesus Christ's blood became a sacrifice for the remission of sins, and it speaks better things than the blood of Abel, because it purifies, redeems, sanctifies and never loses its power. Now we have become free from the blood sacrifice of animals for any atonement.

7 Freed from oppressing ghosts – these ghosts from the sea: their powers of manipulating covenants became obsolete because of the power of Jesus Christ, who calmed the storm on the sea, who died so that we can have authority over them through

Jesus Christ's name, that every knee will bow and every tongue, including theirs, will confess that Jesus Christ is Lord, and that he fights our battles.

8 Freed from totem animal oppression – the Genesis 6 gang defiled humans and animals; hence only clean animals went into Noah's ark. The defiled animals (strange flesh) oppress in the sea and on land. Jesus, with the resurrection power that raised him from the dead, became the Lion of the Tribe of Judah, giving us authority through him by being baptised with his Holy Spirit and fire to conquer all oppressing creatures.

Closing note

Jesus lives in us and amongst us through his word, through prayer, through worship and praise, through water baptism and Holy Spirit baptism, through partaking in his body and his blood. We abide in the vine (Jesus) as branches (men) to live in righteousness through repentance that we may produce many fruits of the spirit; we are complete in

Christ. To be honest, words fail to truly describe the Lord our Saviour Jesus, but note this: **WHOM THE SON SETS FREE IS FREE INDEED.**

Salvation:

If you have not accepted Jesus Christ as your Lord and Saviour and wish to surrender your life to Jesus Christ as your only source of all things, as the King of Kings and the Lord of Lords, this is for you. It is for new believers, the returning prodigal sons and daughters of God, and those who seek a deeper spiritual renewal. Kindly say this prayer below.

Dear Lord Jesus Christ, I accept You into my life as my Saviour. I come before You with a repentant heart. I acknowledge my sins and ask for Your forgiveness. Cleanse me from all unrighteousness and purify my heart. Help me turn away from sin and live a life that is pleasing unto You. Help me to trust in You fully, knowing that You are in control of all things. Strengthen my belief in your word and fill my heart with unwavering faith. Amen.

Closure Prayer:

Dear Lord Jesus Christ of Nazareth, you have conquered so much for us, your grace has always been from everlasting to everlasting; nothing is hidden in your sight Lord. You are a God that never slumbers nor sleeps. We are complete in you Jesus Christ for you are all that we need and all that we have. We worship you and you alone; indeed you reign supreme over our lives Lord. May you be exalted above all other gods, only you are holy, only you forgive, as far as the east is from the west. We are amazed by your presence to condemn every plan of any principality. Lord, you are the Godhead of all principalities; everything else is subdued under your feet; the serpent of old that deceived the whole world is defeated and you crush the serpent for our sake. Lord, you subdue the devil under our feet, and it is a promise that you will soon defeat the devil that is under our feet as he was defeated 2000 years ago. We worship and bless only you and there is no other God that will ever be enough for us, it’s only you, Lord. They all try to steal

from you, but they are helpless under your feet, and their evil schemes are exposed and revoked. Reign, Lord Jesus, reign! Reign, King of Glory, reign! Reign, Holy One of Israel, reign! Reign, Great I Am, reign! We give you all the praise Lord, all the honour is yours Lord and all the adoration, be exalted forever and ever, AMEN.

Embracing Enlightenment: Walking in Spirit and Truth

EMBRACING ENLIGHTENMENT: WALKING IN SPIRIT AND TRUTH

CONCLUSION

This to me was the revelation of the spirituality with Christ in the upper room: that God is above all things, with everything under him, everything created by him and everything ruled by him; that’s the simplicity in Christ. The enemy created a house of spirituality, creating systems that are

established on God's creation, deceiving by creating an east wing (dark workers), a west wing (light workers) and a basement (spirit of the dead) in the same house to defile the purity of God's spirituality.

I appeal that we should no longer be children, tossed to and fro and carried about with every wind of doctrine, by the trickery of men, in the cunning craftiness of deceitful plotting (Ephesians 4:14).

The light has come; the true light of the world that removes all darkness; his name is **JESUS CHRIST (YESHUA HAMASHIACH).** We shall worship the Lord our **GOD IN SPIRIT AND IN TRUTH (YAHWEH)** for he reigns over all things, he reigns over all elements of this world. He is the Godhead of all principalities, for in Jesus dwells the fullness of his deity in bodily form.

May the Lord bless you and keep you and make his countenance shine upon you and be gracious to you and may God turn his face towards you and give you peace. Surely goodness and mercy shall follow you all the

days of your life and you shall dwell in the house of the Lord forever.

2 Corinthians 13:14

14 The grace of the Lord Jesus Christ,

and the love of God,

and the communion of the Holy Spirit be with you all.

Amen.

THE END

Acknowledgments

A special thanks to my two angels Owami and Awande for understanding my sacred space with God. You made my journey bearable and all worth it; I thank God for you. You are the biggest blessing in my life. I further extend my appreciation to my loved ones who kept me in prayer at my lowest; may God never stop doing good to you.
