IMMERSIVE CATALOG

ABOUT US

We are a small, privately-owned company specialising in glass. The following is what we offer:

- Splashbacks
- Frameless showers
- Mirrors (silver, grey, bronze and antique)
- Glass shelving
- Glass cut to size
- Tabletops
- Sandblasting
- Whiteboards
- Balustrade (around your pool or even on your staircase)
- Reeded glass
- Vinyl
- UV bonding

We pride ourselves on our quality and service. If it's transforming your kitchen with a glass splashback or installing a frameless shower - we will guide you through the process of measuring, choosing colours and installation. We offer free consultations and quotes, and can visit you on site, or work from your dimensions.

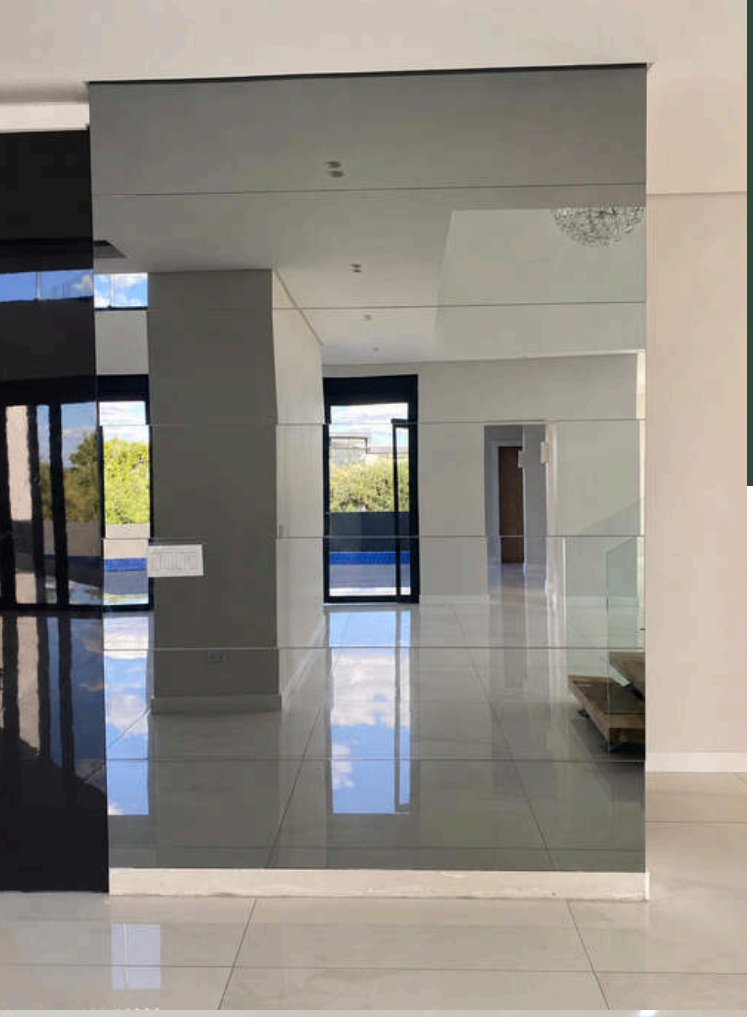
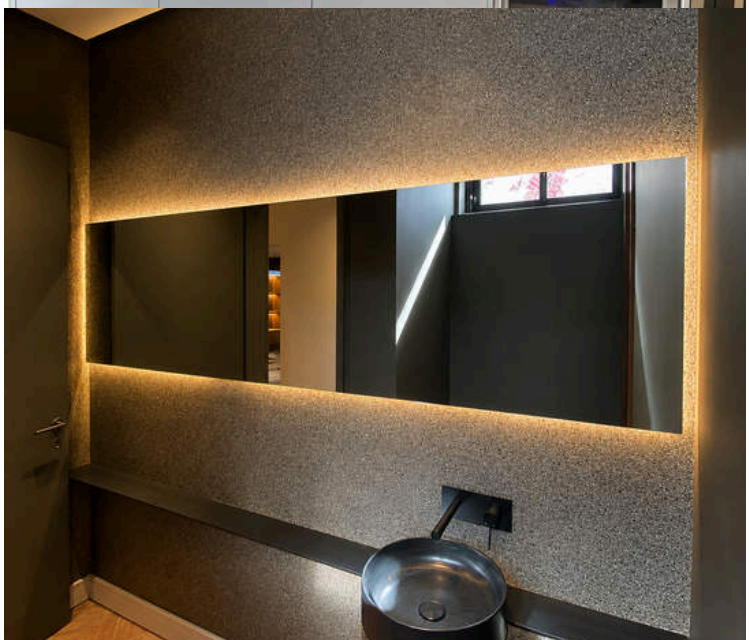
CROC GLASS





MIRRORS

STYLISH

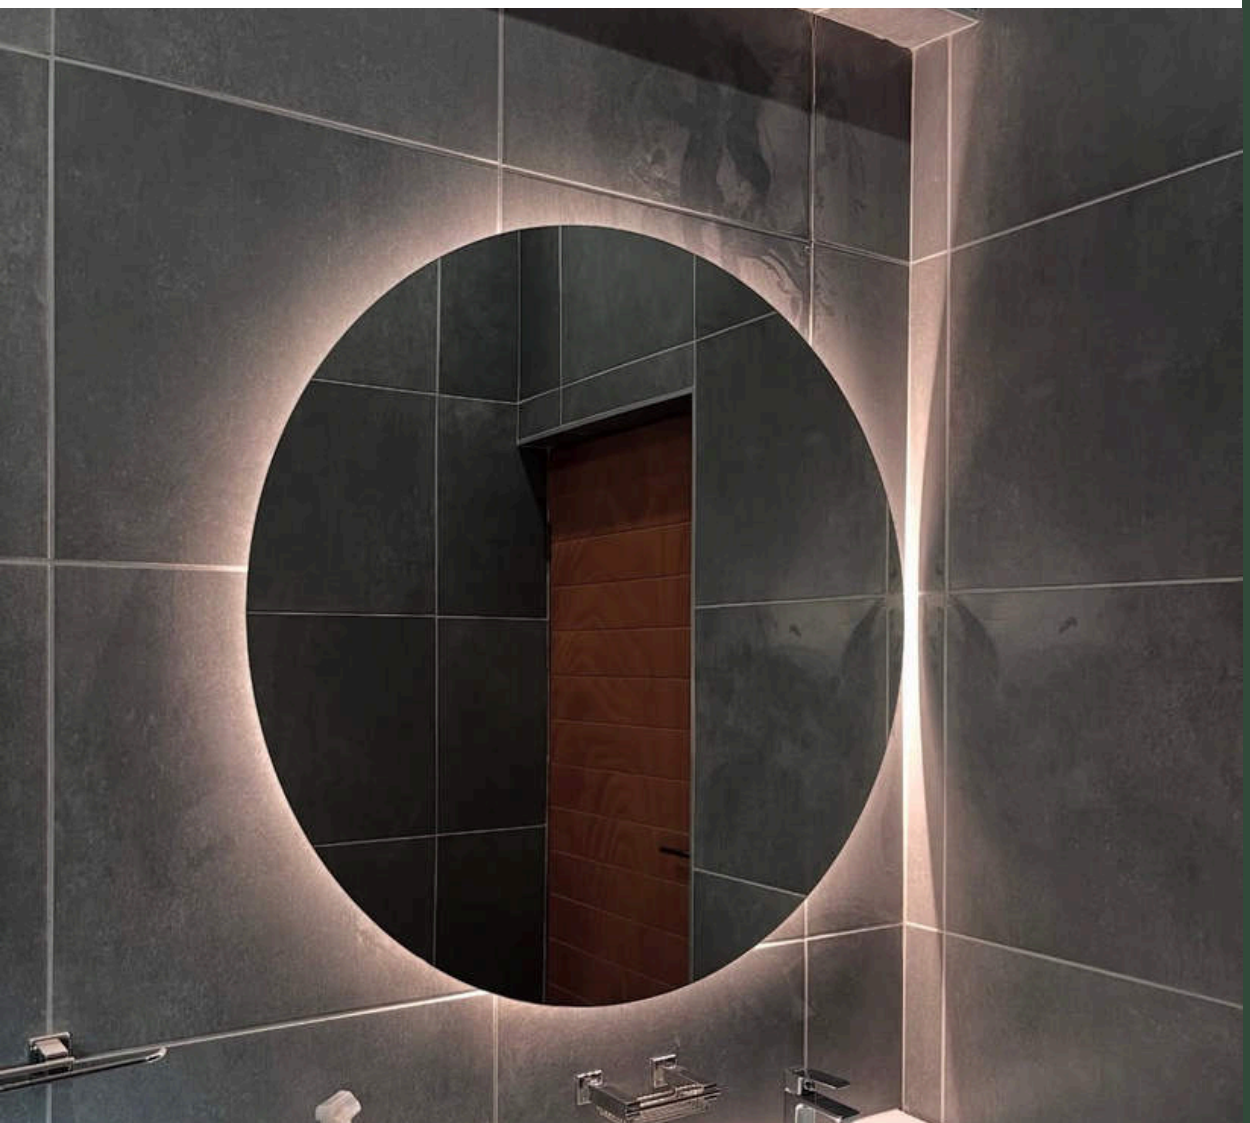
SHINY

MODERN

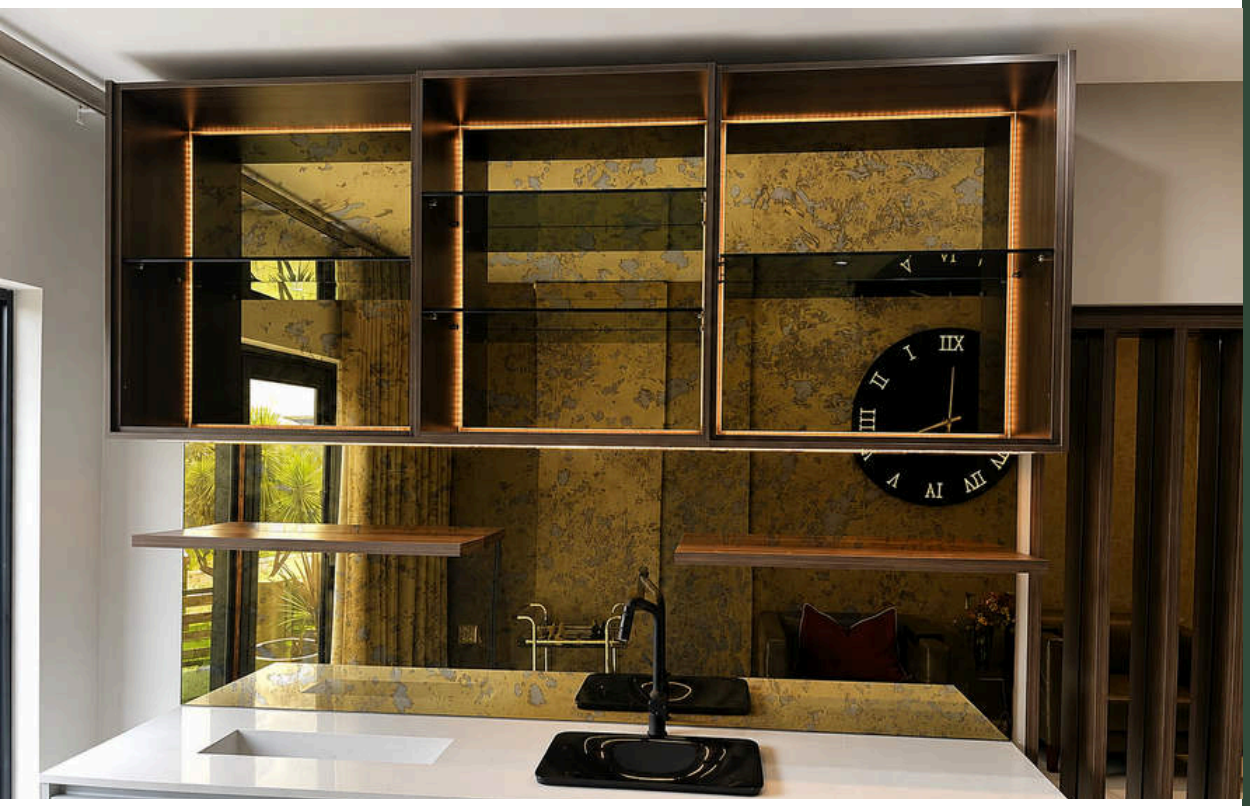
DESCRIPTION

Croc Glass supplies custom measured mirrors which can also be installed. Whether it's a bevelled edge you prefer, or just plain polished. We supply homes, gyms and salons. We offer silver, grey, bronze and antique mirror.

MIRROR WALLS / GYMS

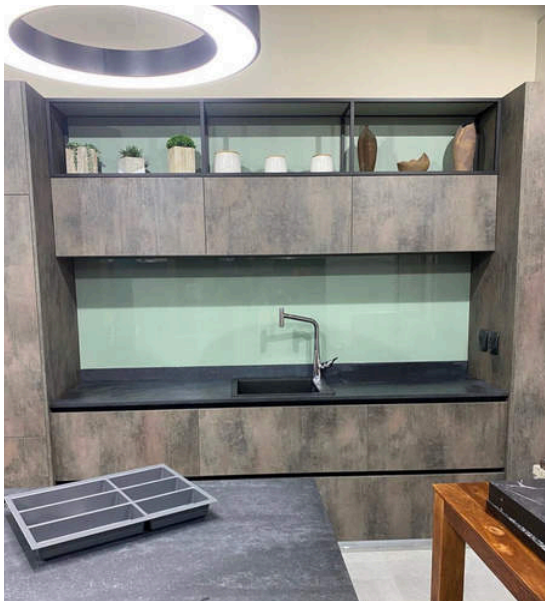


ANTIQUE MIRRORS

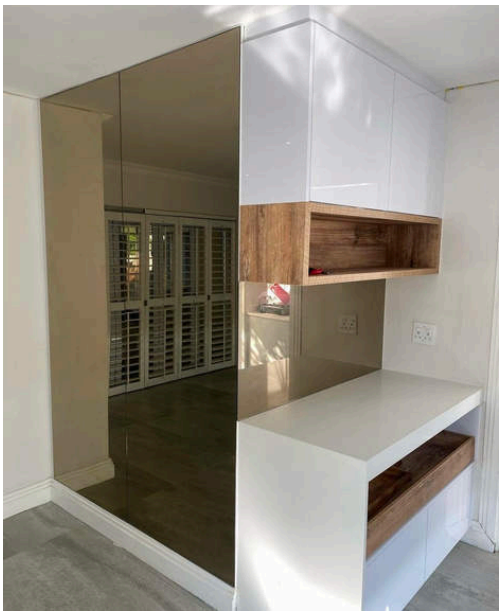


ORGANIC MIRRORS

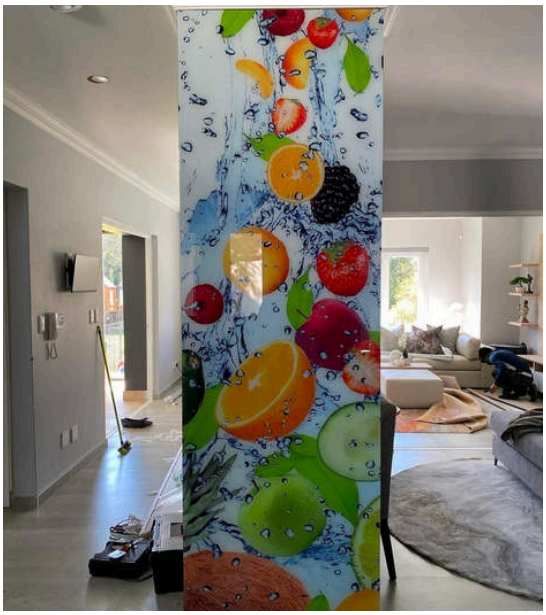
SPLASHBACKS



1 Back painted glass



2 Mirror



3 Vinyl

Glass Splashbacks are perfect for any kitchen -they are stylish, durable, non-porous and easy to clean. We use 6 mm toughened safety glass -for heat and impact resistance.

The choice of colour is limited only by your own imagination! From orient red, to mint white -it's your choice! Choose from the entire Plasconor Dulux range, or we can colour match for you. There is also the option of metallic.

Measurements are taken very accurately using laser technology. We are able to do cut-outs for electrical sockets or switches or hole-drilling behind range-hoods.

Choose either 'Float Glass' which has a slight green tint (ideal when used with dark colours) or the slightly more expensive 'Low Iron' glass which gives a true colour definition with no green tint.

For vinyl any hi-resolution image of your liking can be printed for a splashback or wall feature.

TABLETOPS

DESCRIPTION

Croc Glass also specialises in glass tabletops. The tabletops can be organically shaped or regularly shaped. They are available in different thicknesses of glass, which to choose from. You can also choose from clear glass, grey glass and bronze glass. The tabletops can be painted to any colour that you like!

FRAMELESS SHOWERS

SOPHISTICATED

RELIABLE

SLEEK

DESCRIPTION

Croc Glass also specialises in frameless glass showers or fixed panels using 8 mm toughened glass and supplied with high-quality stainless-steel components.

Each unit is individually measured, and custom fit to ensure stability and that there are no leaks.

Lead time on frameless showers is approximately 10 working days.
