Payment Terms

Founding Cohort | One to One Programme

1. Investment. The Founding Cohort investment for The Cadence Method™ is £199, priced in GBP only. International clients pay the equivalent amount converted from GBP by their card provider. The companion booklet is included.

2. Payment. Payment is made in full upfront by secure payment link before the first session. No deposits or instalments apply.

3. No refunds. All payments are final and non-refundable. Digital downloads are non-refundable once delivered.

4. Weekly sessions. Each weekly session must take place within its own week. To change the day, written notice of at least 72 hours is required, and the session may then be moved to another day within that same week at no charge. Notice is given by email to connect@theconversationeconomy.co.uk or through the automated reschedule link in your Zoom invitation. A session missed without 72 hours' written notice, or that cannot be moved within its week, is forfeited.

5. No carry-over. Sessions cannot be carried over or transferred to another week.

6. Programme duration. The programme runs for five weeks and must be completed within them. Should you require more time, an extension fee of £49 is payable in advance. Each extension week provides one session.

7. Rescheduling by the facilitator. Should a session be moved by the facilitator, a replacement is offered within the same week at no charge.

8. A personal programme. Your place is personal to you and is non-transferable.

9. Recording. Your baseline and closing showcase are recorded for your own review, with your consent.

10. Results. Progress depends on individual practice. No specific outcome is guaranteed, and no income, speaking engagement or speaker fee is promised or guaranteed.

11. Materials. The companion booklet and all programme materials are for your personal use and may not be shared, copied or resold.

12. Technology. You are responsible for a reliable internet connection and access to Zoom for each session.

13. Reviews. Founding Cohort clients are invited to share a review of their experience at the close of the programme, with permission before any use.
