# Note to the Reader

God led me to research and write the Shofar Global Manifesto in 2009, shortly after He had me do a 40-day water-only fast. When I started, I had no idea what I was going to write about or where it would lead. It ended up covering 18 areas of mass deception in the world.

The overall theme was that a time was coming when deception would be all-pervasive, affecting every facet of society. Unless we were hearing God's voice for ourselves, being led by His Spirit, and obeying His Word, we would be deceived. Period. I firmly believe we are now in that time. And it's only going to get worse.

As of November 2026, I've made a few edits, added some notes, and updated most of the links in the document. I've also found links to the full versions of quite a few documentaries that only had trailers available online in 2009. The Shofar Global Manifesto remains faithful to what I wrote in 2009. In fact, it is more relevant today than when I wrote it.

I wasn't able to update every original link. Where I couldn't find a working replacement, I removed the link but left the text in place. You can use the video or article titles as a starting point for additional research if you're so inclined. Those missing links do not affect the overall message. You can also find more current information on many of those subjects, especially on YouTube.

Most of the Bible verses I quoted in the Shofar Global Manifesto are from the NIV. Today I primarily use the ESV.

This document is best read on a computer with internet access so you can open the available links to videos and articles. Those resources provide additional background and help you get the full impact of the information. If you prefer, you can print the document for easier reading and use the digital version to access the links.

I've shared this information and these resources to help you better understand what is happening in the world from a Christian and biblical perspective. I can't guarantee the accuracy of everything on the websites referenced here, and including a source doesn't mean I agree with everything it says. I encourage you to use discernment, do your own research, and seek God's guidance as you consider what you read.

**Cheers,**
Brett Rademacher

# You Will NEVER Be The Same After Reading This.

## IT'S TIME TO OPEN YOUR EYES!

**Neo:** *"What does that mean?"*

**Cypher:** *"It means fasten your seat belt Dorothy, cause Kansas is going bye-bye."*

**From the movie – The Matrix**

What you're about to read may shock you. Or anger you. It may even frighten you. You may already know some of this, or you may have only a general awareness of what is happening.

Regardless, what is happening in the world right now will radically change your life and future, whether you want it to or not. In fact, it has already begun. And you had **NO CHOICE** in the matter. But you do have a choice in how you respond, and that response could affect your eternal destiny.

You may not have fully realized how pervasive the deception really is.

**But today you will.**

I have a God-given vision for a global Christian business network of like-minded, Spirit-led believers from around the world that provides information, training, resources and even opportunities for the turbulent times ahead.

## And I am compelled to share it with you…

### My name is Brett Rademacher.

I believe in Yahweh (Hebrew for the one true God), follow Yeshua (Jesus) His Son, and am filled with and led by the Ruach (Holy Spirit of God).

In 2000, God began giving me the initial pieces of a global Christian business network. That network was basically a training run that helped prepare me for the Shofar Global Network.

And my life has never been the same. I'm compelled to share the Shofar vision with others. If you catch this vision too, your life will never be the same. I pray the Spirit of God will speak to you as you read this.

Many believers have felt led by God to be involved in something much bigger than what they are currently doing, but they are not sure what it is or how to start.

Even though much of the information I am about to share is very intense, I want to encourage you: *"These are exciting times for those with eyes to see."*

**The Bible says…**

> *"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."*
>
> **– Jeremiah 29:11 NIV**

I believe what I am about to share with you is MUCH bigger and more IMPORTANT than you may realize at the moment. I firmly believe it has eternal consequences.

Right now the world is in an economic freefall because of the decisions of business, financial and government leaders. Many experts are predicting a total global financial collapse with food shortages, riots and great calamity.

Today, people are overwhelmed by the amount information they receive. They are being driven to fear and confusion. They are being told so many different things that they do not know what to believe anymore.

They are searching for **"The Truth".**

The biggest struggle we all have today is making decisions based on truth. Most of the information in the media today reflects the agendas of people whose beliefs differ from what the Bible teaches.

I want to encourage you not to be fearful as you go through this information. God did not call us to have a spirit of fear.

> *"For God did not give us a spirit of timidity (of cowardice, of craven and cringing and fawning fear), but [He has given us a spirit] of power and of love and of a calm and well-balanced mind and discipline and self-control."*
>
> **– 2 Timothy 1:7 AMP**

And He calls us to operate in His spirit of knowledge, understanding and wisdom. So, we must learn to operate in a very chaotic time through divine help. It will be the only way we will be able to operate successfully in the days ahead.

Many people have heard of the International Christian Chamber of Commerce or the Full Gospel Businessmen's Fellowship International. These are global Christian organizations for people in business. The founders of these two organizations, **Gunnar Olson** (ICCC) and **Demos Shakarian** (FGBFI), have amazing stories I highly recommend you read sometime.

God has called me to create a global Christian business network that connects people who believe in God, follow Jesus, and are led by the Holy Spirit. He has given this network a very specific and unusual purpose for the turbulent times ahead.

As you review this information, I hope you will gain a better understanding of the season we are in.

This global Christian business network is called the **Shofar Global Network.**

A shofar is the horn the Hebrews blew in the Old Testament of the Bible. It was typically made from a ram's horn. Often times it is translated as "trumpet" in the Bible. There were a number of reasons why they would sound the shofar. One of the reasons was to call people to assemble.

I believe God has called me to send out a message to the nations to connect believers from around the world during these turbulent times for a very specific purpose.

*'Sound the trumpet throughout the land!' Cry aloud and say: 'Gather together!*
**– Jeremiah 4:5 NIV**

---

***"The word of the Lord came to me: "Son of man, speak to your countrymen and say to them:***

*'When I bring the sword against a land, and the people of the land choose one of their men and make him their watchman, and he sees the sword coming against the land and blows the trumpet to warn the people, then if anyone hears the trumpet but does not take warning and the sword comes and takes his life, his blood will be on his own head.*

*Since he heard the sound of the trumpet but did not take warning, his blood will be on his own head. If he had taken warning, he would have saved himself.*

*But if the watchman sees the sword coming and does not blow the trumpet to warn the people and the sword comes and takes the life of one of them, that man will be taken away because of his sin, but I will hold the watchman accountable for his blood.'*
**– Ezekiel 33:1-6 NIV**

---

**SECTION SUMMARY:** I am compelled to sound the shofar. It is what God has called me to do.To do that, I will first share a little about my background. Then I will show you how to discern truth in a time of mass deception. That understanding will be essential in the turbulent times ahead.

Following that, **I will cover 18 major areas of MASS deception going on in the world today**,

including media and entertainment, food and agriculture, chemistry and poisons, drugs and medicine, finance and economics, government and politics, technology and science, mind control and manipulation, and UFOs and aliens. I will include numerous references validating this MASS deception in each section.

**So let us begin…**

## SECTION 1

# How My Journey Began

I am one of those people who believe God speaks to people just like in the Bible. And He is very much alive. I know most people, even Christians, have a hard time relating to the fact that God speaks to people today.

I understand that. I used to be the same way, too. But God can and does speak. He can speak to you. And He can even speak about business. You just have to learn to listen. In fact, He says it will happen in these times we are in…

> *"'In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy."*
>
> **– Acts 2:17-18 NIV**

I have personally experienced many encounters with God. In 1996, God spoke to me about a global marketing model. He spoke into my spirit, *"You will have a global marketing organization involving many people using cutting-edge technology."*

Long story very short, God led me to develop a hybrid business model combining four different marketing components.

With this model, I have helped a number of different companies sell tens of millions of dollars in products applying some of these concepts (I have never deployed all the concepts in one project though). As part of this journey, I had some great financial success and also had to go through some very hard times as well.

For example, with a 6 ½ year old company I worked with (Seasilver), the marketing systems I put in place (just as an independent distributor) became the primary driving force behind taking their sales from $170,000 a month to $23 million a month in just 2 ½ years. Annualized, that is over a quarter of a billion dollars in sales.

Unfortunately, this company failed because of integrity issues with the ownership.

In other projects, I successfully rolled out a national talk radio program to promote a direct sales company, used the internet for lead generation and distribution, and created integrated offline and online marketing systems using cutting edge technology. I set up one of the first global Christian affiliate networks as well.

These were from ideas, strategies and direction God gave me.

I had another project I worked on and in the prelaunch phase, we pre-enrolled 32,000 sales reps in 181 countries in just 2 ½ months with over 125,000 people in the database. I did this all from my home while living in remote Alaska of all places. I don't live there anymore. But that gives you some idea of the power of these concepts God gave me.

I have created sales networks of tens of thousands of people and helped thousands of people have success in a home business through my trainings and systems, using the speed and power of the internet.

There were a number of other projects I worked on, but these companies were simply not the vehicle for this vision. They were just projects God used to train me in various aspects to prepare me for Shofar.

I tell you this to let you know that God does speak today, and He can and does give ideas that have proven themselves out in the marketplace. And He can do things in a mighty way, even in business.

When all this first started, God only gave me the unique concepts about the hybrid business model. He had not given me the specific project they were to be used for.

A few years later, I read a book that completely changed my life entitled **God@Work** by Rich Marshall. Someone anonymously sent it to me. I had a God encounter that started while reading the book and lasted 2-3 weeks. It was a massive download of ideas, concepts and information. After reading the book, God made it very clear that this global network would be Christian-based.

I highly recommend you read the book. It may change your life forever, too. Rich has given me permission to give away the PDF of **God@Work.**

After I had read the book **God@Work**, I started a Christian affiliate network helping people build their business over the Internet. But I realized after several years that this model was just a piece of the big picture, but not the main thing God was calling me to do with Shofar.

Later He started showing me additional components relating to media, education, economics, technology, politics even the food supply. This happened through a multitude of different experiences and projects. With each project He gave me more pieces to the puzzle.

A major catalyst for many of these revelations came about as a result of a very difficult business hardship. God used it to be an instrumental part of revealing what He was calling me to do.

Here's what happened. Seasilver, the company I mentioned earlier whose sales had grown to $23 million a month, was hammered by the FDA and FTC. That eventually drove it out of business.

The company had received a letter from the FDA telling them they needed to make some changes in the health claims about their product. This happens to a lot of companies in the nutritional industry. The standard procedure is you make the changes quickly, and then let the FDA/FTC know you have made them and that is typically the end of the matter.

Well, the company did not handle it that way. As a top distributor, I checked on the status numerous times. Each time, I was told they were taking care of the situation and not to worry.

But they weren't. I finally hired my attorney full-time to help make sure I was compliant and that the company was doing what it needed to do. Something just did not seem right about how long it was taking.

I found out later the company had lied to me about working with the FDA on the compliance issues. And that they simply intended to drag the situation out as long as possible thinking the worst thing that would happen would be they would get a small fine.

That did not turn out to be the case. The FTC temporarily shut down the company, and eventually it put them out of business. This was part of Operation Cure-All, a national FDA/FTC sting operation targeting nutritional companies in 2001. And the company was ultimately fined $120 million for failing to pay their original $3 million fine.

I was targeted as a top distributor, and the FTC took $500,000 from me in what it called "consumer redress." This happened even though I had documented proof that I had been lied to and had spent over $100,000 of my own money working with the company to correct any issues.

All my assets were frozen. I was treated like a criminal and forced to sign a document that implied I had said and done things I had not done.

As a result of all this I not only ultimately lost a monthly income of $350,000, but the company went out of business owing me close to $1 million dollars. The company later stole my sales organization by moving it to another company they started up after they went "out of business".

But what is most interesting about all this is that several months before it happened I was given a prophetic word from a lady I just **'happened'** to meet in an airport in Hawaii.

Part of the word said that *"I was going to come into a time when I would be abased, but that God had purposed it, and not to fight it and that He had many things for me to do".*

So even in all this God was in control. I believe one of the main purposes of the incident was that God used it as a catalyst to **'open my eyes to the truth'**.

That experience and some other very challenging experiences I have had caused me to start doing research that has changed me in so many ways, I can't even begin to express it. But I am so grateful for what God has done.

For quite a while afterward, I could not understand why the federal government would take half a million dollars from me for selling a nutritional product. People loved the product and got great results. There were no customer complaints. I was just a distributor. What happened to me was ridiculous.

I later spoke with a top attorney in Washington, D.C., who had handled a number of cases against the FTC and FDA. He had even won a case, which is very hard to do. He told me the FTC targets nutritional companies that are cash rich and politically poor.

He told me they target top distributors to basically kill the company's sales and put it out of business. He also told me that there is a 3 to 1 ratio of lobbyists from the drug industry for every member of the House and Senate.

And that greatly impacts what the FDA allows nutritional companies to say about their products. Most people have no idea how much the drug industry controls the **'alternative health'** industry indirectly through the FDA.

They have made it illegal to make any health claims about nutritional products even if they are known or proven results. For example, Vitamin C cures scurvy. But if you were selling Vitamin C and said it cured scurvy it would be an illegal health claim.

*"Our food should be our medicine. Our medicine should be our food."*

**Hippocrates (460-370 BC)**
Greek physician and referred to as the *'Father of Medicine'*

The FDA really goes after any health claims that have to do with things like cancer, heart disease, arthritis and diabetes. These are diseases that have proven natural alternative cures and remedies through alternative medicine and lifestyle changes, but are actively suppressed by the drug industry through FDA enforcement.

I don't think it is any coincidence that all those diseases I just mentioned all have drugs that are prescribed for the symptoms. Nutritional products are the competition.

The really crazy thing about my whole FDA/FTC experience was that I was never charged with any crime. All my assets were frozen. I was forced to sign a document that had me agreeing to everything they said so I could get my assets unfrozen.

And the half a million dollars they took from me was NOT even called a fine. My case was voted on by an invisible 5-member board.

The FTC said the money they took was for consumer redress. But no money was paid to any consumers until several years later, when the company went back to court and showed that the U.S. Treasury had just kept the money.

There were no consumer complaints. Customers loved the product, and the company had a very high reorder rate. It also offered a 90-day money-back guarantee, even if the bottle was empty. The return rate was around 1–2%. When a customer requested a refund, the company would issue it and tell them to throw the bottle away.

These were happy customers. And those who did want their money back had a straightforward way to request a refund directly from the company.

I learned that many of the things the FTC did to me are similar to the powers the government has been granted through the Patriot Act.

They were able to get away with all this because it was done through an "administrative" court. Much like the military tribunals they are trying to set up for terrorists. But I know from personal experience they are applying these tactics to American citizens for things that have nothing to do with war or terror.

**This affects every U.S. citizen.**

I definitely did not want what happened to me to ever happen again. So, I began doing research about what the real deal was with all this. First, I started with the FDA, then the FTC, then the US Treasury where my $500,000 "donation" was sent.

That led to doing research on the Federal Reserve, the banking system, the IRS, the U.S. government, global politics, multinational corporations, global health and business organizations, trade organizations, drug companies, the agricultural system, chemical companies, communication industry, the U.S. military, the media, issues regarding the food supply, water and soil, world history and many other topics.

This involved many different areas that at first seemed unrelated, but God started putting together a picture of something rather sinister.

What I started to realize was that God had used this incident to force me to open my eyes to what was going on around me on a very deep level, not on the casual surface level I had been operating on.

I had been given a prophetic word in 2005 that *"God would give me the ability to see a long distance behind enemy lines"*. I believe that this research is part of what the prophecy was referring to. In fact, when this global financial crisis hit, it was not a surprise because of what God had already shown me. I had expected it.

I also became aware that many things that I had read or heard about for years and had cast off as just amusing conspiracy theories were in fact true.

God wanted to show me these things because they were essential for what He was calling me to do with the Shofar Global Network. And this was the best way He could get my attention, to get me to look behind the veil of what was really going on. I never would have done it otherwise.

My assets were frozen, money was stolen from my bank accounts, and multiple businesses and my finances were wiped out. I lost my home, cars, and even my household belongings. This was all done by a type of government I had no idea existed in the United States, without a court hearing or any criminal charges against me.

The FTC had even raided the company with dozens of people, many armed with military-grade weapons. They combined it with a perfectly timed national press release smear campaign that

was specifically designed to put the company out of business and make other nutritional companies very afraid.

**This was definitely not the government I was taught about in U.S. History and Government in school.**

**Later Note Added:** In April 2021, the Supreme Court **ruled against the FTC** in a different case from mine. The Court ruled that the FTC was **not authorized** to take the type of action it had taken against me. **As in illegal.**

In **commentary on the ruling**, an attorney stated, **"The FTC has been abusing its power for decades. It's a devastating blow to the FTC's credibility."**

But God had warned me ahead of time it was going to happen. He has been in control of the whole process. Even when I did not feel like He was. God has been very good to me.

There were also a lot of things He wanted to teach me along the way. Things I would never have learned any other way. He wanted to show me the specific purpose for the Shofar vision. And He wanted to take me into a much deeper relationship with Him that would be required for the journey ahead.

I can't tell you how many times He would put me in situations where I had no control over how things would turned out. It was very frustrating. He completely controlled all aspects and the timing of what I was doing because this hybrid business model He gave me was not to be used for just ANY project.

**It was to be used for a very specific project – the Shofar Global Network.**

And it was only by going through this whole journey that I came to understand the purpose of the Shofar Global Network. **It took me a while to figure that out.**

Sometimes I am not that bright. God has made this almost like a game, sort of a cross between a treasure hunt and building a jigsaw puzzle. I was led by the Spirit to search for many of the pieces and then He showed me how they pieced together.

He gave me a Bible verse a few years ago explaining what He was doing.

*"It is the glory of God to conceal a matter; to search out a matter is the glory of kings."*
**– Proverbs 25:2 NIV**

**SECTION SUMMARY:** This has been quite the adventure. There are many, many stories I could tell about this journey and treasure hunt God has taken me on, but I will save that for later.

What I want to say now is I don't claim to have all the answers, nor am I the source of all knowledge or truth. **I have to depend on God daily as He leads.**

I can say without a shadow of a doubt that this Shofar vision is what God has called me to do. He decided to take me and my family through a very hard experience to open my eyes and show me the truth of what is really going on in the world today. And it is not pretty.

I believe He did this to specifically train me up for the Shofar Global Network and lead me to the very intense information I am about to share with you.

*"Praise be to the Lord my Rock, who trains my hands for war, my fingers for battle. He is my loving God and my fortress, my stronghold and my deliverer, my shield, in whom I take refuge…"*

**– Psalm 144:1-2 NIV**

Let's begin by getting an understanding of the importance of discerning the truth from a spiritual perspective. **It will be critical to your survival in the times ahead.**

## SECTION 2

# Discerning TRUTH in Times of Mass Deception

**It will be essential for you to discern the truth in these turbulent times ahead.**

Right now, there is a lot of deception going on in the financial, political and media realms. And so it is important you are led by truth. Truth is spiritual. And the opposite of truth is deception. And it is critical that you establish in your mind now how to discern the difference between truth and deception.

**READ ARTICLE: Our Quest for Truth**

Not long ago God gave me a Bible verse in a dream.

*"Blessed are the meek, for they will inherit the earth.*
**– Matthew 5:5 NIV**

I always assumed meek meant gentle. I never bothered to look it up. I felt like, if God gave me a Bible verse in a dream, it must be important enough that I know the meaning of the word. So I looked it up in the only dictionary we had handy at the time as we were in the middle of a move.

The word meek means *"enduring injury with patience and without resentment"*. I then looked up the word injury and one definition that best fit the verse was *"sustained loss".*

So a better understanding of this verse means would be, *"Blessed are those who endure sustained loss with patience and without resentment, for they will inherit the earth."*

Big difference in how most people would think of this passage. **And for the record God was giving me a heads-up of what was about to start happening in my life.**

What Jesus is saying is that those who can endure long-term losses with patience and without resentment will be rewarded greatly.

And that means it is part of His plan for your life that you do sustain losses so that you can be in a position to inherit a great reward IF you endure with patience and without resentment.

That makes no sense to the natural mind. **Kind of like…**

**Jesus said,** *"But many who are first will be last, and many who are last will be first."*
**– Matthew 19:30 NIV**

**But God told us His ways are much different than our ways…**

*"For my thoughts are not your thoughts, neither are your ways my ways," declares the Lord. "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts.*
**– Isaiah 55:8-9 NIV**

**In fact, I believe God is the God of opposites. If you think about so many things that Jesus or the Bible says, they go completely opposite to how we think.**

**Jesus said,** *"You have heard that it was said, 'Eye for eye, and tooth for tooth.' But I tell you, Do not resist an evil person. If someone strikes you on the right cheek, turn to him the other also. And if someone wants to sue you and take your tunic, let him have your cloak as well. If someone forces you to go one mile, go with him two miles.*

*Give to the one who asks you, and do not turn away from the one who wants to borrow from you. "You have heard that it was said, 'Love your neighbor and hate your enemy.' But I tell you: Love your enemies and pray for those who persecute you, that you may be sons of your Father in heaven."*
**– Matthew 5:38-45 NIV**

Most of those commands do not make sense to the natural mind. That is because they are spiritual principles that activate spiritual rewards if you obey them. So be of good cheer if you have experienced great loss in your life. God has set you up for a major reward if you respond correctly. **God's ways are not the world's ways.**

Now why am I telling you this? Because chances are you are probably like me and did not understand the real meaning behind the word "meek". As a result you did not understand a very powerful spiritual truth about how the Kingdom of God works.

Now understanding this truth, hopefully you will respond entirely differently to injury or loss in your life because you now know that God puts that in your life to see how you will respond.

So what is the importance of knowing this? How many times in your life have you changed how you thought or what you did once you found out the real meaning or purpose behind circumstances in your life?

**Knowing the truth about something can have a major impact on your life.**

The "real" truth is very hard to find in today's world. In fact, the world system of politics, finance, media and even the world religions is based on a global system of deception.

So it is essential that you understand the importance of truth, and know how to operate in it during these turbulent political, financial and spiritual times that are driven largely by deception.

It is important we cover the biblical perspective for operating in truth because you will need it in order to understand and discern this disturbing information I am about to share with you.

I sincerely believe that the people who operate in a spirit of truth will be able to overcome and even thrive in the turbulent times ahead. That is why it is so important you understand the importance of truth before we go on.

If you have ever seen the movie **The Matrix**, you will recall it was about a false world designed to hide the truth of what was really going on. And most people had no idea it even existed. So for the people who lived in **The Matrix**, their entire life's existence was an illusion. It is a mind-blowing movie.

There is some great dialog in the movie that epitomizes the situation most people are unknowingly in today. They are fairly unaware of what is really going on in the world around them and have no idea what the truth really is, but they have a gut feeling something is just not right with the world. They just do not know what it is.

In the movie, Morpheus (Laurence Fishburne) and Neo (Keanu Reeves) are the 2 main characters. Morpheus is trying to help Neo escape **The Matrix,** but Neo has to make the decision on his own. Neo has a feeling something is wrong, but is not sure what it is.

So Neo has to make a decision based on his gut feeling. And the intriguing thing is he will only find out what **The Matrix** is AFTER he makes the decision to know the truth.

**Here is the dialogue…**

> **Morpheus:** *"I imagine that right now; you're feeling a bit like Alice. Hmm? Tumbling down the rabbit hole?"*
>
> **Neo**: *"You could say that."*

**Morpheus**: *"I see it in your eyes. You have the look of a man who accepts what he sees because he is expecting to wake up. Ironically, that's not far from the truth. Do you believe in fate, Neo?"*

**Neo**: *"No."*

**Morpheus**: *"Why not?"*

**Neo**: *"Because I don't like the idea that I'm not in control of my life."*

**Morpheus**: *"I know exactly what you mean. Let me tell you why you're here. You're here because you know something. What you know you can't explain, but you feel it. You've felt it your entire life, that there's something wrong with the world. You don't know what it is, but it's there, like a splinter in your mind, driving you mad. It is this feeling that has brought you to me. Do you know what I'm talking about?"*

**Neo:** *"The Matrix."*

**Morpheus:** *"Do you want to know what it is?"*

**Neo**: *"Yes."*

**Morpheus**: "*The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth."*

**Neo**: *"What truth?"*

**Morpheus**: *"That you are a slave, Neo. Like everyone else you were born into bondage. Into a prison that you cannot taste or see or touch. A prison for your mind."*

**Morpheus:** *"Unfortunately, no one can be told what the Matrix is. You have to see it for yourself."*

Below is a link to the video scene from **The Matrix** when Morpheus offers Neo the "red pill" i.e. the opportunity to know truth. It will give you a better visual understanding of what I am talking about when I am saying you have to make a conscious decision to know the truth because there is a price to pay once you know the truth.

**WATCH VIDEO:** The Matrix – Red Pill

If you have not watched **The Matrix**, I highly recommend you do so. The movie is somewhat violent (not in a gory way) but it is enlightening for those who have eyes to see.

Only the first **Matrix** movie is worth watching. It will give you a visual understanding of what it means to live a life completely blinded from the truth and not even knowing it.

**And unfortunately, that is the way most people are living their lives today.**

You have to make a conscious decision to take the **'red pill'** on your own, so to speak. Meaning you have to be willing to take the risk of finding out the REAL truth. But only God can show you the REAL truth. Like Morpheus says to Neo…

> **Morpheus:** *"I'm trying to free your mind, Neo. But I can only show you the door. You're the one that has to walk through it."*

Morpheus refers to **The Matrix** as *"the world that has been pulled over your eyes to blind you from the truth."*

**The Bible refers to this world system as a state of being blind as well…**

> *"The god of this age has blinded the minds of unbelievers…"*
> **– 2 Corinthians 4:4 NIV**

---

But **Jesus said,** *"… I have come into this world, so that the blind will see..."*
**– John 9:39 NIV**

**The Bible says there is a delusion for people who refuse truth…**

> *"They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie."*
> **– 2 Thessalonians 2:10-11 NIV**

There is a delusion that comes to our lives when we do not have the truth. And we are not aware of the delusion unless God takes it away.

**Literally,** *"the world has been pulled over our eyes to blind us from the truth."*

That is why **Jesus said,** *"Leave them; they are blind guides.*
*If a blind man leads a blind man, both will fall into a pit."*
**– Matthew 15:14 NIV**

People today are following blind leaders who are deceived and don't even know it. Most of the world today is not following after the things of God, but the things they want to hear – the world system.

**That is why the Bible says**…

*"For the time will come when men will not put up with sound doctrine.*
*Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear."*
**– 2 Timothy 4:3 NIV**

---

*"By smooth talk and flattery they deceive the minds of naive people."*
**– Romans 16:18-19 NIV**

**But Jesus made it VERY clear. He is the source of ALL truth…**

**Jesus said,** *"I am the way and the truth and the life.*
*No one comes to the Father except through me."*
**– John 14:6 NIV**

---

**Jesus said,** *"Everyone on the side of truth listens to me."*
**– John 18:37 NIV**

---

**Jesus said,** *"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."*
**– John 8:12 NIV**

*"If we claim to have fellowship with Him yet walk in the darkness, we lie and do not live by the truth."*

**– 1 John 1:6 NIV**

If you are not in a daily fellowship/relationship with God you are incapable of living by truth, and you will be easily deceived and walk in darkness. And you won't even know it unless God shows you.

That is why this needs to be taken so seriously. You can be deceived and not even know it. That is because deception is spiritual. Only God can keep you from it and only God can get you out of it. **Jesus said to Paul…**

*"I am sending you to them to open their eyes and turn them from darkness to light and from the power of Satan to God, so that they may receive forgiveness of sins and a place among those who are sanctified by faith in me."*

**– Acts 26:17-18 NIV**

Jesus was telling Paul that he would be calling people out of the world system and opening their eyes to the truth. Our spiritual eyes must be opened so that we walk in light and truth. Only God the Father can do this through Jesus and the Holy Spirit.

**God literally has called us out of deception...**

*"But you are a chosen people, a royal priesthood, a holy nation, a people belonging to God, that you may declare the praises of him who called you out of darkness into his wonderful light."*

**– 1 Peter 2:9-10 NIV**

**We are to be carriers of this light in a dark and blind world…**

**Jesus said,** *"In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven."*

**– Matthew 5:16 NIV**

**Only God can show us the truth during such turbulent times as we are experiencing…**

**Jesus said, "***But the Counselor, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you."*

**– John 14:26 NIV**

**Jesus also said,** *"But when he, the Spirit of truth, comes, he will guide you into all truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come."*

**– John 16:13 NIV**

Notice how Jesus said the Holy Spirit will teach you ALL things, guide you into all truth, and tell you what is yet to come. HE did NOT say that your pastor, your denomination or the King James Bible will lead you into all truth. That does not mean God, Jesus, and the Holy Spirit will not use them to teach you. But God is the source of all truth.

**Jesus said,** *"You diligently study the Scriptures because you think that by them you possess eternal life. These are the Scriptures that testify about me, yet you refuse to come to me to have life."*

**– John 5:39-40 NIV**

Jesus said come to Him for life. The scriptures are to get you to Jesus. We are to have a relationship with God, not a Bible. The Bible speaks to us of Him. I believe the Bible is the inerrant word of God as it was directly given by God or inspired by the Holy Spirit to the original authors. But the Bible is intended to get us back to the original fellowship with God that man was designed to have with his Creator.

**Jesus said,** *"I tell you the truth, no one can enter the kingdom of God unless he is born of water and the Spirit. Flesh gives birth to flesh, but the Spirit gives birth to spirit. You should not be surprised at my saying, 'You must be born again.' The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit."*

**– John 3:5-8 NIV**

Because of translation issues of going from one language to another, often times it is necessary to do word studies to have a better understanding of what God is really saying to us in the Bible. It gives a much better understanding of the truth.

And sometimes not just word studies, but also studying the cultural and historical aspects of the Bible to get a full understanding of what a verse or even a word really says. Hebrew and Greek words often times have multiple meanings. Issues occur when trying to translate these words because of the cultural and historical understanding of how those words were used.

**Just compare the difference between all the modern English translations.**

A simple example of this concept is how we currently use words in America like “hot”, “cool” and “bad” that have slang cultural meanings much different than their literal meaning. That is why the Bible says we need to…

*“Study and be eager and do your utmost to present yourself to God approved (tested by trial), a workman who has no cause to be ashamed, correctly analyzing and accurately dividing [rightly handling and skillfully teaching] the Word of Truth.*
**– 2 Timothy 2:15 AMP**

I want to make it clear that I am NOT negating the King James Bible or the Word of God. The King James Bible is a very good translation. But I study multiple translations because they ALL have some translation issues. Knowledgeable Bible scholars readily admit this.

That is why I have a Bible software with over 25 versions. In fact, one of my favorite Bibles is known as the **Peshitta** translated from the Aramaic language and is the Bible of the Eastern Christian Church. Most people have never even heard of it. I also like the Amplified Bible a lot for getting in-depth understanding of verses. But it is a hard Bible just to sit down and read.

Plus, I will look up the Greek and Hebrew meanings of words, and sometimes study other people’s translations and historical commentaries on hard-to-understand verses or words.

The reason why is when translating from Hebrew or Greek we can miss A LOT of what God intended to be understood, and Jesus knew that when He made the statement that the “Spirit of God would lead us into all truth”. That was God’s safeguard for man’s errors.

Let me give you an example of a translation from the NIV and KJV Bibles that can make a huge difference in your understanding of truth. We are going to focus on the word “fulfill” in Matthew 5:17. Here is the verse in the New International version…

**Jesus said,** *"Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them but to* ***FULFILL*** *them.”*
**– Matthew 5:17 NIV**

**Here is the same verse from the King James Bible…**

**Jesus said,** *“Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to* ***FULFILL****.”*
**– Matthew 5:17 KJV**

Fairly close translations. But let me show you what several Hebrew scholars believe is a more accurate translation. This is not in any Bible I am aware of.

**Jesus said,** *"Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them but to* ***INTERPRET*** *them."*
**– Matthew 5:17 (Hebrew Scholars)**

This translation was done by 2 Hebrew Scholars who believe that the original Greek the New Testament was translated from is what they call a Translator's Greek. That means it is a lower form of the Greek language than what was spoken by the Greeks.

**It was specifically used for translating from another language into Greek.**

And they give a number of very rational reasons why they believe the Greek New Testament scriptures were most likely translated from Hebrew. One reason these scholars believe the original New Testament scriptures were originally written in Hebrew is that the Jews were the first ones saved. They were then called to preach to the Jews first, and the Old Testament was in Hebrew.

So why wouldn't the New Testament books have been written in Hebrew? It does make sense. And with New Testament scriptures being in a Greek variation that was specifically used for translating from other languages, it lends itself to their theory being accurate.

So they translated this translator's Greek back to the original Hebrew and then to English, giving that verse a more understandable meaning. That revised translation makes much more sense given the context of other scripture verses such as…

*"I tell you the truth, until heaven and earth disappear, not the smallest letter, not the least stroke of a pen, will by any means disappear from the Law until everything is accomplished."*
**– Matthew 5:18-19 NIV**

Stop and think for a second what a difference that one word makes. If you know your Bible fairly well, think of the doctrine that has been built around the other translations with the word "fulfill" rather than "interpret".

It can be a very big deal what a slight difference a more accurate translation can make. And it makes a huge difference in your understanding of truth.

Now how did I find this out? I am not a Bible scholar and I don't know Hebrew. A number of years ago, I knew in my spirit there were manmade inaccuracies in the English translations. So I asked God to help me find out the truth. And He has done that so many times I have lost count.

I encourage you to do the same right now. Ask Him. **Remember Jesus promised…**

> *"Ask and it will be given to you; seek and you will find; knock and the door will be opened to you. For everyone who asks receives; he who seeks finds; and to him who knocks, the door will be opened."*
> **– Matthew 7:7-8 NIV**

Well in this particular case, the Holy Spirit led me to a book that explained that confusing verse above and a number of other verses on which inaccurate doctrine has been based. I highly recommend you read their book**, Lost in Translation: Rediscovering the Hebrew Roots of Our Faith**. It is a great book. There is a surprise in there for you, too.

Another thing this book showed me was that the Hebrew language communicates on 4 different levels that Greek, Latin and English can't even come close to interpreting. Hebrew is God's Holy language. Not King James or Modern English.

This book will open your eyes up to why that one word difference in translation can make a HUGE difference in your faith. There is a lot more to it than I can explain here. And it will increase your understanding of "The Truth".

Keep in mind that many kingdom principles such as *"the last shall be first"* and *"die to live"*, *"lean not on your own understanding"* are completely opposite of how we think in the natural. **We need the Holy Spirit to give us this Godly understanding.**

Even the Hebrew language is backwards. It is read back to front, right to left. It is totally opposite of how we read English. **God is the God of opposites.**

I believe that Hebrew is a divine language designed by God for the way your brain is actually trained to learn spiritual concepts. That is why it communicates on 4 different levels. English is what I would call a Babylonian language. It comes out of the languages that were designed to confuse communications of the world.

> *"The Lord said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. Come, let us go down and confuse their language so they will not understand each other."*

*So the Lord scattered them from there over all the earth, and they stopped building the city. That is why it was called Babel — because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth."*

**– Genesis 11:6-9 NIV**

The interesting fact is, now the English language is considered the business language of the world and the internet. Almost all major civilized countries teach English as the second language for doing business globally. Interesting, huh?

Here is another example. I asked God to lead me to a more accurate translation of the Bible. The Holy Spirit led me to a virtually unknown Bible very few people have even heard of. It is a Bible based on Ancient Eastern Texts called the **Peshitta**.

**The word Peshitta means straight, simple, sincere, and true.**

This is the original Bible text of the Eastern Christian Church meaning such countries as Pakistan and India. Christians there do not believe the New Testament was originally written in Greek either.

The Peshitta is translated from Aramaic. Aramaic is closely related to Hebrew. Jesus spoke Aramaic. That means this Bible is translated directly from the language Jesus spoke.

You can see evidence of that as Paul states that Jesus spoke to him in Aramaic.

*"We all fell to the ground, and I heard a voice saying to me in **Aramaic**, "Saul, Saul, why do you persecute me? It is hard for you to kick against the goads."*

**– Acts 26:14 NIV**

**And the sign on the cross was posted in Aramaic as well…**

*"Pilate had a notice prepared and fastened to the cross. It read: JESUS OF NAZARETH, THE KING OF THE JEWS. Many of the Jews read this sign, for the place where Jesus was crucified was near the city, and the sign was written in Aramaic, Latin and Greek.*

**– John 19:19-20 NIV**

The scholar who translated the Bible from the **Peshitta** was George Lamsa.

George was an Assyrian, and he grew up in a remote area where the customs, traditions and language of the Aramaic culture were still present when he was alive. It gave him a unique

understanding of the word meanings and cultural aspects of the Bible that are not available in other translations.

This Bible is priceless. It is a fantastic translation (I wish it was on my computer Bible) and I reference it often for verses that do not make sense to me.

Let me give you a few examples.

**In Matthew 27:46 in the King James Bible it reads:**

*And about the ninth hour Jesus cried with a loud voice, saying, "Eli, Eli, lama sabachthani? That is to say, My God, my God, **why hast thou forsaken me?**"*
**– Matthew 27:46 KJV**

**The Peshitta text reads…**

*And about the ninth hour, Jesus cried with a loud voice, said, "Eli, Eli, lamana shabakthani! My God, my God, **for this I was spared!"***
**– Matthew 27:46 (Peshitta)**

**Here is another example. The New King James reads…**

*"If anyone comes to Me and does not **HATE** his father and mother, wife and children, brothers and sisters, yes, and his own life also, he cannot be My disciple."*
**– Luke 14:26 NKJV**

**The Peshitta text reads**…

*"He who comes to me and does not **PUT ASIDE** his father and his mother and his brothers and his sisters and his wife and his children, and even his own life cannot be a disciple to me."*
**– Luke 14:26-27 (Peshitta)**

And here is another example of a more accurate translation of a confusing verse.

**The King James text reads…**

*"And again I say unto you, it is easier for a **CAMEL** to go through the eye of a needle, than for a rich man to enter into the kingdom of God."*
**– Matthew 19:24 KJV**

**The Peshitta text reads…**

*"Again, I say to you, it is easier for a **ROPE** to go through the eye of a needle, than for a rich man to enter into the kingdom of God."*
**– Matthew 19:24 (Peshitta)**

Jesus was saying it was impossible for man to enter into the Kingdom of God on his own. But saying it was a camel that could not get through the eye of a needle just made no sense at all.

Now I have heard it explained that a gate into Jerusalem was called an "eye of the needle" and a camel had to get down on his knees and the rider had to take everything off the camel so it could barely squeeze through the gate.

The problem with that explanation is that the camel was still able to get through the gate. Jesus was saying it was IMPOSSIBLE for man to get into the kingdom of heaven on his own.

*"When the disciples heard this, they were greatly astonished and asked, "Who then can be saved?" Jesus looked at them and said, "With man this is impossible, but with God all things are possible."*
**– Matthew 19:25-26 NIV**

**Jesus made it very clear there was ONLY ONE WAY…**

**Jesus answered,** *"I am the way and the truth and the life. No one comes to the Father except through me.*
**– John 14:6 NIV**

So why am I pointing all this out? Because I cannot overemphasize the importance of having truth in your life and operating out of it. And God is the source of that truth.

**Not man, not the world, not yourself, not me – only God.**

You must be led by the Holy Spirit in these very turbulent times or you will be deceived.

You will see what I mean when you go through the different areas of Mass Deception that are going on today. Numerous scriptures speak about being deceived in the last days.

**We all have to be very careful we are hearing God for ourselves.**

**Jesus said,** *"For false Christs and false prophets will appear and perform great signs and miracles to deceive even the elect — if that were possible."*

**– Matthew 24:24-25 NIV**

In **Lost in Translation**, they suggest a more accurate translation of this verse is**:**

**Jesus said,** *"For false Christs and false prophets will appear and perform great signs and miracles to deceive those who should know better."*

**– Matthew 24:24-25 (Hebrew Scholars)**

**That should sober you up.** It means it is possible for anyone to be deceived. Even Christians who should know better will be deceived. And I will show you a classic example in just a bit. But they will be deceived because they will not be following the Spirit of Truth.

Keep in mind most of the experts in the Hebraic law, the Pharisees and Sadducees, who should

have recognized Jesus by the prophecies about Him in the Old Testament did NOT recognize Jesus as the Messiah when He stood right in front of them.

*"Again, Jesus took the Twelve aside and told them what was going to happen to him. "We are going up to Jerusalem," he said, "and the Son of Man will be betrayed to the chief priests and teachers of the law. They will condemn him to death and will hand him over to the Gentiles, who will mock him and spit on him, flog him and kill him. Three days later he will rise."*

**– Mark 10:32-34 NIV**

**Only those who were led by the Spirit of God recognized Him…**

*"Now there was a man in Jerusalem called Simeon, who was righteous and devout. He was waiting for the consolation of Israel,* ***and the Holy Spirit was upon him.*** *It had been* ***revealed to him by the Holy Spirit*** *that he would not die before he had seen the Lord's Christ.*

***Moved by the Spirit,*** *he went into the temple courts. When the parents brought in the child Jesus to do for him what the custom of the Law required, Simeon took him in his arms and praised God, saying:*

*"Sovereign Lord, as you have promised, you now dismiss your servant in peace. For my eyes have seen your salvation, which you have prepared in the sight of all people, a light for revelation to the Gentiles and for glory to your people Israel."*

**– Luke 2:25-32 NIV**

Now, can you see why it is so vitally important that you are being led by the Spirit of God?

**You will see things that others who are spiritually blind cannot see.** It is absolutely imperative you are being led by the Spirit of God during these turbulent times because otherwise you will be deceived. This is why I am telling you this, BEFORE I reveal this startling information.

You have to have the spiritual eyes to see that only God can give you. God can and will blind you to the truth if you are not being led by the Spirit and you will not even know it unless He shows you.

**Jesus said,** *"The knowledge of the secrets of the kingdom of God has been given to you, but to others I speak in parables, so that, 'though seeing, they may not see; though hearing, they may not understand."*
**– Luke 8:10 NIV**

There is absolutely no way I could figure out many of the things I do without the Holy Spirit leading me. I know that without a shadow of doubt. I have had countless experiences of the Holy Spirit showing me things I never would have known on my own or figured out by myself.

And there have been times that He has shown me things that had been staring me right in the face but I was not able to see until He revealed them.

**This happens with ALL of mankind.**

And this is why you need the Holy Spirit leading you in ALL things. He can show you the meaning of everything you need to know for YOUR assignment and purpose here on planet earth.

Jesus NEVER said, *"the King James Bible will lead you into all truth"*. He said the Holy Spirit would. Your relationship needs to be with the God of this universe. Keep in mind that Jesus made it very clear it was about having a relationship with Him, not just studying a Bible. **Jesus said…**

*"You diligently study the Scriptures because you think that by them you possess eternal life. These are the Scriptures that testify about me, yet you refuse to come to me to have life."*
**– John 5:39-40 NIV**

The Bible says that even Creation testifies to there being a God. Basically, no book is even needed to communicate that. God can speak through anything.

*"For since the creation of the world God's invisible qualities*
*— his eternal power and divine nature — have been clearly seen, being*
*understood from what has been made, so that men are without excuse."*
**– Romans 1:20 NIV**

That is so powerful**.** God has made His existence plain for all to see in His Creation. I always wonder how someone can look at a brand new baby and really believe there is no God.

**But the Bible says why…**

*"The fool says in his heart, "There is no God."*
**– Psalms 14:1 NIV**

*"Yet these men speak abusively against whatever they do not understand;*
*and what things they do understand by instinct, like unreasoning animals*
*— these are the very things that destroy them."*
**– Jude 10 NIV**

---

*"But these men blaspheme in matters they do not understand. They are*
*like brute beasts, creatures of instinct, born only to be caught and destroyed,*
*and like beasts they too will perish."*
**– 2 Peter 2:12 NIV**

---

*"Furthermore, since they did not think it worthwhile to retain the knowledge of God,*
*he gave them over to a depraved mind; to do what ought not to be done."*
**– Romans 1:28-29 NIV**

**These are powerful verses.**

They are saying that people make a conscious choice to NOT know God. And as a result of that their minds will not have Godly understanding; they will be blinded to the truth.

And it will ultimately result in them doing things in their life that will lead them to destroy themselves. We see this with rock stars dying of drug overdoses. That is an extreme example.

It can also be living a life completely devoid of God's purpose. And hence your life will end with nothing to show for it.

**You have to make a conscious choice to turn from darkness to light, to know the truth.**

And only Jesus can show you the truth. Real absolute truth can only be revealed spiritually through the Spirit of God.

It is so important in these times that you seek truth above all else and seek it from the right source. God is the source of ALL truth. Not me, not you, not your pastor, not your church, not the government and especially not the media.

They may be conduits of some truth, but God is always the SOURCE of ALL truth.

**Jesus said,** *"If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free."*
**– John 8:31-32 NIV**

Notice how Jesus did NOT just say, *"The truth will set you free"*.

You rarely hear that verse quoted in its entire context. Otherwise, people would have to be accountable for listening and obeying Jesus.

Quoting it out of context gives it an entirely different meaning – that all you need is truth, any kind of truth without accountability to God and you will be set free.

That is false. You may get some truisms in life. But the spirit of truth will elude you, because God does not give it to anyone but followers of Jesus and all others are open to deception.

**The Bible says…**

*"At one time we too were foolish, disobedient, deceived and enslaved by all kinds of passions and pleasures."*
**– Titus 3:3 NIV**

---

*"While evil men and impostors will go from bad to worse, deceiving and being deceived."*
**– 2 Timothy 3:13-14 NIV**

Jesus said that you will only know the truth if you follow Him and hold to His teachings. And only the Holy Spirit can help you fully understand them. Wanting to know the truth is the first

step. Then going to the SOURCE of ALL truth is the second step. The Father – Yahweh; His Son – Yeshua; and His Spirit - Ruach are the ONLY SOURCE of ALL Truth.

All we can do is be receivers and conduits of the truth, but we do not have within us the ability to discern God's ways or understand what is really going on in our own intellects. Only God can reveal that to us. **Why in the world am I saying all this?**

Because there is a world system in place that is not based on truth. There is a world philosophy being deployed through media, government, education and business that does not have your best interest in mind. It is designed to totally deceive you for a very specific reason.

**The Bible repeatedly warns about being deceived…**

**Jesus said,** *"Watch out that no one deceives you."*
**– Mark 13:5-6 NIV**

---

*"Don't let anyone deceive you in any way"*
**– 2 Thessalonians 2:3 NIV**

---

*"I tell you this so that no one may deceive you by fine-sounding arguments."*
**– Colossians 2:4-5 NIV**

---

*"Let no one deceive you with empty words."*
**– Ephesians 5:6 NIV**

---

*"For the time will come when men will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths."*
**– 2 Timothy 4:3-4 NIV**

---

*"Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ."*
**– Colossians 2:8**

**Only by having a personal relationship with God can you have access to the Spirit of Truth.**

This is the only way to keep from being deceived or blinded from the truth in these turbulent times. You will soon see why it is so necessary.

**Now having access to the truth requires you to make a total commitment to God.**

And I want to tell you upfront, there is a price to pay for learning and knowing the truth. I don't know what it will be for you. God deals with each one of us differently**.** Jesus put it this way…

**Then He said to them all:** *"If anyone would come after me, he must deny himself and take up his cross daily and follow me. For whoever wants to save his life will lose it, but whoever loses his life for me will save it."*
**– Luke 9:23-25 NIV**

God will only reveal His truth if you follow Him, wherever that leads.

And it has to be on a daily basis. You have to give up your agendas and your goals in life and serve God's. Most people are not willing to do that, because it is very hard.

**This is why…**

**Jesus said,** *"But small is the gate and narrow the road that leads to life and only a few find it."*
**– Matthew7:14 NIV**

**But He will reward those who take up the challenge in this life and the life to come…**

**Jesus said**, *"And everyone who has left houses or brothers or sisters or father or mother or children or fields for my sake will receive a hundred times as much and will inherit eternal life.*
**– Matthew 19:29 NIV**

**The Bible makes it very clear you should pursue truth at all costs.**

*"Buy the truth and do not sell it."*
**– Proverbs 23:23 NIV**

This means do whatever it takes in your life to acquire God's truth.

Pay the price in your life to acquire the truth by following God's leading and do not ever sell it by following after things that are not of God. And by doing this you will have eternal rewards…

**Jesus said,** *"Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you."*
**– Matthew 5:11-12 NIV**

**So if you are willing to do this right now, ask God to make Himself VERY real to you.**

Ask Him to speak to you and reveal His truth for your life. And then seek Him out every day with all your heart for the truth in all things and He will make Himself VERY real in your life.

**All you have to do is ask Him.**

**If you have read this far, you most likely have made the decision to take the red pill.**

Or you may have already taken it. But the most important aspect of the Shofar Global Network is that you be led by the Spirit of God in these turbulent times.

If I have done nothing else with this document but to encourage you to do this, and you do it, then I have accomplished the most important thing I can probably do Now you may or may not know part or all of this information I am about to share.

At the very least, the following information will give you a connected overview of the truth behind the long-range planning that has gone into creating the current global political, financial, and business crisis and the reasons for doing so.

And at the very most, it will completely disrupt the false reality you have been living in and make you aware of "*the world that has been pulled over your eyes to blind you from the truth".*

The truth is getting harder and harder to come by these days because of the crippling stranglehold the media, big business and government have on information. Or rather I should say misinformation.

There is a great quote in **The Matrix** when Morpheus says to Neo:

*"This is your last chance. After this, there is no turning back. You take the blue pill - the story ends, you wake up in your bed and believe whatever you want to believe. You take the red pill - you stay in Wonderland and I show you how deep the rabbit-hole goes."*

**Morpheus - The Matrix**

I can't say this is your last chance, or there is no turning back. I don't know if it is or not. That's up to God. But I can tell you right now you can decide if you want to know the truth or not. You may not have the opportunity again. Deception is a funny thing like that.

So if you have made the decision to take the Red Pill and know the truth, it is time for you to unplug from **The Matrix**. The following video shows a few minutes of a previous clip you watched so you can see the whole scene in context.

Watch what happens to Neo AFTER he takes the Red Pill…

**WATCH VIDEO:** Neo Unplugging from The Matrix

**Congratulations!**

You have made a very brave and wise decision. I mean that with all sincerity. If all this information is new to you, it may be overwhelming, frightening, even depressing.

I have experienced many of the same emotions over the last 40 years, since God first started exposing me to this information. The last 20+ years have been extremely intense not just mentally, psychologically or emotionally, but spiritually as well.

Even though this information can be quite startling, if you have never been exposed to it, I have intentionally left out some of the more intense stuff for now. That will be for later communications.

To get this all dumped on you at once may cause you to have a system overload. Much like Neo did when he learned the truth about **The Matrix.**

**WATCH VIDEO:** Neo learns the truth about The Matrix

**However, I want to encourage you.**

The ONLY way you can effectively operate in these turbulent times is by knowing the "REAL" truth. Anything else will leave you open to being deceived. Much like Neo, you may feel overwhelmed as this information hits you and it starts to sink in.

But be assured that is ok. It is perfectly normal. But this realization of the truth will give you the foundation you will need to operate in these turbulent times. Then you will learn how to take action with what you have learned. God is calling you to a higher place. But you must know the truth first.

I would like to suggest you say a quick prayer right now and ask God to give you wisdom and understanding as you review the following information and give you the grace to deal with anything that may be emotionally overwhelming.

Also ask Him to show you the real truth. **Unfortunately, I have to use the term 'real truth', because the truth is so distorted nowadays.**

Most people have no idea how much they are blinded from the truth of what is going on in the world around them. They have no reliable source of truth or information. And no way of filtering out the mass media blitzkrieg of misinformation that assaults their senses every day.

Let's begin with a basic example: government surveillance.

Thanks to the Patriot Act, the U. S. government can now monitor all your phone and internet activities at will. The government was actually doing this before the Patriot Act, but most people were not aware of it.

Your every move can now be tracked through your cell phone and late-model car because of built in tracking technology. Your communications are monitored through your internet activity and phone conversations. I know this may be hard to believe, if you have never heard this before, but it's true.

Just watch these 3 short news exposé's. **(links below are no longer active. Lots of video on YouTube. It is much more advanced now.)**

Some people may think the things I just mentioned above are conspiracy theories. Well, all I can say is, **"They are not conspiracy theories if they are true."**

**SECTION SUMMARY:** I've done a lot of the preliminary research for you. The following sections bring that information together so you can examine it and do your own research.

It does not take a rocket scientist to figure out something is REALLY wrong when gas prices take off to astronomical levels for no substantiated reason whatsoever, triggering a global financial collapse, and then quickly rebound back to prices lower than prior to the increase.

That is what we call “a clue”.  But that is NOT just an isolated incident. It is one piece of a very integrated and sophisticated plan.

Most people know in their gut something is definitely wrong with what is going on. They just don’t know the real whys and the hows. I am going to provide you with those answers. I have compiled some very detailed information on the level of deception that is going on in the media, financial, political, military, drug industry, and even food supply.

Read through these sections in order. **I suggest you read the articles and watch the videos that I have linked to this document after you have read through it once.**

Please get through this as fast as you can because time is of the essence and there is a lot to do. I also encourage you, that after you are done reading this, you forward it to your family and friends and those you love and care about.

Be sure to ask God for wisdom and understanding. You are going to need it. The next clip shows Neo learning how **The Matrix** operates.

## SECTION 3

# Mass Deception through Media & Entertainment

In this section, you will see how the mass media has affected and controlled the way you think and view the world. Through corporate-controlled media and entertainment, people are distracted from the truth.

They have become completely unaware of what is really going on in our world today. Most real issues get little or no coverage in the mainstream media.

**WATCH VIDEO:** Conditioning through Entertainment (8 Parts)

There is an intentional deficiency in the information reported because big business owns the media and influences the government through campaign contributions, lobbyists' dollars, and rewards and incentives for politicians after they leave office via speaking engagements, employment and investment deals.

We are given the illusion of real information, but for the most part it lacks substance, value and truth.

*"Media manipulation in the U.S. today is more efficient than it was in Nazi Germany, because here we have the pretense that we are getting all the information we want. That misconception prevents people from even looking for the truth."*

Studies show people's view of reality is largely dictated by the mind-programming effects of communication mediums like TV.

*"I know the secret of making the average American believe anything I want him to. Just let me control television. Americans are wired into their television sets. Over the last 30 years, they have come to look at their television sets and the images on the screen as reality. You put something on television and it becomes reality. If the world outside the television set contradicts the images, people start changing the world to make it more like the images and sounds of their television. Because its influence is so great, so pervasive, it has become part of our lives. You lose your sense of what is being done to you, but your mind is being shaped and molded."*

**Hal Becker**
Media Expert
Consultant for the think tank 'Futures Group' in a 1981 interview

In some cases, test subjects could not tell the difference between reality and TV. What they watched became what they believed. Reality TV shows further warp what people consider normal.

> *"When you go into an altered state, you transfer into right brain, which results in the internal release of the body's own opiates: enkephalins and Beta-endorphins, chemically almost identical to opium. In other words, it feels good and you want to come back for more.*
>
> *Recent tests by researcher Herbert Krugman showed that, while viewers were watching TV, right-brain activity outnumbered left-brain activity by a ratio of two to one. Put more simply, the viewers were in an altered state . . . in trance more often than not. They were getting their Beta-endorphin fix."*
>
> *To measure attention spans, psycho-physiologist Thomas Mulholland of the Veterans Hospital in Bedford, Massachusetts, attached young viewers to an EEG machine that was wired to shut the TV set off whenever the children's brains produced a majority of alpha waves.*
>
> *Although the children were told to concentrate, only a few could keep the set on for more than 30 seconds! Most viewers are already hypnotized. To deepen the trance is easy. One simple way is to place a blank, black frame every 32 frames in the film that is being projected. This creates a 45-beat-per-minute pulsation perceived only by the subconscious mind; the ideal pace to generate deep hypnosis. The commercials or suggestions presented following this alpha-inducing broadcast are much more likely to be accepted by the viewer.*
>
> *The high percentage of the viewing audience that has somnambulistic- depth ability could very well accept the suggestions as commands as long as those commands did not ask the viewer to do something contrary to his morals, religion, or self-preservation.*
>
> *The medium for takeover is here. By the age of 16, children have spent 10,000 to 15,000 hours watching television. That is more time than they spend in school! In the average home, the TV set is on for six hours and 44 minutes per day; an increase of nine minutes from last year and three times the average rate of increase during the 1970s.*

*It obviously isn't getting better . . . we are rapidly moving into an alpha-level world, very possibly the Orwellian world of "1984"placid, glassy-eyed, and responding obediently to instructions. A research project by Jacob Jacoby, a Purdue University psychologist, found that of 2,700 people tested, 90 percent misunderstood even such simple viewing fare as commercials and "Barnaby Jones."*

*Only minutes after watching, the typical viewer missed 23 to 36 percent of the questions about what he or she had seen. Of course they did, they were going in and out of trance! If you go into a deep trance, you must be instructed to remember, otherwise you automatically forget.*

*I have just touched the tip of the iceberg. When you start to combine subliminal messages behind the music, subliminal visuals projected on the screen, hypnotically produced visual effects, sustained musical beats at a trance-inducing pace . . . you have extremely effective brainwashing. Every hour that you spend watching the TV set, you become more conditioned.*

*And, in case you thought there was a law against any of these things, guess again. There isn't! There are a lot of powerful people who obviously prefer things exactly the way they are."*

**Dick Sutphen (1937-2020)**
Author, Hypnotist, Psychic Researcher

It's mind-blowing when you think about it. Especially when you learn that many of today's TV commercials, shows, movies and news programs use advanced persuasion techniques similar to those deployed in military psychological warfare and brainwashing.

The reality is the life you are living is being created and controlled by the people who create the information you watch, listen to, and read. The line of separation between what is true and what is false has been completely eroded through the manipulation of reality via the media. **And most people have no idea this has even happened to them.**

> *"The basic tool for the manipulation of reality is the manipulation of words. If you can control the meaning of words, you can control the people who must use the words. George Orwell made this clear in his novel, 1984. But another way to control the minds of people is to control their perceptions. If you can get them to see the world as you do, they will think as you do. Comprehension follows perception.*
>
> *How do you get them to see the reality you see? After all, it is only one reality out of many. Images are a basic constituent: pictures. That is why the power of TV to influence young minds is so staggeringly vast. Words and pictures are synchronized.*
>
> *The possibility of total control of the viewer exists, especially the young viewer. TV viewing is a kind of sleep learning. An EEG of a person watching TV shows that after half an hour the brain goes into a hypnoidal twilight state, emitting alpha waves. This is because there is little eye motion. In addition, much of the information is graphic and therefore passes into the right hemisphere of the brain, rather than being processed by the left, where the conscious personality is located.*
>
> *Recent experiments indicate that much of what we see on the TV screen is received on a subliminal basis. We only imagine that we consciously see what is there. The bulk of the messages elude our attention; literally, after a few hours of TV watching, we do not know what we have seen.*
>
> *Our memories are spurious, like our memories of dreams; the blank spaces are filled in retrospectively. And falsified. We have participated unknowingly in the creation of a spurious reality, and then we obligingly fed it to ourselves. We have colluded in our own doom."*

**SECTION SUMMARY:** Stop and think for a moment about how many opinions you have on subjects where you have no firsthand experience or knowledge. For example, have you ever been to Iraq? Have you actually seen what is happening there? If what you know about Iraq comes from TV, your view of it has been shaped by how the media presents it.

For example - We call them terrorists. They call them freedom fighters. What would you do if another country invaded the US and took out our government? If you fought them, they would call you a terrorist. It is all in perceptions.

How many habits, preferences and thoughts do you have that are a result of what you have seen on TV, in the movies and on the news? Why is such and such the best product? **Because it is or because they told you?**

## SECTION 4

# Mass Deception through Food & Agriculture

Our food is being controlled and genetically modified at a level that would totally shock most people. Genetically modified seeds and food are now being experimented on at the DNA level with bacteria, viruses, drugs, animal and even human genes.

Excessive amounts of toxic chemicals from fertilizers, pesticides, herbicides, and fungicides are used to grow our food. Those chemicals pollute the environment and our bodies.

**WATCH VIDEO:** Contaminated - the New Science of Food

A blatant example of big business collaborating with government is documented in the following two disturbing documentaries and a book profiling a company called Monsanto.

The first documentary is entitled **The World According to Monsanto**. It is imperative you watch this video so you will have an understanding of what they are doing to the world's food supply. It is very scary stuff.

**This is not science fiction. It is going on with your food right now.**

You need to know this information so that you and your family can be prepared for the turbulent times ahead.

**WATCH VIDEO:** The World According to Monsanto

The other documentary is **The Future of Food**. It covers material similar to that in **The World According to Monsanto**, but from a different perspective. It is VERY good.

**I recommend watching it and showing it to as many people as you can.**

If you like books, I highly recommend this book:

**BUY BOOK:** Your Right to Know – Genetic Engineering and the Secret Changes in Your Food

Not only do these videos and the book report on what Monsanto is doing to our food with genetic modification technology, but they also track how key executives from Monsanto were

appointed to strategic, high-level federal government positions in order to further Monsanto's agenda with genetically modified seeds. The creation of federal government policy to solely further one company's financial interests is unbelievable.

>
> **Thomas Jefferson (1743-1826)**

> Principal author of the Declaration of the United States of America

But what is even more shocking is when you find out the United States government and Monsanto are co-patent holders of a seed technology that causes the seed to NOT reproduce seed from the crops it produces. It is called a "Suicide" or "Terminator" seed.

> *"When the money of the people of Egypt and Canaan was gone, all Egypt came to Joseph and said, "Give us food. Why should we die before your eyes? Our money is used up."*
> **– Genesis 47:15 NIV**

The only purpose for seed like this is food and population control. Monsanto was also the developer of Agent Orange, PCBs and rBGH (bovine growth hormones). And it was involved with the creation of Aspartame.

Genetically modified corn has been created that has a spermicidal component as part of its DNA makeup. Drug companies are now creating a whole new category of agriculture called "Farmacy", where the drugs are literally grown in the food. Recently some of the wealthiest men in the world have helped fund a "Doomsday" seed bank in Norway to the tune of tens of millions. It does not take a rocket scientist to put 2 and 2 together, and you start to realize there is a definite agenda going on behind the scenes. Especially when you find out one of the companies behind the seed bank is also behind genetically modified seeds.

The problem is that most people are not aware of this information because it is rarely covered in the mainstream media. When it does get coverage, it is often brief and easy to miss. Connecting the pieces takes research across multiple sources over an extended period of time.

Below is a biblical reference to the importance of real salt (not standard table salt of sodium chloride, which is a poison, but full spectrum mineral salt) for soil.

Notice how salt that loses its saltiness is no longer fit for the soil, or the manure pile which would be used for composting.

**Jesus said,** *"Salt is good, but if it loses its saltiness, how can it be made salty again? It is fit neither for the soil nor for the manure pile; it is thrown out."*

Our soil needs to be nourished with minerals because that is what nourishes our crops, produce and fruits. And they in turn nourish us. Keep in mind our physical bodies were created from dirt. And we need those nutrients from the soil to live healthy lives.

**SECTION SUMMARY:** God designed your body to eat the food He created. Genetically modified food has the potential to cause disease and poor health, and it appears it is being deployed for population control and reduction.

If a country does not toe the line, it just doesn't get seed the next year. He who controls the food controls the world. In addition, it is now possible to grow food with drugs in it. These drugs can be designed to keep people happy and content or poison their bodies. And you would not even know they were in your food.

I believe genetically modified food disrupts the optimal frequency at which your body was designed to function, causing it to operate at a lower level than God intended and making it harder to hear His voice. I know that may sound New Age, but it's not. I will cover this subject in more detail through the Shofar Global Network.

*Then God said, "Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds." And it was so. # Mass Deception through Chemicals & Poisons

Our food and water are heavily polluted with chemicals, toxins, and drugs. Most people have no idea how bad it really is. And it is totally out of control. Chemical companies that developed during wartime have sought new markets in peacetime.

**They have found those markets in our food and water.**

The food industry now puts a chemical in many processed foods that causes your brain to think the food tastes better and it makes you want to eat more. It is called MSG.

**Many experts believe it is the major cause of obesity in the United States.**

MSG is an excitotoxin: a substance added to foods and beverages that literally stimulates neurons to death, causing brain damage of varying degrees. It can be disguised under 20 different cover names including autolyzed yeast extract and natural flavor.

> *"In hundreds of studies around the world, scientists were creating obese mice and rats to use in diet or diabetes test studies. No strain of rat or mice is naturally obese, so the scientists have to create them.*
>
> *They make these morbidly obese creatures by injecting them with MSG when they are first born. The MSG triples the amount of insulin the pancreas creates, causing rats (and humans?) to become obese. They even have a title for the race of fat rodents they create: 'MSG-Treated Rats'."*
>
> **Donna Russell**
> Legislative Advocate - California Citizens for Health Freedom

*"Consistently, the animals exposed to MSG were found to be short, grossly obese, and had difficulty with sexual reproduction. One can only wonder if the large number of people having difficulty with obesity in the United States is related to early exposure to food additive excitotoxins since this obesity is one of the most consistent features of the syndrome.*

*One characteristic of the obesity induced by excitotoxins is that it doesn't appear to depend on food intake. This could explain why some people cannot diet away their obesity.*

*It is ironic that so many people drink soft drinks sweetened with NutraSweet® when aspartate can produce the exact same lesions as glutamate, resulting in gross obesity. The actual extent of MSG induced obesity in the human population is unknown."*

Aspartame is another toxic chemical being added to food and beverages. Most people have no idea how bad it is for their mental and physical health. Very few are aware of how the government is allowing these types of chemicals into the food supply with no proof whatsoever of their safety.

**And, in fact, it is suppressing information on the harmful effects.**

*"Aspartame is a toxin and is unique in this hazardous respect. This is NOT an allergic reaction, but rather a true toxin. No other food can be provided as a comparison to the toxic nature of NutraSweet. Upon closer examination, the available research revealed that the manufacturer (Monsanto) and the FDA are manipulating the public (via the media) into thinking that aspartame is safe. It is not.*

**SECTION SUMMARY:** There is systematic poisoning going on in our country. The water is polluted and the food is toxic. Is it any wonder diseases are increasing? Only God can lead you into true health.

I believe contaminated food and water make people more prone to disease. That, in turn, sends them into the hands of the medical establishment, where drugs and surgery are prescribed for the symptoms while the root cause goes unaddressed.

Quality food and water are integral to your physical vitality and health. They will be a major focus of the Shofar Global Network because I believe they will be vital to our survival in the turbulent times ahead.

I don't believe the verse below refers to our current water quality. I believe the water contamination we are seeing is an early warning sign of what is to come…

# Mass Deception through Drugs & Medicine

When you start doing the research, you will discover there is a very real agenda by the pharmaceutical industry to get as many people on drugs as possible.

From advertising in every form of media, to aggressively diagnosing active kids with ADD/ADHD, to vaccinations for all types of diseases and ailments, to drugs in the water and food supply, there is an agenda to get drugs into every aspect of our lives.

One of the best ways to control populations without their knowledge is through drugging them under the guise of health.

The United States and New Zealand are currently the only two countries in the world that allow direct-to-consumer drug advertising.

> *"And it seems to me perfectly in the cards that there will be within the next generation or so a pharmacological method of making people love their servitude, and producing... a kind of painless concentration camp for entire societies, so that people will in fact have their liberties taken away from them but will rather enjoy it, because they will be distracted from any desire to rebel by propaganda, brainwashing enhanced by pharmacological methods."*

In the Book of Revelation, one of the signs of the last days will be sorcery. The Greek word translated as "sorceries" is worth a closer look.

> **– Revelation 9:21AMP**

The Greek word that “sorceries” is translated from is “Pharmakia”. It is a word that refers to the occult and the use of drugs. Pharmaceutical drugs are today’s answer for many mental health conditions that did not even exist or were rarely diagnosed several decades ago.

The outrageously profitable drug industry has a stranglehold on what constitutes health through the FDA, doctors, medical schools and the health system.

**Why is Health Not Yet a Human Right? This is why:**

*1.The marketplace of the pharmaceutical industry is the human body. The foundation of this industry is the 'Business with Diseases' - not its prevention or eradication*

*. 2. More than 24,000 pharmaceutical drugs currently on the market -98% of all drugs - are without any proven therapeutic value.*

*3.The dangerous side effects of these pharmaceutical drugs have become the fourth leading cause of death - after heart attacks, strokes and cancer - thereby further expanding the global pharmaceutical market.*

*Think about it!*

*The Nature of the Pharmaceutical Industry - The natural purpose and driving force of the pharmaceutical industry is to increase sales of pharmaceutical drugs for ongoing diseases and to find new diseases to market existing drugs.*

*By this very nature, the pharmaceutical industry has no interest in curing diseases. The eradication of any disease inevitably destroys a multi-billion dollar market of prescription drugs as a source of revenues. Therefore, pharmaceutical drugs are primarily developed to relieve symptoms, but not to cure.*

*If eradication therapies for diseases are discovered and developed, the pharmaceutical industry has an inherent interest to suppress, discredit and obstruct these medical breakthroughs in order to make sure that diseases continue as the very basis for a lucrative prescription drug market.*

*The economic interest of the pharmaceutical industry itself is the main reason why no medical breakthrough has been made for the control of the most common diseases such as cardiovascular disease, high blood pressure, heart failure, diabetes, cancer, and osteoporosis, and why these diseases continue like epidemics on a worldwide scale.*

*For the same economic reasons, the pharmaceutical industry has now formed an international cartel by the code name "Codex Alimentarius" with the aim to outlaw any health information in connection with vitamins and to limit free access to natural therapies on a worldwide scale.*

*At the same time, the pharmaceutical companies withhold public information about the effects and risks of prescription drugs and life-threatening side effects are omitted or openly denied.*

*In order to assure the status quo of this deceptive scheme, a legion of pharmaceutical lobbyists is employed to influence legislation, control regulatory agencies (e.g. FDA), and manipulate medical research and education. Expensive advertising campaigns and PR agencies are used to deceive the public.*

*Millions of people and patients around the world are defrauded twice: A major portion of their income is used up to finance the exploding profits of the pharmaceutical industry. In return, they are offered a medicine that does not even cure.*

*The physician is indeed rare who can be completely aware of the potential danger from the side effects of all of these drugs.*

*My third conclusion is that disease can be cured through the proper use of correct foods. This statement may sound deceptively simple, but I have arrived at it only after intensive study of a highly complex subject: colloid and endocrine chemistry.*

*My conclusions are based on experimental and observational results, gathered through years of successfully treating patients.*

*Almost all drugs are toxic and are designed only to treat symptoms and not to cure anyone. Vaccines are highly dangerous, have never been adequately studied or proven to be effective, and have a poor risk/reward ratio. Most surgery is unnecessary and most textbooks of medicine are inaccurate and deceptive.*

*Almost every disease is said to be idiopathic (without known cause) or genetic - although this is untrue. In short, our main stream medical system is hopelessly inept and/or corrupt. The treatment of cancer and degenerative diseases is a national scandal. The sooner you learn this, the better off you will be."*

Children in some US states have recently been illegally forced to have vaccinations in order to attend public schools.

Most people have no idea what is in the vaccines they are given and do not understand the background or fraud involved with vaccinations.

You need to understand that forced vaccination is a very real possibility, and fear spread through the media will be used to drive it.

More than 200 million Americans are suffering from some sort of disease or medical condition at a cost of two trillion dollars per year.

The conventional medical model shows no hope of curing, and little hope of improving, most of these medical problems.

In fact, conventional pharmaceutical approaches to curing disease very often exacerbate the very problems they are supposed to cure, or create other new medical problems that were not there previously.

Gary Null, PhD, explores the truth about Gulf War Syndrome and the secrets about chemical and germ warfare that the U.S. government is hiding from its veterans and the public.

By revealing the truth about how and why American soldiers became ill while fighting overseas, this film sets the record straight and holds the government accountable for trivializing and covering up some of the major causes and consequences of Gulf War Syndrome.

This film is also a scathing indictment of the practices and policies of modern warfare, and how they are causing massive illnesses that have never been seen before and which do not recognize political or geographic boundaries.

Gary Null examines the increasingly common practice of prescribing psychotropic drugs for children - including preschoolers ages age 2 to 4 - who have been diagnosed with ADD or ADHD.

**SECTION SUMMARY:** I included a lot of material on vaccines because I believe you need to be cautious before allowing anyone to inject an unknown substance into you or your children. It is apparent that can vaccines cause more harm than good and that other substances may be piggybacked onto the primary vaccine.

The broader issue is who is influencing our understanding of health and whose interests are being served. We need to seek God's guidance and use discernment in the decisions we make about our health.

# Mass Deception through Finance & Economics

A major key to understanding how the mass deception is happening in the financial realm is to learn how multi-national corporations have literally become the new global powers. And through their massive financial influence, they are wielding the power to control government for their own agendas.

This award-winning documentary examines the nature, evolution, impacts and future of the modern business corporation and the increasing role it plays in society and our everyday lives. This documentary is long, but it is absolutely compelling. It is a must watch.

**WATCH VIDEO:** The Corporation

Not too long ago in the United States, we saw oil prices skyrocket for no economically justifiable reason. Oil spiraled to over $140 a barrel and then collapsed to less than $40 a barrel in just a matter of months. I did a significant amount of research on this. The BEST guess anyone could come up with as to the real reason why it happened was “market speculation”.

This dramatic price increase set off a chain reaction that included a mortgage crisis with banks and financial institutions failing, huge corporations being driven into bankruptcy, homes going into foreclosure, jobs being lost and the U.S. economy going into a tailspin.

This financial crash has now affected the entire world. As the global economy spiraled out of control, oil companies made record profits.

**READ ARTICLE:** Exxon Mobil Sets Record With $45.2 Billion Profit

The government is now bailing out large corporations by buying their stock and proposing controls on entire industries. It is pushing hundreds of billions of dollars into the economy and entering into “partnership” with some of the biggest corporations in the world. This is called nationalization.

We are being told the government is “bailing out the economy”. It has become very apparent to anyone who is following what is going on that something is seriously wrong with what is happening. They are not bailing out the economy. They are giving money to big business.

If you are not aware, the Federal Reserve which, is providing this money, is not a government

entity. It is part of a nongovernment, private international banking system that operates under the facade of being part of the United States federal government.

The bailout money they are creating and lending is being printed and electronically transferred with nothing of hard value such as gold to back it up. **They are basically creating the money out of thin air.** Because the Federal Reserve controls the money supply, it essentially controls the government.

Doing some basic research on the creation and the real behind-the-scenes operations of the Federal Reserve will reveal this as an indisputable fact. Our early founding fathers despised international bankers for very good reasons.

> *"I believe that banking institutions are more dangerous to our liberties than standing armies. If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks (and corporations that will grow up around the banks) will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered."*

The video was recorded in 1997 and accurately predicts what is happening now. The filmmakers were able to make that prediction because this is not the first time this type of scenario has been created. They understand how the system works.

The video will help you understand why I describe the banking and money system in the United States as a total fraud, how this financial collapse was intentionally set up, and why this information matters as you prepare for the turbulent times ahead.

It is lengthy, but it is imperative that you watch it as soon as possible after finishing this document

**Here's the BIG BOMB!**

I had to think a bit before I included this next video in this document rather than wait until later.

This is dangerous ground, but it is so important that you know as much truth behind our financial system as possible, so you have a better understanding of the current "manufactured" financial crisis.

**America: Freedom to Fascism** is by Aaron Russo, an award-winning filmmaker who produced **Trading Places** and **The Rose**. It is an eye-opener on the U.S. tax system.

Before you watch this video, I am NOT advocating that you do not pay your taxes.

After my FTC ordeal, I also had to deal with the IRS. The FTC had taken $500,000 from me, and a good part of that was tax money. I can tell you the IRS is not an organization you want to fight.

You may recall Wesley Snipes was sentenced to prison for trying to avoid taxes.

But what I want you to be aware of is how the government has forced people into paying a federal income tax (that simply pays off the interest on the Federal Reserve debt) without there being an actual law that says you have to pay it.

The film also covers unknown tyrannical laws in place now, wiretapping, National ID Cards, RFID Chip, cashless society and more. Make sure you watch this AFTER you watch "The Money Masters" so you understand how this whole "system" works together.

**WATCH VIDEO:** America - Freedom to Fascism

Now I know some people may have a hard time believing this information about our financial system. So here is one more documentary on the Federal Reserve, if you would like to get another perspective.

Again, this information will help you understand the truth behind what is really happening with the financial crisis and the Bailout money situation.

This is a live presentation from G. Edward Griffin who wrote the book **"The Creature from Jekyll Island: A Second Look at the Federal Reserve"**. Watch the Money Masters, then Freedom to Fascism before you watch this video.

**WATCH VIDEO:** The Creature from Jekyll Island

Entire national economies are now being manipulated on a global scale, like never before in history, in order to financially benefit the elite few. Big business influences government through lobbyists' money funding political campaigns and agendas. And politicians put the bills, laws and programs in place to financially benefit the big businesses. Politicians get their payday after leaving office.

When big business and government collaborate to oppress the people, this is called fascism.

Entire countries' economies are collapsing. Banks are insolvent. Millions of people are losing jobs. Major corporations are going out of business or needing government assistance just to stay afloat. Governments are printing money to take ownership in Big Business.

The current financial situation in the United States is being compared to the Great Depression. This is negatively affecting other countries around the globe. This has just started, so people have not felt the major effects yet.

This is just the first rippling effect. But it is going to get a lot worse in the next few years. A lot worse. I am not making this up. Anyone with common sense that knows what is going on is saying the same thing.

**So what do we do with all this as Christians?**

You have to look at this world system as an illusion. It's a big fat lie. What you have been taught to believe about it does not reflect what is really going on. It is designed to shape your thinking and keep you under control.

God has called us out of the world system, but most Christians never get there. Jesus called us to live in His Kingdom. Satan owns this world system for now, until Jesus comes back. We have to get that reality into our minds and spirits.

**And start operating from that reality.**

*"We have had to borrow money to pay the king's tax on our fields and vineyards. ## SECTION 8

# Mass Deception through Government & Politics

One of the big questions we need to ask as believers is this:

**What are the agendas and philosophies of the people running our government and the big corporations that back them?**

These leaders and corporations spend billions of dollars using the media to create an illusion and shape our beliefs around values that radically differ from biblical principles.

> *"The enormous gap between what U.S. leaders do in the world and what Americans think their leaders are doing is one of the great propaganda accomplishments of the dominant political mythology."*
>
> **Michael Parenti (1933-)**
> American political scientist, author and media critic

Most Christians have no idea how they can be easily duped by their government into believing that its actions are really of Go. The majority of Christians in Germany supported Adolf Hitler, one of the most demonically inspired people to ever walk the planet.

**What does that say about their discernment and understanding of truth?**

Remember my emphasis is on being led by the Spirit of Truth. Here is why. This quote will give you an idea of how Christians not being led by the Spirit of Truth can be easily deceived…

> *"The word "German" is God's Word! Whosoever understands this is released from all theological conflicts. This is German: return home to Germany and leave behind egoism and your feelings of abandonment.*
>
> *...Christ has come to us through the person of Adolf Hitler. ...Hitler has taken root in us; through his strength, through his honesty, his faith and his idealism we have found our way to paradise."*
>
> **Kirchenrat Leutheusser**
> Addressing German Christians in Saalfeld, Germany August 30, 1933

**What was Hitler's philosophy?**

*"Anyone who interprets National Socialism merely as a political movement knows almost nothing about it. It is more than a religion. It is the determination to create a new man."*

**Adolf Hitler (1889 –1945)**
Nazi German Chancellor

**The Bible talks about a new man, too…**

*"His purpose was to create in himself one new man out of the two, thus making peace, and in this one body to reconcile both of them to God through the cross, by which he put to death their hostility."*
**– Ephesians 2:15-17 NIV**

This verse refers to bringing gentiles into the same covenant relationship as the Hebrews have with the Father through the death of His Son Jesus Christ. But what I want to point out is that in every occult religion, the focus is on creating some type of new man, just as Adolf Hitler described.

Today there is a focus on creating a new man through a new science called "trans-humanism". I will cover that demonic science in more detail in future communications.

Satan always has a counterfeit of what God is doing. And government is no exception.

*"Man will ultimately be governed by God or by tyrants."*

**Benjamin Franklin (1706-1790)**
Author, Inventor, Statesman and Founding Father of the United States

As much as most Christians would like to believe otherwise, there is no such thing as a godly government on this planet or in this life. God even warned us ahead of time what would happen when we established a man-made government.

*"But when they said, "Give us a king to lead us," this displeased Samuel; so he prayed to the Lord. And the Lord told him: "Listen to all that the people are saying to you; it is not you they have rejected, but they have rejected me as their king.*

*As they have done from the day I brought them up out of Egypt until this day, forsaking me and serving other gods, so they are doing to you. Now listen to*

*them; but warn them solemnly and let them know what the king, who will reign over them, will do.*

*Samuel told all the words of the Lord to the people who were asking him for a king. He said, "This is what the king who will reign over you will do: He will take your sons and make them serve with his chariots and horses, and they will run in front of his chariots.*

*Some he will assign to be commanders of thousands and commanders of fifties, and others to plow his ground and reap his harvest, and still others to make weapons of war and equipment for his chariots.*

*He will take your daughters to be perfumers and cooks and bakers. He will take the best of your fields and vineyards and olive groves and give them to his attendants. He will take a tenth of your grain and of your vintage and give it to his officials and attendants.*

*Your menservants and maidservants and the best of your cattle and donkeys he will take for his own use. He will take a tenth of your flocks, and you yourselves will become his slaves. When that day comes, you will cry out for relief from the king you have chosen, and the Lord will not answer you in that day."*

*But the people refused to listen to Samuel. "No!" they said. "We want a king over us. Then we will be like all the other nations, with a king to lead us and to go out before us and fight our battles." When Samuel heard all that the people said, he repeated it before the Lord. The Lord answered, "Listen to them and give them a king."*

**– 1 Samuel 8:6-22 NIV**

However, the system of government and the people serving in it are two different things. Godly people can serve in government and lead according to biblical principles by the Spirit of God. David, for the most part, operated that way.

*"To fear the Lord is to hate evil; I hate pride and arrogance, evil behavior and perverse speech. Counsel and sound judgment are mine; I have understanding and power. By me kings reign and rulers make laws that are just."*

**– Proverbs 8:13-15 NIV**

*"And the Lord said to you, 'You will shepherd my people Israel, and you will become their ruler.'"*

**– 2 Samuel 5:2 NIV**

---

*"When the righteous thrive, the people rejoice; when the wicked rule, the people groan."*

**– Proverbs 29:2 NIV**

---

Many of the founding fathers believed in God and lived by biblical principles. They had the same form of government we have today. Yet look at the current state of our government. Same model but run by different people with different belief systems.

We must understand that when we don't come under the authority of God as a people, we are open to ungodly government. We are seeing this with our country today.

> *"Without God, democracy will not and cannot long endure."*
>
> **Ronald Reagan (1911-2004)**
> 40th President of the United States

We must realize government has always been about more than just governing people. If you study the history of Egypt, Rome, Greece, Britain, France, Russia, China and other nations, you will see that a philosophy or religion was always behind their governments.

**Always.**

Even if it was godless, there was a philosophy behind it. The ruling government was an expression of that philosophy and belief system. And in most cases it had to do with oppression and control. That is the very nature of government.

The difference with our government is our Constitution.

> *"In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and in the next place oblige it to control itself."*

That belief system is now being systematically dismantled on a national and global level.

There is a vast array of information I can share backing up the reality of a one-world government system being put in place. Here are two older videos that will be very revealing as they are so relevant to what is happening in our world today.

This will lay the initial groundwork and then we will go into more detailed information.

The first video is Bill Moyers's 1987 scathing critique of the Executive Branch of the United States Government and its criminal subterfuge in carrying out illegal military operations, which are clearly contrary to the wishes and values of the American people.

The ability to exercise this power with impunity was facilitated by the National Security Act of 1947. This video includes interviews with many different people involved in the CIA, military and other government agencies.

The documentary examines the CIA's role during the Cold War, including events in Iran, Guatemala, Cuba, Vietnam, and Chile.

The significance of this documentary is greater today than when it was made. It originally aired on PBS and is excellent. I've included both a 20-minute edited version and the full 90-minute version below.

This next video is a lecture by G. Edward Griffin in the late 1960s on how American foreign policy has been subverted by elements within the U.S. government to build a "World Government" through the United Nations and its covert policies that legitimized communist regimes.

This is an older presentation, but it is extremely relevant to what is going on in the world today and well documented. It is a dry presentation so you have to focus on listening, but it is well worth it for learning some of the philosophical insights driving a world government.

I don't agree with then plan he presents at the end, even though it is really the natural logical conclusion from the world's perspective.

**SECTION SUMMARY:** There is a very real agenda to establish a one-world system. It is strategic. It is well thought out. And it has been years in the making. The current financial crisis is one more step toward making it a reality.

Government by its very nature is designed to oppress and control the people. Our Constitution was a safeguard against that. But it is no longer the rule of law in our land. We are seeing a dismantling of our freedoms as our nation becomes subservient to the global agenda.

This is happening inside our own government. An illusion of freedom is being perpetuated by the media, Big Business, and the political powers behind the scenes.

The Bible foretold a coming one-world system. For those with eyes to see, we are the generation watching a global financial, military, and political system take shape.

## SECTION 9

# Mass Deception through Education & Mind Control

When you start talking about mind control, most people dismiss it as a conspiracy theory.

But that is how good the mind control is. You don't even know it is happening. If you were aware of what was going on, it would not be effective mind control, now would it?

**Remember The Matrix?** The whole purpose for showing you those movie clips was to make you aware of the possibility that things are a lot different than what you perceive or believe.

With the **Mass Deception through the Media & Entertainment** section, I wanted to lay the groundwork for this discussion of mind control. When you are first exposed to this I know it is a shock that your government would be involved in this.

**But it is…**

> *"It is perfectly possible for a man to be out of prison, and yet not free - to be under no physical constraint and yet to be a psychological captive, compelled to think, feel and act as the representatives of the national state, or of some private interest within the nation, wants him to think, feel and act.*
>
> *The nature of psychological compulsion is such that those who act under constraint remain under the impression that they are acting on their own initiative.*
>
> *The victim of mind-manipulation does not know that he is a victim. To him the walls of his prison are invisible, and he believes himself to be free. That he is not free is apparent only to other people. His servitude is strictly objective."*
>
> **Aldous Huxley (1894-1963)**
> English writer and humanist
> Brave New World Revisited

**We will start at the basic level of mind control: public education.**

These quotes will give you a better understanding of the thought processes behind the real purpose for having a public education system…

*"That erroneous assumption is to the effect that the aim of public education is to fill the young of the species with knowledge and awaken their intelligence, and so make them fit to discharge the duties of citizenship in an enlightened and independent manner.*

*Nothing could be further from the truth. The aim of public education is not to spread enlightenment at all; it is simply to reduce as many individuals as possible to the same safe level, to breed and train a standardized citizenry, to put down dissent and originality.*

*That is its aim in the United States, whatever the pretensions of politicians, pedagogues and other such mountebanks, and that is its aim everywhere else."*

**H. L. Mencken (1880-1956)**
American Writer

---

*"Education should aim at destroying free will, so that, after pupils have left school, they shall be incapable, throughout the rest of their lives, of thinking or acting otherwise than as their schoolmasters would have wished. . . Diet, injections, and injunctions will combine, from a very early age, to produce the sort of character and the sort of beliefs that the authorities consider desirable, and any serious criticism of the powers that be will become psychologically impossible."*

**Bertrand Russell (1872-1970)**
Mathematician, logician, philosopher, and intellectual
The Impact of Science on Society (1952)

Look at what is going on in our school systems today. They are nothing like they used to be. There is a systematic dumbing down through mind numbing television, poor nutrition, pharmaceutical and street drugs, and the low moral and educational standards. Something is definitely being done to create this scenario.

In this next video, Edward Griffin interviews 83 year old Norman Dodd, the former 1954 staff director of the Reese congressional special committee to investigate tax-exempt foundations.

This exclusive, rare interview from the early 1980s exposes the infiltration of banking and the United States public education system by large corporations that are merging the United States

into a world government system. He exposes the tax-exempt foundations' hidden agenda for a one-world government.

This interview is a little slow because Norman Dodd was advanced in age. He died shortly afterward. But it is well worth watching. It is both fascinating and chilling to discover the high level of global collaboration that is being put in place to create a one-world system, the extent to which it is covered up, and how long it has been going on.

**WATCH VIDEO:** Hidden Agenda for a One World Government (5 Parts)

In this short video, a former high-level Soviet KGB agent explains the Soviet Union's strategy for brainwashing America. He explains how they have successfully applied their long-term strategy by exposing three generations of college students in the United States to their ideology.

Edward Bernays basically created what is now known as public relations. Public Relations as it is called today used to be called propaganda. The term "Public Relations" sounds much more unassuming and friendly.

> *"The conscious and intelligent manipulation of organized habits and opinions of the masses is an important element in a democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power in our country …*
>
> *We are governed, our minds are molded, our tastes formed, our ideas suggested largely by men we have never heard of … we are dominated by a relatively small number of persons who understand the mental processes and social patterns of the masses. It is they who pull the wires which control the public mind and who harness social forces and contrive new ways to bind and guide the world …*
>
> *It remains a fact in almost every act of our daily lives, whether in the sphere of politics or business, in our social conduct or our ethical thinking, we are dominated by this relatively small number of persons…*
>
> *As civilization has become more complex, and as the need for invisible government has been increasingly demonstrated, the technical means have been invented and developed by which opinion may be regimented."*
>
> **Edward Bernays (1891-1995)**
> In his book *'Propaganda'*
> Known as the '*Western Goebbels',* Mastermind of modern American Propaganda

**This next video will blow you away.** It demonstrates how Big Business and the U.S. government used very sophisticated psychological techniques to deceptively manipulate public opinion and lead people to believe lies. These techniques were developed by Edward Bernays, the nephew of Sigmund Freud.

He advised U.S. presidents and many large corporations to advertise and propagandize the American public into different group-think patterns, and was one of the engineers behind the Cold War.

**The stated purpose of his methods was to give those in power greater control over what he called the *'mass mind'*.** Watch this enlightening video on Edward Bernays…

Hitler's Nazi propaganda chief, Joseph Goebbels, was a big fan of Bernays. It is ironic that Bernays was Jewish. Look at what Goebbels said:

> *"If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie.*
>
> *It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State. The most brilliant propagandist technique will yield no success unless one fundamental principle is borne in mind constantly - it must confine itself to a few points and repeat them over and over. We have made the Reich by propaganda."*
>
> **Joseph Goebbels (1897-1945)**
> Nazi Minister of Public Enlightenment and Propaganda under Adolf Hitler

Notice how Joseph Goebbels' title "Minister of Public Enlightenment" was even deceptive. Here is an inside look at the level of manipulation that goes into preparing a presidential speech to ensure that people are left in the dark but feeling good about it.

> *"For thirty-six sleepless hours, three writers turned out draft after draft, reviewed by a White House deputy press secretary who offered terse comments like, 'Much too specific!' 'Ease up on factual references!' and 'Take it back and fuzz it up!'*
>
> *'Fuzz it up,' we discovered eventually, meant avoid all clear, factual statements about anything more specific than the time of day ... The speech was endlessly discussed for likely audience reactions, belief and attitude reinforcements, and implied meanings ... Would anyone take the empty rhetoric seriously? The speech read smoothly but said absolutely nothing about anything. This was precisely what it was intended to say. During audience interviews after the oration, most expressed satisfaction with the great man's words. 'Ike really gave it to them!' 'He has my vote!' 'I like the way he thinks!' Great speech!'"*

This next video explains how the American Association of Physicians and Surgeons believes that Barack Obama is using very sophisticated psychological persuasion techniques in his speeches based on the science of neuro-linguistic programming.

NLP as it is called is a highly manipulative verbal and communication system designed to get people to do what you want by applying highly suggestive and subtle verbal and physical techniques that bypass the conscious mind of unaware listeners.

I have been to a number of very expensive marketing seminars where they train top level executives, business owners and marketing professionals how to do this. These techniques are also used by hypnotists to get their subjects to do things subconsciously.

Using these techniques on people without their knowledge is evil and unethical. And most people have no idea these techniques are being used on them.

Very few people have any idea of the massive effort the U.S. government makes to influence the public about its policies.

**They spend billions of dollars doing it.**

> *"Why of course the people don't want war. Why should some poor slob on a farm want to risk his life in a war when the best he can get out of it is to come back to his farm in one piece?*
>
> *Naturally, the common people don't want war: neither in Russia, nor in England, nor for that matter in Germany. That is understood.*
>
> *But, after all, it is the leaders of the country who determine the policy and it is always a simple matter to drag the people along, whether it is a democracy, or a fascist dictatorship, or a parliament, or a communist dictatorship.*

*Voice or no voice, the people can always be brought to the bidding of the leaders. That is easy. All you have to do is tell them they are being attacked and denounce the peacemakers for lack of patriotism and exposing the country to danger. It works the same in any country."*

## Section 10

# Mass Deception through Technology & Science

Technology has even been developed for remote mind control. Here are a few quotes to give you an idea of how long this stuff has been in the works. This is not conspiracy stuff. It is very real.

> *"The ultimate achievement of bio-control may be the control of man himself.... The controlled subjects would never be permitted to think as individuals.*
>
> *A few months after birth, a surgeon would equip each child with a socket mounted under the scalp and electrodes reaching selected areas of brain tissue.... sensory perceptions and muscular activity could be either modified or completely controlled by bioelectric signals radiating from state-controlled transmitters."*
>
> **Curtiss Shafer**
> Electrical engineer, Norden-Ketay Corporation
> Speech to the National Electronics Conference in Chicago, 1956

---

> *"In this investigation it will be shown that the spoken word of the hypnotist may also be conveyed by modulated electromagnetic energy directly into the subconscious parts of the human brain... without employing any technical devices for receiving or transcoding the messages and without the person exposed to such influence having a chance to control the information input."*
>
> **Dr. J.F. Shapitz, 1974**

---

> *"When a part of your brain receives a tiny electrical impulse from outside sources, such as vision, hearing, etc., an emotion is produced - anger at the sight of a gang of boys beating an old woman, for example. The same emotions of anger can be created by artificial radio signals sent to your brain by a controller. You could instantly feel the same white hot anger without any apparent reason."*
>
> **Modern People Magazine, 1975**

Today, military weapons have been developed that emit frequencies capable of affecting the emotional and mental states of human targets. There is extensive and irrefutable proof that mind-control or “psychotronic” weapons exist. Their development has received substantial government funding through black operations, and they are being deployed in top-secret applications.

> *"We need a program of psychosurgery for political control of our society. The purpose is physical control of the mind. Everyone who deviates from the given norm can be surgically mutilated.*
>
> *The individual may think that the most important reality is his own existence, but this is only his personal point of view. This lacks historical perspective. Man does not have the right to develop his own mind.*
>
> *This kind of liberal orientation has great appeal. We must electronically control the brain. Someday armies and generals will be controlled by electric stimulation of the brain."*
>
> **Dr. Jose Delgado (1915-2011)**
> Director of Neuropsychiatry Yale University Medical School
> Congressional Record, No. 26, Vol. 118 February 24, 1974

This next video demonstrates some of the experiments of the very demented Dr. Jose Delgado whose quote you read above and how he used electromagnetic current to control the response of animals and humans.

It also shows some news clips and pictures of RFID chips that are currently on the market that can be implanted under the skin of animals and people to track them and provide personal information through scanning systems.

**The technology used in these experiments is being developed to control physical and mental functions.**

**WATCH VIDEO:** Micro-chip and Mind Control

Neuroscience has learned much about the brain's activity and its link to certain thoughts. It is now possible to even read a person's mind.

**WATCH VIDEO:** Technology for reading your mind

There is even technology in place that is believed to remotely control weather and manipulate human behavior from hundreds and even thousands of miles away.

**WATCH VIDEO:** HAARP - Engineer weather, manipulate brains remotely (2 Parts)

**Biblical examples of how sound frequency was used as a spiritual and physical weapon**:

*"Whenever the spirit from God came upon Saul, David would take his harp and play. Then relief would come to Saul; he would feel better, and the evil spirit would leave him.*
**– 1 Samuel 16:23 NIV**

---

*"When the trumpets sounded, the people shouted, and at the sound of the trumpet, when the people gave a loud shout, the wall collapsed; so every man charged straight in, and they took the city."*
**– Joshua 6:20-21**

There is a much higher level of mind control than what I'm reviewing in this section. It is typically used in high-level secret government projects, but it also has applications in the occult world.

Some examples of government or military applications are portrayed in movies such as **The Bourne Identity** with Matt Damon, **The Manchurian Candidate** with Denzel Washington, and **Conspiracy Theory** with Mel Gibson. **Enemy of the State** with Will Smith gives you an idea of sophisticated tracking technology.

The technologies and techniques I'm discussing are all very real. They have been exposed through accounts from participants and whistleblowers, leaked information, investigative reporting, and documentaries.

Hollywood has used these subjects for entertainment. But these movies can help you visualize the sinister applications of the technologies and techniques I'm discussing.

*"The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists".*

**J. Edgar Hoover (1895-1972)**
FBI Director
Quoted in The Elks Magazine, August 1956

*"For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence--on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.*

*It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations.*

*Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed. It conducts the Cold War, in short, with a war-time discipline no democracy would ever hope or wish to match."*

**John F. Kennedy (1917-1963)**
35th President of the United States, assassinated
Waldorf-Astoria Hotel New York City, April 27, 1961

The next video connects these concerns about technology with the political and financial changes discussed earlier. It includes underreported news clips about the U.S. government's behind-the-scenes agreement to form a North American Union. The plan is to merge the United States with Mexico and Canada and create a regional currency, much like the EU has done in Europe.

These plans are being advanced without congressional or voter approval, under the deceptive guise of trade agreements.

The video also explains how the media and the war on terror are being used to condition people to give up their rights and freedoms in exchange for the illusion of protection from terrorists.

These are the preliminary steps for the final phase of merging countries of the world into a one-world government. And as you may recall from the quotes I showed you earlier regarding the global financial crisis, many world leaders are already stepping into line and calling for this to become a reality soon.

The ultimate goal is to have everyone micro-chipped for financial and mind control. This video also includes news reports on this. This is not just a conspiracy theory. The groundwork is being laid right now. It is time to wake up.

**SECTION SUMMARY:** I personally DON'T think the current chipping technology that is being deployed is the Mark that is referred to in the Book of Revelation, because:

1. No one is being forced to receive it. **YET!**
2. There is no spiritual or governmental allegiance required. **YET!**
3. It is not currently a requirement for buying or selling. **YET!**

**Right now, there is a conditioning period going on.**

This is done through media propaganda promoting uses for the chip that appeal to people's logic and emotions, such as cases involving lost pets, elderly people with memory problems, people with diseases, and children who could be abducted.

I believe we have a number of years before a system requiring everyone to be micro-chipped is even logistically possible. But look at the self-scanning systems already in place in many grocery stores and places like Lowe's and Home Depot.

I believe that in the not-too-distant future, once these systems are in place, another major financial crisis worse than the one we're experiencing now will be intentionally triggered. Most likely on a global scale. That crisis will then be used as the catalyst for forcing a cashless system on the public, with the claim that it is necessary to save the economy.

Once that cashless system is in place, a requirement to be micro-chipped will be much more likely. This will eventually involve a one-world government with a spiritual and political leader at the helm.

## Section 11

# Mass Deception through Aliens and UFOs

I thought I was finished writing about the different categories of mass deception after the previous section. But God made it very clear that I was to add this final section.

**I was not too keen on doing it. I did not want to write about aliens and UFOs.**

I knew the subject could create controversy or even get me labeled a nut. But I knew I was supposed to do it, so what follows is what God led me to research and write.

I had hundreds of quotes to choose from. Here are a few I found especially intriguing…

> *"The nations of the world will have to unite, for the next war will be an interplanetary war. The nations of the earth must someday make a common front against attack by people from other planets."*
>
> **General Douglas MacArthur (1880-1964)**
> Former American General and Chief of Staff of the United States, Oct 8,1955

> *"I looked out the window and saw this white light. It was zigzagging around. I went up to the pilot and said, "Have you ever seen anything like that?"*
>
> *He was shocked and he said, "Nope." And I said to him: "Let's follow it!"*
>
> *We followed it for several minutes. It was a bright white light. We followed it to Bakersfield, and all of a sudden to our utter amazement it went straight up into the heavens.*
>
> *When I got off the plane I told Nancy all about it.*
>
> *But we didn't file a report on the object because for a long time they considered you a nut if you saw a UFO."*

*"I am convinced that UFOs exist because I have seen one."*

**Jimmy Carter (1924-2024)**
39th President of the United States
Five-time nominee for the Nobel Peace Prize

---

*"With our obsession with antagonisms of the moment, we often forget how much unites all the members of humanity.*

*I occasionally think how quickly our differences, worldwide, would vanish if we were facing an alien threat from outside this world."*

**Ronald Reagan (1911-2004)**
40th President of the United States

---

*"Today America would be outraged if UN troops entered Los Angeles to restore order. Tomorrow they will be grateful! This is especially true if they were told that there was an outside threat from beyond, whether real or promulgated, that threatened our very existence.*

*It is then that all people of the world will plead to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government."*

**Henry Kissinger (1923-2023)**
National Security Advisor & Secretary of State, 1991 Bilderberg Conference

---

*"All Apollo and Gemini flights were followed, both at a distance and sometimes also quite closely, by space vehicles of extraterrestrial origin - flying saucers, or UFOs, if you want to call them by that name. Every time it occurred, the astronauts informed Mission Control, who then ordered absolute silence."*

**Maurice Chatelain (1909-1995)**
French Aerospace Engineer and NASA sub-contractor

*"The phenomenon of UFOs does exist, and it must be treated seriously."*

**Mikhail Gorbachev (1931-2022)**
Russian Head of State (Soviet Youth, May 4, 1990)

---

*"Extraterrestrial contact is a real phenomenon. The Vatican is receiving much information about extraterrestrials and their contacts with humans from its Nuncios (embassies) in various countries, such as Mexico, Chile and Venezuela."*

**Monsignor Corrado Balducci (1923-2008)**
Roman Catholic Theologian, exorcist for the Archdiocese of Rome and staunch believer in extraterrestrials.

**I am sure you noticed by now these were all very credible people.**

Even a couple of presidents were in the mix. Why would people of this caliber publicly make such statements when they risk losing their hard-earned reputations?

Good question. My purpose for including this section is to demonstrate with credible biblical evidence that there is a mass deception going on in regard to UFOs and aliens, and to do it from a Christian perspective.

**First, I want to tell you right up front I believe there are UFOs and aliens**.

You cannot look at the historic proof and not come to the same conclusion. But I believe the beings described as aliens are fallen angels or demons, or possibly spiritual powers and principalities, not creatures from another galaxy.

In the last 50 years, our culture has been increasingly saturated with aliens and UFOs. In fact, there is an obsession with aliens and UFOs.

Look at the popularity of movies like Star Wars series, Star Trek series, Alien series and TV series such as Alien Nation, the Stargate series, Babylon 5 series, comedies like ALF, Mork and Mindy, and 3rd Rock from the Sun. These were a few off the top of my head, but the list goes on.

I believe with the onslaught of aliens and space creatures in modern day TV, movies and literature the stage has now been set for a global mass deception involving a false messiah or savior.

The majority of people now believe in the existence of UFOs. Remember what I mentioned earlier about TV creating people's reality. Guess what? It works. Most people have never seen a UFO, or an alien. And yet they believe in them.

Many people claim to have seen a UFO. And a startling number of people claim to have been abducted by aliens. Worldwide stories of UFO sightings and alien abductions are increasing at a rapid rate.

**From the research I have done, here are some interesting facts about UFOs and aliens from a biblical perspective…**

- Accounts of alien abductions closely resemble stories of historically documented demonic encounters in the middle ages.
- Many people who are abducted have been involved in the occult in some manner, even if it seems very innocuous. Regardless of their intentions, that opens up a spiritual channel to the demonic realm.
- Alien abductions appear to be generational, meaning they recur across generations of the same family. The Bible states that iniquity that is not dealt with can last up to the third and fourth generation.
- In the limited cases of true Christians being abducted, they were typically involved in playing around with the occult in some fashion.
- The aliens flee at the mention of the name of Jesus Christ.
- Many New Age religions and cults are now channeling spirits that claim to be aliens and to have planted human beings on earth. These spirits say they will be returning soon to help us advance to the next level of spiritual enlightenment.
- This same claim is being parroted by many of the people who are abducted.
- The aliens go out of their way to claim that Jesus was just an enlightened being who realized his full divine potential and they will help all mankind do the same.
- Many new age religions and cults adamantly believe that the messiah and the savior of the world will be coming from another planet in a spacecraft. And he is coming soon.
- Followers of these religions and cults also believe that Christians are the main obstacle to this alien savior's return because of what they see as Christians' closed-mindedness and rigid thinking.
- They believe Christians need to be cleansed from the earth before he comes back.

- During abductions the common theme is sexual experimentation. I don't want to get too graphic here, but the abductees typically feel like they have been used as part of a cloning program.
- Another common theme with abductions is that the aliens often times have humans evaluate children that appear to have been born or raised in the spaceships. The aliens want to know if the abductees can tell if there are any features of the children that do not look entirely human.
- All alien abductions involve a very high level of mind control that leaves the victims paralyzed and unable to run away. Victims also experience having their thoughts read and being able to understand the thoughts of the aliens when allowed.
- There has **never** been an atmospheric entry reported of a UFO as if coming from another planet or galaxy. They are always inter-dimensional as in "now you see it, now you don't". Basically, from the invisible to the visible. From the spirit realm to the natural realm.
- Throughout history, all ancient cultures have described groups of "gods" with supernatural powers who gave humans highly sophisticated knowledge.
- Ancient cultures such as Ancient Egypt, Sumerian, Maya, and Aztec cultures all had advanced technology that modern science cannot explain or understand. From mathematics, cutting and moving huge stones to astrological tracking these societies were very sophisticated in ways that are often downplayed in our history books today. Modern science is very puzzled about how to deal with this reality. Kind of throws evolution a curveball.
- A video interview linked below features Colonel Philip Corso explaining how technology recovered from a crashed UFO was reverse-engineered to develop advanced military technology.
- Throughout ancient history all cultures depict flying objects with god-like or superhuman entities riding in them. It is represented in all their artwork.
- All these ancient cultures speak of these *'gods'* coming to earth and mating with humans and producing offspring such as Hercules, the Titans.
- World leaders have even made comments to the press or in speeches about the world uniting if there was a threat to humanity from outside this planet.
- Modern culture has been brainwashed to believe these beings come from other planets. This sets the stage for a "higher being" to appear, claim to come from another planet, and present himself as the savior or messiah of mankind.

If you were not already aware of this information, you may find yourself saying that makes total sense. God will confirm it for you as we go along.

*"Dear friends, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world. This is how you can recognize the Spirit of God: Every spirit that acknowledges that Jesus Christ has come in the flesh is from God, but every spirit that does not acknowledge Jesus is not from God."*

**– 1 John 4:1-3 NIV**

The first thing we need to establish biblically is that angels do in fact interact with humans. The Bible has a number of examples of this happening…

*"The two angels arrived at Sodom in the evening, and Lot was sitting in the gateway of the city. When he saw them, he got up to meet them and bowed down with his face to the ground." My lords," he said, "please turn aside to your servant's house. You can wash your feet and spend the night and then go on your way early in the morning."*

**– Genesis 19:1-2 NIV**

---

*"With the coming of dawn, the angels urged Lot, saying, "Hurry! Take your wife and your two daughters who are here, or you will be swept away when the city is punished*."

**– Genesis 19:15 NIV**

---

*"Then the angel said to him, "Put on your clothes and sandals." And Peter did so. "Wrap your cloak around you and follow me," the angel told him. Peter followed him out of the prison, but he had no idea that what the angel was doing was really happening; he thought he was seeing a vision.*

*They passed the first and second guards and came to the iron gate leading to the city. It opened for them by itself, and they went through it. When they had walked the length of one street, suddenly the angel left him."*

**– Acts 12:8-10 NIV**

---

*"Last night an angel of the God whose I am and whom I serve stood beside me and said, 'Do not be afraid, Paul. You must stand trial before Caesar…"*

**– Acts 27:23-24 NIV**

*"Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it."*

**– Hebrews 13:2-3 NIV**

So we should not have any issue with the fact angels interact with humans. The Bible is very clear that they do. Now the verses below establish that Satan can visit people in the physical realm and so can angels preaching something other than the true gospel…

*And no wonder, for Satan himself masquerades as an angel of light. It is not surprising, then, if his servants masquerade as servants of righteousness. Their end will be what their actions deserve.*

**– 2 Corinthians 11:14-15 NIV**

---

*"Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. "All this I will give you," he said, "if you will bow down and worship me." **Jesus said to him**, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.' Then the devil left him, and angels came and attended him."*

**– Matthew 4:8-11 NIV**

---

*"But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let him be eternally condemned!"*

**– Galatians 1:8 NIV**

So it appears that angels visit and interact with humans and fallen angels can too. But there is some additional evidence that is very intriguing.

There is an ancient book that was not included in the Bible called the Book of Enoch that mentions fallen angels in great detail. Many scholars who have studied it believe that it is a valid Hebrew text that the rabbis of Jesus' day quoted and used.

Most scholars don't consider it scripture, but it is a fascinating historical book that substantiates many things in the New and Old Testaments.

In fact, in **Lost in Translation,** the authors provide very credible evidence why Jesus would have been very familiar with the Book of Enoch. The main reason being many of the things He spoke about are prophetically spoken of in the Book of Enoch.

A prophetic passage from the Book of Enoch is mentioned in the book of Jude in the New Testament. It says...

*"Enoch, the seventh from Adam, prophesied about these men: "See, the Lord is coming with thousands upon thousands of his holy ones to judge everyone, and to convict all the ungodly of all the ungodly acts they have done in the ungodly way, and of all the harsh words ungodly sinners have spoken against him."*

**– Jude 14-16 NIV**

An interesting fact about Enoch is that he so pleased God, he was simply translated into the spirit realm. He never experienced a physical death. He must have been a very special friend of God for that to happen. The Bible says…

*"By faith Enoch was taken from this life, so that he did not experience death; he could not be found, because God had taken him away. For before he was taken, he was commended as one who pleased God."*

**– Hebrews 11:5 NIV**

With this in mind, let's look at a few more verses from the Bible and then we will go to some in-depth videos, audios and articles covering this alien/UFO deception in greater detail.

**Starting with the book of Luke…**

***Jesus said,*** *"Just as it was in the days of Noah, so also will it be in the days of the Son of Man.*

**– Luke 17: 26-27 NIV**

So how was it in the days of Noah? This passage will give us a clue…

*"And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, that the **sons of God** saw the daughters of men that they were fair; and they **took them wives** of all which they chose.*

*And the LORD said, "My spirit shall not always strive with man, for that he also is flesh: yet his days shall be a hundred and twenty years."*

*There were **giants** in the earth in those days; **and also after that**, when the sons of God came in unto the daughters of men, and they bare children to them, the same became **mighty men which were of old, men of renown**.*

*And GOD SAW that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD he that He had made man on the earth, and it grieved him at his heart.*

*And the LORD said ,"I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them ."But Noah found grace in the eyes of the LORD. These are the generations of Noah: Noah was a just man and* ***perfect in his generations****, and Noah walked with God.* **– Genesis 6:1-9 KJV**

**Several things I want to point out in this passage…**

**First,** the term *'sons of God'*, in the Hebrew, is a root word only used for angels. These were fallen angels not humans.

**Second,** when it says they *'took them wives'*, in Hebrew, the word means forcefully taken. This was most likely done against the will of the women.

**Third,** you will notice the resulting offspring are called giants, mighty men, men of renown. The original word is Nephilim which means *'fallen ones'*.

**Fourth**, you will notice it says in those days, *'and after that'*. This implies they were around a second time after an event. What event? After the flood.

And this is very interesting seeing how only Noah and his family survived the flood. We will see where they turned up shortly.

**Fifth**, you will notice it says "perfect in generations" when it describes Noah. That refers to the purity of Noah's blood, not him being a perfect man. That means something was done to pollute the bloodline of mankind.

Fallen angels inter-marrying with the daughters of man would surely do that. But why?

To figure that out, let's go back to the Garden of Eden when God said to Satan…

*And I will put enmity between thee and the woman, and* ***between thy seed and her seed****; it shall bruise thy head, and thou shalt bruise his heel."*
**– Genesis 3:15 KJV**

After Adam and Eve sinned God speaks a prophetic word to Satan. He says that the *'seed of woman'* will bruise Satan's head. That seed is ultimately Jesus, but it comes through the lineage of Adam all the way to Mary.

Jesus was born of the flesh but divinely conceived…

*"Joseph son of David, do not be afraid to take Mary home as your wife, because what is conceived in her is from the Holy Spirit. She will give birth to a son, and you are to give him the name Jesus, because he will save his people from their sins."*

**– Matthew 1:20-21 NIV**

But it also says there will be enmity between Satan's seed and the woman's seed. Seed refers to the ability to physically reproduce. Basically, God gave a prophetic warning that Satan would eventually be destroyed through the seed of the woman.

**But it also says Satan will have a seed**.

Could this be prophetically referring to the fallen angels intermarrying with the daughters of man?

There are several places in the Bible where Satan was aware a deliverer was coming to save Israel. During the time Moses (a type of deliverer) was about to be born Pharaoh ordered all the baby boys to be killed.

*"When you help the Hebrew women in childbirth and observe them on the delivery stool, if it is a boy, kill him; but if it is a girl, let her live."*

**– Exodus 1: 16-17 NIV**

Right after Jesus was born, Joseph was told to leave for Egypt because Herod had ordered all the baby boys to be killed.

*"An angel of the Lord appeared to Joseph in a dream. "Get up," he said, "take the child and his mother and escape to Egypt. Stay there until I tell you, for Herod is going to search for the child to kill him."*

**– Matthew 2:13 NIV**

In both cases Satan knew a deliverer was coming, but he just did not know exactly who or when. So he had ALL the baby boys killed. Imagine for a second if the mayor of your town ordered ALL the baby boys less than 2 years of age killed.

**Not only is it horrific, but it is also totally insane and evil.**

So let us realize Satan does not mess around. He is desperate to stop what God is doing and will go to any lengths to achieve it no matter how evil. Satan does not want to give up Planet Earth because he knows when he finally loses it, the game is all over.

Satan tried to stop Jesus from coming. In the Book of Revelation, he deceives the armies of the world into opposing Jesus when He returns…

*"Then I saw the beast and the kings of the earth and their armies gathered together to make war against the rider on the horse and his army."*

**– Revelation 19:19 NIV**

Stop and think about that one for a second. Satan has deceived the armies of the world to come against Jesus. How in the world could he do that?

Remember the quotes earlier from Ronald Reagan and Henry Kissinger about the world coming together if there was a threat to mankind outside this world**.** Remember we are in an age of deception. It is in every facet of our culture. The stage is being set for the ultimate battle.

**The Bible says that Satan is the prince of the power of the air.**

Two "powers of the air" to consider are flight and frequency. Think of UFOs in flight and the use of frequencies to transmit signals through the air and space, as with cell phones and satellites. Satan is believed to have been the Angel of Worship in Heaven, so he would most likely be aware of both flight and frequency and how to use them.

The Bible even describes a chariot and horses of fire appearing as Elijah was taken up to heaven. Someone witnessing an event like that today might describe it as a UFO.

Look at this account:

*"Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience."*

**– Ephesians 2:2 KJV**

The Bible even describes a chariot and horses of fire appearing as Elijah was taken up to heaven. This could possibly be a biblical description a UFO. Look at this account:

*"As they were walking along and talking together, suddenly a chariot of fire and horses of fire appeared and separated the two of them, and Elijah went up to heaven in a whirlwind. Elisha saw this and cried out, "My father! My father! The chariots and horsemen of Israel!" And Elisha saw him no more."*

**– 2 Kings 2:11-12 NIV**

Think back to the earlier sections on using frequency for mind control and having thoughts read by machines. Think about the testimonies from abductees who would have their minds read.

Having the power of the air would also explain the amazing way UFOs fly but also their ability to appear or disappear as if from another dimension, a spiritual dimension.

Following is a verse from Jude about fallen angels. Now keep in mind Jude also mentioned the prophetic word from the Book of Enoch about Jesus' return.

This verse makes sense in context of Genesis 6, especially after you read the Book of Enoch. Kept in darkness could simply mean out of the light of God. Bound with chains may mean they are bound to a certain place, such as earth.

*"And the angels who did not keep their positions of authority but abandoned their own home — these he has kept in darkness, bound with everlasting chains for judgment on the great Day."*

**– Jude 6 NIV**

In the book **Lost in Translation**, several Bible scholars who have studied the UFO/Alien issue believe the following verse in Daniel talking about the last days, may refer to Satan's seed i.e. fallen angels trying to pollute the human gene pool again through some type of breeding or mating program…

*"And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.*

**– Daniel 2:43 KJV**

They believe clay in the Bible refers to man. And iron refers to angels. Angels mingling with the seed of men sounds a lot like genetic experiments. A lot like what people who have been abducted by aliens describe.

They have also considered that this verse in Matthew may in fact be referring to Satan sowing his seed into the gene pool of mankind as well…

***Jesus told them another parable:*** *"The kingdom of heaven is like a man who sowed good seed in his field. But while everyone was sleeping, his enemy came and sowed weeds among the wheat, and went away. When the wheat sprouted and formed heads, then the weeds also appeared.*

*"The owner's servants came to him and said, 'Sir, didn't you sow good seed in your field? Where then did the weeds come from?'*

*"'An enemy did this,' he replied.*

*"The servants asked him, 'Do you want us to go and pull them up?'*

*"'No,' he answered, 'because while you are pulling the weeds, you may root up the wheat with them. Let both grow together until the harvest. At that time I will tell the harvesters: First collect the weeds and tie them in bundles to be burned; then gather the wheat and bring it into my barn.'"*

**– Matthew 13:24-30 NIV**

You will recall that David slew Goliath who was a giant, but if you look at the verses below it appears the Promised Land was infested with giants prior to that incident. So when it says in Genesis 6 that "*There were **giants** in the earth in those days; **and also after that**"*, it is referring to there being giants in the land again after the flood.

And you will recall only Noah and his family survived the flood. So how did the giants come around again, unless the same thing happened and the fallen angels intermarried with the daughters of man?

It appears the giants' purpose the second time was to keep the Israelites out of the Promised Land. That is because Jesus had to be born in Israel. Satan tries to thwart the plans of God. But ultimately he always loses. His time here is short and he knows it.

When you read the following verse, keep in mind when the Hebrew scouts came back and gave a report on the Promised Land, ten of them were VERY scared. They said the people in the land were so big, the Hebrews were like grasshoppers in their eyes. **There is no reason we should not take this literally as they emphasize it 3 times in their report…**

*"And they brought up an evil report of the land which they had searched unto the children of Israel, saying, The land, through which we have gone to*

*search it, is a land that **eateth up the inhabitants thereof**; and all the people that we saw in it are **men of a great stature**. And there we saw the **giants**, the sons of Anak, which come of the **giants**: and we were in our **own sight as grasshoppers**, and **so we were in their sight**."*

**– Numbers 13:32-33 KJV**

**These giants were obviously huge.**

No one knows for sure how big. There is a lot of speculation, but I have read estimates from at least 10 to 20 feet, with some as high as 36 feet. If they were only 10 feet tall, would it not cause you to say you were a grasshopper in their sight? 36 feet definitely would.

Also keep in mind there are many stories, legends and myths throughout history from Jack and the Beanstalk to the Cyclops in the Greek "myth" the Odyssey. Maybe there is some bit of truth to these stories. All ancient cultures have their stories of giants.

And finally keep in mind that Genesis 6 says these giants became… ***'the same became mighty men which were of old, men of renown.'*** That sounds like what you would say, if a race of giants became the stuff of myth and legends.

Here are some additional verses that demonstrate how prevalent giants were in the Promised Land…

*"Which also were accounted **giants**.."*

**– Deuteronomy 2:11 KJV**

*"That also was accounted a land of **giants: giants** dwelt therein in old time.."*

**– Deuteronomy 2:20 KJV**

*"For only Og king of Bashan remained of the remnant of **giants**…"*

**– Deuteronomy 3:11 KJV**

*"…which was called the land of **giants.**"*

**– Deuteronomy 3:13 KJV**

*"…which was of the remnant of the **giants**..."*

**– Joshua 12:4 KJV**

 ©2009-2026 Brett Rademacher ShofarGlobalNetwork.com 

*"… who remained of the remnant of the **giants**…"*
**– Joshua 13:12 KJV**

*"…which is at the end of the valley of the **giants** northward."*
**– Joshua 15:8 KJV**

*"And Joshua answered them, If thou be a **great people**, then get thee up to the wood country, and cut down for thyself there in the land of the Perizzites and of the **giants**, if mount Ephraim be too narrow for thee."*
**– Joshua 17:15 KJV**

*"… and which is in the valley of the **giants** on the north…"*
**– Joshua 18:16 KJV**

*"…where was a **man of great stature**, whose fingers and toes were four and twenty, six on each hand, and six on each foot: and he also was the **son of the giant**."*

*"These were born unto the **giant** in Gath…"*
**– 1 Chronicles 20:6,8 KJV**

*"… which was of the **sons of the giant**…"*
**– 2 Samuel 21:16 KJV**

*"…which was of the **sons of the giant**."*
**– 2 Samuel 21:18 KJV**

*…that was of the **children of the giant**: and they were subdued."*
**– 1 Chronicles 20:4 KJV**

Job is considered one of the oldest books in the Bible, if not the oldest. **Even Job mentions giants…**

*"He breaketh me with breach upon breach,*
*he runneth upon me **like a giant**."*
**– Job 16: 14 KJV**

It is very apparent that giants infested the Promised Land. In Genesis, it states where those giants came from – The Sons of God or rather fallen angels have taken the daughters of men.

And if you recall, God was adamant about the Israelites destroying all the resident people groups as they entered the Promised Land, including the women, children and livestock.

He is a **'loving God'**. Why would He do this?

*"This is what the Lord Almighty says: 'I will punish the Amalekites for what they did to Israel when they waylaid them as they came up from Egypt. Now go, attack the Amalekites and totally destroy everything that belongs to them. Do not spare them; put to death men and women, children and infants, cattle and sheep, camels and donkeys.'"*

**– 1 Samuel 15:2-3 NIV**

The word *'Amalekites'* above has in its root meaning the word *'giants'*.

It appears God knew these giants had to be completely removed from the land so there would be no chance of them intermarrying with the Hebrews and potentially polluting the bloodline through which Jesus would be born.

The **Book of Enoch** goes into detail about fallen angels and also discusses the Nephilim or giants. And 'Lost in Translation' covers many of the meanings of the Hebrew words. I recommend you read both.

One other thing I would like to point out regarding this particular verse:

**Jesus said,** *"At the resurrection people will neither marry nor be given in marriage; they will be like the angels in heaven."*

**– Matthew 22:30 NIV**

This verse at first seems to indicate that angels cannot procreate. But all this verse says is that they do not marry in heaven. We cannot assume fallen angels on earth cannot procreate. We don't know what has transpired with their fall.

We can procreate on earth, but it appears we do not in heaven. We really do not know yet what our eternal bodies will be like. It does sound like procreation is a physical function specifically reserved for the earthly realm.

In research into the accounts of demon attacks and abductions in medieval times, there was quite a bit of sexual assault reported. In the alien abduction reports, there are a lot of sexual experiments that seem to be specific to breeding or cloning.

And a number of female abductees report becoming pregnant shortly after the abduction. One theory on demons is that they are the spirits of the dead Nephilim/giants and they have no place to go, because they are not a creation of God. But most likely demons and angels are 2 entirely different entities.

As you watch the videos below you will start to realize that the “aliens” and “gods” of mythology throughout history are most likely the fallen angels and giants mentioned in Genesis 6.

Then Read the **Book of Enoch** and **Lost in Translation** , and all the pieces seem to fit.

The following videos, audio recordings, and articles examine aliens and UFOs from a biblical perspective. I think you will find them engaging and eye-opening.

The first documentary, UFOs - The Hidden Truth, begins with an overview of UFO accounts throughout history, including depictions in ancient artwork, before presenting a biblical explanation. It is one of the most comprehensive documentaries I have found on the subject. It covers sightings, face-to-face encounters, and alleged abductions, including the following topics:

- UFO sightings by Christopher Columbus and Alexander the Great
- Military pilot's encounter with UFOs
- Kenneth Arnold's historic sighting of UFOs over the Cascade mountains
- Recently released FBI documents on UFOs
- Evidence that UFOs exist as seen in film footage taken by American Astronauts
- Jimmy Carter and Ronald Reagan tell of their UFO sightings
- The truth about Project Blue Book...and much more

UFOs, Angels and God brings together UFO researchers and Bible scholars to examine UFO sightings, alien abductions, and ancient accounts of angels and gods from a biblical perspective. It also considers what biblical prophecy says about the role of UFOs in the future. This video is an extended excerpt from the original documentary.

In this next video, Chuck Missler makes a comprehensive presentation referencing numerous scriptures that tie together UFOs, aliens, abductions and end time events. This is a must watch video. There is one section that is a little technical and slow, but just keep watching.

There is excellent information in here.

**WATCH VIDEO:** Dr. Chuck Missler - Return Of The Nephilim

Chuck Missler, a Naval academy graduate and former Branch Chief of the Dept. of Guided Missiles, had a remarkable 30-year executive career. He served on the Board of Directors of 12 public companies and was CEO of 6 of them.

For twenty years Chuck balanced his high-profile corporate career with his teaching commitment to a weekly Bible study at Calvary Chapel Costa Mesa in Southern California.

Chuck's ministry, Koinonia House in Coeur d'Alene, Idaho, reaches tens of thousands through its monthly newsletter, radio shows, cassette tapes, and conferences. More than eight million study tapes have been distributed in the U.S. and in over 35 countries around the world.

**SECTION SUMMARY:** Let me finish this section by saying I know this alien/UFO thing is a crazy subject to talk about. But God obviously felt it was important for me to put it in here, because I had no plans to include this information until He prompted me to do it.

I hope I have presented some intelligent information that will give you a better idea of the mass deception that is going on with aliens and UFOs.

**The evidence suggests aliens and UFOs are just the latest reinvention to deceive mankind.**

It appears that Satan, along with the aliens (fallen angels or demonic spirits) and UFOs, is involved with cloning and preparing the earth for an "alien" visitation from an "enlightened being" that will lead us into a higher level of spiritual consciousness and deceive the entire world into believing that he is the savior of the world.

*"All inhabitants of the earth will worship the beast."*
**– Revelation 13:8 NIV**

Some scholars believe the word "beast" refers to the fact that this man of deception will be a clone that carries the spirit of the anti-Christ in it. That would explain the cloning experiments going on with the alien abductions.

And there may be more to the abductions. Cloning humans would allow demonic spirits to possess a human body, without the soul of a human to contend with. This would allow demonic spirits to operate in the physical world to influence humans and worldly events.

But the bottom line is when it comes to a subject like aliens and UFOs, you definitely want to be led of the Lord on how much research you do.

**There are some real wild tangents you can go off in the alien/UFO realm**.

Most of the guys involved in this research are not Christians and they are open to being greatly deceived. A lot of the stuff out there is a total waste of time to even look at. And some of it could lead you into the occult and demonic realm real fast.

Remember these are fallen angels. This stuff is not to be played around with and it is not a game. It is the spiritual realm, and we are only flesh and blood. If we are messing around with stuff we should not be, we run the risk of not having the protection of God on our side by not being in His will.

With the videos, audios and articles referenced above, plus the few additional books I suggested, you have more than enough information to be aware that there definitely is an alien/UFO deception going on. It appears they are fallen angels and/or demons and the Bible warns us about being deceived by angels.

Unless the Lord leads you to research further, my suggestion is to file this information away. If the kind of supposed alien visitation I've described ever takes place, you will have a foundational spiritual understanding of the deception involved.

**Jesus said,** *"There will be signs in the sun, moon and stars. On the earth, nations will be in anguish and perplexity at the roaring and tossing of the sea. Men will faint from terror, apprehensive of what is coming on the world, for the heavenly bodies will be shaken."*

**– Luke 21:25-27 NIV**

---

*"Now, brothers, about times and dates we do not need to write to you, for you know very well that the day of the Lord will come like a thief in the night. While people are saying, "Peace and safety," destruction will come on them suddenly, as labor pains on a pregnant woman, and they will not escape."*

**– 1 Thessalonians 5:1-3 NIV**

---

*"Don't let anyone deceive you in any way, for that day will not come until the rebellion occurs and the man of lawlessness is revealed, the man doomed to destruction. He will oppose and will exalt himself over everything that is called God or is worshiped, so that he sets himself up in God's temple, proclaiming himself to be God." Don't you remember that when I was with you I used to tell you these things? And now you know what is holding him back, so that he may be revealed at the proper time. For the secret power of lawlessness is already at work; but the one who now holds it back will continue to do so till he is taken out of the way. And then the lawless one will be revealed whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming.*

*"The coming of the lawless one will be in accordance with the work of Satan displayed in all kinds of counterfeit miracles, signs and wonders, and in every sort of evil that deceives those who are perishing. They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie and so that all will be condemned who have not believed the truth but have delighted in wickedness."*

**– 2 Thessalonians 2:3-12 NIV**

*"Do not let anyone who delights in false humility and the worship of angels disqualify you for the prize. Such a person goes into great detail about what he has seen, and his unspiritual mind puffs him up with idle notions."*

**– Colossians 2:18-19 NIV**

---

*"Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.*

*Therefore, put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace.*

*In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints."*

**– Ephesians 6:10-18 NIV**

---

**Jesus said,** *"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."*

**– John 16:33 NIV**

## SECTION 12

# Mass Deception Summary

## We are finally done with the Mass Deception sections, but knowing this life-changing information is just the beginning!

I want to congratulate you for getting through this. I know that was a lot of heavy-duty information to take in at once. Some of it may have been shocking, overwhelming, depressing or discouraging. But knowing this information and doing something with it are two completely different things.

> **Morpheus:** *"Neo, sooner or later you're going to realize just as I did that there's a difference between knowing the path and walking the path."*

Here are a few more clips from The Matrix to help illustrate the difference between knowing the truth and learning how to act on it. In the earlier clips, Neo chooses to learn the truth, takes the red pill, and is unplugged from the Matrix.

He then has to learn how to function within that system and help others get out. In this first clip, he begins learning those skills.

**WATCH VIDEO:** Neo Kung Fu Training

In this clip, Neo learns that he must have a whole new level of faith to successfully operate within the Matrix.

**WATCH VIDEO:** Neo Jump Training

**We live in a time when faith in God is absolutely essential.** That means trusting Him and following His leading, even when we cannot see what is ahead.

*"Just as it is written: The righteous will live by faith."*
**– Romans 1:17 NIV**

---

*"We live by faith, not by sight."*
**– 2 Corinthians 5:7 NIV**

*"David, Samuel and the prophets, who through faith conquered kingdoms, administered justice, and gained what was promised; who shut the mouths of lions, quenched the fury of the flames, and escaped the edge of the sword; whose weakness was turned to strength; and who became powerful in battle and routed foreign armies."*

**– Hebrews 11:32-34 NIV**

---

*"Now faith is being sure of what we hope for and certain of what we do not see."*

**– Hebrews 11:1 NIV**

---

*"And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him."*

**– Hebrews 11:6 NIV**

---

*"Fight the good fight of the faith."*

**– 1 Timothy 6:12 NIV**

In this clip Neo realizes he can be victorious within **The Matrix.**

**WATCH VIDEO:** Neo Defeats Agent Smith

> **Morpheus:** *"The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save.*
>
> *But until we do, these people are still a part of that system and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system that they will fight to protect it."*

As Christians, we are called to love people caught in deception and help them come to know the truth. In this next clip, Neo has learned how to operate within the Matrix and is able to help pull other people out.

## Jesus said, *"For nothing will be impossible with God."*
## – Luke 1:37 ESV

This short video offers an insightful Christian perspective commentary on **The Matrix** …

**WATCH VIDEO:** Commentary on The Matrix **(Newer, MUCH better commentary)**

I have threaded clips from The Matrix throughout this document because they provide a visual illustration of the deception I'm describing.

Satan has blinded this world to the truth. Through that deception, he has used people to build a world system that keeps others from recognizing what is really going on. This world system is about to come crashing down financially. At the same time, we are seeing the beginning stages of a very evil global control system unlike anything the world has ever seen.

The separate Shofar Global Network Overview document explains the vision for connecting like-minded, Spirit-led believers, preparing for turbulent times, and helping one another do what God is calling us to do. You can access the PDF here.

One final comment on the Mass Deception sections: I know all this has been intense. Learning the truth can be a bit of a shock when you realize you've been deceived.

Before we move on, I want to encourage you. Bring what you've read before the Lord and ask Him what He wants you to do with it. Don't let fear drive your decisions. Listen to Him, trust Him, and follow His leading.

**Know that God is completely in control…**

**– Psalms 138:8 NIV**

*"Many are the plans in a man's heart, but it is the Lord's purpose that prevails".*
**– Proverbs 19:21 NIV**

*"I am God, and there is no other; I am God, and there is none like me. I make known the end from the beginning, from ancient times, what is still to come. I say: My purpose will stand, and I will do all that I please. From the east I summon a bird of prey; from a far-off land, a man to fulfill my purpose. What I have said, that will I bring about; what I have planned, that will I do."*

**– Isaiah 46:9-11 NIV**

**– 1 John 5:4-5 NIV**

---

*"And do this, understanding the present time. The hour has come for you to wake up from your slumber, because our salvation is nearer now than when we first believed. The night is nearly over; the day is almost here. So let us put aside the deeds of darkness and put on the armor of light."*

**– Romans 13:11-13 NIV**

---

*"Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."*

**– Philippians 4:6-7 NIV**

---

*"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers."*

**– Galatians 6:9-10 NIV**

# Shofar Global Manifesto Conclusion

As I mentioned at the beginning, I had so much information I could write a book. The Shofar Global Manifesto, which I wrote in 2009, ended up being a small book. Thank you for taking the time to read it. And this is still just the tip of the iceberg. There is much more I have to share.

I hope this information has helped you see more clearly what is happening in the world. My intention was not to scare you, but to help you recognize the deception and understand why preparation matters.

These things are happening whether people recognize them or not. Being unaware of them does not protect us from their destructive effects.

**So what does all this have to do with this vision for a global network?** It has everything to do with the **Shofar Global Network**.

I believe God has called me to help believers understand what is really happening in the world and prepare for the turbulent times ahead. I also believe I am supposed to help them share this information with others, both believers and non-believers.

**I included many Scriptures so this document could also help non-believers see that what the Bible says about these times is true.**

I feel many believers around the world are already being called by God to connect through a global Christian business network. The Shofar Global Network will bring those people together through the Internet and provide information, training, resources, and opportunities to help them do what God is calling them to do.

One of the network's major roles will be to provide reliable information on a wide range of relevant topics from a Spirit-led Christian and biblical perspective. I cover these topics and the broader vision in the Shofar Global Network Overview..

I believe we are now experiencing just the initial warning signs…

**Then Jesus said to them**, *"Nation will rise against nation, and kingdom against kingdom. There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven."*

**– Luke 21:10-11 NIV**

**Jesus said**, *"You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains."*

**– Matthew 24:4-8 NIV**

**Ask God if this is not so. He will tell you.**

We are seeing these things happen right before our eyes. Look at the constant stream of news reports on wars, famines, droughts, pestilence, and natural disasters.

Do you remember it being like this 10, 20, or 30 years ago? We have been spiritually lulled to sleep by the media.

*"Have nothing to do with the fruitless deeds of darkness, but rather expose them. For it is shameful even to mention what the disobedient do in secret. But everything exposed by the light becomes visible, for it is light that makes everything visible.*

*This is why it is said: "Wake up, O sleeper, rise from the dead, and Christ will shine on you." Be very careful, then, how you live — not as unwise but as wise, making the most of every opportunity, because the days are evil. Therefore do not be foolish, but understand what the Lord's will is."*

**– Ephesians 5:11-18 NIV**

That is why it is so important to get this document into the hands of people around the world as quickly as possible. Please share it with people you love and care about, and with others you know would be interested.

By passing it along, you can help people become informed and connect with like-minded believers through the Shofar Global Network.

Together, we can help people recognize this system of control and break free from the spiritual bondage it creates.

*"The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it."*

*"It's from numberless diverse acts of courage and belief that human history is shaped. Each time a person stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, she sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current which can sweep down the mightiest walls of oppression and resistance."*

***Jesus said,*** *"His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!"*

**– Matthew 25:21 NIV**

That's what I want to hear from the Lord one day. I want to be faithful with the ideas, abilities, and resources He has entrusted to me. That's part of what the Shofar Global Network is about: connecting like-minded, Spirit-led believers so we can help one another do what God is calling us to do.

# About Brett Rademacher

The Shofar Global Network vision began in 1996 while I was driving down a highway in Texas. God told me, *"You are going to have a global marketing organization involving many people using cutting edge technology."*

At the time, I didn't realize God was speaking to me. I thought it was just a random thought. I wasn't doing anything global, and I had no technological background. I had no idea where those words would lead.

In 1998, while living in Alaska, God gave me ideas and a business model that would eventually help me become a pioneer in Internet-based remote sales and one of the best in the world in my niche.

At the end of 2000, while reading God@Work by Rich Marshall, I had an encounter with God that lasted several weeks. During that time, He began giving me the initial pieces of a global Christian business network. That network was not the Shofar Global Network. It was basically a training run that helped prepare me for what would come later.

God also made it very clear that I was to be bold about my faith in the marketplace, even when it made me look foolish. I knew this would change everything about my life. A short time later, God told me, *"Go to church and get anointed with oil for business."* I promptly did, and just about everything I was working on took off like a rocket ship. But that was just the beginning.

In 2003, I met a Christian minister with a prophetic gifting at an airport in Hawaii. A few months later, she contacted me with a word God had given her for me. The short version was, *"You're going to come into some times of being abased. Don't fight it or it will take longer. I have purposed it because I have many plans for you and much for you to do."*

The years since then have included success, setbacks, and many challenging experiences. God has used those experiences to deepen my spiritual understanding and prepare me for the Shofar Global Network. I've had to learn to listen, trust Him, and follow His leading, even when it was hard and I couldn't see what was ahead.

Over time, He's given me a deeper understanding of those words from 1996. I've come to realize they meant something very different from what I originally thought.

The vision God has given me for the Shofar Global Network is to connect like-minded, Spirit-led believers around the world, providing information, training, and resources to help them prepare for turbulent times and do what God is calling them to do.
