SHOFAR GLOBAL NETWORK

Shofar Global Network Overview

The Abridged Version

BRETT RADEMACHER

Time is truly of the essence.

"I have a God-given vision for a global, Christian business network of like-minded, Spirit-led believers that provides information, training, resources and opportunities for the turbulent times ahead."

- Brett Rademacher

Shofar Global Network Overview Preface

Shortly after God had me do a 40-day water-only fast in 2009, He led me to research and write a 150-page document covering 18 areas of mass deception going on in the world.

The primary emphasis was on how pervasive and all-encompassing that deception was.

Because of that, I emphasized that the only way we would be able to operate in truth was to hear God's voice clearly, obey His leading, and walk in His ways.

I named the document the **Shofar Global Manifesto**. Its 13th and final section outlined the vision for the **Shofar Global Network**. After I completed that section, God made it clear that I was not to include it in the Manifesto or release it in 2009, because it was not yet time to launch the network.

On May 27, 2024, I was prophetically released to launch the Shofar Global Network, 15 years after writing that original vision.

This overview is based on that original section and has been edited and expanded to include later developments. It describes the broader vision and planned areas of development for the Shofar Global Network.

When I originally wrote these documents, I primarily used Scripture quotations from the NIV. Although I now primarily use the ESV, I've retained the NIV quotations in this overview.

Shofar Global Network Overview

(The Abridged Version)

The Shofar Global Network is a God-inspired worldwide network of like-minded, Spirit-Led believers that will provide alternative information based on truth, self-sustaining resources to help you be independent as much as it is humanly possible, and timely business opportunities globally for successfully living in these turbulent and trying times.

A large part of this vision is centered on the concept of self-sustaining. What do I mean by self-sustaining? A dictionary definition says, 'able to sustain oneself independently'.

The broader vision brings together spiritual community, training, innovation, technology, business development, practical resources, and outreach. Co-Creating with GOD: Spirit-Led Innovation is a foundational part of that vision.

Why should you consider learning how to be self-sustaining right now?

Well there are a number of reasons to consider:

1. What is your basis for spiritual truth? Are you hearing from God? Is He speaking to you? Are you listening? If you are not now, how will it happen when times get really tough?
2. Will you have a Spirit-Led Christian support system and relationships in place for when things get really bad?
3. How will you be able to connect with other like-minded believers of the same Spirit who have similar interests if you are not finding them in your neighborhood or church?
4. Where will you get the reliable information, sources, training and opportunities to be able to deal with these possible scenarios based on a Christian perspective?
5. How will you have the time and energy to be able to find and sort out the relevant information necessary to answer the questions above without having information overload? How will you do it in a time of crisis?

6. You may lose your job or have a reduction in pay, or not be able to get a job in the current marketplace. How will you pay your bills if your savings are gone and your credit cards are maxed out and you can't find work?
7. How are you going to generate the extra money needed to cover skyrocketing expenses when you already work full-time, possibly 2 or 3 jobs, and there is only so much you can do in 24 hours? And that is if the jobs are even available.
8. As the cost of living goes up, what plans do you have for getting things at the best possible price?
9. If the stock, bond, real estate and traditional business markets have all crashed, and inflation really takes off, how are you going to have the necessary funds to deal with hyper-inflation to buy the basic necessities, pay the rent or mortgage and bills?
10. What happens if there are more gas shortages or the prices go skyrocketing again? Will you be able to afford the high price of gas in addition to all the other high prices? How will you be able to afford to pay your bills and feed your family too?
11. The conventional food supply is grown with toxic chemicals and is nutrient deficient. It is now being genetically modified and cloned. How will that affect your health? How will that affect your mind and your spirit?
12. Access to food may become an issue if expected food shortages become a reality. Where will you get your food if the grocery stores run out or the prices are too high?
13. If there is a biological or ecological disaster in your area, such as the Katrina hurricane that hit New Orleans, are you prepared to survive, or make a living in that kind of scenario? It was very apparent the government was not up to the task.
14. What if you did not have access to power or water for days or weeks?
15. What happens as a one world government and financial system starts becoming a reality in your life? Are you prepared for what that really means?
16. How will you help others, if you are not in a position to take care of yourself and your family?

These are important questions you need to be able to answer. And most people would not have the first clue how to answer most of them.

"Therefore, prepare your minds for action; be self-controlled;
set your hope fully on the grace to be given you when Jesus Christ is revealed."
– 1 Peter 1:13

I am not an alarmist. But I believe there are many things going on in the global arena that are cause for great concern. I believe God has called me to create the Shofar Global Network for such a time as this.

And even though we are seeing troubling times now, I believe they will get much worse. But I also believe we are in for some very exciting times as well.

I believe we will see God move in our lives like never before if we are listening and obeying.

I have been walking this path since 1996. After writing the vision in 2009, I have had to wait on God's timing to launch the Shofar Global Network.

I have received many prophetic words over the years. I believe God has called me to sound the shofar to warn and assemble those who are called and have ears to hear.

NOW is the time to SOUND the Shofar…

"If the trumpet does not sound a clear call,
who will get ready for battle?"

1 Corinthians 14:8

It is time to get ready!
God is calling us to get ready.

Jesus said, *"Be dressed, ready for service and keep your lamps burning, like men waiting for their master to return from a wedding banquet, so that when he comes and knocks, they can immediately open the door for him."*
– Luke 12:35-36 NIV

We must be aware of the times we are in.

How will you stay informed in a wide variety of essential areas if the media is more about entertainment and biased misinformation than the truth?

"A prudent man sees danger and takes refuge,
but the simple keep going and suffer for it."
– Proverbs 22:3 NIV

We do not want to operate out of the spirit of fear the media is creating either…

"Have no fear of sudden disaster or of the ruin that overtakes the wicked,
for the Lord will be your confidence and will keep your foot from being snared."
– Proverbs 3:25-26 NIV

It is very important we have the right information in order to prepare for the times ahead…

"Make plans by seeking advice."
– Proverbs 20:18 NIV

"Plans fail for lack of counsel, but with many advisers they succeed."
– Proverbs 15:22 NIV

The key to finding the truth in all of this is being led by the spirit of God. That is the only way.

Jesus said, *"But when he, the Spirit of truth, comes, he will guide you into all truth. He will not speak on his own; he will speak only what he hears, and he will tell you what is yet to come."*
– John 16:13 NIV

Jesus did not come to just save us, but to give us abundant life in the here and now, and we are called to be overcomers in this world, not just waiting to check out.

Jesus said, *"The thief cometh not, but for to steal, and to kill, and to destroy. I am come that they might have life, and that they might have it more abundantly."*
– John 10:10 KJV

Jesus said, *"Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me. To him who overcomes, I will give the right to sit with me on my throne, just as I overcame and sat down with my Father on his throne. He who has an ear, let him hear what the Spirit says to the churches."*
– Revelation 3:20-22 NIV

I believe to the core of my being that God will provide for those people who are following and listening to Him and not the world system during these turbulent times.

God makes it very clear that He provides for those who trust in Him…

This is what God the Lord says — he who created the heavens and stretched them out, who spread out the earth and all that comes out of it, who gives breath to its people, and life to those who walk on it: "I, the Lord, have called you in righteousness; I will take hold of your hand. I will keep you and will make you to be a covenant for the people and a light for the Gentiles, to open eyes that are blind, to free captives from prison and to release from the dungeon those who sit in darkness."
– Isaiah 42:5-7 NIV

"For I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do everything through him who gives me strength."
– Philippians 4:11-13 NIV

"He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope

in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint."

– Isaiah 40:29-31 NIV

"He provides food for those who fear him; he remembers his covenant forever."

– Psalm 111:5 NIV

"This is the way he governs the nations and provides food in abundance."

– Job 36:31 NIV

"I will provide for you there, because five years of famine are still to come. Otherwise you and your household and all who belong to you will become destitute."

– Genesis 45:11 NIV

Jesus said, *"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear.*

Is not life more important than food, and the body more important than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life?"

– Matthew 6:25-27 NIV

There are countless examples of divine provision in the Bible.

Manna from heaven for 40 years as the Israelites traveled in the desert is a perfect example…

"And when the dew was gone, thin flakes like frost on the ground appeared on the desert floor. When the Israelites saw it, they said to each other, "What is it?" For they did not know what it was. Moses said to them, "It is the bread the Lord has given you to eat."

– Exodus 16:14-16 NIV

However, this one is probably my favorite because it is so bizarre…

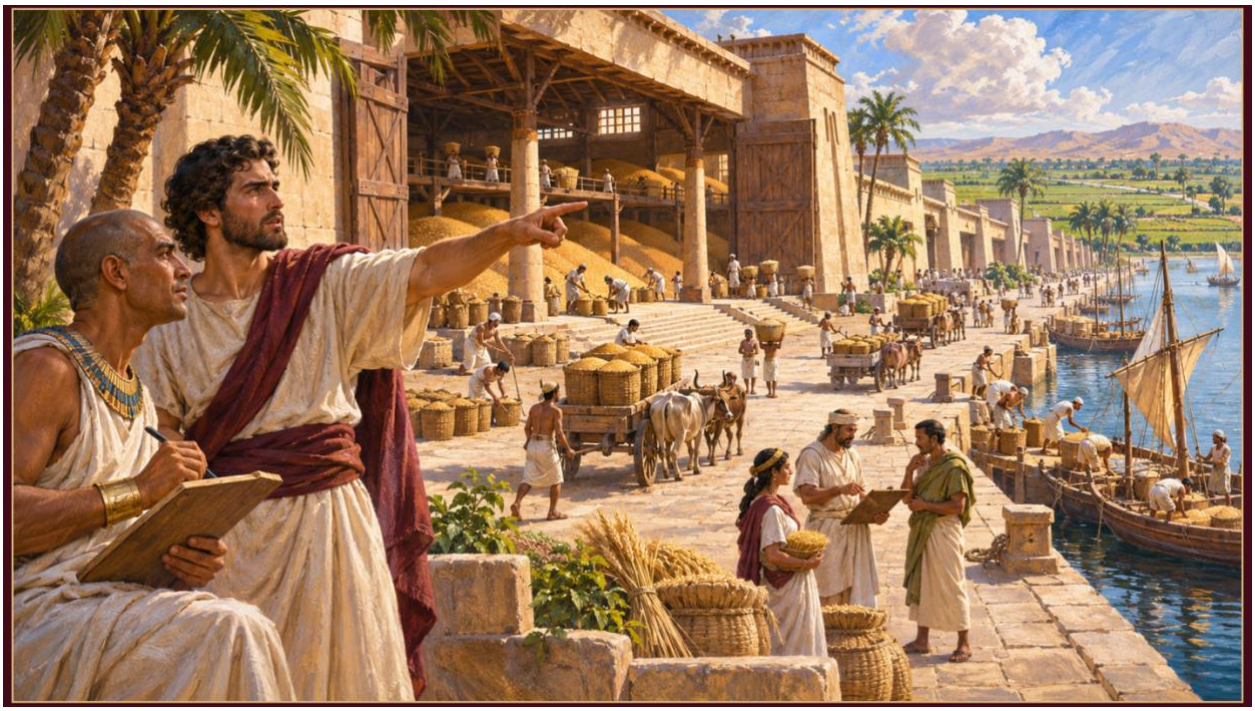
"The ravens brought him bread and meat in the morning and bread and meat in the evening, and he drank from the brook."
– 1 Kings 17:6 NIV

I have experienced God's divine and even supernatural provision on countless occasions.

I know what it is like to have to totally trust God to provide. I believe He has done this to prepare me for the times ahead. And to help me encourage others to trust God and walk in that place of divine provision as well.

I believe even as national economies struggle or decline, new God-given global opportunities will arise. I believe the Shofar Global Network will be a source of information, resources and opportunities that will allow it to operate at a completely different level than that of the world system and be a light to a very dark world.

The Bible has numerous examples of God warning His people ahead of a pending disaster or calamity. Noah with the flood is one. Joseph interpreting pharaoh's dream and then saving grain for 7 years before 7 years of drought is another.



"During the seven years of abundance the land produced plentifully. Joseph collected all the food produced in those seven years of abundance in Egypt and

stored it in the cities. In each city he put the food grown in the fields surrounding it. Joseph stored up huge quantities of grain, like the sand of the sea; it was so much that he stopped keeping records because it was beyond measure."

– Genesis 41:47-49 NIV

In just a few short months, there has been a massive decline in the global economy **(Reminder - I wrote this back in 2009 but it is more relevant today)**. Most businesses are not prepared or capable of dealing with this loss in business. Many are going out of business, filing for bankruptcy, cutting back and laying off their staffs.

One of the biggest trends you will see in the coming years is the self-sustaining movement. This can incorporate everything from growing your own food to being self-employed to powering your house with solar, wind and water.

But there is much more to it than that.

Terms such as 'green', 'permaculture' and 'micro-farming' are sub-categories of self-sustaining. The key word for these times is **'self-sustaining'.**

Being able to take care of yourself, your family and others regardless of what is happening in the world around you. **And it is vitally important God is leading you in all of this, not the fear of the world.**

Joseph prepared the entire country of Egypt to be self-sustaining when the drought came. Most people are not prepared for what is about to happen. Now is the time to prepare before it is too late. I believe we have a few years before things start getting really bad.

People will be forced to learn how to be self-sustaining.

And they will not just be looking for information on these subjects. They will need the training, and access to the products and resources in order to be self-sustaining.

Information, knowledge plus the training and tools they can put to use to survive and thrive in financially turbulent times will be in huge demand. Let me give you a quick example.

The food supply is getting more and more polluted. It is being manipulated through genetic modification and cloning and poisoned through toxic chemicals.

God created your body perfectly. And He intended real food to be your fuel. Not just for physical nourishment but to impact your mental and spiritual well-being as well.

What is happening with the food supply, and the potential for these toxins and GMOs to cause sickness or diseases, along with the very real potential for skyrocketing prices and even food shortages means that those with the foresight will start putting things in place right now to grow and raise much of their own food.

"I can't do that," you say. Or "*I don't have enough space.*" you think.

Yes you can and you will be amazed at how little space you need. Let me give you a quick idea of the potential of what you can do in a very limited amount of space. **Look what can be done with just a fraction of a piece of land…**

Click here: VIDEO: Homegrown Revolution – Grow your own food

The primary driving force behind this self-sustaining movement will be the economy. But additional forces will be staying healthy, being prepared, saving money and not being dependent on the system.

There will be a huge demand for information, training and products in this area.

But from a Christian/biblical perspective we want to be prepared to not just take care of our families, but to help others. I believe God will use this situation to bring a lot of people to Him.

"Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God."

– 2 Corinthians 9:10-11 NIV

"Command them to do good, to be rich in good deeds, and to be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life."

– 1 Timothy 6:18-19 NIV

"Out of the most severe trial, their overflowing joy and their extreme poverty welled up in rich generosity."

– 2 Corinthians 8:2 NIV

Jesus said, *"Whoever has will be given more, and they will have an abundance."*

– Matthew 13:12 NIV

That's why I believe preparation and generosity need to go hand in hand. As we learn to provide for our families and become less dependent on the systems around us, we can also be better prepared to help others when they need it most.

The skills we develop, the resources we have, and the relationships we build can become practical ways to meet needs and demonstrate God's love.

As we prepare for turbulent times, we also need a local, national, regional, and global perspective. One of the main purposes of the Shofar Global Network is to connect like-minded, Spirit-Led believers around the world.

The Internet enables us to make those connections and provide information, training, and resources that many people might otherwise struggle to access.

Spirit-Led Self-Sustaining Living

The list below covers various aspects of self-sustaining living. Not every item will apply to your circumstances. What is appropriate for you will depend on where God has you and what He is leading you to do. Don't let fear or self-will drive your decisions. Be led by His Spirit as you consider these areas and put what He shows you into practice.

Faith and Community

- Hearing God's voice for yourself.
- Being led by the Holy Spirit.
- Operating in supernatural provision.
- Connecting with God-inspired **self-sustaining communities** and **cities of refuge**.
- Creating a local community involving a co-op, gardens, livestock, education, shared tools, and work.
- Accessing relevant spiritual and biblical information, along with true prophetic insight.
- Participating in Spirit-Led Bible study and spiritual training.
- Understanding current events from a biblical worldview.
- Becoming a community resource and helping others become self-sustaining.

Food Production, Water, and Storage

- Growing fruits, vegetables, and herbs in limited space.
- Raising livestock and poultry for meat, milk, and eggs, including provision for others.
- Understanding the importance of clean drinking water and evaluating reliable sources, including artesian spring water.
- Using growing systems and greenhouse technology.
- Learning canning and food-storage techniques.
- Learning low-temperature food-dehydration techniques.
- Building emergency food reserves and storing essential supplies.
- Using cutting-edge water treatment technology and systems.
- Preparing fermented foods such as kefir and sauerkraut.
- Growing sprouts, making cheese, and keeping bees for honey.

Home, Energy, and Transportation

- Developing alternative fuel, heating, and power sources for homes and transportation.
- Establishing alternative transportation options.
- Using natural household cleaners and energy-saving products.
- Exploring alternative places to live around the world.

Practical Skills, Education, and Information

- Learning hunting and survival skills.
- Learning to make clothes, furniture, and other necessities.
- Staying informed about national and global policies, politics, economics, and religion.
- Exploring Spirit-Led alternative perspectives on business, agriculture, self-sustaining living, and other subjects.
- Exploring homeschooling, online education, and alternative learning approaches.
- Making personal-care and hygiene products.
- Learning to use alternative communications, such as shortwave radio.

Health, Nutrition, and Wellbeing

- Learning about raw dairy, free-range eggs and meat, and wild game, including their sourcing, handling, and storage.
- Learning which foods suit your needs and which to avoid.
- Understanding which alternative protein sources suit your needs and which to avoid.
- Maintaining physical fitness for situations that may require peak performance.

- Overcoming nicotine, alcohol, or drug dependence with appropriate support, while reducing excessive caffeine, added sugar, and fried foods.
- Developing practical self-care skills and an understanding of alternative approaches to health and wellbeing.
- Exploring alternative health approaches, including herbs, sound frequency, aromatherapy, essential oils, and homeopathy.
- Choosing nutrient-dense foods to support energy, balanced nutrition, and physical wellbeing.
- Learning about organic, raw, and live foods, including how they are sourced, prepared, and stored.
- Understanding the uses of raw honey, apple cider vinegar, and natural, unrefined salt in food preparation and nutrition.
- Learning to identify harmful food additives, toxic exposures, and specific vaccine risks so you can make informed decisions about what to avoid.

Income, Finances, and Trade

- Accessing discount and wholesale pricing through group buying.
- Managing money, using credit responsibly, and reducing debt.
- Developing financial strategies for recession, depression, and a cashless society.
- Using barter, trading, and scrip.
- Buying and trading precious metals for exchange.
- Generating income from home.

Ask God which areas need your attention first. Take stock of the skills and resources you already have, identify what you still need, and begin taking practical steps. Some things can be done now. Others will take time and the help of people God connects you with. Follow through on what He shows you.

Key Components of the Shofar Global Network

The **Shofar Global Network vision** is to connect and equip Spirit-Led believers around the world to prepare for turbulent times, bring God-given ideas to fruition, and do what God is calling them to do.

The components below encompass spiritual life and community, food production and self-sustaining living, technology and communications, training and education, business, manufacturing, trade, and outreach. Together, these efforts are intended to strengthen communities, create meaningful work, and serve Kingdom purposes locally, nationally, regionally, and globally.

Community and Spiritual Life

- Establishing a global network of like-minded, Spirit-Led believers and helping them prepare for the turbulent times ahead.
- Identifying and helping establish self-sustaining cities, cities of refuge, and storehouses.
- Connecting these cities, cities of refuge, and storehouses globally.
- Establishing a global prayer network.

- Establishing cutting-edge training centers in different countries. Some locations may combine worship, training, recording, and global broadcasting in one complex, while others may have facilities dedicated to specific functions.

Food Production and Practical Resources

- Developing a proprietary growing model aimed at increasing growth rate, crop size, yield, and nutrient density while extending the shelf life of produce. This is a major part of the Shofar Global Network. God has given me the majority of the pieces for this model, including applications involving seeds, soil, water, air, light, and frequency.
- Applying the proprietary growing model to improve meat quality and increase production.
- Creating a global brand for meat, produce, and crops produced using the proprietary growing model.
- Establishing community growing systems, greenhouses, and sprouting systems.
- Acquiring farmland, other land, infrastructure, and buildings.
- Establishing a network of organic farms, free-range ranches, and dairies.
- Establishing heirloom seed banks around the world.
- Developing a concentrated, nutrient-dense, dried superfood product from ingredients produced through the proprietary growing model. The goal is a product that a person could live on. God has given me many of the pieces for this.
- Researching and developing frequency applications for food, water, nutritional products, and health.
- Providing self-sustaining technologies for housing, water, and alternative energy.

Technology, Communications, and Media

- Creating an information clearinghouse.
- Establishing a system for monitoring information, trends, media, and news.
- Building a proprietary software system to support the Shofar Global Network's infrastructure.
- Developing a proprietary AI system to support Co-Creating with GOD: Spirit-Led Innovation. God has specifically instructed me to do this and has already given me its name, along with ideas about what it is to include and accomplish.
- Establishing a global videoconferencing system.

- Establishing alternative communications infrastructure.
- Establishing audio and video recording studios for global broadcasts.
- Providing remote video recording from locations around the world.
- Establishing global internet-based radio and television networks.
- Establishing a film and documentary production company.
- Producing investigative documentaries that reveal the truth about what is happening in the world.

Training and Education

- Providing FREE Co-Creating with GOD: Spirit-Led Innovation training to help believers discern God-given ideas and bring them to fruition.
- Developing a training program on self-sustaining living for individuals and communities.
- Providing training on how to use AI from a Spirit-Led perspective. For more details, see my Spirit-Led AI document.
- Establishing a global network of trainers, educators, and speakers.
- Establishing onsite training facilities, including locations with a restaurant and lodge.
- Establishing a demonstration kitchen for recording instructional videos on food preparation and cooking.

Enterprise, Manufacturing, and Trade

- Combining purchasing power to secure group discounts.
- Identifying and developing products and services for the network to bring to market.
- Establishing regional and global warehouses and fulfillment operations.
- Establishing in-house manufacturing for proprietary products that support self-sustaining living.
- Establishing a global import and export agency.
- Establishing a global advertising agency.
- Establishing a global wholesale, discount, trade, and barter network.
- Establishing a global gold, silver, and investment-grade gemstone buying network.
- Establishing a global stock trading and real estate investment division.
- Establishing a global alternative banking system.
- Developing additional global and regional business projects.
- Funding additional projects that support the Shofar Global Network's mission.

Outreach and Service

- Establishing food-bank warehouses around the world.

- Building influence through a collective voice on issues of concern, including abortion, vaccinations, genetic modification, and homeschooling.
- Establishing relevant outreach ministries.
- Supporting God's people in Israel.
- Preparing for unprecedented persecution of Jews and Christians around the world.
- Developing information, resources, and training for spiritual outreach to believers and unbelievers around the world.

What are some of the reasons why YOU might want to be involved with the Shofar Global Network?

- You believe God is calling you to be part of it.
- You know in your heart the things discussed in the Shofar Global documents are relevant to you and you want to prepare for what is coming.
- You want to be involved with something that has purpose now and for eternity.
- You want to be connected to a global network of like-minded, Spirit-Led believers.
- You know the world is moving into a one-world system and you want to be self-sustaining as fast as possible.
- God is speaking to you about **'self-sustaining communities'** and **'cities of refuge'**.
- The word 'frequency' resonates with you in relation to water, food, soil, health, protection, music, hearing God's voice and other natural and spiritual applications.
- You want to save hundreds of hours doing your own research.
- You want to save hundreds or even thousands of dollars on information and products.
- You want to know the truth about what is really going on to the best of your ability.
- You want to have access to global Spirit-Led opportunities no matter where you live.
- You want to be encouraged with spiritual, biblical and prophetic training and information that helps keep events in proper perspective in relation to eternity.
- You want to have a Spirit-Led, faith-based support system for the turbulent times ahead.
- You want to share life-changing health, political, financial, technological, and spiritual information with other people – believers and non-believers.

- You want to learn a proven innovation framework based on how God designed your brain for creativity, invention, and innovation. Combined with revelatory insight, this framework can help you develop life-changing ideas that positively impact the world for Kingdom purposes.

Co-Creating with GOD: Spirit-Led Innovation is a foundational part of the Shofar Global Network. The training brings together the Spirit-Led Co-Creation Pathway and the 7i Innovation Framework to help believers discern God-given ideas and bring them to fruition as useful technologies, products, services, and businesses. These innovations can solve critical problems, strengthen communities, create meaningful work, and generate resources to help fulfill the network's broader vision.

NOTE: The FREE Co-Creating with GOD: Spirit-Led Innovation training program was produced during the fall and winter of 2024.

I know this is a lot of information to read and process. I want to thank you for investing so much of your valuable time reviewing it. I have so much more information to share. I could have actually written a book. But that will be for a later time.

If this God-given vision captures your heart and mind and you truly believe this is something God is calling you to be part of, please pray about it, and then take action because…

Is the Shofar Global Network for You?

- Would you like to connect with a global Christian business network of like-minded, Spirit-Led believers who share a desire to serve God, help one another, and fulfill Kingdom purposes?
- Are you seeking biblical insight and practical preparation to help you navigate spiritual deception, political turmoil, and economic decline in the turbulent times ahead?
- Would you like information, training, resources, and community to help you discern God-given ideas, bring them to fruition, and do what God is calling you to do?

If so, prayerfully consider how God may be leading you to connect with the Shofar Global Network and contribute your gifts, skills, and experience.

Key Mandates for Shofar Global Network:

- Hearing God's voice.
- Building a like-minded, Spirit-Led global Christian business network.
- Creating, inventing and innovating with revelatory insight using a proven **Innovation Framework** for generating life-changing, great ideas for Kingdom purposes.
- Bringing NEW disruptive technologies, products & services to market.
- Incubating, launching, and scaling businesses that serve Kingdom purposes.
- Having Godly influence.
- Impacting culture & society.
- Solving critical problems.
- Generating wealth and a wealth transfer for Kingdom purposes.
- Preparing for the turbulent times ahead.

If any of this stirs your spirit up, and you have been praying and waiting a long time to be involved with something like this, you may be in the right place.

The Shofar Global Network Will Provide:

- Information
- Training
- Resources
- Community
- Networking
- Mentoring
- News & Insights
- Courses
- Events
- Business Projects
- Remote Sales Opportunities
- Local, National, Regional & Global Outreach

If you have not done so already, I recommend you watch the Shofar Global Network overview video. You can access that here.

"Shattering Paradigms in the Marketplace!"

P.S. I cannot take credit for writing the Shofar documents. God architected the circumstances in my life to make them a reality. He led me in real-time as I was writing. It was a life-changing experience having Him guide me. I am eternally grateful for what He has done in my life.

P.P.S. If you'd like to know more about me, I've included a brief account below of how God began revealing the Shofar Global Network vision and preparing me for it. You'll also find a link to my business website for more about my previous business experience. For the broader story behind this work and the vision for what comes next, see **Origin Story & Global Vision**.

About Brett Rademacher

The Shofar Global Network vision began in 1996 while I was driving down a highway in Texas. God told me, *"You are going to have a global marketing organization involving many people using cutting edge technology."*

At the time, I didn't realize God was speaking to me. I thought it was just a random thought. I wasn't doing anything global, and I had no technological background. I had no idea where those words would lead.

In 1998, while living in Alaska, God gave me ideas and a business model that would eventually help me become a pioneer in Internet-based remote sales and one of the best in the world in my niche.

At the end of 2000, while reading God@Work by Rich Marshall, I had an encounter with God that lasted several weeks. During that time, He began giving me the initial pieces of a global Christian business network. That network was not the Shofar Global Network. It was basically a training run that helped prepare me for what would come later.

God also made it very clear that I was to be bold about my faith in the marketplace, even when it made me look foolish. I knew this would change everything about my life. A short time later, God told me, *"Go to church and get anointed with oil for business."* I promptly did, and just about everything I was working on took off like a rocket ship. But that was just the beginning.

In 2003, I met a Christian minister with a prophetic gifting at an airport in Hawaii. A few months later, she contacted me with a word God had given her for me. The short version was, *"You're going to come into some times of being abased. Don't fight it or it will take longer. I have purposed it because I have many plans for you and much for you to do."*

The years since then have included success, setbacks, and many challenging experiences. God has used those experiences to deepen my spiritual understanding and prepare me for the Shofar Global Network. I've had to learn to listen, trust Him, and follow His leading, even when it was hard and I couldn't see what was ahead.

Over time, He's given me a deeper understanding of those words from 1996. I've come to realize they meant something very different from what I originally thought.

The vision God has given me for the Shofar Global Network is to connect like-minded, Spirit-led believers around the world, providing information, training, and resources to help them prepare for turbulent times and do what God is calling them to do.
