

Grand old duke of york

Oh the grand old duke of york

He had 10,000 men

What a slut

...

What a hoe

Asshole

Asshole, asshole, a soldier I will be,

To piss, to piss, two pistols on my knee,

For cunt, for cunt, for country and for queen,

Asshole, asshole, asshole, asshole, a soldier I will be!

Assholes are cheap today (La Donna È Mobile)

Assholes are cheap today

Cheaper than yesterday

Little ones are half a crown

standing up or lying down

Large ones are four-and-six

Cause they take bigger pricks

Assholes are cheap today

Cheaper than yesterday!

We've got virgins (Frère Jacques)

We've got virgins,

We've got virgins,

At our hash,

At our hash,

Gonna get 'em drunked up,

Gonna get 'em fucked up,

Down the hatch,

Up the ass.

To the Virgins

Here's to the Virgins,

They're true blue,

They are hashers,

Through and through,

They are pisspots,

So they say,

Tried to go to heaven,

But they went the other way.

Old Brown Cow

The old brown cow

shits against the wall,

(lift a leg and kick to the side)

shits against the wall,

shits against the wall,

The old brown cow

shits against the wall,

(lift the other leg and kick to the side)

shits against the wall,

shits against the wall,

And the wall is covered in

Shit shit shit!

(kick for every mention of shit)

Big vagina (Ring of Fire)

I fell into a fucking big vagina,

I fell down, down, down,

all the way to China,

And it burns, burns, burns,

that huge vagina,

That huge vagina

Roll back (My Bonnie lies over the Ocean)

His one skin hangs down to his two skin

His two skin hangs down to his three

His three skin hangs down to his foreskin

His foreskin hangs down to his knees

Roll back, roll back

Roll back his foreskin for him, for him

Roll back, roll back

Roll back his foreskin for him

Bullshit

Bull-shit,

bull-shit,

It all sounds like bullshit to me, to me,

Bull-shit,

bull-shit,

It all sounds like bullshit to me!

Publicly pissed on (My Bonnie lies over the ocean)

They oughta be publicly pissed on

They oughta be publicly shot (bang bang)

They oughta be tied to a urinal

And left there to fester and rot

Meet the hashers (Flintstones)

Hashers, meet the hashers,

They're the biggest drunks in history,

From all over Germany,

They're the leaders in debauchery.

Half minds, trailing shiggy through the years,

Watch them as they down a lot of beers,

Down down, down down down down,

Down down down down down down down down,

Down down, down down down down,

Down down down down down down down down.

Beautiful

Why were they born so beautiful?

Why were they born at all?

They're no f*cking use to anyone,

They're no f*cking use at all.

They might be a joy to their mother,

But they're a pain in the asshole to me!

To the hashers

Here's to the hashers,

They're true blue!

They are bastards through and through,

They are pisspots or so they say,

They never go to heaven,

For they went the other way!

I'll have some of that,

So I did, and it was good

And then we f*cked.

We f*cked for hours

Uprooting trees & shrubs & flowers,

like Vikings, with horns on our HEAD!

HEAD! Who said head?

My sister Belinda, she pissed out the window,

All over my brand new sombrero

I like my gin, it helps me slip in,

But give me the good old vino,

It gives me a grand supremo

Ai, jai, jai jai...

I like my rum, it helps me to come,

I like my whiskey, it makes me feel frisky,

I like Drambuie, it makes my cum gooey,

I like Jack Daniels, it helps me fuck spaniels

I like my beer, it makes me feel queer

I like my beer, it makes my cum clear

I like my sherry, it makes me feel merry

I like my Guinness, it helps me to finish

I like Bacardi, it helps me to party

I like my brandy, it makes me feel randy

I like my stout, it helps me pull out

I like my lager, it helps me fuck harder
