

DRH Graphix Prompt Starter Pack

Copy-and-paste prompts for logos, flyers, ads, banners, AI Twins, menus, infographics, and business graphics

How To Use The Prompt Starter Pack

Use these prompts as starting points. Replace the bracketed sections with your business details. For best results, add your colors, style words, audience, platform, and layout needs. After generating a result, review, edit, and refine the prompt until it matches your goal.

Prompt Categories

Logo Prompts

1. Create a modern logo for [business name], a [business type]. Use [colors]. Include [icon]. Make it clean, professional, and easy to read on a plain background.
2. Create a luxury logo concept for [business name]. Use gold, black, and white. Include a simple elegant icon and premium typography.
