

## **Book Excerpt: Focus on Creativity**

### **A Comprehensive Journey from Songwriting to Global Distribution**

*By Focus Solomon*

**What if your song could go beyond the four walls of your church and reach the nations?**

What if the melody God placed in your heart could be recorded, released, and streamed by thousands—touching lives, healing hearts, and turning souls to Jesus across the globe?

Welcome to *Focus on Creativity*—a spirit-filled, practical, and inspiring guide that takes you on a complete journey from songwriting to global music distribution.

This book is designed for **music ministers, gospel songwriters, worship leaders, choirs, and creative believers** who desire to grow in their craft, maximize their musical gifts, and share their God-given songs with the world—without compromising spiritual depth or excellence.

#### **What You'll Learn Inside This Book:**

##### **1. Understanding the Heart of Gospel Songwriting**

Learn what makes gospel music unique, powerful, and spiritually transformative.

Discover the divine responsibility behind writing songs that carry healing, hope, conviction, and revival.

## **2. Building a Strong Foundation in Song Structure**

Master the **core components of songwriting**—lyrics, melody, harmony, rhythm, and structure. From verse-chorus to call-and-response, you'll learn how to compose songs that are both anointed and musically sound.

## **3. Creativity Through the Lens of the Holy Spirit**

Explore how to unlock divine inspiration, overcome writer's block, and stay sensitive to the Spirit while creating songs. Your creativity is not just talent—**it's a tool in God's hands.**

## **4. The Recording Process Demystified**

From basic home recordings to studio sessions, this book will guide you through recording your songs with clarity and confidence—without needing to be a sound engineer.

## **5. The Path to Professional Production**

Learn how to work with producers, arrange your music, and make quality recordings that preserve the anointing while meeting industry standards.

## **6. Music Distribution in the Digital Age**

No more hidden songs! Learn how to distribute your music on **Spotify, Apple Music, YouTube, Boomplay, Amazon Music, Audiomack, and more**—with or without a record label.

## **7. Branding, Promotion, and Purpose**

Learn how to present yourself as a music minister, not just an artist. Understand branding, digital promotion, and how to shine your light while staying humble and true to the Gospel.
