

LIVE PROGRAM

# English Pronunciation Program for Spanish Speakers

Hear, recognize, and produce every English sound with accuracy. Guided by the International Phonetic Alphabet (IPA), you'll build the foundations of natural American English — with confidence and ease.

Alejandro Zuluaga  
Pronunciation Coach

# Is This Program For You?

If any of these situations feel familiar, this course was designed to meet you gently where you are.

## Communication Struggles

You find yourself repeating words, or feeling that your meaning gets lost along the way.

## Professional Hesitation

You hold back in meetings or with international clients, waiting to speak with greater ease.

## Ready for Change

You are thoughtful, committed, and ready to invest in a skill that can support you for years to come.

## 4 Modules. One Clear Path.

The program unfolds through four carefully designed modules, each building on the last — from sound awareness to confident, natural English speech.

01

---

### The English Sound System

Understand how English sounds work and how they differ from Spanish.

02

---

### Essential Sounds Practice

Master the most important sounds that change your pronunciation.

03

---

### Stress, Rhythm & Intonation

Learn the natural flow of English to sound more clear and natural.

04

---

### Real Conversation Practice

Apply what you learn in real conversations and build your confidence.

PROGRAM STRUCTURE

# What You'll Develop

A complete system designed to help you communicate more clearly, naturally, and confidently in English.

## Sound Awareness

Learn to hear the sounds that most Spanish speakers never notice.

## Natural Rhythm

Understand how English flows through stress, rhythm, linking, and intonation.

## Real Confidence

Communicate naturally without constantly translating or overthinking.

LIVE LEARNING

# 100% Live via Zoom

Every session is designed to maximize your progress through real interaction, personalized guidance, and a focused learning environment.

# 12

## Hours Total

Comprehensive training across focused, effective sessions that build skills progressively.

# 3

## Daily Time Slots

**10:00 AM, 1:00 PM, and 4:00 PM — Monday to Friday (UTC-5).**

# 100%

## Live Instruction

Real-time feedback and personalized guidance from your coach every class.

 Small class sizes ensure individual attention and maximum learning impact for every student enrolled.

LIVE LEARNING

## Why Choose This Program?

### Designed for Spanish Speakers

Directly addresses vowel confusion and consonant substitution. Every lesson is built around your linguistic background.

### Practical & Interactive

Live sessions with personalized feedback. You'll practice, get corrected, and improve in real time with a dedicated instructor.

### Proven Results

Students from Colombia, Canada, Australia, and Argentina have transformed their pronunciation and professional presence.

# What Students Are Saying

Real results from real students — how this program transformed English pronunciation and professional confidence.

“

"Now I speak with much more clarity and confidence in professional settings. The live feedback helped me correct mistakes on the spot."

**Paula H.** — Colombia, Financial Analyst

”

“

"I used to repeat everything with international clients. The vowel and consonant modules changed everything — now people understand me the first time."

**Carlos R.** — Canada, Graphic Designer

”
