TODOS LOS CIRCULOS ARMONICOS

P. JOSE ORTEGA

Oración del curso

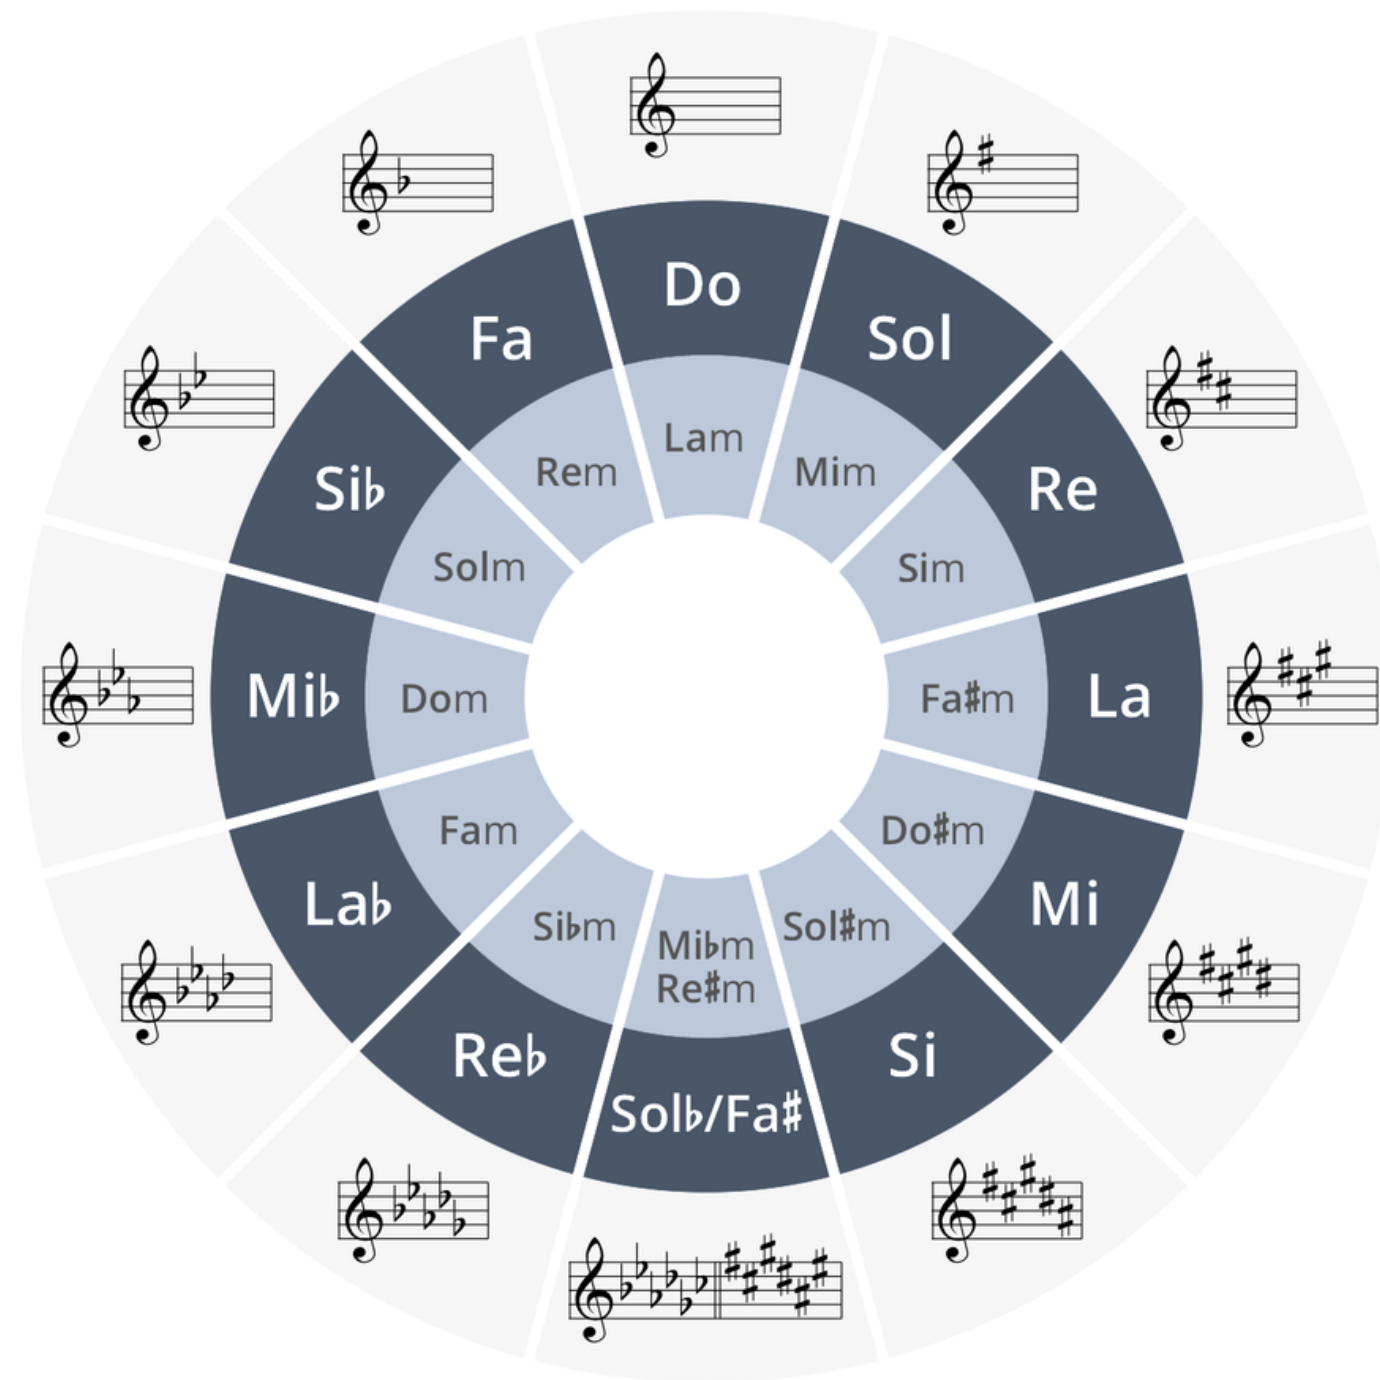

Padre Celestial, hoy te entrego mi aprendizaje y consagro mis manos a ti. Quiero que todo mi esfuerzo en este curso sea única y exclusivamente para agradarte.

Reconozco que mi guitarra es un Instrumento de tu Espíritu Santo, con la capacidad de arrebatar almas de las garras del mundo y traerlas a tus manos de salvación.

Dame la paciencia y el compromiso para no rendirme, y úsame como un canal de tu presencia. Que cada acorde que yo toque sea para tu gloria. **¡Amén!**

LOS CÍRCULOS ARMÓNICOS

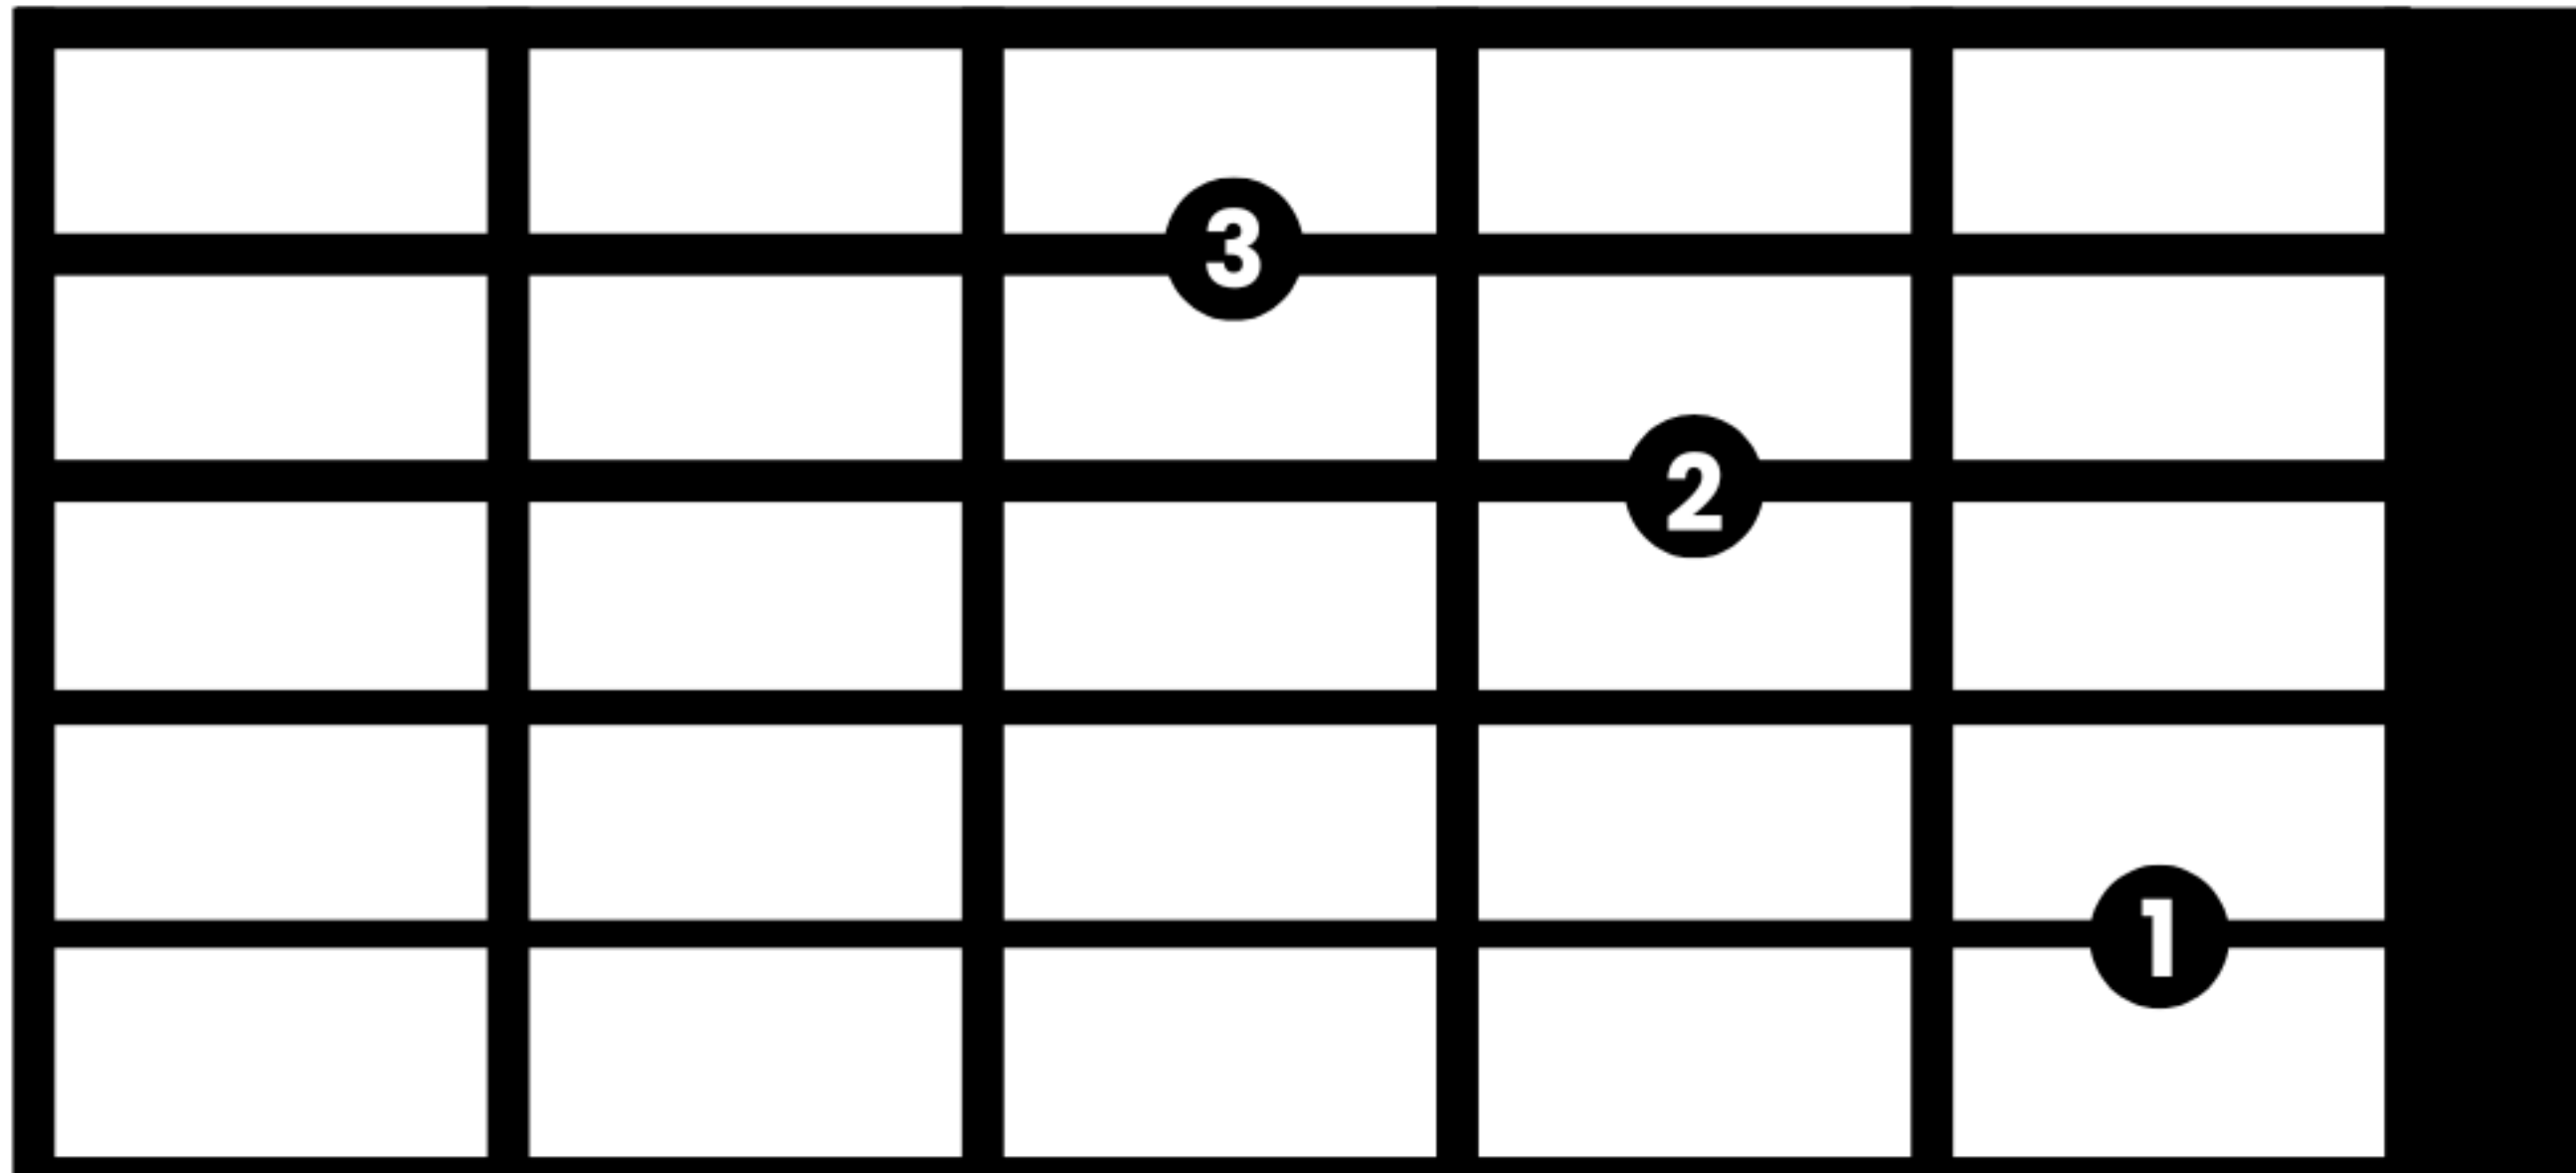

Un CA está conformado por varios **acordes ordenados en grados** pero solo tiene 3 grados importantes. (1ro, 4to y 5to).

Cada acorde tiene una función y hay 3 resaltan sobre los otros: Tónica, subdominante y dominante.
