

Encuentra al intruso

Among Us

Trabaja discriminación auditiva + articulación

¿Para qué sirve este material?

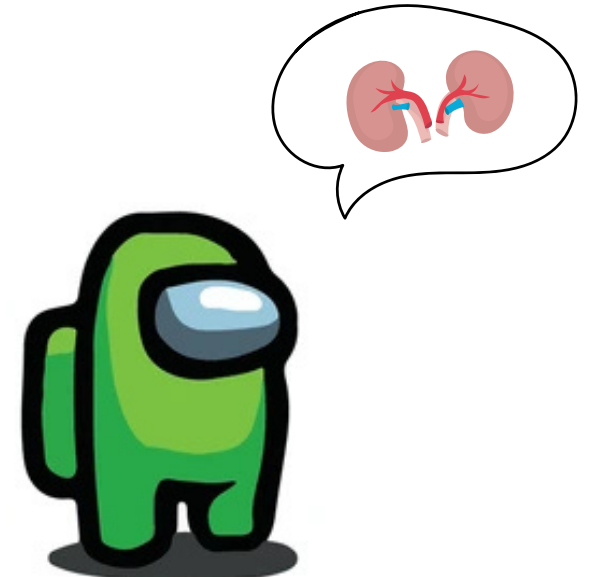

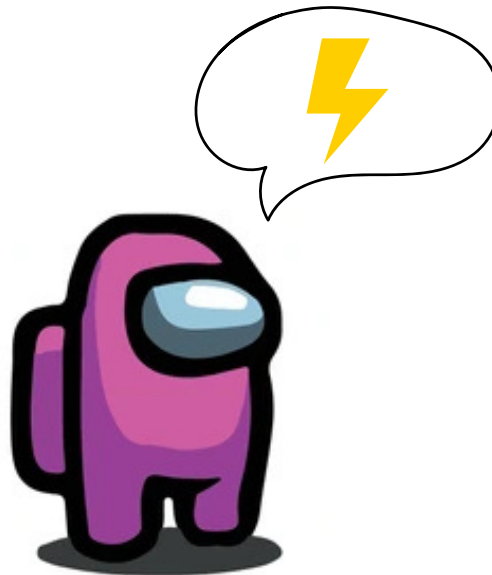

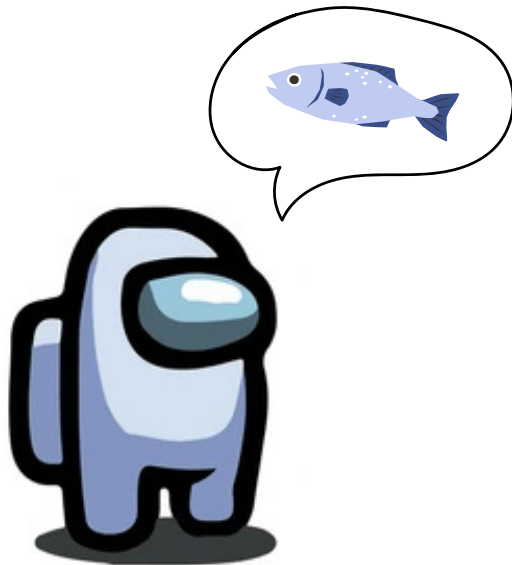

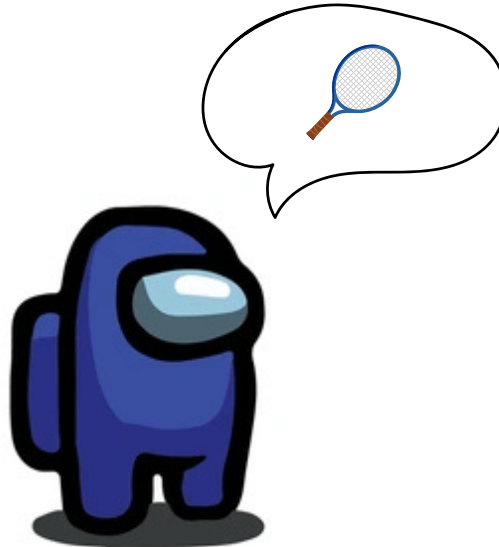

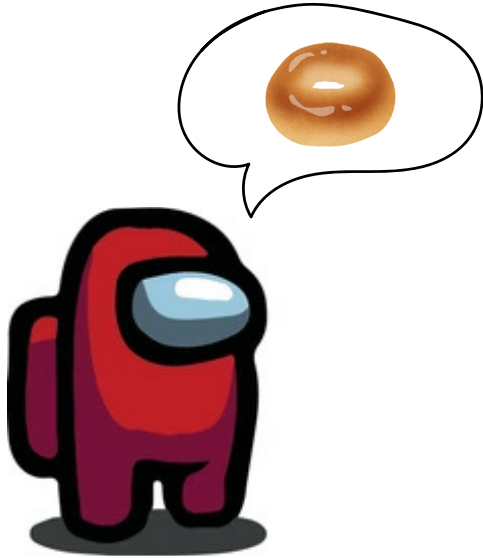

Con este cuadernillo podrás trabajar la discriminación auditiva de fonemas con similitudes fonéticas así como la producción de los mismos.

Encontrarás los fonemas: /R/, /Z/, /K/, /N/ y /D/

Los ejercicios siguen la temática del juego “Among Us” en el que debes encontrar al intruso, en este caso, el intruso será el muñeco que tenga una palabra que comience con un fonema diferente al dado en el enunciado.
