# A MONTH OF PHRASAL VERBS

## SUPPORT OPTION UPGRADE

CONGRATULATIONS ON CHOOSING THE FULL PHRASAL VERBS LEARNING EXPERIENCE (SELF-STUDY COURSE AND SUPPORT)

### YOU'VE MADE A GREAT DECISION!

As a member of the first round of students to complete the course, I have decided that it is best for you if you first focus on working your way through the daily lessons and putting what you learn into practice.

Having the corrections pack booklet in front of you at this stage will only be a distraction, and may encourage you to rush through the lessons and practice activities.

For this reason, you will be sent the complete corrections pack, ready for you to download and use in just a few weeks.

Keep an eye on your inbox for an email from me with detailed instructions on how to use your corrections pack and how to make the most of your support upgrade.

And don't worry, I won't forget about you - you WILL receive an email from me with access to the complete corrections pack (downloadable printable version and online version to submit) in just a few weeks - focus on learning the phrasal verbs first before you start sending them all to me for feedback and corrections.

**KEEP CHECKING YOUR INBOX** over the coming weeks, and if you don't receive an email from me, please get in touch directly so that I can resend it to you and make sure that you can move to the next step of your phrasal verbs journey. *Nicole*
