# People Don't Walk Around Searching With Their Feet...They Search With Their Phones"

# WHAT **GOOGLE** BUSINESS PROFILE DOES

## It Puts You On The Map.

# Why This Matters

More phone calls •

More walk-ins •

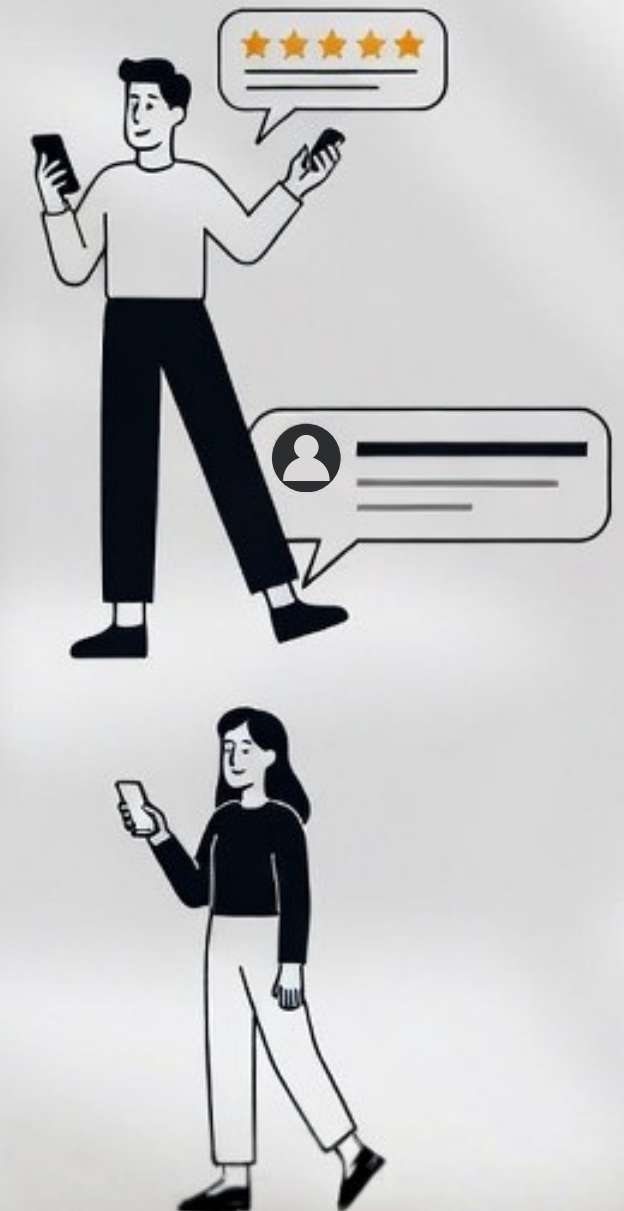

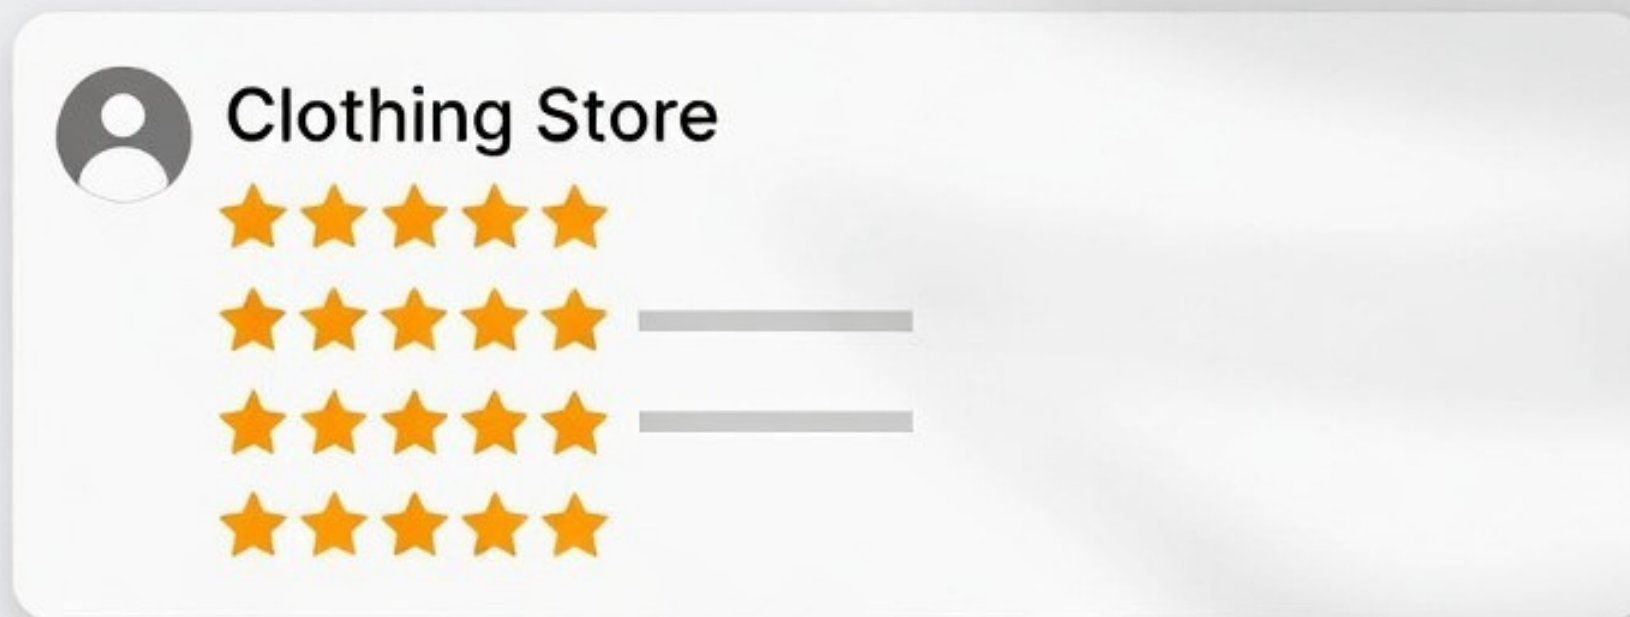

More trust •

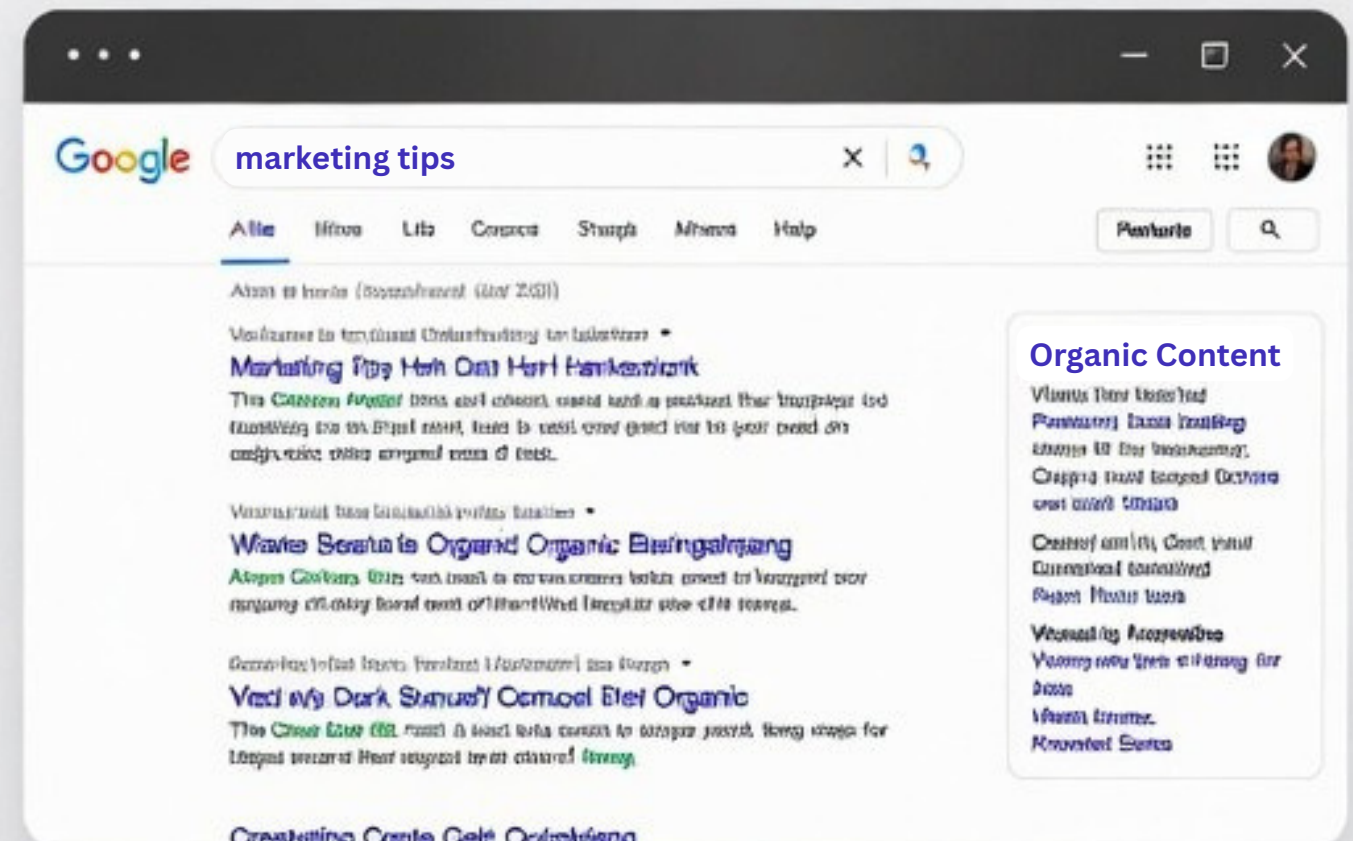

More sales •

# Customers Trust Reviews

# This Is Free Marketing.

You Don't Pay Google To Show Up.

SLIDE 8 — WHAT HAPPENS WITHOUT IT

# Your Competitor Gets The Sale

# Yes... There Are A Few **Downsides**

---

- ⚠ You can get bad reviews
- ⚠ It takes time to manage
- ⚠ It must stay updated

**John D.** • 2 months ago

Worst experience. The customer service was rude and my order was wrong. I'm very disappointed.

**Owner** • 2 months ago

We're really sorry to hear about your experience, John. We must have made a mistake with your order. Please [call us at \(555\) 123-4567](tel:5551234567), and we'll make it right!

# Bad Reviews Can Help You

Because You Can Respond

This place is a joke. They overcharged me and the food was cold.

Never coming back.

-2 stars

We're sorry to hear about your experience. We strive for excellence and would love a chance to make it right.

Please reach out to us directly.
