Full Evidence Submission Scripts Pack

1. Courtroom Submission Script

Your Honor, I respectfully submit this document as Exhibit [A-J], properly redacted and verified. This evidence supports my testimony and has been shared with all parties in advance as required by court protocol.

I affirm that this submission maintains the integrity of the evidence and complies with chain-of-custody procedures.

2. Zoom Hearing Submission Script

Judge, I'd like to electronically submit Exhibit [X] via the court-approved method. It has been pre-labeled, redacted, and reviewed by the opposing counsel.

The document has been emailed to the court clerk as per protocol. I'm prepared to walk through the content line by line if requested.

3. Email Submission Script to Court or Counsel

Subject: Submission of Exhibit B – [Case Name / Docket #]

Attached is Exhibit B, redacted and labeled for today's proceeding. Please confirm receipt. If you have objections or require clarification, respond within [insert legal window] hours.

4. Physical Document Handoff Script

This is Exhibit [C], presented in a sealed envelope. Chain-of-custody documentation is attached. I request that this be marked and entered into evidence following standard procedures.

5. Audio/Video Evidence Script

Your Honor, I'm submitting a digital media file marked as Exhibit [F], which contains time-stamped audio/video relevant to my testimony. This has been formatted according to court requirements and reviewed for accuracy.
