

## THE ULTIMATE 30-DAY CONTENT SYSTEM PROMPT

Copy & paste this into ChatGPT and fill in the blanks.

I want you to act as a Social Media Strategist and create a full 30-Day Categorized Posting Schedule for my business.

Please create:

### 1. A 30-Day Posting Schedule

– 3 videos per day:

- Attraction (value, education)
- Connection (story, trust)
- Conversion (CTA, invite)

– 1 daily live topic

– All categorized for algorithm SEO

– All optimized for my target audience

### 2. 60 Categorized Video Scripts

– 20 Attraction scripts

– 20 Connection scripts

– 20 Conversion scripts

– Include SEO keywords, hooks, and on-screen text suggestions

### 3. Content tailored to my business:

My niche:

[Insert your niche]

Who I help:

[Insert your target audience]

The transformation I provide:

[Insert results]

My offer:

[Insert your offer name + promise]

How I deliver it:

[Insert method — digital course, coaching, community, etc.]

My brand style:

[Insert tone — motivational, simple, family-friendly, etc.]

My big message:

[Insert your brand promise]

4. Categorize my content for the algorithm using:

- SEO keywords
- On-screen text
- Captions
- Hashtag strategy
- Category-specific hooks

**IMPORTANT:**

Make everything simple, beginner-friendly, and focused on helping my ideal audience understand the value of my offer.

**BONUS:**

Create this plan so that I can reuse this prompt every month and receive a brand new 30-day content schedule with completely unique scripts.
