Your Signature Interior Style:

Minimal Modern

Sleek. Purposeful. Effortlessly Sophisticated.

You are naturally drawn to clean lines, curated simplicity, and purposeful design. Your ideal home feels organized, open, and sophisticated — blending function, beauty, and calm energy seamlessly.

You might love styles like:

- Timeless Minimalism
- Contemporary Cozy
- Urban Modern

Key Elements to Embrace:

- Sculptural, simple furniture with strong clean lines
- Crisp color palettes like white, charcoal gray, and soft black
- Glass, metal, and smooth, refined textures
- Focus on open spaces with fewer, intentional pieces

Quick Tip:

Invest in a few standout statement pieces — like a sculptural light fixture or an elegant modern chair — and let negative space be part of your design.
