

# Love Goddess

The Love Goddess Soul Power custom blend is designed to help you love yourself, others, and to see every situation through the lens of love. It will help you invite forgiveness, kindness, and gratitude into your life.

After connecting with your soul's frequency, I created your custom blend which contains essential oils that will enhance your Soul Power energy while supporting you during the healing and releasing of what is no longer needed.

I only use pure therapeutic grade essential oils from trusted sources and organic carrier oils. The crystals in this blend are a special combination of Rose Quartz, and/or Sunstone, and/or Red Jasper.
