"My American Story" A Legacy Interview

Use this worksheet to record the stories and memories of someone you love. Ask these questions to learn how their experiences have shaped your family, community, and country.

1. Where were you born, and what do you remember most about your hometown?

2. Who were some of the most important people in your life growing up?

3. Did you or someone in your family serve in the military? What was that like?

4. What are some traditions your family celebrated around 4th of July or other USA holidays?

5. What does being an American mean to you?

6. What historical events do you remember most clearly?

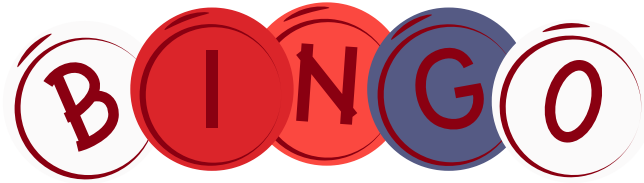

7. What values or lessons do you hope future generations remember?

8. Is there a favorite song, speech, or quote that inspires your patriotism?

9. What message would you like to share with your children, grandchildren, or community about your story?

How to Play **Patriotic Bingo**

1. Print one bingo card for each player. There are three unique cards included in this set.
2. Give each player markers (buttons, coins, stickers, or patriotic tokens) to cover spaces on their cards.
3. Use the caller sheet to randomly call out patriotic items one at a time. Check them off as you go.
4. When a player gets five spaces in a row (horizontally, vertically, or diagonally), they shout 'BINGO!'
5. The first player to get bingo wins! You can continue playing for second and third place, or clear the cards and play again.
6. Optional: Use scissors to cut the caller sheet into strips and draw each item from a bowl or hat for added fun.

Pro Tips for a Festive Bingo Game:

- Offer small prizes like stickers, flags, or treats for winners.
- Encourage everyone to say the words out loud together as they're called to keep energy high.
- Play patriotic music in the background for extra atmosphere!
