

ANX-305 v2.0

In this quick pdf eBook, you will find out how to access your member area and how to use ANX-305 v2.0 – your personal money making AI Assistant.

I/ How to access your member area:

After your purchase, you should have received an automatic email with the invite link to your member area.

Remember to check your spam and promotion folder.

Click on the invite link inside the email and you will be redirected to your member area to create your own login password.

You will then be able to access your private member area freely 24/7 whenever you desire.

Alternative method:

If you don't receive your invite link or can't login with your own password, here is another option.

You can log into your member area using these admin details:

URL: <https://www.nru-solutions.com/school/course/anx-305-v2>

Email: contact@nru-solutions.com

Password: Admin1234

II/ Quick Tutorial ANX-305

ANX-305 goal is to help you generate income faster by executing most of the hard work for you.

You just have to ask and the AI assistant will work for you 24/7 for free.

Knowing how to use the AI Assistant is important because you will be able to delegate a significant amount of work such as the market research, post writing, ideas generation, specific advices and assistance on everything related to making money online.

Where to find AI Assistant?

You can find your Assistant at the bottom right ↘ of your screen when you are connected to your member area.

To access it, you simply have to click on it and then start chatting.

How does this work?

It is very simple. Your AI Assistant was programmed to help you achieve success.

You can ask him any questions that come to mind regarding generating income online, and receive an instant answer.

Is there a limit to its use?

Every conversation you have with your assistant generates additional server costs for our system.

But we decided to allow unlimited usage of the AI assistant so that you can progress with peace of mind.

Thank you for reading!

See you in your member area!
