EggScellent Ordering

1. Cut out each column of Easter Eggs, you'll have 5 columns
2. Sort them from *least* Eggs to *most* Eggs on the next page

Why not colour in and decorate your eggs first?

1. Cut out each column of Easter Eggs from the previous worksheet
2. Sort them from least number of Eggs to the most Eggs

You'll do an Eggcellent job, but just ask your grown up if you need help.
Can you count how many eggs there are in each column?
