Introduction

Welcome to the **Solar Wars Income Guide: Amazon Edition!**

In this guide, you'll learn exactly how to generate real, trackable income by becoming an official Solar Wars partner on Amazon; with a focus on the Solar Wars products hosted on Amazon.

Whether you're promoting the paperback, hardcopy, the Audible audiobook, Kindle edition, or all of the above, each version earns you **50%** of whatever your audience purchases through your personalized Amazon link. (Yes, really - a full 50%!)

This isn't theory. It's a step-by-step walkthrough designed to get you from *zero* to *earning* in just a few clicks.

You'll be guided through:

- Creating your Amazon affiliate account
- Generating your custom Solar Wars ID link
- And of course; how to share your link in a way that drives clicks and conversions

If you're already part of the Solar Wars community, this is a natural extension of the mission. And if you're brand new? Welcome aboard; your journey starts here.

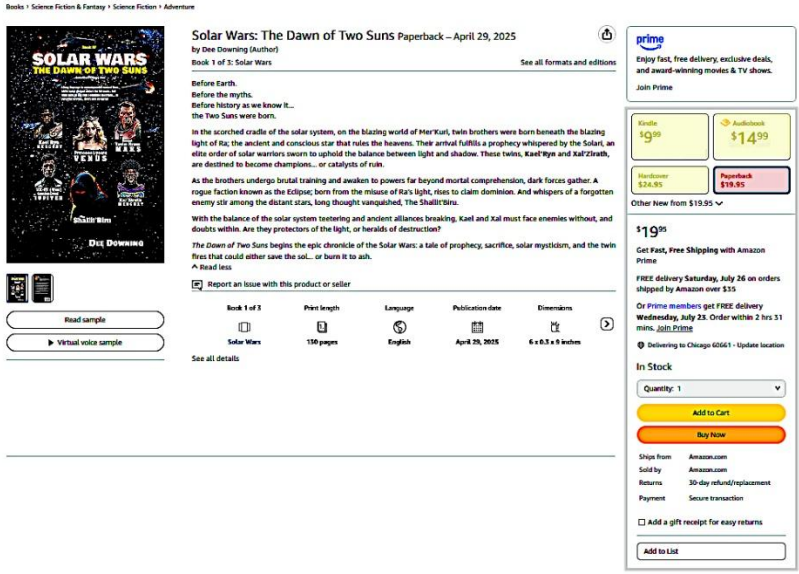

Let's unlock your Solar-powered income stream.

Get ready. Get set. Let's earn!

Step 1

Solar Wars: The Dawn of Two Suns Amazon Sales Page

This is the Solar Wars Amazon sales page. It offers the *paperback, hardcover, Kindle (digital), and audiobook* versions.

Note that the *Amazon audiobook* only has *one narrator voice* reading the entire story. Unlike the audiobook adventure, the Amazon version does not offer the individual character voices, sound effects, or background music.

As previously mentioned, the Solar Wars partner will receive 50% of any item purchased from their sales page. The includes:

Solar Wars Paperback = **$19.95**
Solar Wars Hardcover = **$24.95**
Solar Wars Kindle = **$9.99**
Solar Wars Audiobook = **$14.99**
Total Item Value = **$68.88**

Theoretically, the Solar Wars partner can earn **$34.94** every time one of each item is purchased. But the consistent purchase of one item (i.e., paperback = **$9.97**) is not too bad either.

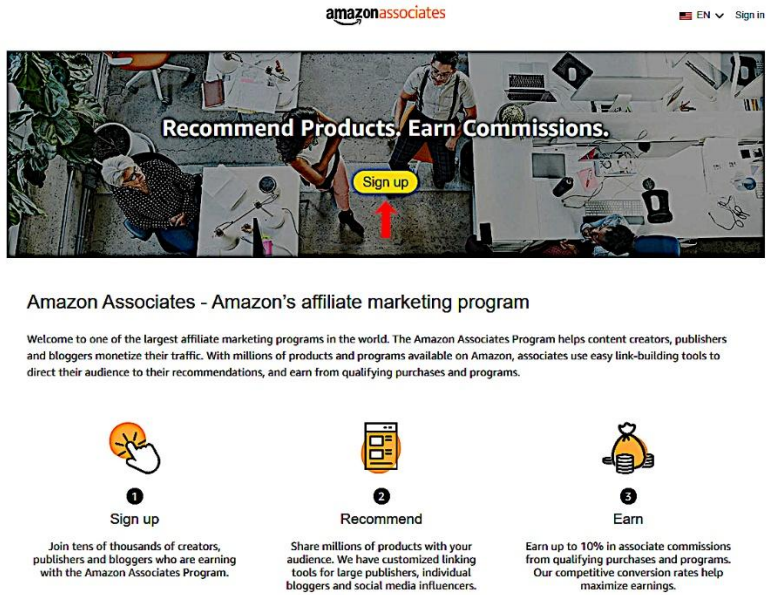

Step 2

Before you can start earning with Solar Wars on Amazon, you'll need to sign up for **Amazon Associates**. Essentially, this is Amazon's official affiliate program. It's free, fast, and simple.

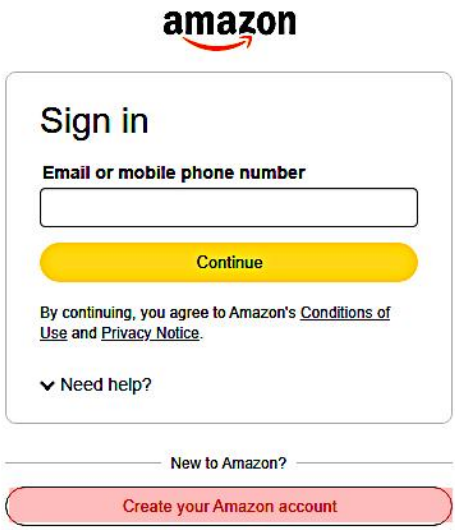

Here's how:

Go to the Amazon Associates Website:

Amazon Associates

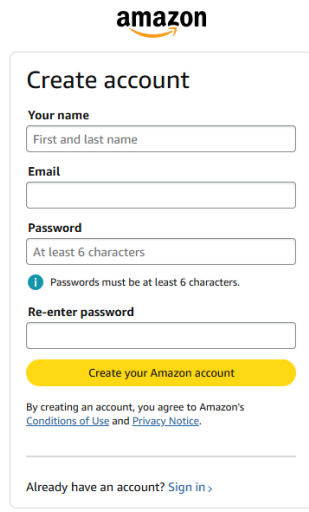

Click the **"Sign Up"** button in the upper center of the screen.

Create your Amazon Associates account.

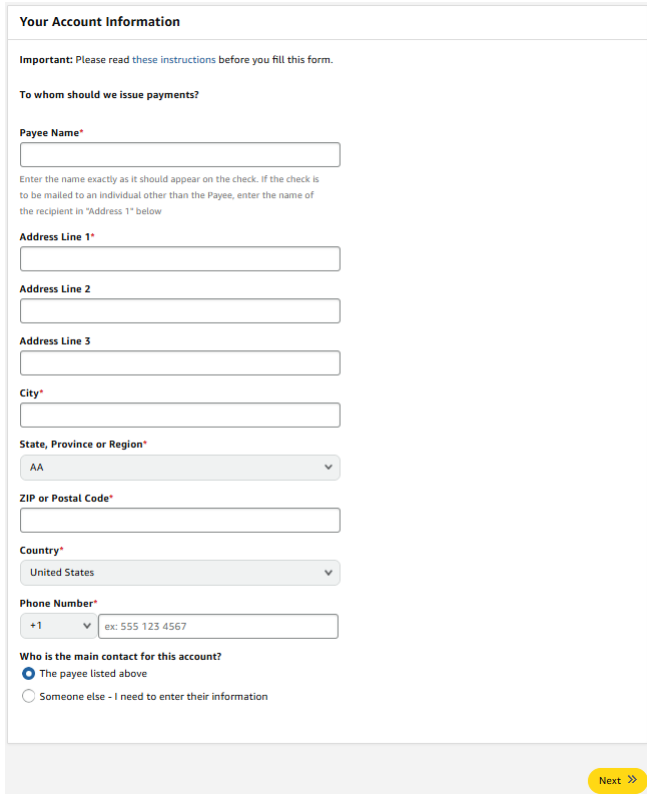

If you already have an Amazon account (regular shopping account), just sign in. If not, click **"Create your Amazon account"** and follow the prompts to set one up.

Enter Your Account Info

Amazon will ask for:

- Your full name
- Address and phone number (for tax and payout purposes)
- Preferred account type (most people choose “Individual”)

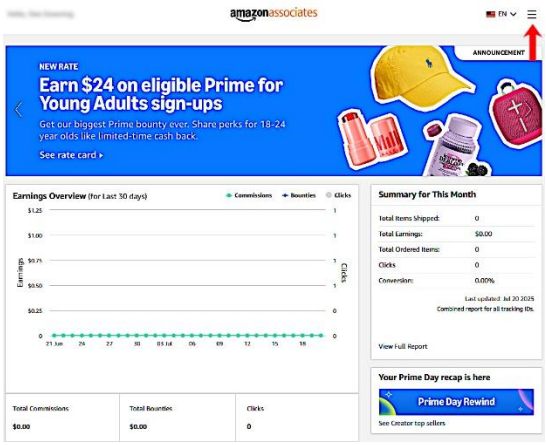

When you complete the Amazon sign-up process, the Amazon team will take a few days to review and approve your account.

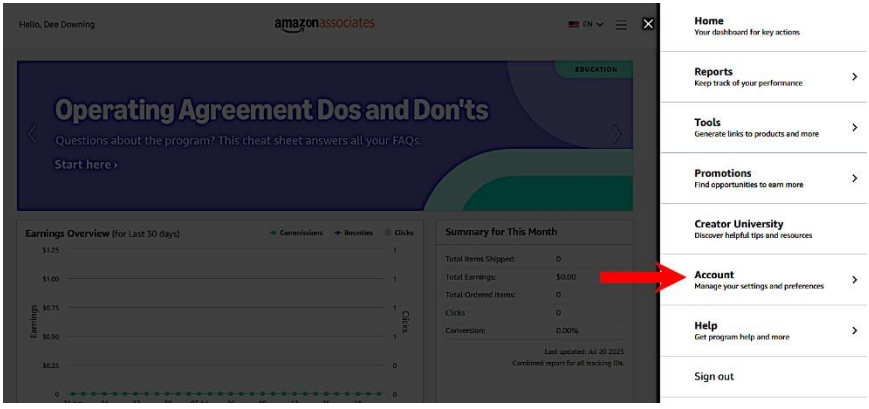

Step 3

Once approved, you'll get access to your **Amazon Associates dashboard**, where you can search for **Solar Wars** products (paperback, Kindle, audiobook) and **generate your unique affiliate links**.

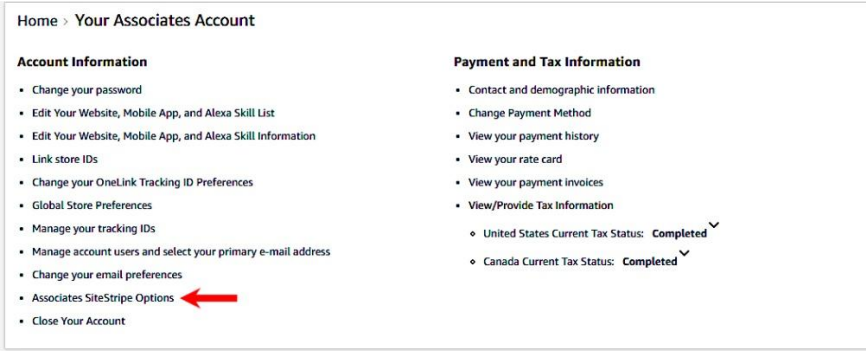

Anyone who clicks your link and makes a purchase? You get **50%** of the profits; paid straight to you.

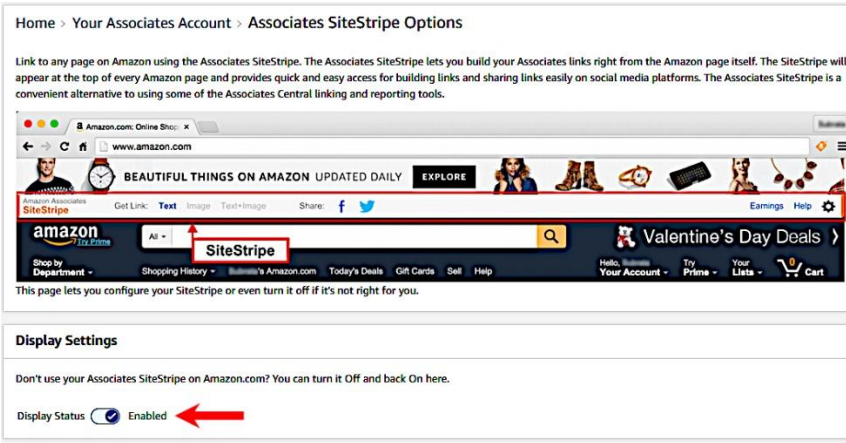

On the main menu screen, click the three lines icon in the upper-right corner.

Click on **Account**: **Account Settings**.

Click on “Associate SiteStripe” Options.

Enable the display status.

The search bar in your *Amazon (shopping) account* transforms from this:

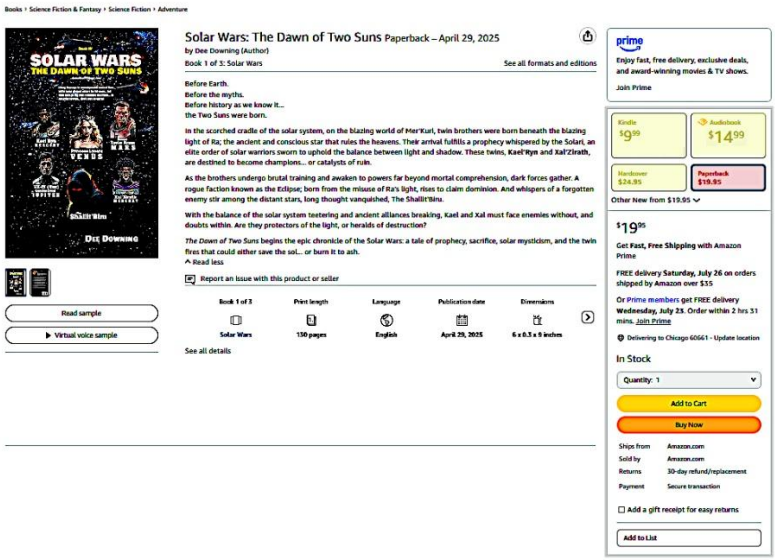

to this...

The simplest way to link to any Amazon sales page while in your Amazon shopping account is by using the *Associates SiteStripe*.

When enabled via your Amazon Associates account, it appears on every Amazon page in your shopping account.

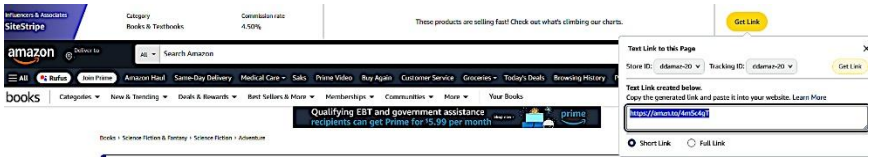

At this point, all you have to do is search for the *“Solar Wars: The Dawn of Two Suns”* sales page via your associates sitestripe.

Once you're on the sales page, click on the version of the product you want the page to focus on.

Then click on the yellow *"Get Link"* button in the right end of the sitestripe bar.

Copy/Paste the generated link in your social media. You have a choice between the *short version* of the link and the *long version* of the link. Either way, Amazon will automatically funnel you 50% of all sales generated via your new Solar Wars link.

The Final Level

Essentially, another variation of Step 4. Instead of picking an arbitrary theme, deem yourself an Executive Producer of Solar Wars: The Dawn of Two Suns movie project.

The role of the Executive Producer in filmmaking is to secure the financing (or portions thereof) of whatever movie project they're working on; and get paid to do so. In many cases, they simply just keep a percentage of all the financing they secure.

For example: If an executive producer secured $**100,000**.00 on a movie project, they get paid whatever percentage they agreed to. In this example, the agreement is 25%. This motivates the EP to go out and secure that money for the movie project.

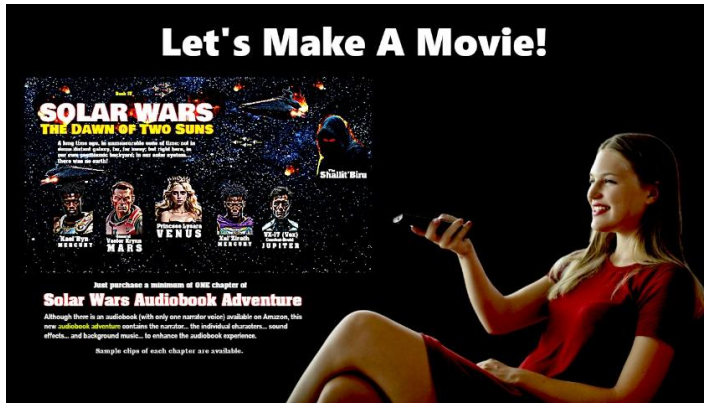

This EP made $**25,000**.00. It doesn't mean he has to stop there, or work on just one project at a time. EPs are free to make as much money as they possibly can.

From now on, when you watch movies pay attention to the credits. You might start noticing the same executive producers in the credits of different movies.

In this light, as a Solar Wars Partner, you'll be doing the job as an Executive Producer. You'll be paid 50% of all the purchases from your sales page. *Where do you think the other 50% is going?*
