Personal Brand Photography

PACKAGES & PRICING

Welcome

Your business deserves imagery that feels as genuine as the work you do.

Inside you'll find two thoughtfully designed session options to give you a starting point. Every business is different, so if you need something a little more tailored, I'm always happy to create a custom package that fits your goals.

My approach is relaxed, collaborative, and focused on creating purposeful imagery that helps your business connect with the right people.

I can't wait to tell your story.

- Stine

Add Ons

Complete Brand Library Upgrade | \$1000

Receive your full curated gallery of approximately 80-100+ gently edited images.

Additional single images may also be purchased for \$80 per image.

Website Hero Motion Clips | \$450

A selection of short, silent video clips captured during your session designed to bring your brand to life.

- A variety of brand moments, details and movement based footage.
- One edited hero section sequence combining your favorite clips into a cohesive website video.
- Optimised for website use

“The photos turned out *to* be exceptional and we had *the* BEST time.”

- Andrea | A.P. Body Transformations

Ready When You Are

Choosing a photographer is about more than beautiful images - it's about finding someone who understands your vision and helps you feel comfortable enough to be yourself.

If you think we might be the right fit, I'd love to hear about your business and what you're creating. Together, we'll create imagery that feels authentic, intentional, and uniquely yours.
