**Automate Client Onboarding**

# Launch and Sell Digital Products

Automate every part of your launch—without writing a single line of code.

## 1

## STEP 1 — CREATE AN AVATAR VIDEO (SYNTHESIA)

Use Synthesia to record a high-converting video sales letter or launch teaser—no camera, no mic, no studio

Use our pre-written script templates to speed up production.
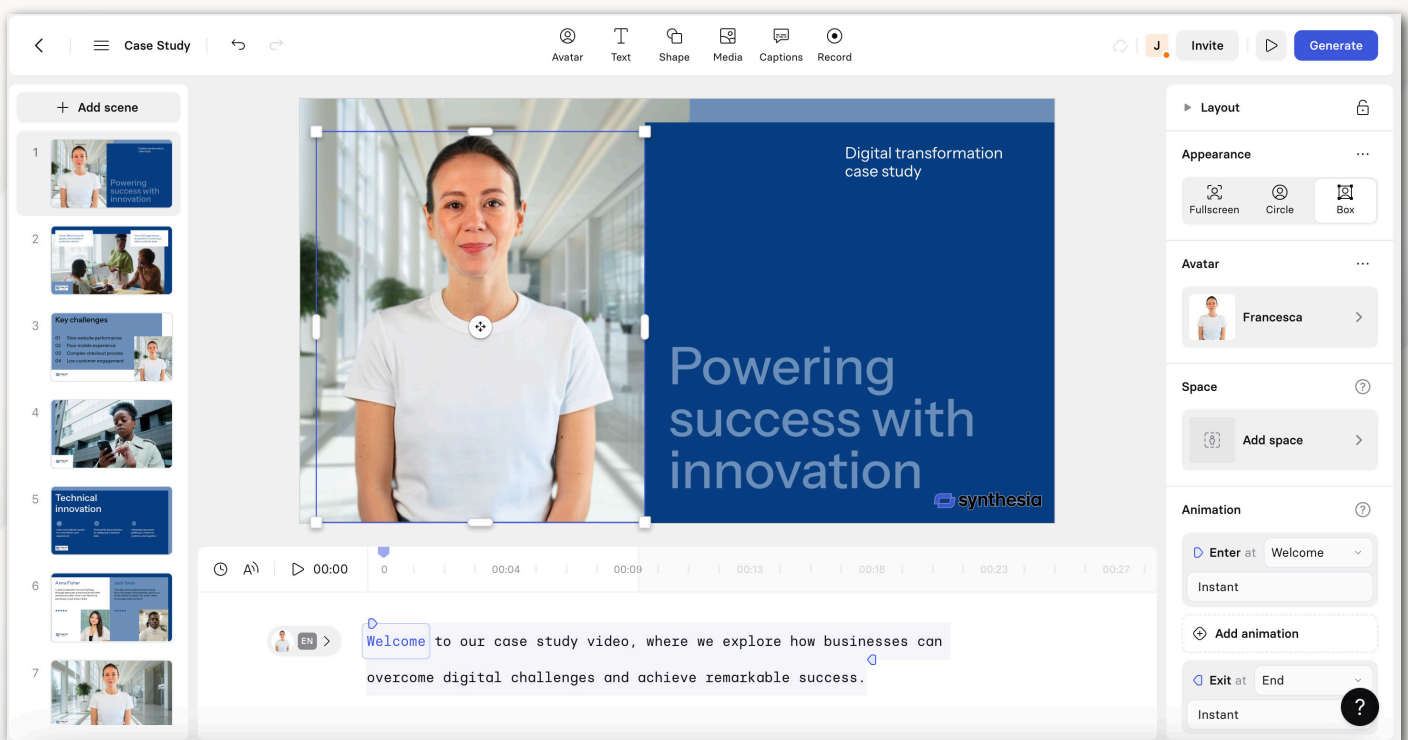

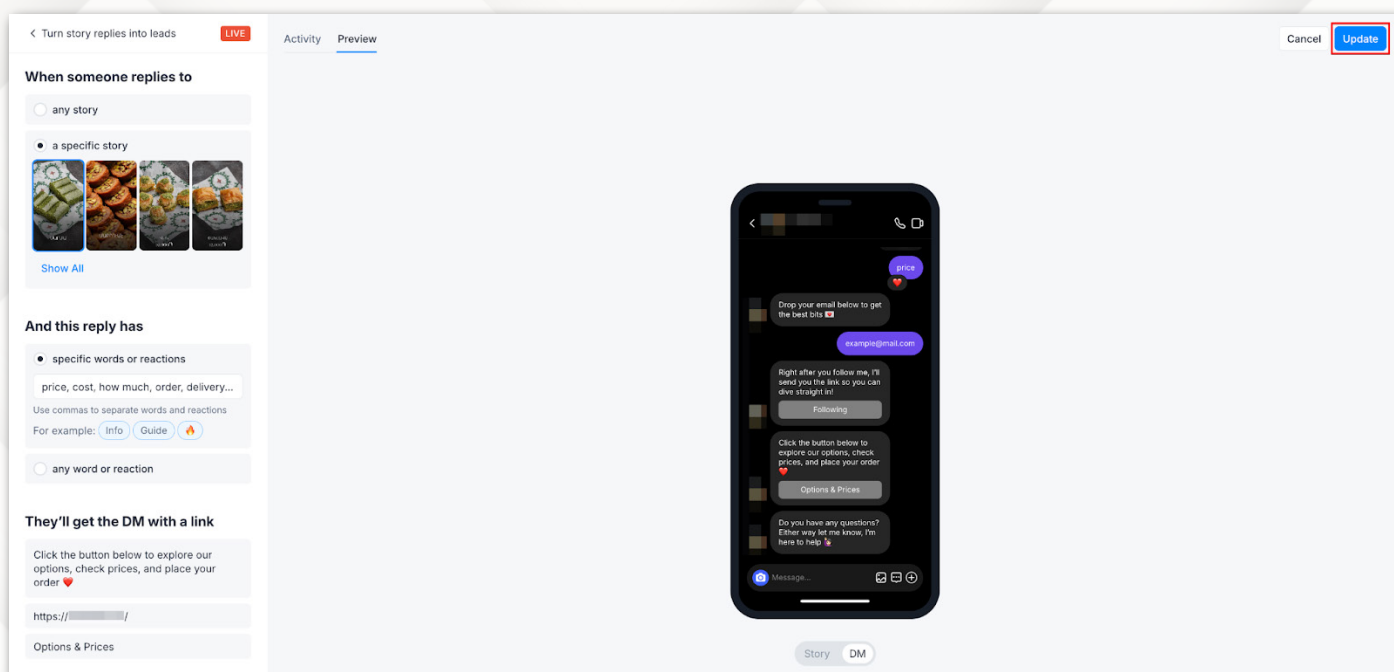

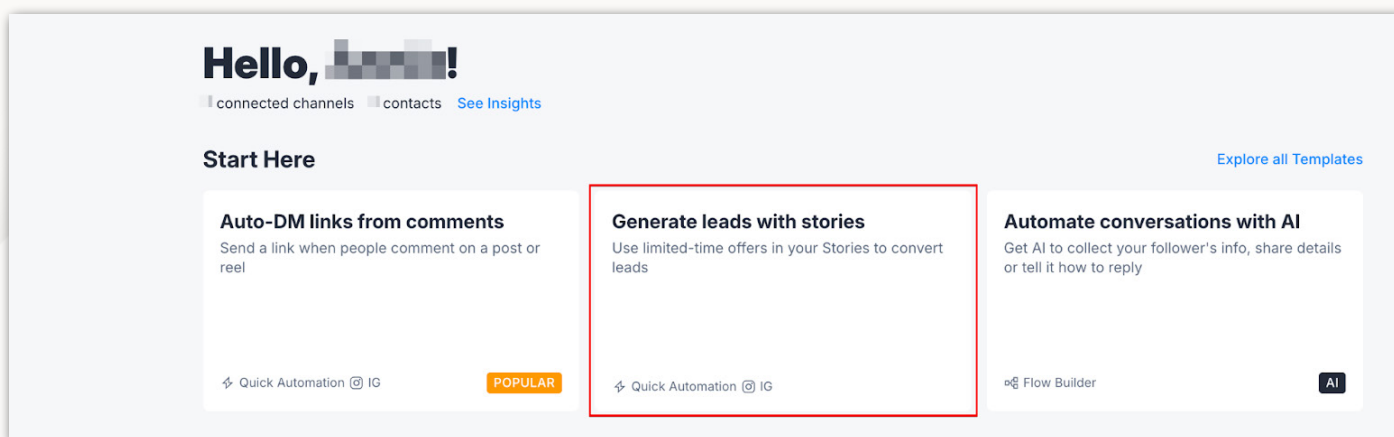

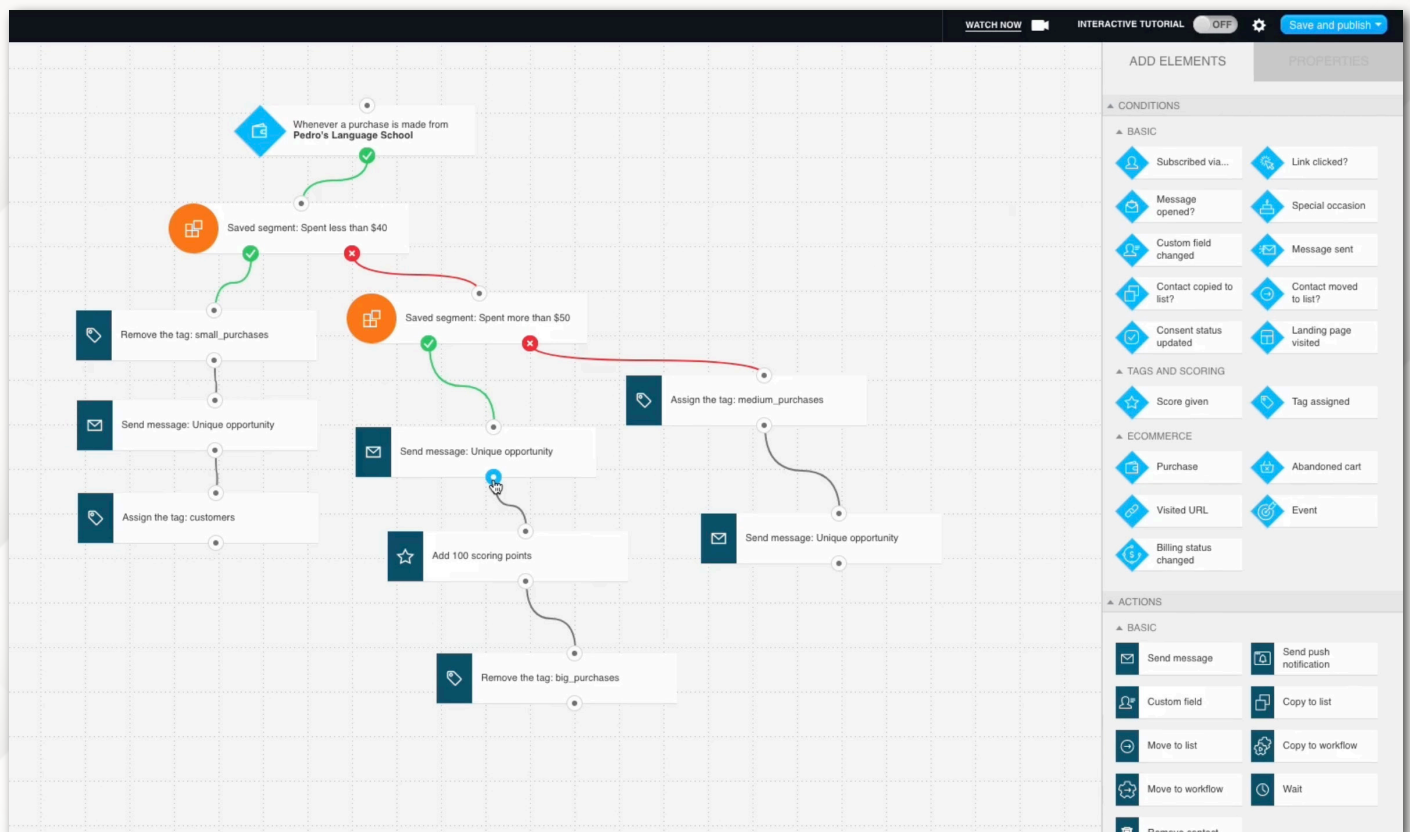

# Launch and Sell Digital Products

Automate every part of your launch—without writing a single line of code.

## 2 | STEP 2 — LAUNCH A DM CAMPAIGN (MANYCHAT)

Turn social traffic into leads using ManyChat's IG or FB DMs. Add "comment to get the video" automation for engagement.

Perfect for Reels, Shorts, and Instagram ads.

# Launch and
# Sell Digital Products

Automate every part of your launch—without writing a single line of code.

## 3

## STEP 3 — AUTOMATE A 5-DAY PROMO (GETRESPONSE)

Trigger a 5-part email sequence the moment a lead subscribes. Guide them from awareness to purchase with daily value + urgency.

# Launch and Sell Digital Products

Automate every part of your launch—without writing a single line of code.

## 4

## STEP 4 – DELIVER WITH CLICKUP

Use ClickUp to give customers access to digital bonuses, product files, and private content via a clean SOP template.

Bonus: Use the same dashboard for onboarding & support.

# Grow and Nurture Your Leads on Autopilot

## Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

Stop wasting traffic. This funnel helps you convert social media engagement into long-term leads and sales—without relying on paid ads or landing pages.

This "lead magnet automation funnel" turns a DM interaction into a lead, sends a branded email sequence, and delivers content with video + SOPs—all while you focus on your next client.

## 1

## STEP 1 — CAPTURE LEADS WITH MANYCHAT

Use Instagram DMs or Facebook Comments to offer a lead magnet (e.g., checklist, cheatsheet, video, guide). ManyChat automatically replies, asks for their email, and hands it off to your email funnel.

Use a "comment-to-get" trigger on Reels or IG Stories.
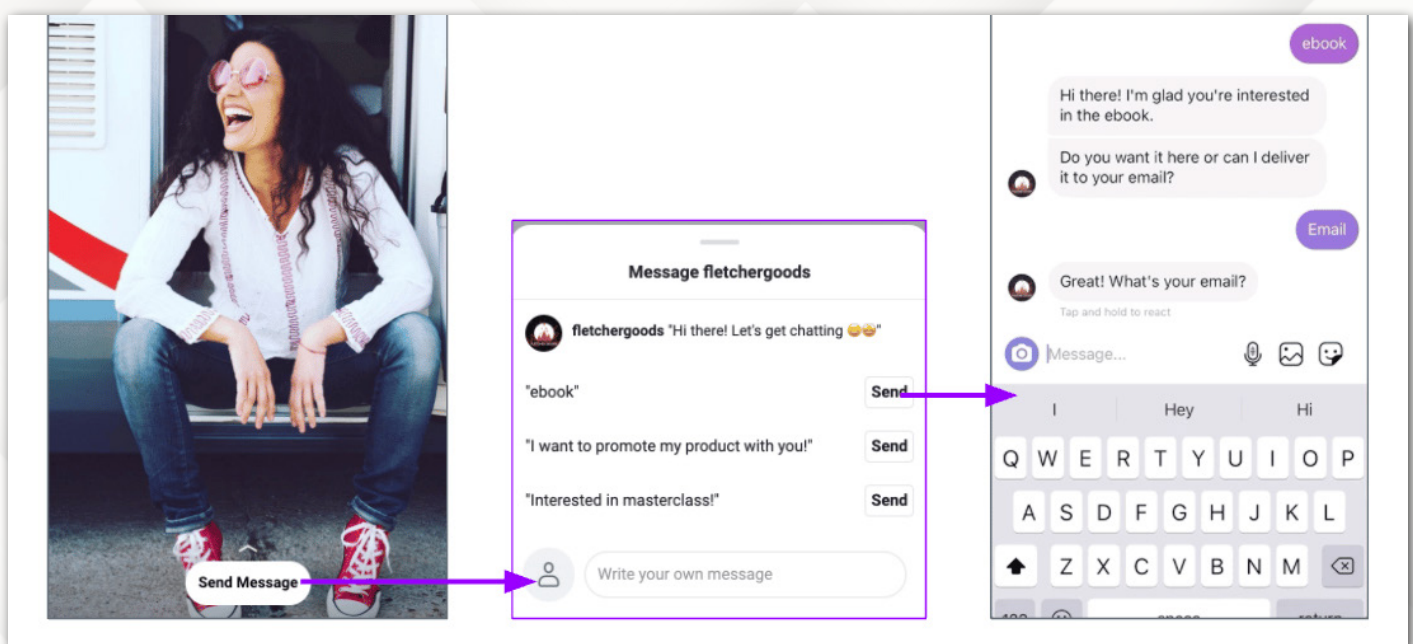

# Grow and Nurture Your Leads on Autopilot

Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

## 2 | STEP 2 — TRIGGER EMAIL AUTOMATION IN GETRESPONSE

Once the lead submits their email, GetResponse triggers a multi-step automation.
Start with a Welcome Email and then deliver value across 3–5 emails.
No tech needed—just plug into our done-for-you workflow
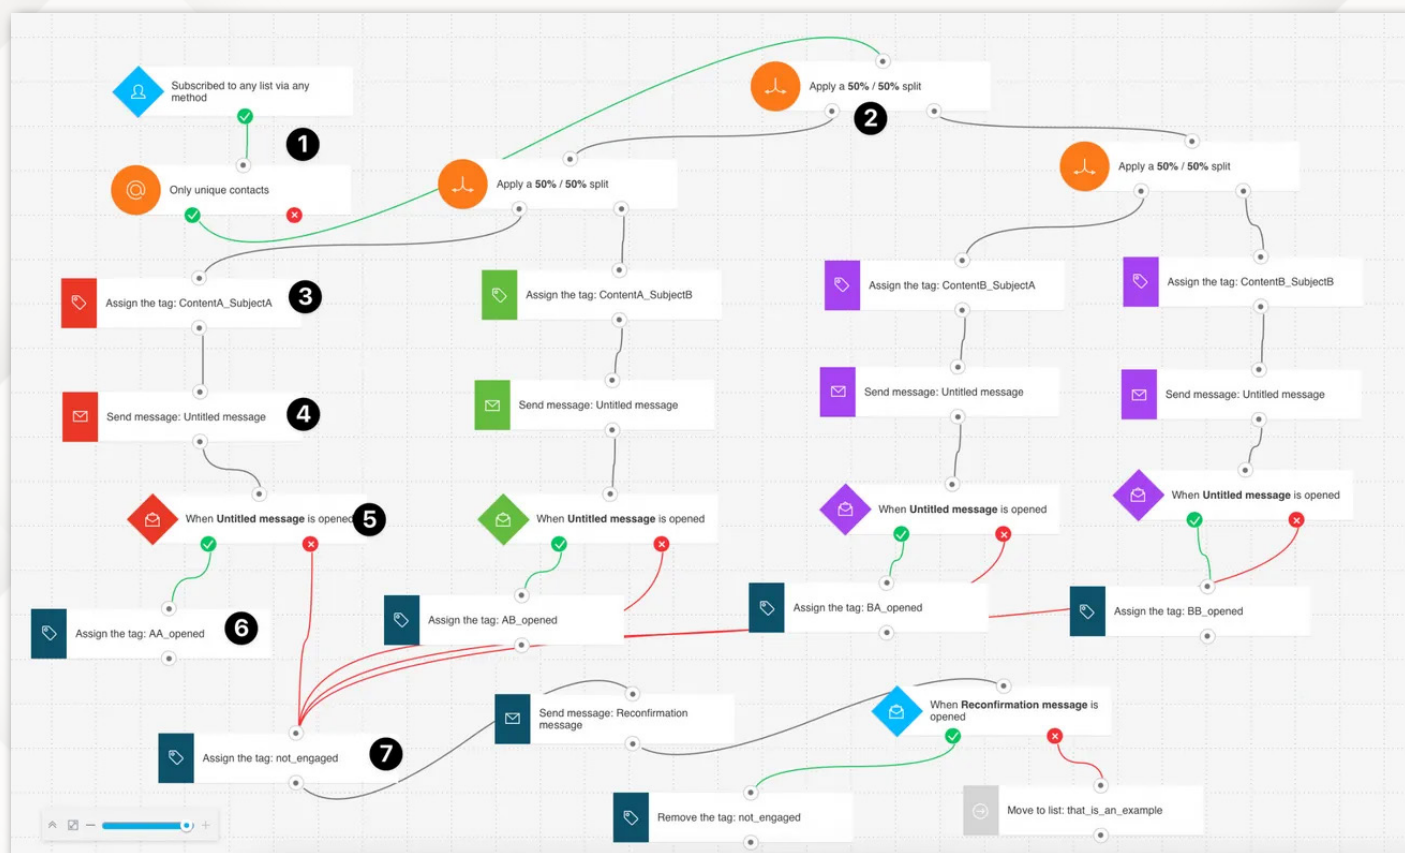

# Grow and Nurture Your Leads on Autopilot

Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

## 3

## STEP 3 – DELIVER YOUR LEAD MAGNET WITH SYNTHESIA VIDEO

Instead of a plain download link, send a short AI-powered explainer video using Synthesia.

Introduce the resource and explain how to use it, building trust instantly.

Add the video to your first email or ManyChat response
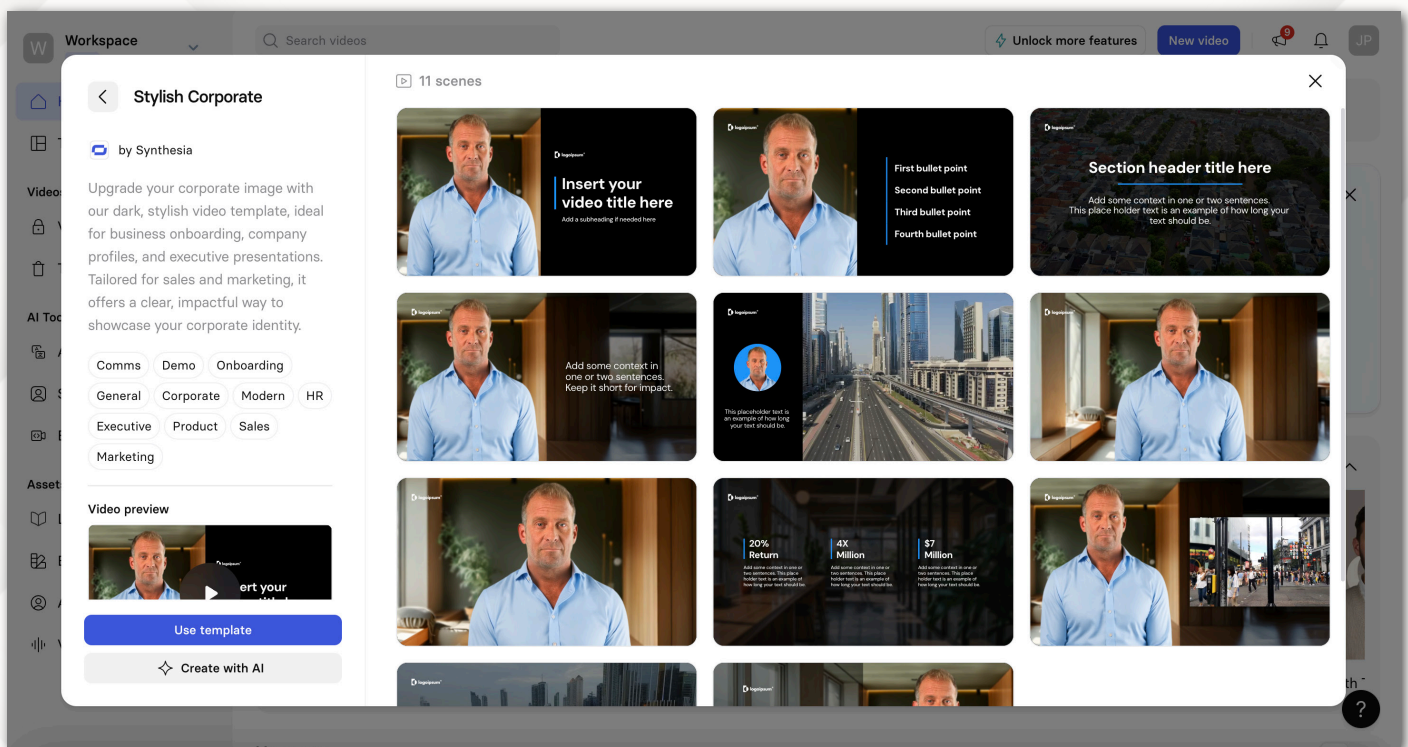

# Grow and Nurture Your Leads on Autopilot

## Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

# Automate Client Onboarding

Deliver a "wow" experience from day one—without the back-and-forth, overwhelm, or dropped details.

Onboarding new clients can feel chaotic—manual emails, repetitive questions, and lost documents. This funnel solves all of that.

With this system, every new client gets:
- A personalized welcome experience (without custom effort)
- A fully automated info capture process
- A clean, professional delivery dashboard with next steps
- You'll impress clients while saving hours, eliminating hand-holding, and reducing churn—all with four tools working in sync.

## 1 | STEP 1 – GREET CLIENTS WITH SYNTHESIA VIDEO

Create a warm, professional welcome using a Synthesia avatar. Personalize it by referencing their business type, next steps, or onboarding goals.
Use the same video for every new client—with a personal feel every time.
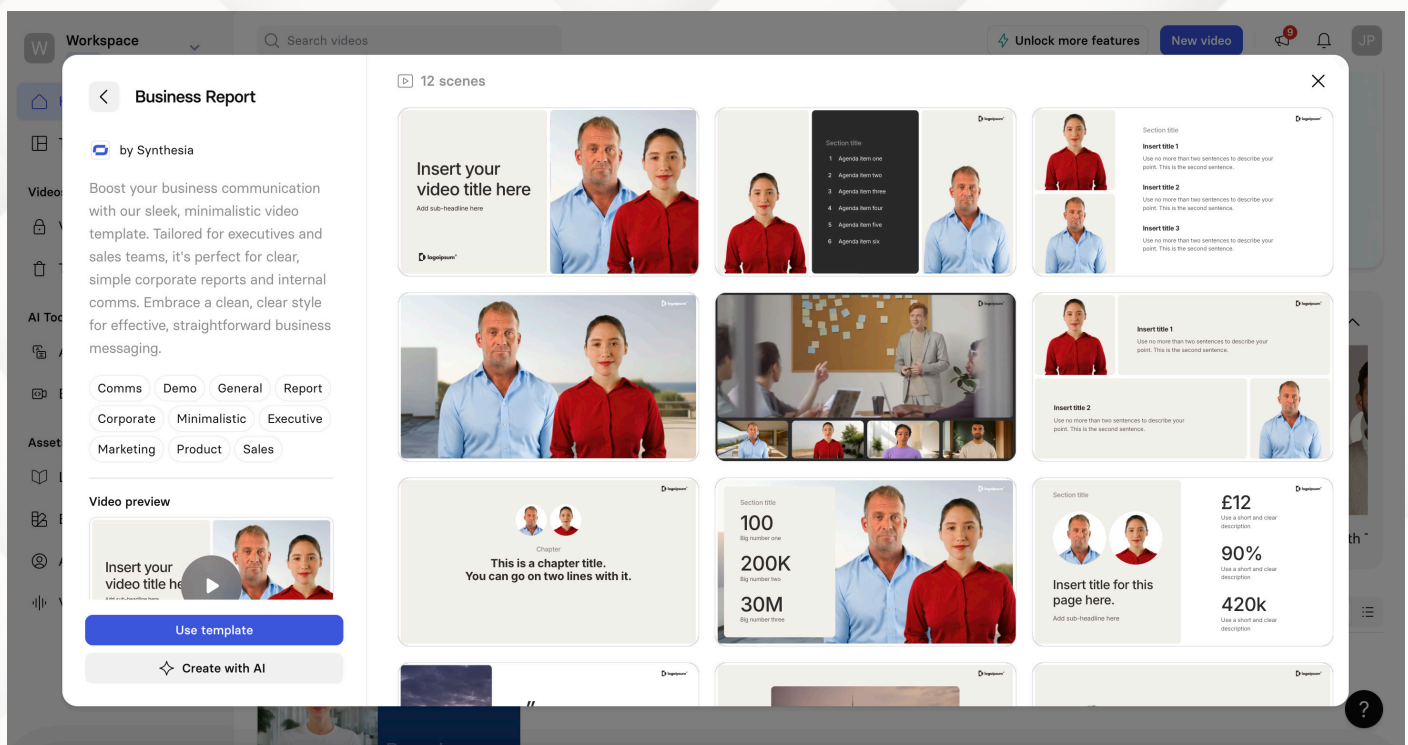

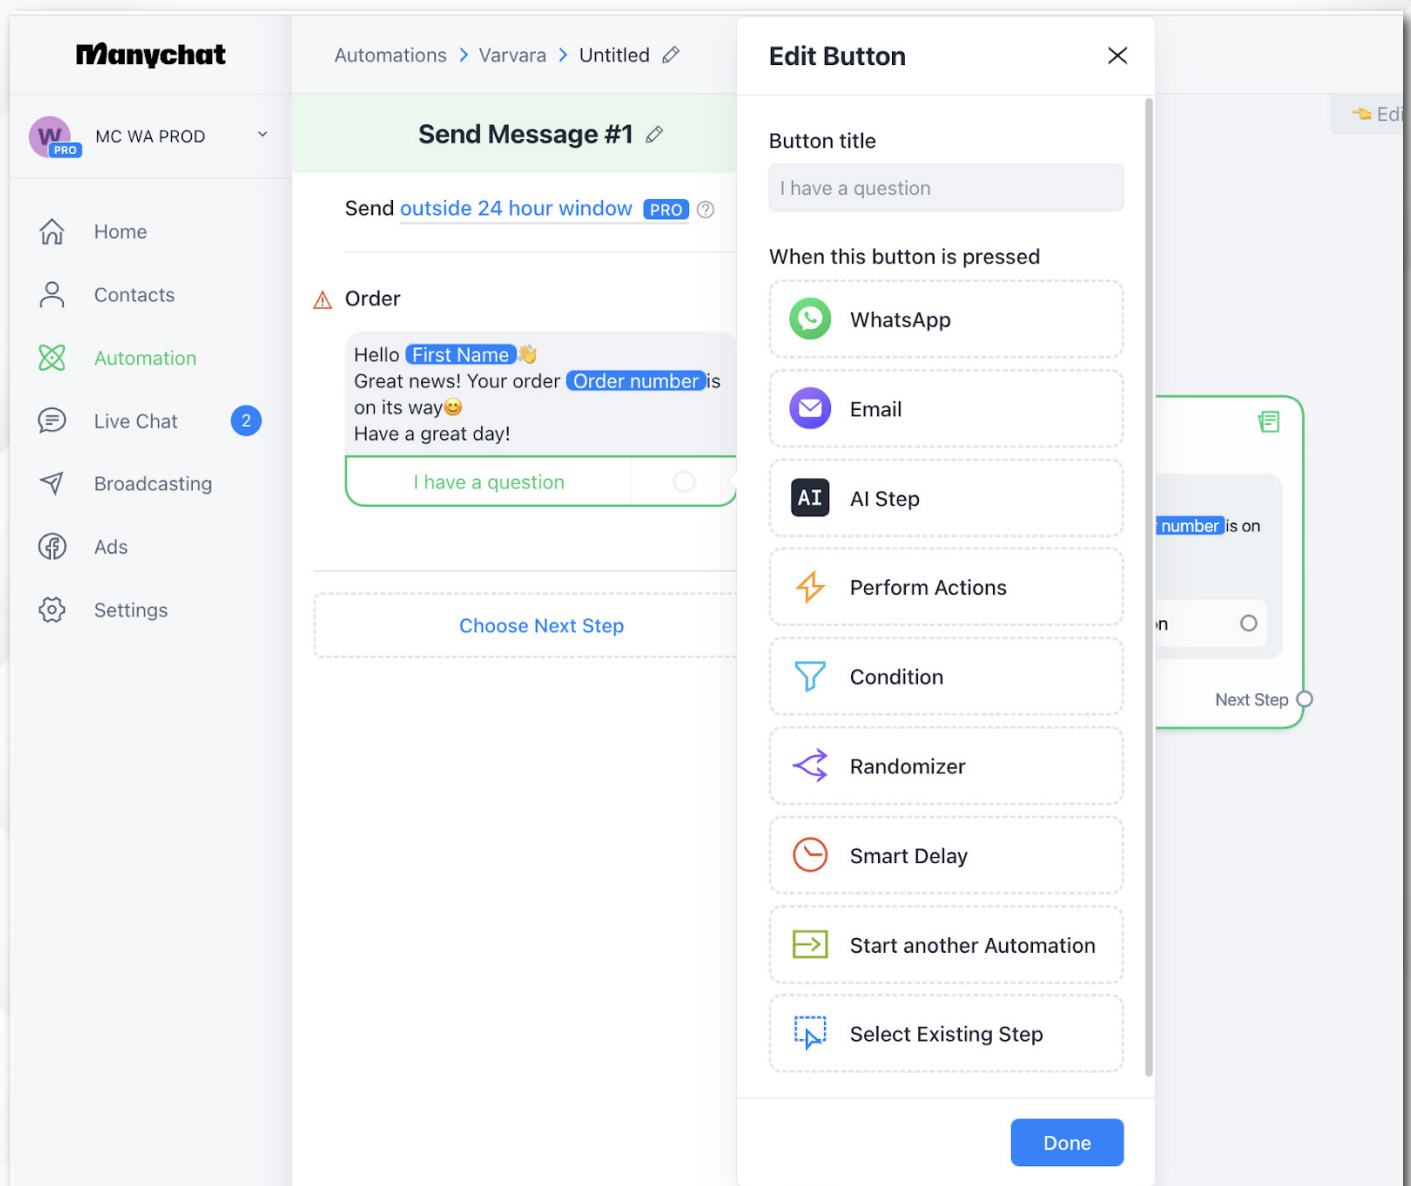

# Grow and Nurture Your Leads on Autopilot

## Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

2

### STEP 2 – COLLECT CLIENT INFO VIA MANYCHAT

Build an onboarding chatbot to collect key info: name, email, business goals, website, brand materials, etc. Use Instagram DM, Facebook, or web widget.
All data auto-syncs to your CRM or gets emailed to you instantly.

# Grow and Nurture Your Leads on Autopilot

Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

## 3

## STEP 3 — SEND WELCOME CHECKLIST WITH GETRESPONSE

Trigger a custom onboarding email that includes:
- PDF intake checklist
- Key links (Google Drive, calendar booking, etc.)
- The Synthesia video again for reference

Create a 3-part onboarding email sequence for spaced delivery
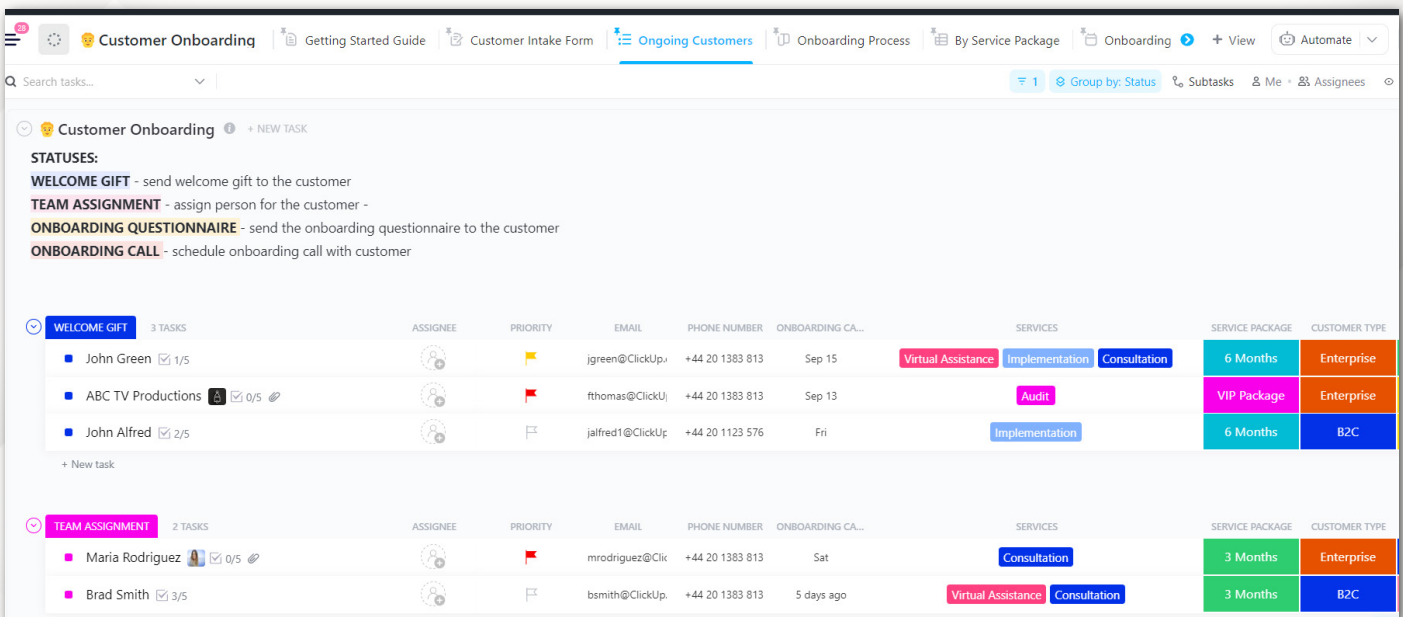

# Grow and Nurture Your Leads on Autopilot

Capture, Engage, and Convert Leads with Smart DMs, Video Content, and Automated Emails

## 4

## STEP 4 – TRIGGER SOPS AND DELIVERY BOARDS IN CLICKUP

Once a new client joins, trigger a templated ClickUp board to manage tasks, resources, and communication checkpoints. Assign tasks, share files, and track onboarding in one place.

Duplicate once. Use forever.
