Spiritual Journey
through a full-body experience
September 20-28, 2025

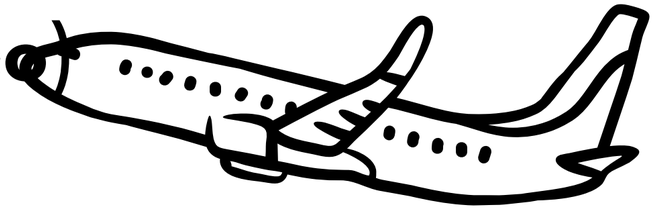

Join us in the Ancient land of Atlantis that survived the Great Flood.
A place of healing energy whose origin goes back to the very beginning of Atlantis.
Receive the Atlantis Initiation to reconnect with this Healing Source and transform your current life by transforming the very trauma that marked your last reincarnation in Atlantis, the trauma that conditioned all of your other traumas experienced in your lifetimes since.
Go on a journey of self-discovery and healing overseen by the Masters of Absolute Light from the 7th plane of Consciousness and the Pleiadean Council that has protected these sacred lands since their birth.
We will pair this Soul Healing with a full body regeneration supported by essential oils, nourishing food, swimming in natural pools filled with high-vibrational ocean water and QiQong movements.
Still your mind in meditation and re-discover Your True Self by unearthing the True You that has been hidden by the veils of non-remembrance since the Fall of Atlantis.
