FAQS

01

What is the Express Package?

Our fast, easy, and convenient solution for ready-made custom merch. Delivered in 7–10 working days after confirmation and payment.
**certain items require two weeks lead time*

07

Is the quality the same as what you produce previously?

Yes — same premium quality, just faster.

02

What's the minimum order quantity (MOQ)?

Starts from 10 pieces per item, depending on the product. Perfect for small teams, events, or limited runs. (Refer to the menu.)

08

I have my artwork but special requests for placement or printing — is that okay?

Yes, include notes in the remarks section in the order form or reach out to us. We'll review and advise.

03

How do the MOQ and RM3,000 minimum spend work together?

You can mix multiple items (minimum 10 each) as long as your total order value reaches RM3,000.

09

What's included in the RM3,000 starting price?

That amount goes fully into the total value of items selected — just mix and match to reach RM3,000. No hidden charges.

04

What kind of products are available?

Best-sellers only — apparel like t-shirts, polos, jackets; business essentials like notebooks, lanyards, mugs; and travel items like tumblers, power banks, umbrellas. (Refer to the menu.)

10

I have a small team. Can I order multiple items in low quantities (e.g. 10 pcs t-shirt, 10 polo, 10 tumbler, 10 notebook)?

Yes — as long as each item meets the MOQ and your total spend hits RM3,000.

05

Where can I see the price for items?

Our menu shows estimated prices, MOQ, colours, and more.

11

What if I have a budget and need help with branding or merch ideas?

Our Gold Package is ideal — more tailored, consultative, and strategic.

06

Can you explain the price range in the menu?

It's just an estimate. Final pricing depends on quantity and design complexity.

12

What if I need it faster than 7 days?

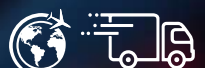

Let us know your deadline. We'll check if it's feasible.

Package starts from RM3,000 (SGD1,000)

FAQS

13

How do I get started?

Browse the menu → fill out the order form → receive a quote → make payment → delivery.

18

If I want to order t-shirts only and I'm not in a rush, should I use Express?

Yes. All small quantity orders fall under Express, even if you're not in a hurry.

14

Where can I get the order form?

Order Form — also available on our website and the last page of the menu.

19

I have my artwork but special requests for placement or printing — is that okay?

Yes, include notes in the remarks section in the order form or reach out to us. We'll review and advise.

15

Can I request a physical sample before production?

No. To keep things fast, we send a mockup after payment, do QC, and share sample photos before mass production.

20

What if the items I want aren't in the menu?

Go for the Gold Package — more customization and sourcing available. Min. spend RM20,000.

16

Do you offer payment terms?

Express orders require full upfront payment to begin production.

21

What other packages do you offer besides Express?

The Gold Package is designed for larger, premium, or more customised orders. It requires a minimum spend of RM20,000 and offers a wider variety of product options, a longer 3–4 week delivery timeline, and a tailored experience that focuses on brand impact.

17

What if I want 50 t-shirts but the spend doesn't reach RM3,000?

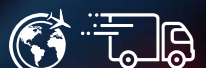

You can either increase the t-shirt quantity or add other items (MOQ 10 pcs) to meet RM3,000.
