Benefits:

- Full replacement of MSG & I+G
- Clean-label and consumer-friendly
- Deep, rounded chicken flavor
- Maintain flavor intensity.
- Sodium Reduction.

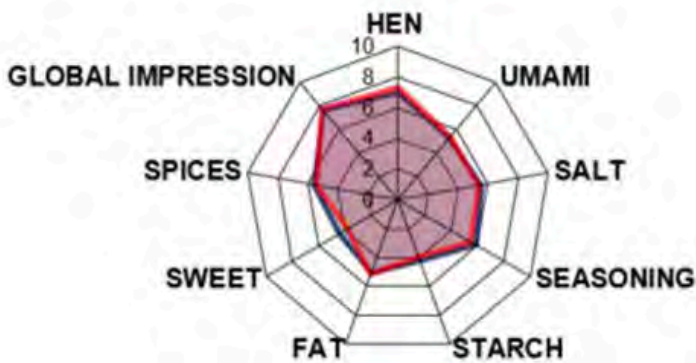

Ingredients	% Control	% Sample Application
Seasoning Base	92.5%	92.50%
Corn Flour	-	3.00%
23CK Flavor	0,20%	0.20%
Rich Umami 20 LS	-	0.30%
Rich Flavormax	-	4.20%
MSG	7.00%	-
I+G	0.30%	-
Total	100%	100%
Sodium (mg Na/100g product)	17960	16661

Preparation:

- 21g per 1L of hot water.

- MSG and I+G
- Rich Flavormax + Rich Umami 20LS

- Intense boiled chicken aroma.
- Maintains organoleptic profile.
- Long-lasting umami.
- Balanced savory/salty perception.
- Clean mouthfeel with natural finish.

Why It Works:

- Natural nucleotides enhance meaty taste.
- Yeast extract creates flavor continuity across processing and shelf life.
- Cost-effective clean-label alternative to artificial flavor enhancers.
