Thank you for choosing SSTG as your preferred training provider for STCW'10 Basic Safety Courses for the **Cruise Ship as well as the Superyacht Industry**. We are excited to have you on board!

Our courses have been combined to suit the needs of any Candidate that wishes to pursue a career in the Cruise or Superyacht Industry and require STCW Basic Safety Training.

Our accreditations are in line with STCW and STCW-F requirements, as certified by the South African Maritime Safety Authority (SAMSA). Our primary focus is on preserving life through excellent maritime safety training.

WEEK 1:

FPFF: Mon-Wed

PST: Thu – Fri (Hout Bay only)

WEEK 2:

MFA: Mon – Thu

PSSR: Fri-Sat (this can be Milnerton or Hout Bay pending our schedule)

IMPORTANT DETAILS:

Classes start at 08:30 and end at 15:00 each day.

- Please bring your ID/Passport on the first day of class.
- Lunch is provided and included in the course fee.
- Certifications are included in the price and available upon successful completion of the course and payment.
- **Please note our 7-day cancellation policy**, which incurs a "no refund" penalty.

Online STCW Course Requirements:

- A computer/laptop with a webcam (tablets and cell phones are not compatible)
- A mandatory online session with your course facilitator
- Completion of online course content within the scheduled period
- Installation of proctoring software for online exams

IMPORTANT INFORMATION FOR ONLINE COURSE PARTICIPANTS

Online learners will **receive an email on the morning of the course start date**, providing guidance and access to our Online Learner Management System (LMS), an online platform where you can access the study material. The materials are available for download and **can be studied at your own pace**, but they **must be completed within a period of 8 days**. Depending on the course, you should plan to **dedicate 8 to 12 hours of study time** during this period. Additionally, there **are two mandatory online sessions for Q&A** that you must attend. These sessions, usually held in the afternoon, **last about an hour each** and are scheduled for the last two days of the course. **Please confirm the exact time with your online facilitator**. To ensure you understand the process, we recommend thoroughly reviewing the introductory information provided with the course.

Additional Requirements:

- For Fire Prevention and Fire Fighting, please bring old clothes, old shoes, and extra liquids to stay hydrated.
- For Personal Survival Techniques, please bring a towel and swimming wear/wetsuit for the practical classes.
- Note that you will be jumping off a 3-meter platform into a swimming pool, flip a life raft, do buddy huddles, jump with emersion suits and so on for the practical PST exam.

You cannot pass the PST course, if you do not participate in the pool practical. Please inform the lecturer if you have a fear of water and/or heights.
