BRANDING

YOUR BUNDLE *INCLUDES*:

THE BRAND CLARITY SERIES

A practical, no-fluff 4-part guide to building your brand, your way, using AI as your co-creator.

It includes a step-by-step framework and 50+ done-for-you AI prompts to help you shape every part of your brand story - from building the foundation to bringing it to life.

AI PROMPT LIBRARY

Your AI Prompt Library on Notion: 100+ branding and marketing prompts to help you co-create with AI.

The prompts are organised by business stage - Launch, Evolve, and Scale - and are designed to help you save time and deepen your brand's impact.

THE COMPLETE BRANDING STRATEGY TEMPLATE

A 40-page editable guide designed to help you create brand guidelines that truly reflect your style.

It features a clean, neutral aesthetic that makes your brand look polished and professional. You can customise it with a free Canva account—no experience needed to get started!

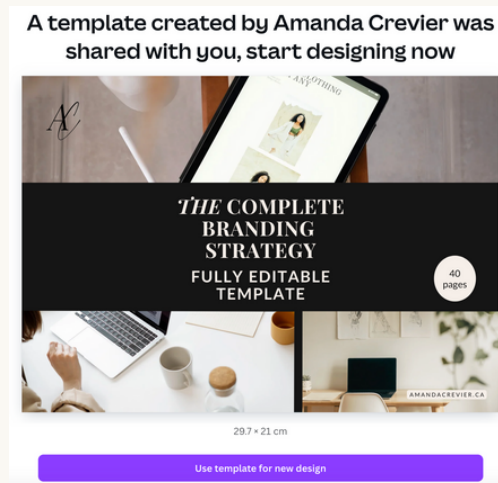

CANVA BRAND BOARD TEMPLATE

This mini brand kit provides quick, one-page guidelines on how your logo, fonts, and colours can be used. Includes five unique brand board templates to help set the tone for your own brand story.

A step-by-step guide to accessing Canva templates

1

Click on the template link on the first page. You will see something that looks like this:

2

Click on the purple “Use template for new design” button.

3

If you’re an existing Canva user, go ahead and edit!

If you’re new to Canva, create a free account using one of the options that will pop up, and then start editing. The templates will be saved in your Canva account.
