BIZZOSO

LIFE LESSONS FOR KIDS

Your new website, ready to import.

Warm Storybook | Website 1

Sales page + Checkout page + Thank-you page

1 **Sign in to Systeme.io**

Use the account where you want your website installed.

2 **Click the installation button below**

Your shared funnel will be added to your account.

3 **Open your new website**

Go to Sites > Sales funnels to find your imported pages.

INSTALL YOUR WEBSITE

One click adds your own copy. If prompted, sign in, then click the button again.

Make it yours, then start selling

The page designs are done. Add your branding, price, payment connection, delivery details and policy links, then activate your funnel when you are ready to sell.
