Damini Yogini

You will manifest everything you want when you confidently and unapologetically express!

Your throat and voice are the bridge between your intuition and what you put out there in the universe. Without an open throat and confident voice, your manifestations will be wobbly and confusing.

Let's Begin.

Use this workbook during or after the training and solidify your intentions :)

What is the one thing you really want to manifest?

Where belief are you willing to let go of, to rise in next level of income and impact?

Affirm: "YES I AM READY" "

- **Are you fully owning your voice?**
-

- **What fear is holding you back?**
-
-

- **Picture your highest timeline. What does it feel like to stand as a reflection of a goddess beyond all the limiting beliefs?**
-
-

By writing down your highest timeline. You are now bringing your highest version closer to you!

Confidence follows pleasure.

Let's do a pleasure audit!

- Are you living in pleasure?
-

- Are you sexually and emotionally content?
-

- Are you financially supported and nourished?
-

- Do you feel that the energy exchange with the world around you is balanced?
-

Let's affirm.

I am deeply connected to my vision and purpose.

My voice is divine & I express myself unapologetically.

I confidently share my unique perspective.

I speak my truth with clarity and courage.

In my expression, I am safe, strong, and free.

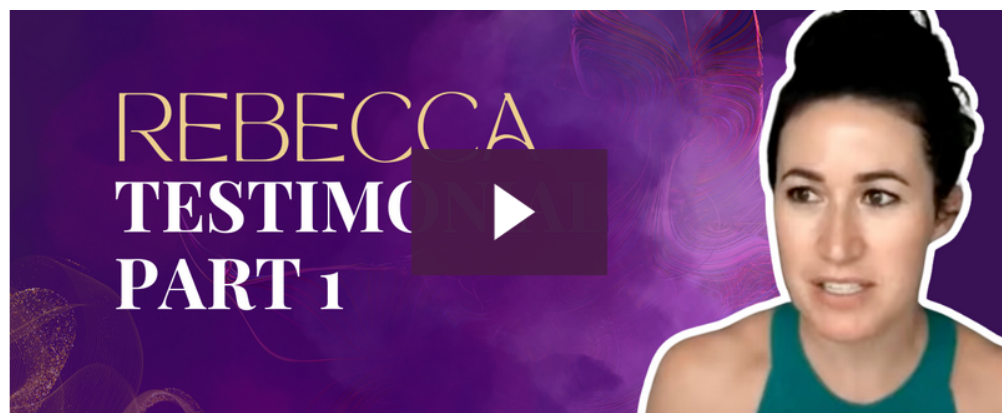

I am creating transformation on this planet beyond my wildest dreams.

I am serving humanity, raising the consciousness, and getting divinely compensated for my unique gifts and services.

This experience has been so much more than I could've ever anticipated, it has impacted every single area of my life; my personal relationships, family, work, and studies. I have grown so much emotionally, mentally, physically and spiritually.

The shifts in mindset, personal values and lessons I have taken away as a result of her coaching has been something I will take with me for the rest of my life and I am so grateful to have been part of this amazing program.
