

Clone the entire [1] course bundle, which features all 8 courses

Step 1: Click below link to clone the course bundle.

<https://systeme.io/course/share/20155672a6ce05d7c8d86872154cfb888f8174>

Step 2: Find your cloned course by logging into your systeme.io account, then navigate to Products > Courses.

Step 3: You now have the flexibility to remove or add courses and include additional PLR bonuses. This allows you to create a custom course tailored specifically to your audience, aligning everything with your unique strategy as you see fit.

Optional: The free Systeme.io account is limited to 1 course. If you need more courses for scaling, our exclusive new users can get a [40% off discount](#).
