

# BUSINESS COACHING EMAIL TEMPLATE

Here's an email template that you can send to your email list to get potential candidates to apply

Title: Do you make MORE than \$1000 per month? I can help you  
DOUBLE that amount!

body:

Would you like me to help you **DOUBLE your business' turnover?**

If your business makes at least \$1000 in turnover per month, then read the following carefully:

I decided to help 3 people **DOUBLE** their business' turnover in the next 6 months:

1. First we'll conduct an **in-depth analysis** of your current situation to find the strengths and weaknesses of your business ...
2. Then we'll develop an **actionable plan** to **DOUBLE** your results in the next 6 months
3. We'll check in every 2 weeks to help you stay on the right track and **achieve your goals**

Please note that spots are **extremely limited** as I'll be taking a maximum of 3 clients and there are 2500 people who will receive this email

(I sent it to all of my training clients)

If you think you have the potential, then [click here](#) to apply by answering a few questions

See you soon,  
Aurélien

PS: if you do not match the criteria but would like to work with me, no problem! Continue to follow my advice, we'll have the opportunity to collaborate in the future ;-)

I'm offering this coaching to a small number of people because I want to help them go further.

I know that by doing this I will learn new things. And you will also benefit from it through the videos that I publish and through my training courses

In short, everyone will walk away from this as a winner ;-)
