Subject: The new system to launch a profitable business in 2020 🚀

Body:

Thanks to this system, this year my revenues increased from **\$30,000 to \$70,000** per month.

Florent went from **\$2,000 to \$20,000** per month.

Martine has made **\$18,000 worth of sales** in 10 days.

Erkan has made **\$11,000 worth of sales** in 30 days.

Patricia has made **\$33,000 worth of sales** in 15 days.

All of them have used the **new system to start a profitable business**.

Subject: The most important factor to sell (not what you think)

Body:

As the founder of systeme.io, I'm often asked to add this or that feature:

I **often** answer the same thing:

“if you make under \$2,000 per month, what you need isn't a trick that would allow you to make +5% or +10% of sales

*No, what you need is an **IRRESISTIBLE OFFER** that would allow you to **MULTIPLY YOUR BUSINESS BY 10**”*

Believe me, I've been doing business on the Internet **since 2010...**

What you need is in fact to **create an IRRESISTIBLE OFFER** and **SELL IT**.

Everything else is a **waste of time**.

To save you from searching for years, I've created a method which shows you **how to CREATE AN IRRESISTIBLE OFFER** and **SELL IT** easily.

This is the method that allows you to **make sales at 2,000 or 6,000 dollars**.

And for limited time only, you can still get your hands on this offer and **save \$490** off its original price

Subject: The exact script to make sales worth \$1,000 and more

Body:

Once you’ve created an irresistible offer, you need to sell it.

For that, my team and I have developed a **very powerful method**.

It’s not about **harassing people with sales**

(it’s silly and above all, doesn’t work very well)

On the contrary:

- we **build the solution** with the client
- we bring him a **ton of value**
- and if we believe that he is a good candidate we **make him an offer** (usually, at this stage they’re always willing to sign)

With this method we can **easily sell offers** between \$2,000 and \$6,000
(*we make about \$40,000 of sales per month with this system*)

In the method “The new system for creating a profitable business”

I’m giving you the EXACT script that we use to make offers at \$2,000 or \$6,000

(*there are three questions to ask and simply listening to your potential client is enough to bring him a TON of value*)

Subject: \$7 for the training... .. am I making fun of you?

Body:

I have received an irritated email from one of our clients in training:

*“I am committed to a \$3,000 coaching session
and now you’re offering trainings that allows you to reach the same results for \$7!*

Maybe you should’ve segmented your email because now I’m a little pissed  ”

My reply:

“This is a training therefore it’s not at all the same level of service as the coaching you are getting with us

(nor the same cost for me)

Hence the greater flexibility in the pricing of the offer.”

You now know why I’m offering **for \$7 only**
the **same method that we use with our clients** who pay \$3,000.

And you can still take advantage of this offer **until tonight MIDNIGHT:**

Subject: Attention: last hours to take advantage of the 490 dollar discount!

Body:

Tonight, at MIDNIGHT I'm withdrawing the page to access
the training "The new system to launch a profitable business"
for 7 dollars only.

(it's less than 2% of the normal rate of 497 euros)

In this one-hour video training I'll show you:

1. How to **select a viable theme** and **launch an irresistible offer**
2. How to sell it with our **powerful sales system** *(includes to sales script that allows us to make sales at \$6,000)*
3. How to **delegate the work** to a team

This system has allowed our clients to make **tens of thousands** of euros in sales:

- Florent went from **\$2,000€ to \$20,000** per month.
- Martine has made **\$18,000 worth of sales** in 10 days.
- Erkan has made **\$11,000 worth of sales** in 30 days.
- Patricia has made **\$33,000 worth of sales** in 15 days.

And it enabled me to add **\$40,000 per month to my revenue** to reach **\$100k a month**.

For a few more hours you can still get your hands on the offer and nearly save 500 dollars:
