## Email 1: Turn 1h of work a week into \$2,000 a month 🚀

My friend Aurelian Amacker's clients used to pay him **\$1000 per month for just 2 hours of coaching**:

2 clients x 2 hours of coaching = 4 hours of work per month

= **1 hour of work per week**

2 clients x \$1000

= **\$2000 per month**

This system let him make **\$2000 per month for just**

**1 hour of work per week**, how great is that?

So he's created a course to **help you achieve the same result**, even if you're starting from scratch!

What you'll get from this course:

- Aurelian's method to **selling products at \$6000 and more**

*(this method allowed him to sell a one-month web marketing consulting package for **\$20 000**)*

- The **3 questions** to ask to sell products at \$6000 and more

*(Aurelian "stole" these questions from a Canadian coach whose company makes \$20 million a year in sales).*

- How to get paid **\$500 per hour** even if you are a **complete beginner**

*(Aurelian will explain how much you can sell from the start and how to increase your rates to reach \$500/hour)*

- How to help your customers become successful

*(Aurelian has a 100% success rate with customers who paid me \$6000, and in the course, he shows you how he did it)*

And as a bonus, he'll show you **2 case studies of customers who paid him \$6000** to double the turnover of their online businesses

## Email 2: This method made me land a \$20k coaching gig 💰

My friend, Aurelian, **only ever promises results which he's gotten himself**

In his course, he'll teach the method that was allowing him to earn **\$2000 per month for just 1 hour of work per week**

So, what if I told you that this same method

made him **close a \$20,000 sale** for a coaching gig?

*(and he only had to work for a month)*

Let me explain:

In 2014 Aurelian read a book that inspired him to **become a business coach**

Within **that same year**, he met a client who wanted to launch her offline business online

After a 1h30 Skype call, he decided to offer her his services for **\$20,000**

And after some deliberation, **she accepted his offer!**

Through a simple call, Aurelian closed a sale for a \$20,000 consulting gig

If he could do it, you can too.

That's why he's put together a course to **help you get the same results**

For a limited time, you can still get FREE ACCESS to the first video of this course...and learn about the "High Ticket" method to **sell premium offers** to your coaching prospects

## Email 3: Get the cheat sheet to DOUBLE any online business in 4 steps 🚀

In 2014, Aurelian Amacker mastered the "High Ticket" method that helped him sell **two \$6,000 coaching programs**

His first client had a personal development blog that was making roughly **\$1,000 per month**

*(it was getting 2,500 visits per day)*

With a few small tweaks, they **doubled the opt-ins to his email list** from 25 to 50 per day

After one month, he was making **\$100 per day** by selling his product through an automatic email sequence

In just a few weeks, Aurelian helped him increase his revenue **from \$1,000 to \$3,000 per month.**

*(he also launched a second product and made another \$10,000 in turnover)*

This is all thanks to the **4 steps that Aurelian swears** will double (or triple) any online business

In his course, he provides you with a **free bonus cheat sheet** that explains these **4 action steps to double your clients' businesses**

Plus, you'll learn how to make **\$2,000 per month by working just 1h per week**

*PS: You don't need to take my word for it.*

*Tolkin enrolled in the course and here's what he had to say:*

**Tolkin Yunusov**

Thank you for the course. Bought it this morning! It's amazing. Watched the videos, made notes, created a mindmap. Even though it is only 1hr 26 min. I spent the whole day learning and adjusting it to my business. Thank you! Do you have any other courses? **Aurelian Amacker**

## Email 4: How this client DOUBLED his revenue and quit his 9-5 🔥

When my friend, Aurelian Amacker, started out as a business coach back in 2014,

He helped his first client **triple his revenue in just a few weeks**

His **second client** had a blog about fitness, he was making

\$1000 per month in turnover

*(his blog didn't have a lot of traffic, only 500 visitors per day)*

They laid out a plan to double his revenue in 6 months. His blog was only getting 3-5 opt-ins per day, so Aurelian told him it was going to be a tough journey

After optimizing his newsletter, Aurelian helped him increase the opt-ins to his blog from 5 to **20 per day**

They also set up a calendar of promotions, he started launching new products monthly along with his existing products

And the **results were phenomenal**,

his blog went from \$1000 to \$2000 in revenue per month in **just 3 months**

*(he also started using Aurelian's high-ticket method to sell a **\$450 coaching program**)*

He was able to **quit his 9-5 and fully commit to his passion**, here's the email he sent to Aurelian halfway through the coaching program:

Hi Aurelian

Last month I told you that I had my best month of 2014 ( \$1600).

Today we are only halfway through the coaching program and our initial goal has already been achieved: my business has doubled.

(My turnover exceeded \$2000 in January WITHOUT having released a new product).

Maybe you should rename your program 'Double your business in 3 months' or 'Quadruple your business in 6 months'.

In any case, I am going to quit my job, live off my passion and spend more time with my family.

The best part? All they had to do was apply the 4 steps that I follow to double **any online business**

In this new course, Aurelian provides you with a **bonus cheat sheet** that explains the **4 action steps to double your clients' businesses**

Plus, for a limited time, you can still get **FREE ACCESS** to the first video of the course and learn how to make **\$2,000 per month by working just 1 hour per week** as a business coach
