Subject: The method that sold a \$20k consulting gig 💰

My friend, Aurelian Amacker, put together a 1-hour online course where he teaches you how to **make your first \$1,000 online**

He teaches the method that allowed him to sell high-ticket offers at a 33% success rate

(For every third person he spoke to over the phone, he made one sale)

What if I told you that this same method helped Aurelian **close a \$20,000 sale** for a consulting gig?

(and it only took him 1 month of work)

Let me explain:

In 2014, Aurelian read a book that inspired him to **become a business coach**

Within **that same year**, he met a client who wanted to launch her offline business online

After a 1h30 Skype call, he decided to offer her his services for **\$20,000**

And, after some discussion, **she accepted his offer!**

Through a simple call, Aurelian closed a sale for a \$20,000 consulting gig

This is all thanks to the sales script that he discovered in 2014

Today, he has a team of 2 people using this script to sell his coaching programs and generate close to **\$100,000 in sales** per month for his company
