<https://<YOUROFFERLINKGOESHERE>>

Here's what's in the package:

- **Lifetime access to all 8 of the systeme.io courses**
(\$247 x 8 = \$1,976 value)
- **Rights** to sell these 8 courses and keep 100% of the profits
(8 x \$297 = \$2,376 value)
- **Exclusive rights to resell the PLR package itself!**
(\$7,349 value)

(You'll be able to resell the Resell Rights to your audience and multiply your income!)

- **All the marketing materials that we have developed** for every course
(\$2,997 value)

(Email swipes to launch the offer to your list and sales funnels to sell the courses on autopilot!)

Besides selling the courses and keeping 100% of the profits...

...you can **generate a lifetime recurring income** with these courses and funnels by:

- Adding **your systeme.io affiliate link** to the courses and bonuses

(I talk about systeme.io in every course, and your audience will need a platform to implement my strategies)

- **Reselling the PLR package itself**

*(You'll share all the funnels and courses in the package **using your share links**, which are affiliate links by default. Which means **more affiliate commissions to you**)*

*(systeme.io pays a whopping **60% lifetime commission** on all the sales you make!)*

For only \$97, you'll get the resell rights to products that have **taken me and my team hundreds of hours to create!**

And if implemented right, the PLR package could become a **long-term source of revenue** for your online business

*(Much like these 8 courses have been generating \$4,000/week for my company **for months**)*

However, your chance to save \$14,601 on our PLR package expires **TONIGHT at midnight**

*(After that, your chance to get the resell rights to my courses and the package itself will be **gone for good**)*
