

● We've added \$7,349 in value to our PLR package!

The Creator of this course bundle was really hesitant to add this to the systeme.io PLR package

*(since giving you the private label rights to all 8 of my best-selling courses is already **worth \$7,349**)*

but he has decided to **give you the most value possible** from these 8 courses and their resources

So they've added the **Master resell rights**

Yes, you read that right

Not only will you get to sell **all 8 of our high-converting courses and keep 100% profits..**

..but you'll now have the **rights to sell the PLR package itself!**

This essentially **doubles the value** you'll be getting from this limited-time offer!

*(The PLR package is now worth a whopping **\$14,698!**)*

Click here to access the systeme.io PLR package at a huge discount!

*(WARNING: This special discount expires in **3 days**)*

Here's to your success

PS: when you sell the rights to the courses, you then share all the funnels with your own share links, that are affiliate links by default..

*...which means **more affiliate commissions to you ;-)***
