

Wow! 🔥

We've already had **dozens of people** taking us up on our PLR offer

*(where you can get the **resell rights** to all of our online courses)*

Michiyo asked me if she could translate our courses into Japanese:

Hi Aurelian, I just received the announcement about PLR package. That is an awesome idea! Love it! I have a quick question. I will definitely purchase the package and I would like to know if I can use the content and translate them into Japanese when I resell them.... It might take a while to do so but it would be worth it for me to try. LMK. Thank you.

The answer is YES!

With the systeme.io PLR package, **you can use this content as you please!**

And not only can you sell these courses and **keep 100% of the profits**, but you can also edit the content and add your own affiliate links to systeme.io!

*(Creator mention systeme.io in my courses a lot, and your customers will be **looking for software to help them put my strategies to work!**)*
