

## Do I need a paid plan to sell the systeme.io courses? 🤔

With the systeme.io free plan, you can only sell 1 course **using our course feature**

*(With our Startup plan you can sell 5 courses and with the Webinar plan, you'd be able to sell all 8 of the courses in the systeme.io PLR package)*

However, if you **don't want to move to a paid systeme.io plan**, there are multiple ways you can use our free plan to **sell and deliver all of the courses** in our PLR package

After the payment has been made, simply send users to a **private page that hosts the course videos**

*(You can deliver the links to the courses via an automation rule)*

In short, **there is no need to upgrade to a paid plan** to sell our courses and keep 100% of the profits!

Click here to get access to the systeme.io PLR package and launch your own best-selling digital products in minutes!
