How to Use This Bundle (In Order)

Step 1: Complete the Alignment Audit (Before Anything Else)

Begin with the **Alignment Audit**.

This is your starting point.

It will help you evaluate where you currently stand — mentally, emotionally, and strategically — in relation to what you say you want.

Be honest. This is for you.

Do not skip this step.

Step 2: Read the Ebook

Once you have completed your initial Alignment Audit, move to the **Ebook**.

The ebook will:

- Clarify key principles
- Reframe how you view yourself
- Strengthen your understanding of yourself, and your thought process
- Give context to everything else inside this bundle

Take your time with it. Highlight. Reflect. Think.

Step 3: Complete the Workbook

After finishing the ebook, begin the **Workbook**.

This is where theory becomes execution.

The workbook is designed to:

- Translate knowledge into action
- Help you apply what you've learned
- Build clarity around your goals
- Strengthen personal accountability

Move through it carefully and intentionally.

Step 4: Begin the Millionaire's Journal

Now you are ready for the **Goal Journal**.

This is your daily practice tool.

Use it to:

- Reinforce your new beliefs
- Track alignment
- Clarify intentions
- Reflect on growth
- Build consistency

Discipline is built through repetition. The journal is where repetition becomes momentum.

Step 5: Retake the Alignment Audit

After completing the ebook, workbook, and spending time with the journal, return to the **Alignment Audit**.

Take it again, Compare your answers.

Notice the shifts in:

- Awareness

- Direction

This is how you measure growth.
