

### **Teen Etiquette Starter Kit for Parents**

This guide helps parents teach essential etiquette, communication, and social skills to teens and young adults. It includes practical tips, scripts, and activities you can use at home.

#### **Section 1: Social Etiquette Essentials**

- How to make a positive first impression
- Greetings, eye contact, and posture
- Respectful behavior in social settings
- Conversation starters for shy teens

#### **Section 2: Communication Skills**

- Speaking clearly and respectfully
- Active listening basics
- How to express disagreement politely
- Digital communication do's and don'ts

#### **Section 3: Professional Etiquette Basics**

- Email etiquette for school and work
- First-job professionalism
- Interview etiquette checklist
- How to communicate with adults confidently

#### **Section 4: Home Practice Activities**

- Role-play scenarios
- Weekly etiquette challenges
- Family conversation practice prompts

#### **Section 5: Parent Coaching Tips**

- Encouraging without nagging Teen Etiquette Starter Kit for Parents
- Building habits through modeling
- Scripts for tricky conversations

#### ***Conclusion***

Use this guide consistently and patiently. Teaching etiquette is not about perfection - it's about progress. With your support, your teen can build lifelong skills that help them thrive socially, academically, and professionally
