

SaaS Platform Offer – Complete Overview

- **Platform & Technology Stack**

- ✓ **AI-Powered White-Label SaaS Platform**

- Launch under your own brand, domain, logo, and dashboard.
 - Host HRM, CRM, Email AI, Lead Gen & more from one control panel.

- ✓ **Tech Stack:**

- **Frontend:** React.js + TailwindCSS – lightning-fast, modern UI/UX.
 - **Backend:** Node.js + Express.js – robust RESTful APIs & Webhooks.
 - **Database:** MongoDB – scalable, flexible NoSQL DB.
 - **Mobile-Ready:** 100% PWA (Progressive Web App) – works like an app on Android/iOS without store submission.

- ✓ **Modular Architecture**

- Easily add/remove tools: CRM, HRM, Funnels, AI Writer, etc.

- ✓ **Full Developer Access**

- 100% source code with documentation – fully customizable.

- ✓ **Lifetime Updates**

- Includes all future features, security updates, and bug fixes.

- **Marketing & Sales Tools**

✓ **Advanced SEO Tools**

- Auto meta tags, sitemap, schema markup.
- Google/Bing indexing is ready out of the box.

✓ **Email & SMS Campaign Builder**

- Pre-integrated workflows for onboarding, retention, and promotions.

✓ **Drag & Drop Funnel Builder**

- Create landing pages, opt-ins, and lead magnets without coding.

✓ **Sales CRM (Included)**

- Lead capture, pipeline management, and auto lead scoring.

✓ **Analytics Ready**

- Facebook Pixel, Google Analytics, UTM tracking – plug and play.

✓ **Lead Magnet Generator (AI-Powered)**

- Create offers, PDFs, checklists, and guides with 1-click AI.

• **Earning & Monetization Tools**

✓ **Multi-Tier Subscriptions**

- Offer monthly, yearly, freemium, or custom pricing plans.

✓ **Integrated Payment Gateways**

- Stripe, PayPal, Razorpay – no-code configuration.

✓ **Affiliate Marketing Engine**

- Custom referral links, payouts, and multi-level programs.

✓ **Branded Client Invoicing**

- Built-in invoice generation with your logo and billing info.

✓ **Coupon & Discount Management**

- Create limited-time offers, loyalty discounts, and seasonal sales.

• **Mobile & Branding Power**

✓ **Android/iOS Ready (via PWA)**

- No need for Google Play or App Store submission.

✓ **White Label Branding**

- Use your domain, email, and custom logos.

✓ **Free Hosting + Domain Setup (For Life)**

- Never pay for hosting or SSL.

✓ **Social Media Branding Kit**

- Includes banners, logos, covers, brand colors, etc.

✓ **Multi-Language + RTL Support**

- Expand globally with 1-click translations and RTL layout.

• **Exclusive Bonus Content**
