## Why Add the G5 Massage Machine to Your Salon?

The G5 Massage Machine is a game-changer for salons looking to expand their services and boost revenue. It's not just a massage machine—it's a fat breakdown, lymphatic drainage, and skin tightening powerhouse! When combined with body contouring treatments, G5 enhances results, making your services more effective and in-demand.

- ✓, Breaks Down Fat Deposits – Enhances fat reduction when paired with RF, Fat Cavitation & Cryolipolysis.
- ✓, Boosts Lymphatic Drainage – Supports detoxification and eliminates liquefied fat cells faster.
- ✓, Increases Skin Tightening – Stimulates collagen production for firmer, youthful-looking skin.
- ✓, Speeds Up Recovery – Reduces post-treatment swelling & enhances circulation.
- ✓, Increases Salon Profits – Add high-ticket packages with zero consumable costs.
