

TINY TOPANGA'S EL CHICO MODEL

This 26 foot tiny house includes everything a home needs, and was designed with the survivors from so many recent natural disasters in mind, as an affordable and comprehensive solution for anyone starting over or as a stepping stone while rebuilding. As many of our homes, it's also perfect for a first home, a vacation getaway, or a retirement abode.

2 BED PORCH 1 BATH 272 SQFT
