

TINY TOPANGA'S LISA MODEL

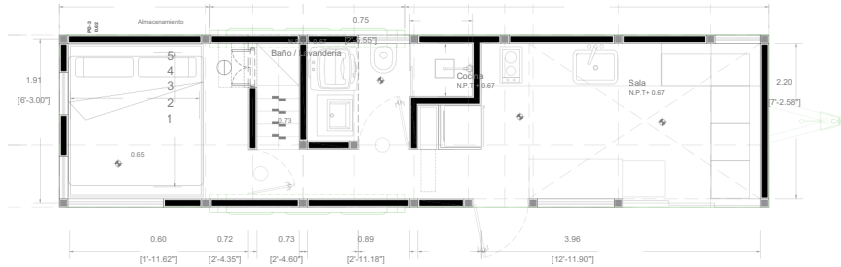

IN COLLABORATION WITH SHAYE'S TINY HOMES

SHAYE'S TINY HOMES
Created with Love

The Lisa Model is our most spacious tiny home yet, with three full bedrooms—including a downstairs room and two lofts with full-height walkways. It's a favorite among families and retirees, offering space for wardrobes, hobbies, or guests. With smart storage and open living, the Lisa is perfect for anyone wanting extra room without giving up the tiny lifestyle.
