

TINY TOPANGA'S FLAGSHIP MODEL

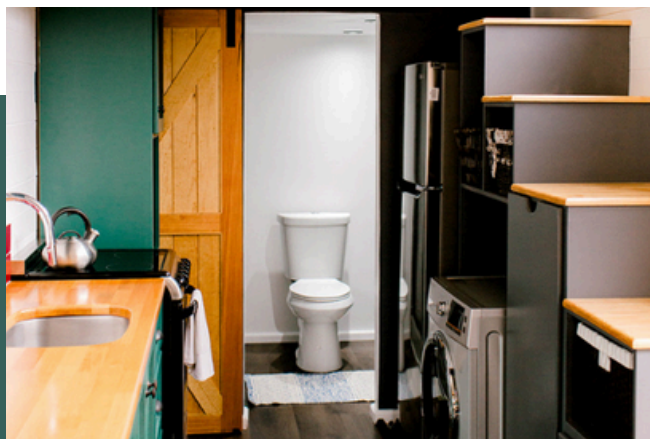

The Flagship model was our first design, crafted with care for a small family or a work-at-home couple. It's equipped with everything you need for comfortable tiny living, featuring artisan touches throughout. Built with love and attention to detail, this model combines practicality with charm, making it a space you'll truly enjoy.

TINY HOME FEATURES

- 24 foot x 8.5 foot trailer (with options for adding length)
- 2 sleeping lofts
- Full kitchen with space for 4-6 people to dine
- Work or living space
- Artisan touches (such as hand painted talavera & hand forged copper lamps)
- Storage stairs and ladder
- Appliances included
- Flush or compost toilet option
