

# High-Impact Communication for High-Stakes Moments

PRACTICAL, SCIENCE-BACKED WAYS TO SHAPE WHAT PEOPLE KNOW, FEEL, AND DO.

## About

**Stephanie Judd helps leaders land messages that actually move the needle with their teams and organizations.**

A high-energy speaker with expertise that blends social psychology, influence science, and behavior change, Stephanie brings science, practicality, and enthralling storytelling to every stage.

As co-founder of Wolf & Heron, she's worked with teams at organizations like Google, Pfizer, and Discover to elevate their influence through better storytelling, more intentional meetings, and meaningful conversations.

## Keynotes at a Glance

### Stories That Sell

Make your stories 22x more memorable—and way more effective—in every sales conversation.

### The Slide Trap

Don't let your deck get in the way of your message.

### Making Meetings Magical

Design conversations that shape your culture. Every time.

### Your Stories Are Your Leadership Superpower

Stories shape you. And then they shape your world.

*You kicked off our conference with incredible power, clarity, and heart.*

— Jenna Gadile  
Event Organizer

*I'm a professional speaker and writer. Stephanie's talk was more than I expected in just 45 minutes. Just. Wow."*

— Lisa Boesen
