YOUR IDEAL LIFE!

How many hours do you want to work each work?

How many weeks do you want to work this year? Take into account holidays, school holidays, sick leave and down time.

YOUR IDEAL WORKING HOURS!

Hours per week x Weeks per year:

Equals:

ANNUAL HOURLY RATE

Cost of doing business total:

Divided by Ideal working hours:

Equals:

MILESTONES

Take what your success plan and prioritise it.

Come up with your top 3-7 Quarterly Milestones - goals you want to achieve within the next 90 days.

In the box next to each goal, assign a due date for when you want to have achieved it by.
