

Sammy May Ruttle

Keynote Speaker & Workshop Facilitator

Founder of Inspired Leaders Network & To Be Limitless

Drawing from the soon to be released book *The Courage to Be Limitless* and the *To Be Limitless* podcast, your audience gets the science and lived experience behind how we decide, how we behave, and what we truly value to create perspective shifts that build a limitless mentality despite all odds.

A simple takeaway: happiness lives in our pursuit, not at the finish line – and courage to fail is what develops it.

Through storytelling, the neuroscience of change, and the somatic science of embracing failure, your people leave with a breath of fresh air, a smile on their face and tangible actions to build their own courage to fail.

"Having Sammy involved in our event has been nothing short of incredible. Sammy has made a such a powerful and lasting impact. Not only for the participants but for our whole team."

Caitlyn Butler, Event Organiser.
